RESOURCE CONSENT APPLICATION – EXTENSION OF TIMEFRAME FOR DECISION

Application number	BUN60339589
Applicant	Waste Management NZ Limited
Proposed activity	to construct and operate and landfill
Address	1232 State Highway 1, Wayby Valley

Pursuant to 37(1)(a) of the Resource Management Act 1991, the council advises that the 15 working day time limit between the closing date of the hearing (Friday 26 March 2021) and the decision is to be extended.

Under section 37A(4)(b)(i) of the Act, which allows time periods to be extended but not more than doubled, the time period for the decision on the above application has been extended due to the scale and complexity of the matter.

The date for the decision to be issued has been extended by 15 working days until Wednesday 12 May 2021.

In extending this time frame, the following matters have been considered:

- The interests of any person who may be affected by the extension
- The interests of the community in achieving an adequate assessment of the proposal
- Council's duty to avoid unreasonable delay.
