Attention: Liam Winter

Dear Mr Winter

Request for further information in accordance with section 92 of the Resource Management Act 1991: Takaanini Level Crossings Notice of Requirement – Auckland Transport

Notices of Requirement: given by Auckland Transport for the Takaanini Level Crossing Project, which is comprised of two Notices of Requirement:

Notice of Requirement 1

The construction, operation, maintenance and upgrade of transport infrastructure on and around Spartan Road, Manuroa Road, Manuroa Road and Taka Street which includes:

- the closure of the existing level crossings at Spartan Road, Manuroa Road and Taka Street,
- new bridges with general traffic lanes and walking and cycling facilities across the NIMT railway line at Manuia Road and Taka Street,
- new bridges with walking and cycling facilities across the NIMT railway line at Spartan Road and Manuroa Road,
- all associated works

Notice of Requirement 2

The construction, operation, maintenance and upgrade of transport infrastructure within the Walters Road area of Takaanini which includes the closure of the existing level crossing at Walters Road, a new bridge with general traffic lanes and walking and cycling facilities across the NIMT railway line at Walters Road as well as local road connections and all associated works

I am writing with respect to the notices of requirement described above.

After completing a preliminary assessment of the notices of requirement documents, it is considered that further information is required to enable an adequate analysis of the proposal, its effects on the environment and the way in which any adverse effects on the environment may be mitigated.

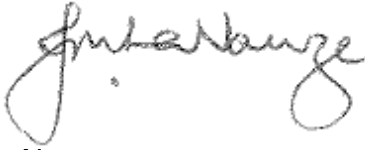

Under section 92 of the Resource Management Act 1991, I request the further information set out in **Attachment 1**. The information requested in Attachment 1 will enable the Council to undertake a full and proper assessment of the notices of requirement and provide a recommendation on them.

You must provide this information within 15 working days (i.e.: before Monday 20 November 2023). If you are unable to provide the information within 15 working days, then please contact me so that an alternative timeframe can be mutually agreed. In accordance with the Resource Management Act 1991, processing of your notices of requirement will remain on hold until the indicated date, pending your response to this request.

If you do not respond within 15 working days, refuse to provide the information or do not meet an agreed alternative timeframe between the council and yourself, this application must be publicly notified as required by section 95C of the Resource Management Act 1991. It is noted that the Requiring Authority, Auckland Transport, has requested public notification of the Notices of Requirement.

If you have any queries regarding the above, please contact me (email joy.lanauze@aucklandcouncil.govt.nz)

Yours sincerely,
