How to find the review report for a specific historic heritage place included in Proposed Plan Change 82

- Each historic heritage place that is part of Proposed Plan Change 82 has been reviewed by a heritage expert and a review report has been prepared
- The review reports are included on this web page and are grouped by Local Board Area
- There are reports for places in the following local board areas: Devonport-Takapuna, Franklin, Henderson-Massey, Howick, Kaipātiki, Waitākere Ranges and Whau
- Each document includes all the reports for that local board area and the reports are organised in order of the identification (ID) number that is listed in the Auckland Unitary Plan Schedule 14.1 Schedule of Historic Heritage
- To find the ID number or local board area for a particular historic heritage place, please see PC82 – Attachment D – Index. This Index lists each place by ID number, name, address and local board area.
