Proposed Plan Change 7: Additions to Schedule 14 Historic Heritage

Auckland Council gives notice of the withdrawal of part of Proposed Plan Change 7 to the Auckland Unitary Plan (Operative in Part) pursuant to Clause 8D of Schedule 1 to the Resource Management Act 1991 (RMA). The proposed changes withdrawn by Auckland Council are to Schedule 14.1 Schedule of Historic Heritage – Table 2 Areas Waiuku Town Centre Historic Heritage Area (ID 02833), Schedule 14.2 Historic Heritage Areas – Maps and statements of significance 14.2.15 Waiuku Town Centre Historic Heritage Area and associated Historic Heritage Overlay Extent of Place. The reason for the withdrawal is that further analysis of the Waiuku Town Centre spatial structure is required and this is beyond the scope of the plan change. Withdrawal will enable the council to consider the Auckland Unitary Plan provisions applying to Waiuku Town Centre as a whole.
