Notice of Requirement for a designation for upgrades to Great South Road between Waihoehoe Road and the State Highway 1 Drury Interchange to provide a multi-modal transport corridor that will accommodate general traffic lanes, active mode facilities (i.e. walking and cycling facilities), intersection upgrades, replacement of the existing Otūwairoa / Slippery Creek bridge and stormwater management.

Notice of Requirement - South Frequent Transit Network: Great South Road FTN Upgrade (NoR 1) Auckland Transport

Auckland Council has received a notice of a requirement for a designation from Auckland Transport as the Requiring Authority, for public work.

The requirement will enable corridor widening, intersection upgrades, bridge upgrades, environmental mitigation, temporary construction areas, ancillary structures and other activities required to enable the Great South Road FTN route.

This will enable the Requiring Authority to:

Provide for an upgraded multi-modal transport corridor between Manukau and Drury that:

- Improves connectivity and access to economic and social opportunities,
- Improves safety,
- Improves efficiency, resilience and reliability
- Integrates with and supports existing development and planned urban growth;
- Integrates with and supports the existing and future transport network; and
- Improves travel choice and contributes to mode share shift.

The site to which the requirement applies is as follows:

The proposed work is for the construction, operation, and maintenance of upgrades to Great South Road to enable the Great South Road FTN route at eight locations between Manukau and Drury:

- Orams Road to Halsey Road
- Mahia Road
- Taka Street
- Subway Road
- Ōpaheke Road
- Clark Road to Butterworth Avenue
- Park Estate Road
- Otūwairoa / Slippery Creek Bridge

(Refer to Attachment A and B of Form 18).
