Hi Mark,

I hope you are well.

I am still waiting for feedback from the specialists on the s92. I expect the feedback soon.

Could you please confirm, the activity in Shed D. I see the AEE had a figure which states 'Marlin'. Is this the transport company? I see they do a wide range of logistic services (not

all related to marine and port activities). Is this a 'freight depot'? Could you confirm if this depot is related to Marine and Port Activities only?

If not accessory to the marine and port activities, please indicate how you wish to proceed with this? Noting that (F5.4.1(A12) Industrial activities within the Port of Onehunga is a NCA in the CMA?

Thanks.

Just a note, I will be on leave from 18 April until 12 May.
