Hi Nick

I can confirm that a deposit of \$10000.00 dollars will be okay for the plan change you are proposing as it could be classified as a 'simple' plan change.

When you are ready to lodge the plan change the following information will be needed:

Applicant/Requiring Authority (RA): Address (Physical) of applicant/RA: Contact Email/s for Billing: Contact Name/s: Contact Phone Number/s: Project name to go on invoice Purchase Order Number /Reference Code:	
---	--

The process could not be completed in less than 6 months and could take more if any issues arise and a large number of submissions are received on the plan change.

I have copied in Clare Wall Shaw who is the team leader for the area in which this plan change is located. Please get in touch with her prior to when you intend to lodge the plan change so she can go through any additional information that might be required for lodgement.

Regards,

Celia
