	Summary
	Amend Introduction to acknowledge the additional benefits
	associated with tertiary institutions. Refer to details in submission at page 7/65 of volume 3.
n,	Add new Policies 10G - 10J to provide a policy framework for
-,	Unitec's proposed sub-precinct D, including residential, business
	and retail development. Refer to details in submission at page
n,	8/50 of volume 4. Add new Policies 10K - 10L to provide a policy framework for
.,	Unitec's proposed sub-precinct E, including the campus core, and
	business, office, innovation and research activites. Refer to details
	in submission at page 8/50 of volume 4.
n,	Amend Policies 11-13 to recognise and provide for the potential
-,	adaptive reuse of the existing scheduled heritage building. Refer
	to details in submission at page 8/50 of volume 4.
n,	Add new Policy 13A to provide for intensification and to enable
	buildings of a significant scale, as follows: "Provide the opportunity
	for additional intensification through buildings of significant scale in
	identified parts of the Precinct and subject to design controls."
n,	Add new Policy 15A to recognise the public connections shown on
	Unitec's proposed Wairaka Concept Plan [refer to submission] as
	follows: "Provide public connections to Oakley Creek from
	Carrington Road through public roads and open space, giving
	guality public access to this important ecological area."
n,	Add new Policy 18A, and amend Policies 16-18, to emphasise
	important [proposed] pedestrian and cycle linkages through the
	Precinct and the network of [proposed] public roads that will
	connect the Precinct with the surrounding communities. Refer to
	details in submission at page 9/50 of volume 4
n,	Amend Policy 19(d) to reflect that transport planning and the
	provision of shared parking facilities can encourage students, staff,
	residents and employees to travel out of peak, as follows: "Reduce
	the peaks in traffic generation Enables and encourages out of
	peak travel to achieve more even traffic flows through the day and
n	the year " Amend Policy 20 so that it is only the implementation of a new
1,	framework plan which requires a separate integrated transport and
	traffic management plan, and not all new development. Refer to
	details in submission at page 10/50 of volume 4.
n,	Add new Policy 20A to provide for car-parking buildings rather
,	than at-grade parking, as follows: "Encourage large parking
	areas, or parking servicing the heritage area, to be provided within
	parking buildings."
n,	Amend Policy 21 to allow development in accordance with either
	the [proposed] Wairaka Concept Plan or a framework plan, and to
	recognise the inclusion of new sub-precincts C, D and E. Refer to
	details in submission at page 10/50 of volume 4.
	Add new Policy (2)(e) as follows: "provide flexible provisions which
	enable the major education and health facilities to adapt to
	changing learning and caring practices and technology advances.
	and to make specific provision for innovative research, teaching,
	caring and support services and industries to co-locate with
	tertiary institutions " Amond Daliay 22 as that avaidance of effects such as dominance
n,	Amend Policy 22 so that avoidance of effects such as dominance,
	privacy and overshadowing primarily relate only to the protection
	of residential amenity, as follows: "Require graduated building
	heights and locate higher buildings away from the p Precinct
	boundary <u>adjacent to residential uses</u> so they do not cause

	Summary
٦,	Amend Policy 24 to recognise that the Wairaka Precinct is made
	up of sites in multiple ownership, as follows: "Encourage the joint
	consideration of framework plan applications. Where a framework
	plan is applied for, encourage joint application by multiple
	landowners and any related development to provide for
	coordinated development of the p Precinct "
n,	Add new Policies 26A - 26C to provide for "super-block"
	subdivision consents to facilitate development in accordance with
	the [proposed] Wairaka Concept Plan, to import the relevant
	subdivision controls of the underlying zone, so that the Precinct
	provisions stand alone as the only relevant planning controls for
	the Precinct, and provide for subdivision related to the scheduled
	heritage building on the Precinct as a controlled activity. Refer to
	details in submission at page 11/50 of volume 2
	Amend Introduction to provide that the underlying zone rules need
	not apply. Refer to details in submission at page 12/50 of volume
	2.
	Amend extensively the Activity Table to provide for rules that apply
	across the entire precinct. Additional activities applying in the sub-
	precincts are set out in separate relief. Amendments sought relate
	to various accommodation, commercial, community facility, and
	development-related activities (including subdivision), and include
	enabling a less restrictive activity status for existing activities,
	providing for new activities (including in particular additional
	accommodation and commercial activities and earthworks), and
	application of Unitec's proposed Wairaka Concept Plan to
	subdivision and development within the precinct. Refer to details in
	submission at page 12/50 of volume 2.
	submission at page 12/30 of volume 2.
	Amend introduction to Activity Table 1.1 to reflect the activities to
	be enabled in sub-precinct A in accordance with the [proposed]
	Indicative Wairaka Masterplan, including activities enabled in the
	underlying Mixed Use zone (where not incompatible with the
	Precinct or sub-precinct provisions). Refer to details in submission
	at page 17/50 of volume 2
	Amend introduction to Activity Table 1.2 to reflect the activities to
	be enabled in sub-precinct B in accordance with the [proposed]
	Indicative Wairaka Masterplan, including activities enabled in the
	underlying Mixed Use zone (where not incompatible with the
	Precinct or sub-precinct provisions). Refer to details in submission
	at page 17/50 of volume 2
	Add new Activity table 1.3 with the activities to be enabled in
	[proposed] sub-precinct C in accordance with the [proposed]
	Indicative Wairaka Masterplan, including activities enabled in the
	underlying Mixed Use zone (where not incompatible with the
	Precinct or sub-precinct provisions). Refer to details in submission
	at page 17/50 of volume 2
	Add new Activity table 1.4 with the activities to be enabled in
	[proposed]sub-precinct E in accordance with the [proposed]
	Indicative Wairaka Masterplan, including activities enabled in the
	underlying Special Purpose Tertiary Education zone (where not
	incompatible with the Precinct or sub-precinct provisions). Refer
	to details in submission at page 18/50 of volume 2
	Retain precinct Rule 2 - Notification, with minor amendment to 2(1)
	to avoid repetition, as follows: "Council will consider ()
	applications for framework plans () without the need for public
	notification <u>., H</u> h owever limited notification may be undertaken,
	including notice being given to any owner of land within the
	nrecinct who has not provided their written approval "
	Amend Regulatory Methods to recognise "tertiary education
	institutions", being a broader category than "universities". Refer to
	details in submission at page 9/65 of volume 3.

	Summary
es	Delete land use control 3.1 so that the land use controls in the
	Special Purpose Tertiary Education zone will not apply.
es	Insert new land use control 3.1A (1)-(3) to import the subdivision
	land use controls and assessment criteria from the relevant
	underlying zones. Refer to details in submission at page 19/50 of
	volume 2.
es	Add new land use control 3.1B and Figure 1 referring to the
	Concept Plan for the Preinct. Refer to details in submission at
	page 20/50 of volume 2.
es	Amend development control 3.2(e) - Framework plan to clarify the
	additional information (in relation to heritage buildings and location
	and extent of buildings) that a resource consent application will be
	required to include. Refer to details in submission at page 21/50
es	of volume 2. Amend development control 3.3(1) as follows: "Where floodlights
	are located adjacent to a residential zone outside the Wairaka
	Precinct, the hours of operation must not extend beyond: ()".
es	Amend development control 4.1 to provide that the underlying
	zone development controls policies do not apply, unless
	specifically referenced within the precinct provisions. Refer to
	details in submission at page 22/50 of volume 2.
es	Amend development control 4.2 to include [proposed] Figure 2 -
	Height Plan, and provisions which set out the purpose of the
	Height Plan, to enable a series of maximum permitted building
	heights in the Wairaka Precinct in excess of existing heights.
	Refer to details in submission at page 23/50 of volume 2
es	Amend development control 4.3 to establish the purpose of the
	height in relation to boundary control as being preservation of
	amenity of neighbouring residential zones, and to restrict
	application of control to sub-precinct boundaries adjoining a
	residential or public open space zone. Refer to details in
	submission at page 25/50 of volume 2
es	Amend development control 4.4 to establish the purpose of the
	building coverage control as being to provide for a mid-rise
	intensive urban-built character within the zone, amend the
	coverage levels for sub-precinct B, provide for coverage control in
	[proposed] sub-precincts C and D, and to restrict application of the
	control to areas outside [proposed] sub-precinct E. Refer to
es	Amend development control 4.5 to establish the purpose of the
	landscaping control, being to ensure a high amenity environment
	including open spaces and to provide stormwater absorption, and
	to refer to the proposed Wairaka Precinct Concept Plan. Refer to
	details in submission at page 25/50 of volume 2.
nd	Amend Introduction to recognise economic contribution of tertiary
	education institutions by inclusion of additional bullet point as
	follows: "opportunity is provided to foster innovation and research,
	including opportunities of co-location of business and industry with
	maior tertiary educational institutions."
es	Amend development control 4.6 to establish the purpose of the
	boundary setback controls as being to provide setbacks from
	specified Precinct boundaries, and to confirm that building
	setbacks should be from the Precinct boundary rather than any
	internal zone boundaries and/or from the edge of all permanent
	and intermittent streams
es	Add new development control 4.6.(3) as follows: "Buildings on land
	fronting Carrington Road must be set back a minimum width of 3m
	from the Carrington Road boundary. This setback may be used
	for walkways, cycleways, public transport facilities, site access,
	street furniture, outdoor dining and cafes. Other areas within the
	3m not used for active uses shall be landscaped "

	Summary
	Amend Activity Table 1 to provide for partial demolition of a
ge	primary or non-primary feature of a Category A place as a
	discretionary activity (instead of non-complying). Refer to details in
	submission at page 6/16 of volume 5.
	Amend Activity Table 1 to provide for modification of the primary or
ge	non-primary features of a Category A / A* or a Category B
	place as a restricted discretionary activity (instead of
	discretionary). Refer to details in submission at page 7/16 of volume 5.
	Amend Activity Table 1 to provide for new buildings or structures
ge	as restricted discretionary activity (instead of discretionary). Refer
	to details in submission at page 8/16 of volume 5.
	Amend Activity Table 1 to provide for subdivision of land
ge	containing a scheduled historic heritage place as restricted
	discretionary activity (instead of non-complying). Refer to details in
	submission at page 8/16 of volume 5. Add additional text to Background to confirm that the objectives
	and policies beneath relate to buildings or places yet to be
	scheduled in the Plan, rather than as an additional layer of control
	for those buildings and places already scheduled in Appendix
	9. Refer to details in submission at page 13/65 of volume 3.
	Amend Activity Table 1 to provide for temporary dismantling for
ge	seismic strengthening to meet the requirements of the council's
	plans prepared under the Building Act as a permitted activity
	(instead of restricted discretionary). Refer to details in submission
	at page 9/16 of volume 5 Amend Activity Table 1 to provide for "signs not otherwise
je	specified" as a restricted discretionary activity (instead of non-
,0	complying). Refer to details in submission at page 9/16 of volume
	5.
	Add a new activity to Activity Table 1 to provide for "signs in
ge	accordance with an approved conservation plan" as a permitted
	activity. Refer to details in submission at page 10/16 of volume 5.
	Amend Activity Table 1 to provide for upgrading and replacement
je	of network utilities as a restricted discretionary activity (instead
,0	of discretionary). Refer to details in submission at page 10/16 of
	volume 5.
toric	Amend Activity Table 3 to include a separate category for the
	modification or partial demolition of a building, feature or
	landscape feature within a Category A or B scheduled historic
	area as a restricted discretionary activity, if undertaken in
	conjunction with conservation plan or adaptive reuse
	proposal . Refer to details in submission at page 10/16 of volume
toric	5 Amend Activity Table 3 to provide for any subdivision of land within
	a contributing part of a historic heritage area as a restricted
	discretionary activity rather than non-complying. Refer to details in
	submission at page 11/16 of volume 5.
ls	Amend rule 2.3 - Identification signs to recognise that different
	considerations exist between the zones in respect of way-finding
	and urban design. Refer to details in submission at page 11/16 of
	volume 5.
	Add new matter for discretion 4.1(9)(c) regarding seismic
	strengthening requirements as follows: "the economic viability of
	the building and the opportunities that adaptive reuse offers."; and
	add associated assessment criteria to 4.2(1). Refer to details in submission at page 12/16 of volume 5

	Summary
	Amend assessment criterion 50 to address the management of
	stormwater through management of discharges rather
	than minimisation, the extent rather than minimisation of
	impervious areas, and the the use of rain gardens, rainwater tanks
	and rooftop greening and planting only where appropriate. Refer
	to details in submission at page 45/65 of volume 3
	Amend restricted discretionary criterion 44 to
	require confirmation of acceptability of a proposed open
	space from that the public open space administering body rather
	than written advice.
	Amend development control 3.3.2 to provide for smaller loading space dimensions for activities other than warehouses, industrial
	and large retail activities. Amend typographical error in 3.3.2 that
	refers to Table 7 (instead of Table 9). Refer to details in

	Summary
	Amend definition of "Student accommodation" to provide greater
	flexibility for likely users and avoid excessive prescription in
	relation to building and site format, as follows: "Living
	accommodation, primarily used or designed to be used by
	registered students, lecturers, research assistants and any guests
	of a tertiary education facility and which is served by one or more
	communal living areas, including kitchens. The building(s) in which
	the student accommodation is located is composed of no more-
	than one site or stratum estate in freehold or leasehold. in one
	Delete definition of "Total and substantial demolition" to provide
	clarity for applicants, and replace with the following definition of
	"Substantial demolition": "The demolition of the significant majority
	of a scheduled place and, in the case of a scheduled building,
	comprises the demolition of more than 60% of the scheduled
	aspects of the building and excludes any permitted demolition."
	Amend the definition of "Tertiary education facilities" to incorporate
	a wide range of ancillary activities and recognise the relationship
	between tertiary education and business/innovation facilities, as
	follows: "Includes: () accommodation, administrative,
	entertainment, laboratory, research facilities, meeting and
	conference facilities (including accommodation), innovation
	centres, business centres, cultural, health, retail and communal-

Summary
Recognise the need to retain affordable housing within the Framework Plan provisions.
Add a cross reference to the affordable housing definition and criteria across the plan.
Recognise that the the voluntary nature of framework plans may be used by developers as a way to circumvent the need for retained affordable housing.
Add the location, size and the number of retained affordable housing units in each development within the framework plan requirements.
Recognise the location and numbers of retained affordable housing within the development controls.
Retain the linkage of subdivision back to the overarching plan because it changes the activity status to discretionary where it is not consistent with a previously approved plan.
Add a specific reference to retained affordable housing.
Add the location, size and the number of retained affordable housing units in each development within the Framework, Structure, Precinct and Concept plans.
Retain the underlying premise of the PAUP being the Auckland Plan's Strategic Direction 11 which seeks to house all Aucklanders in secure, healthy homes they can afford.
Add a cross reference to the affordable housing definition and criteria.
Add retained affordable housing to the assessment criteria tables (Table 13 and Table 14) and ensure sufficient and consistent referencing to retained affordable housing.
Add references to retained affordable housing into rule 5.5 Special Information Requirements.
Retain rule 6.4. and amend to apply to all affordable housing.
Retain rule 6.6 Affordable housing.
Recognise opportunities where there is a benefit to the development for doing more affordable or social housing.
Clarify in Rule 1.1 [Number of retained affordable dwellings] the specific areas that are required to provide retained affordable housing in the proportions specified.
Amend rule 1.1 [Number of retained affordable dwellings] to read: 10 % of total dwellings within a development (as identified within a structure of framework plan) are to be retained as affordable housing. Their location and size should be identified within the plan.
