Tēnā rā koe e te rangatira,

Ānei rā ngā mihi atu ki a koe

For Information

Eke Panuku, on behalf of Auckland Council, is preparing to lodge a resource consent application to renew coastal occupation permits for parts of the Auckland Downtown waterfront on Waitematā Harbour and Onehunga Wharf on the Manukau Harbour because the existing coastal occupation permits will expire in 2026.

Attached is a letter outlining the areas that are subject to a renewal of coastal occupation permits and reasons for an application.

If you have any questions about this letter, please feel free to contact Mark Vinall on the details given in the letter.

Aku mihi,

Jordan

Tēnā koutou e ngā pou mana whenua,

Ānei rā te mihi ki a koutou.

For Information –

Eke Panuku went to the mana whenua forum to update on our intent to renew coastal occupation permits in the Waitemata Harbour. In October, Eke Panuku notified those MACA claimants both harbours however we have not received any feedback from Iwi. We confirmed with the forum that if we didn't receive any feedback from the claimants from our notification, that we would reach out to the iwi chairs seeking further feedback.

If you have anything to feedback please let us know.

Aku mihi,
Jordan
