Tena koutou katoa,

I am contacting you in relation to a proposed managed fill facility resource consent application on behalf of SAL Land Ltd, located at 1618 Ararimu Road, Papakura.

The resource consent application is for the construction and operation of a managed fill facility, which will have a maximum capacity for 1,559,094 cubic meters over a consent duration of 35 years.

The proposal requires consent as a non-complying activity from Auckland Council, and involves bulk earthworks, stream reclamation, filling activities and the construction of site offices.

Please see the draft AEE and proposed consent conditions in the Dropbox link below:

Please let me know if you would like further information or to arrange a site visit / hui.

Nga mihi,
Laila
