Planning Central/South – Plans and Places

Dear Joe

**Re: SOUTH TAKAANINI LEVEL CROSSINGS NOTICES OF REQUIREMENT**

This letter is to advise that Auckland Transport gives notices of requirement for two new designations as part of the proposed Takaanini Level Crossings Project.

The lodgement documents have been prepared together as one package and are in four volumes as follows:

- Volume 1: Form 18 for each of the four notices
- Volume 2: Assessment of Effects on the Environment
- Volume 3: General Arrangement Layout Plans
- Volume 4: Supporting Technical Assessments

These have been emailed to you via file transfer links.

Please contact me in the first instance if there are any queries.

Yours sincerely

Liam Winter
