Auckland Council
Private Bag 92300
Auckland 1142

Attention: John Duguid, Manager, Plans and Places

Tēnā koe John,

Decision by the Minister of Education for an alteration to an existing Designation. The existing designation, 4992 Sir Keith Park School, Robertson Road, Māngere, is altered to incorporate the site 31 Robertson Road into the designated area. The purpose of the designation is “Education Purposes - Special School (years 0-13)”.

The Minister of Education (“the Minister”) served a Notice of Requirement on Auckland Council to alter the existing designation at 33 Robertson Road, to incorporate the adjacent site, 31 Robertson Road, into the designation.

This alteration was publicly notified by Auckland Council on 23 June 2022.

The matter was considered by a Commissioner without a hearing on the basis that no submitters or the requiring authority wished to be heard. The recommendation of the Commissioner acting under delegated authority from Auckland Council was received by the Minister’s agent on 22 December 2022. Auckland Council has recommended that the designation be confirmed, subject to conditions as set out in Attachment A to the Recommendation Report.

In accordance with s172(1) of the Resource Management Act 1991 (“the Act”), the Minister accepts in full the Council’s recommendation for the following reasons:

1. The designation is reasonably necessary for achieving the objectives of the Minister and will provide for the community’s social, cultural and economic well-being by enabling the school to expand onto the site as part of a masterplan development. Sir Keith Park School is to be redeveloped to accommodate the sustained roll growth due to a demand for specialist schooling at the site.
2. The works enabled by the designation are consistent with Part 2 of the Act in that they will promote the sustainable management of natural and physical resources.
3. The expanded site is consistent with relevant national policy statements and the objectives and policies of the Auckland Unitary Plan.

The designation plan and shape file submitted with the Notice of Requirement shows the area of land to be included within the designation.

The designation shall be included in the Plan as set out in Attachment A of the recommendation report and the designation plan supplied with the application.

Please notify this decision to all submitters in accordance with s173 of the Act.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Clive Huggins', with a stylized flourish at the end.

Clive Huggins
