## Submitter details

### Full Name or Name of Agent (if applicable)

Mr/Mrs/Miss/Ms(Full Name) Shelley Jones

### Organisation Name (if submission is made on behalf of Organisation)

### Address for service of Submitter

[Redacted address]

Note: I own (as do other parties at Endeans Building and 148 Quay St) a car park in the basement of 148 Quay St, accessed from Tyler St

Telephone: [Redacted] Fax/Email: Shelley@learn-ability.co.nz

Contact Person: (Name and designation if applicable)

### This is a submission on a notice of requirement:

<b>By:</b> Name of Requiring Authority	City Rail Link Limited
<b>For:</b> A new designation or alteration to an existing designation	Alteration of Britomart Transport Centre Designation 2501

### The specific parts of the above notice of requirement that my submission relates to are: (give details):

The claim in the AEE: Appendix C Traffic Access and Parking Assessment " Integrated Transport Assessment" pp131 162 that "Local access is to be retained along Tyler Street, with access to properties on the northern side, including appropriate vehicle manoeuvring area to access car parking, and loading docks" and the conclusion that "the effects pertaining to property access are minor". The experience of Endeans residents using the 148 basement car park is that this is not true with regard to manoeuvring, or access for drop off at the Tyler St bollards etc already granted by the Environment Court.

### My submission is:

I or we support of the Notice of Requirement  I or we oppose to the Notice of Requirement   
 I or we are neutral to the Notice of Requirement

### The reasons for my views are:

I am not opposed to the NOR because it facilitates completion of necessary works and an earlier conclusion to the disruption experienced by adjoining stakeholders.

I am opposed to the failure to properly implement and monitor the traffic management plan outlined in the AEE in Appendix C.

(continue on a separate sheet if necessary)

**I seek the following recommendation or decision from the Council (give precise details including the general nature of any conditions sought).**

Simply this: That Council/AT REQUIRE CRL to take PROMPT (i.e. without further delay),

PROACTIVE (without waiting for adjoining stakeholder complaints about access to drop off and entering/exiting the 148 Quay St basement carpark in Tyler St),

COMMITTED (i.e. actually allocate resource and personnel to traffic and parking management in Tyler St the previous alliance did this well do the same!)

and SINCERE (all of the above) ACTION on 3.5 Construction Traffic Management Plan as described in AEE Appendix C page 154/21. And that Council/AT

monitor that prompt, proactive, committed and sincere action effecting the stated traffic management plan is being EXPERIENCED by Tyler Street users.

- I wish to be heard in support of my submission
- I do not wish to be heard in support of my submission
- If others make a similar submission, I will consider presenting a joint case with them at a hearing
