Mihi

Tērā tō waka te hoea ake e koe i te moana o te Waitematā kia ū mai rā ki te ākau i Ōkahu.
Let your canoe carry you across the waters of the Waitematā until you make landfall at Ōkahu.

Ki reira, ka mihi ake ai ki ngā maunga here kōrero,
There, to greet the mountains, repository of all that has been said of this place,
ki ngā pari whakarongo tai,
there to greet the cliffs that have heard the ebb and flow of the tides of time
ki ngā awa tuku kiri o ōna mana whenua, ōna mana ā-iwi
and the rivers that cleansed the forebears of all who came,
taketake mai, tauwi atu
those born of this land and the newcomers among us all.

E koro mā, e kui mā i te wāhi ngaro, ko Tāmaki Makaurau tā koutou i whakarere iho ai,
To all who have passed into realms unseen, Auckland is the legacy you leave to those who follow,

ki ngā reanga whakaheke, ki ngā uri whakatupu - ki tō iti, ki tō rahi.
your descendants - the least, yet, greatest part of you all.

Tāmaki - makau a te rau, murau a te tini, wenerau a te mano.
Auckland - beloved of hundreds, famed among the multitude, envy of thousands.

Kāhore tō rite i te ao.
You are unique in the world.

Tō ahureinga titi rawa ki ngā pūmanawa o mātou kua whakakāinga ki roto i a koe.
Your beauty is infused in the hearts and minds of those of us who call you home.

Kua noho mai koe hei toka herenga i ō mātou manako katoa.
You remain the rock upon which our dreams are built.

Kua ūhia nei mātou e koe ki te korowai o tō atawhai,
You have cloaked us in your care,

ki te āhuru o tō awahi,
taken us into the safety of your embrace,

ki te kuku rawa o tō manawa.
to the very soul of your existence.

He mea tūturu tonu tō whakairihia, hei tāhuhu mō te rangi e tū iho nei,
It is only right that you are held in high esteem,

hei whāriki mō te papa e takoto ake nei
the solid ground on which all can stand.

Kia kōpakina mātou e koe ki raro i te whakamarumarū o āu manaakitanga.
You bestow your benevolence on us all.

E te marae whakatutū puehu o te mano whāioio,
The hive of industry you have become

e rokohanga nei i ngā muna, te huna tonu i ō whāruarua
motivates many to delve the undiscovered secrets of your realm,

i ngā hua e taea te hauhake i ō māra kai,
the fruits that can still be harvested from your food stores

i ngā rawa e āhei te kekerihia i ō pūkorō.
and the resources that lie fallow in your fields.

Te mihia nei koe e mātou.
We thank you.

Tāmaki Makaurau, ko koe me tō kotahi i te ao nei, nōku te māringanui kia mōhio ki a koe,
Auckland you stand alone in the world, it is my privilege to know you,

kia miria e te kakara o te hau pūangi e kawē nei i ō rongō.
to be brushed by the gentle breeze that carries the fragrance of all that is you.

Ka whītiki nei au i taku hope ki ngā pepehā o onamata, ki ōku tūmanako mō āpōpō
And so, I gird myself with the promises of yesteryear, my hopes for tomorrow

me ōku whakaritenga kua tutuki mō te rā nei.
and my plans for today.

Tāmaki Makaurau, tukuna tō wairua kia rere.
Auckland let your spirit soar.

How this document is arranged

This document is an excerpt of Auckland Council's plan for delivering services and building infrastructure during the 2020/2021 financial year, the third year of the council's 10-year Budget 2018-2028 (Long-term Plan or LTP).

The complete annual budget has two separate volumes. To find out information on a particular area of the council's work or services, you will need to look in the appropriate volume.

Public consultation ran during February and March 2020. This involved feedback events across the Auckland region.

Due to the impact of the COVID-19 pandemic Auckland Council held an additional consultation on the Emergency Budget 2020/2021 which ran during May and June 2020. Due to the changing alert levels in New Zealand, the consultation process ran differently to previous consultations. This involved holding online webinars and offered the option to give feedback by phone. Both written and digital feedback were also encouraged.

A record-breaking 34,915 pieces of feedback were received from the second round of feedback. Together with the first round, a total of 39,665 pieces of feedback were received on this budget. For a summary of the key decisions please visit aucklandcouncil.govt.nz/annual-budget-2020-2021

This plan was adopted by the Governing Body on 30 July 2020.

Introduction

Auckland Council has a unique model of local government in New Zealand, comprising the Governing Body (made up of the mayor and 20 ward councillors) and 21 local boards. The Governing Body focuses on Auckland-wide issues while local boards are responsible for decision making on local issues, activities and services and providing input into regional strategies, policies and plans. Together, this is a shared governance model where decisions can be made both regionally and locally. Part of our response to the Emergency Budget has been to work closely with our 21 local boards to develop and agree an Emergency Budget.

Local board decision-making comes from three sources:

1. **Legislation** – local boards are responsible for activities such as community engagement, preparing local board plans, agreeing and monitoring local board agreements, proposing local bylaws and communicating local views to the Governing Body on regional strategies, policies, plans and bylaws.
2. **Allocation of decision-making for non-regulatory activities** – the Governing Body has allocated decision-making responsibility for certain non-regulatory activities to local boards. Local boards make decisions on, and have oversight of, a broad range of local activities such as local parks, libraries, events, recreational facilities and community activities. Please see Volume 2, Part Three for the Allocation of decision-making responsibilities for non-regulatory activities.
3. **Delegation of decision-making responsibilities** – the Governing Body may delegate responsibility for some regulatory activities to local boards and Auckland Transport may delegate some decision-making responsibilities to local boards. Please see Volume 2, Part Three for the list of delegated responsibilities to local boards.

1.2 Developing local priorities

Local board plans are strategic documents that set the direction for local boards and also inform the 10-year Budget (long-term plan). Reflecting community priorities and preferences, the plans are developed every three years to guide local board activity, funding and investment decisions. They also influence local board input into regional strategies and plans.

A key role of local board plans is to provide a basis for developing local board agreements. Every year, a local board agreement is developed between the Governing Body and each local board. It agrees the delivery and

funding of local activities and intended levels of service for the year. The agreement takes into account local board plan priorities, but must also reflect Governing Body decisions such as Auckland-wide priorities, budget constraints and trade-offs across all council activities. Each local board also agrees annual work programmes in line with their local board agreement.

Local Board Agreements for 2020/2021 have been adopted by local boards and agreed by the Governing Body and are set out in Volume 2, Part Two of this document.

Diagram 1: The relationship between Auckland Council plans and agreements.

Local activities

Local boards have decision-making responsibility for a range of activities:

- Local Community Services
- Local Planning and Development

- Local Environmental Management
- Local Governance.

Local board agreements outline the key initiatives and funding for the 2020/2021 financial year, for each activity area.

1.3 Funding

Auckland Council has a shared governance model for making decisions on local activities. Under the Local Board Funding Policy, funding is allocated to local boards to deliver local services, through the following methods:

1. **Asset based services** - the Governing Body allocates funds to deliver local activities based on decisions about region-wide service levels. This includes allocation of funds for local asset-based services, such as building a new swimming pool or library.
2. **Locally driven initiatives** – an allocation is based on a formula applied to each local board, with the exception of Great Barrier and Waiheke Local Boards, who agree funding requirements with the Governing Body on an annual basis.

3. **Governance services** – an allocation is based on the number of elected members and associated administrative costs for each local board.

There is also a discretionary capital expenditure fund for local boards. This totals over \$10 million per annum across all 21 local boards, to be managed in three-year periods.

The total planned expenditure for local activities across all 21 local boards over the 2020/2021 financial year is shown in the following table. The budgets for each local board are listed within the individual local board agreements in this volume.
