Dear Craig,

Resource consent application – extension of time limit

Application number:	BUN60373319
Applicant:	Bayswater Marina Holdings Limited
Address:	21 Sir Peter Blake Parade Bayswater 0622
Proposed activity(s):	The development of the landward portion of the Bayswater Marina.

Auckland Council may under section 37(1)(a) of the Resource Management Act 1991 (the Act) extend time periods specified in the Act, whether or not the time period has expired.

Under section 37A(4)(b)(ii) of the Act, which allows a time period to be extended but not more than doubled to any time period requested or agreed by an applicant, the submission period has been extended as per the agreement contained in the email from Mr Brady Nixon dated 19 October 2021.

The time period for the submission period has been extended by eight (8) working days. The end date of the submission period is now 19 November 2021.

In extending this time period, the following matters have been considered:

- The interests of any person who may be affected by the extension (including the applicant)
- The interests of the community in achieving an adequate assessment of the proposal
- Council's duty to avoid unreasonable delay.

In accordance with section 37A(6) of the Act, persons who have made a submission to date on the application have been identified as being directly affected by this extension, beyond the applicant. These persons will be sent a copy of this letter.

If you have any queries, please contact me on Masato.nakamura@aucklandcouncil.govt.nz and quote the application number above.

Yours sincerely,

Masato Nakamura
