

Waste Management Landfill Hearing – Webcast Links

If you would like to watch the Waste Management Landfill hearing online please click on the Skype Broadcast links for the Waste Management Landfill below.

To watch a session click on the link for the relevant session and then click join the event.

Please note:

- The broadcast will be made using a static camera that will point to the person presenting
- Schedule of speakers: to find out who is speaking in which session please refer to the hearing schedule available online [here](#)
- Presentations – we will do our best to make presentations available to you. If they are not available we will put them online with the other evidence on the hearing page [here](#). Just click on the ‘view pre-circulated evidence’ link
- If we need to run into sessions that are not currently required they will be added to this document
- The links will be available to view for 3 months after the broadcast is complete
