AND TO: Mitre 10 Holdings Limited (“Appellant”)

1. SPG Manukau Limited (SPG) wishes to be a party to the following proceedings:
 - (a) ENV-2024-AKL-000061 – Mitre 10 Holdings Limited v Auckland Transport.
 - (b) This proceeding is an appeal against a Notice of Requirement issued by Auckland Transport.
2. SPG is a person who has an interest in the proceedings that is greater than the interest that the general public has because SPG’s land is sufficiently close to the Appellant’s land that changes to the NoR to resolve the Appellant’s appeal could impact SPG.
3. SPG also made a submission on the subject matter of the proceedings and has filed its own appeal, which raises similar issues.
4. SPG generally supports the Appellant in this appeal on the grounds set out in the notice of appeal by the Appellant.
5. SPG made a submission on the NOR which is the subject of this appeal.
6. SPG is not a trade competitor for the purposes of section 308C or 308CA of the RMA.
7. SPG is interested in all of the proceeding and in particular the following issues:
 - (a) NoR footprint;
 - (b) Conditions, including but not limited to:
 - (i) Use of management plans;
 - (ii) Construction effects; and
 - (iii) Site access (during construction and operation) for SPG (and its tenants) customers, staff and suppliers.
8. SPG generally supports the appellant in this appeal on the basis that any relief granted to the appellant does not adversely impact SPG because the NoR has significant adverse environmental effects that need to be properly considered and evaluated against the relevant policy and legal framework.

9. SPG wishes to be heard in this appeal. SPG agrees to attend mediation or alternative dispute resolution.
