Hi Alistair,  
Further to our recent correspondence, Eke Panuku has made a modification to the proposed occupation boundary for the Outer Viaduct to take account of Te Wero bridge. Would you please review the revised boundary and advise if Port's have any concerns?

Regards

Thanks Mark.

I don't have any concerns with Panuku's proposal for occupation of the areas bound by the blue outline.

Regards

Alistair

Hi Alistair,

Vrinda has asked that I provide you with the final maps of the areas to be included in Eke Panuku's coastal permit applications.

I also attach the email response to your previous queries re exclusive use and Queens Wharf. The response remains unchanged.

Let me know if you require anything further.

thanks

Hi Alistair,

Hope you are doing well.

Just following up on an affected party approval that Mark Vinall sent through some time ago for the occupation consent that we are looking to lodge shortly within the Waitemata harbour. Please let me know if you would like the information to be sent through again or if it be helpful to have a quick teams call for any outstanding questions or new queries that you have before you send us POAL approval.

I am away for the rest of the week, but anytime next week would be good to have a chat. Thanks and have a good week.

Ngā mihi,
