1. Van Den Brink 652 Limited (**VDB**) gives notice that it wishes to be a party to the following appeal:

Centuria Funds Management (NZ) Limited and Bunnings Limited v Auckland Transport (ENV-2024-AKL-000064)

The appeal by **CENTURIA FUNDS MANAGEMENT (NZ) LIMITED (Centuria)** and **BUNNINGS LIMITED (Bunnings)** under s 174 of the Act against parts of the decision by Auckland Transport (**AT**) to confirm Notice of Requirement 2 – Auckland Airport to Botany Rapid Transit Project – Rongomai Park to Puhinui Station (**NoR 2**).

2. VDB:
 - a. Made a submission on NoR 2; and
 - b. Has an interest in the proceeding that is greater than the interest the general public has as:
 - i. VDB has appealed against the same or similar NoR 2 conditions the subject of this appeal and therefore has a direct interest in the relief sought.
 - ii. As an appellant and affected landowner, VDB will be directly affected by amendments to the NoR 2 conditions arising from the Centuria and Bunnings appeal.
 - iii. The appeals engage with the same substantive matters and are likely to be case managed together.

3. VDB is not a trade competitor for the purposes of section 308C or 308CA of the Resource Management Act 1991.
4. VDB is interested in the entirety of the appeal to the extent that the relief sought could:
 - a. Impact the VDB land either directly or as a consequence of any amendment to the designation boundary; and
 - b. Result in amendments to conditions which:
 - i. VDB has appealed directly; and
 - ii. Affect all landowners subject to NoR 2.
5. VDB generally supports the relief sought to the extent that Centuria and Bunnings' relief is the same or similar to VDB as:
 - a. It will promote the sustainable management of natural and physical resources;
 - b. Will achieve the efficient use and development of natural and physical resources;
 - c. Is the most appropriate way to achieve the purpose of the RMA;
 - d. Satisfies the requirements of s 171 of the RMA;
 - e. Gives effect to the relevant high order planning documents; and
 - f. Appropriately avoid, remedy, or mitigate adverse effects on the environment.

6. VDB agrees to participate in mediation or other alternative dispute resolution of the appeal.
