The reason for my or our views are:

A restored St David's would provide a public dedicated place of remembrance not far from the war memorial museum. The fallen and their loved ones deserve respectful acknowledgement in an appropriate venue. Sadly, the war memorial museum has shuddering earthquake simulators running and museum visitors yahoing and laughing very loudly during the memorial services that I have attended at the museum. As a submitter I support the inclusion of St David's Presbyterian Church, 70 Khyber Pass Road, Grafton, on the Council Schedule of Historic Heritage Places as a Category A heritage place. It's past and future as a place of remembrance need protection. I'd like to hope that in time it could again be a venue for services and quiet personal visits to remember the fallen in a way that those men would have found familiar and fitting.

Dear Sir/Madam

I wish to support the inclusion of St David's as a Category A property within the Unitary Plan.

176.1

I was the Property Convener for the St David's when the building had a considerable amount of work carried out on the brickwork in terms of repointing and waterproofing. The building is iconic to the city and should be preserved for the future.

Kind regards

Murray Wagener
