How this 10-year Budget 2021-2031 is arranged

This document is an excerpt of Volume 3 of the Auckland Council 10-year Budget 2021-2031.

The complete annual budget has three separate volumes. To find out information on a particular area of the council’s work or services, you will need to look in the appropriate volume.

Public consultation ran during February and March 2021. This involved around 61 feedback events across the Auckland region. Both written and digital feedback were also encouraged and approximately 20,000 pieces of feedback were received. For a summary of the key decisions please visit aucklandcouncil.co.nz.

This plan was then adopted by the Governing Body on 29 June 2021.

Finding your way around the volumes:

Volume 1 **Volume 1: An overview of our 10-year Budget**

Section 1: An introduction to our 10-year Budget including a brief overview of the plans, strategies and budget that form the rest of this document.

Section 2: Our prospective financial statements for 2021-2031 and other key financial information.

Section 3: Report from the Auditor General.

Section 4: Supplementary Information including contacting the council, its structure and people. Glossary of terms and key word index.

Volume 2 **Volume 2: Our detailed budgets, strategies and policies**

Section 1: Our key strategies.

Section 2: Our Activities – summary information on the services Auckland Council delivers, performance measures and budget.

Section 3: Our key policies.

Section 4: Summary of the Tūpuna Maunga Authority Operational Plan 2021-2031.

Section 5: Our Council-controlled organisations.

Section 6: Supplementary information – Glossary of terms and Key word index.

Volume 3 **Volume 3: Local Board information and agreements**

Section 1: An overview of local boards, and their expenditure for 2021-2031.

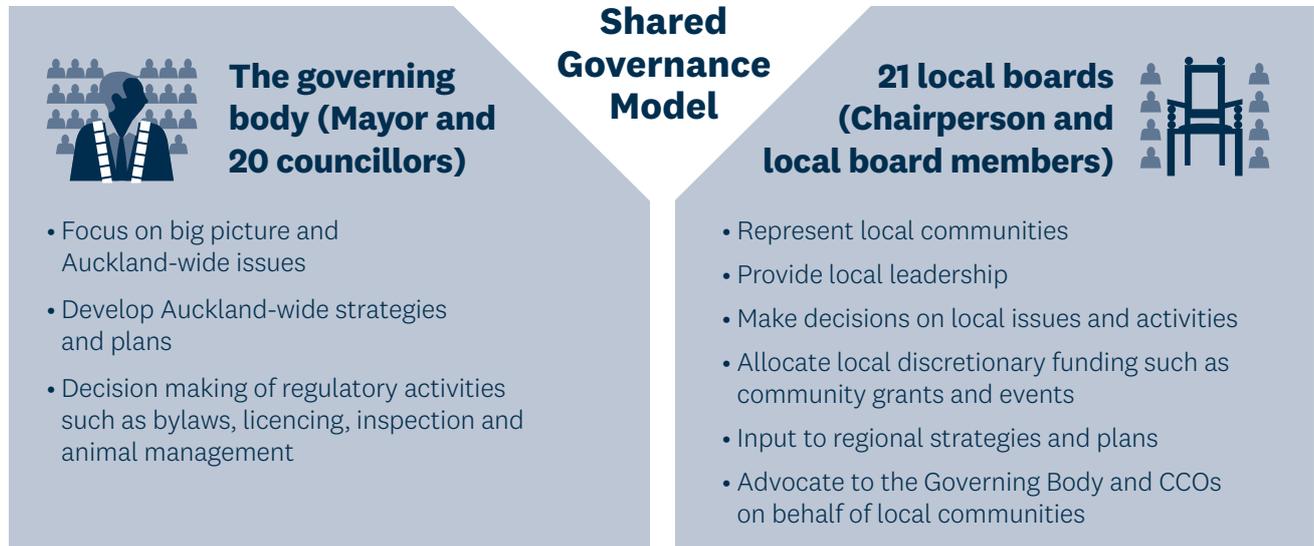

Section 2: Specific information for each of the 21 local boards, including the local board agreements.

Section 3: Supplementary information – Glossary of terms and Key word index.

Section One: Local board overview

1.1 Local board overview

Introduction

Auckland Council has a unique model of local government in New Zealand, comprising the Governing Body (made up of the mayor and 20 ward councillors) and 21 local boards. The Governing Body focuses on Auckland-wide issues while local boards are responsible for decision making on local issues, activities and services and providing input into regional strategies, policies and plans. Together, this is a shared governance model where decisions can be made both regionally and locally.

Local board decision-making comes from three sources:

1. **Legislation** – local boards are responsible for activities such as community engagement, preparing local board plans, agreeing and monitoring local board agreements and communicating local views to the Governing Body on regional strategies, policies, plans and bylaws.
2. **Allocation of decision-making for non-regulatory activities** – the Governing Body has allocated decision-making responsibility for certain non-regulatory activities to local boards. Local boards make decisions on, and have oversight of, a broad range of local activities such as local parks, libraries, events, recreational facilities and community activities. Please see Volume 2, Section 3.5 for the allocation of decision-making responsibilities for non-regulatory activities.
3. **Delegation of decision-making responsibilities** – the Governing Body may delegate responsibility for some regulatory activities to local boards and Auckland Transport may delegate some decision-making responsibilities to local boards. Please see Volume 2, Section 3.5 for the list of delegated responsibilities to local boards.

1.2 Developing local priorities

Local board plans are strategic documents that set the direction for local boards and also inform the 10-year budget (long-term plan). Reflecting community priorities and preferences, the plans are developed every three years to guide local board activity, funding and investment decisions. They also influence local board input into regional strategies and plans and provide a basis for developing local board agreements.

Every year, a local board agreement is developed between the Governing Body and each local board. It agrees the delivery and funding of local activities and intended levels of service for that area, for the year. The agreement takes into account local board plan priorities but must also reflect Governing Body decisions such as Auckland-wide priorities, budget constraints and trade-offs across all council activities.

Each local board also agrees annual work programmes in line with their local board agreement. These are operational and capital work programmes for activities in which they have decision-making responsibilities. They contain specific initiatives and projects in greater detail than appears in a local board agreement. Local board work programmes play a critical role in delivering on the needs of communities and are informed by local board plans.

Local board agreements for 2021/2022 have been agreed between each local board and the Governing Body and are set out in Section 2.

Diagram 1: The relationship between Auckland Council plans and agreements.

Local activities

Local boards have decision making responsibility for a range of activities, as set out in the following list.

- Local Community Services
- Local Planning and Development
- Local Environmental Management
- Local Governance.

Local board agreements outline for each activity area the key initiatives and funding for the 2021/2022 financial year.

1.3 Funding

Auckland Council has a shared governance model for making decisions on local activities. Under the Local Board Funding Policy, funding is allocated to local boards to deliver local services, through the following methods:

1. **Asset based services** – the Governing Body allocates funds to deliver local activities based on decisions about region-wide service levels. This includes allocation of funds for local asset based services, such as building a new swimming pool or library.
2. **Locally driven initiatives** – an allocation is based on a formula applied to each local board, with the exception of Aotea / Great Barrier and Waiheke Local Boards who agree funding requirements with the Governing Body on an annual basis.
3. **Governance services** – an allocation is based on the number of elected members and associated administrative costs for each local board.

The total planned expenditure for local activities across all 21 local boards over the 2021-2031 financial years are shown in following table below. The budgets for each local board are listed within the individual local board agreements in this volume.

Message from the Chair

Thank you for giving us your feedback on our proposed local board priorities as part of the council's 10-year Budget 2021-2031 consultation. I am pleased, now, to present our Waitematā Local Board Agreement, which sets out what we plan to deliver and advocate for in the 2021/2022 financial year.

It was heartening to see that most responses received supported our local board priorities. We have made sure to include activities in our annual work programme that will help to achieve these priorities.

The impact of COVID-19 and consequent lockdowns continue to pose challenges for our businesses and communities. To help towards mitigating these challenges during 2021/2022, we will be supporting placemaking initiatives that help to rebuild community connections and look after our vulnerable communities, as well as programmes that grow resilience of our communities and businesses.

Addressing climate heating issues is vital in all aspects of our activities and lives. We have prioritised spending on climate action, which will support our people to live low carbon lifestyles, grow and restore our urban ngahere, and work with Auckland Transport to provide safe, low carbon transport options.

We have heard how important Leys Institute Library and a civic space in Ponsonby are to our community and will continue to push for the early restoration of the public library and community centre, and to progress the creation of a park at 254 Ponsonby Road.

We are developing plans for Heard Park and Basque Park which will guide our future investment in these locations.

We will continue to work with our communities to restore Waipapa, Waipāruru and Newmarket streams, Te Wai Ōrea lake and wetland, and work with the Ōrākei Local Board to push to accelerate improvements to the eastern isthmus wastewater and stormwater networks that lead to our beaches and bays.

So many of our projects can only happen with the support and involvement of our committed and engaged volunteers, communities and organisations. We are so grateful for your ongoing contributions and look forward to working with you this year.

Ngā mihi nui,

Richard Northey

Local Board Plan outcomes

The Waitematā Local Board Plan 2020 sets out the aspirations the local board has for the area. The outcomes in the Waitematā Local Board Plan are:

Whakaotinga tahi: E whakamanatia ana te Māori, ā, e kitea ana ō rātou tuakiri, ahurea hoki

Outcome one: Māori are empowered, and their identity and culture is visible

We celebrate and showcase Māori culture and grow respectful and reciprocal partnerships to ensure te ao Māori is embedded in our decision making.

Whakaotinga rua: He hāpori honohono he mea manaaki, haratau, ōrite hoki

Outcome two: Connected communities that are inclusive, accessible and equitable

Everyone has a place to call home and be connected to their communities. There are abundant opportunities to participate in decision making and activities regardless of age, gender, culture or ability.

Whakaotinga toru: Te whakawhanaketanga ā-tāone kōunga kei reira he wāhi tūmatanui, tūmataiti hoki e haratau ana, e matatini ana, e toitū ana

Outcome three: High quality urban development that has accessible, versatile, and sustainable public and private spaces

We have a wide variety of community places and open spaces that are safe, accessible and versatile. Our city centre and town centres are well designed, friendly to all ages and are easy to move around. Our shared spaces and buildings showcase sustainable living.

The local board agreement outlined in this document reflects how we plan to support these outcomes through agreed activities in the 2021/2022 financial year. In addition, each local board carries out responsibilities delegated by the Governing Body in accordance with the delegated power, and with the general priorities and preferences in the local board plan.

Working with Māori

Delivering on Auckland Council's commitment to Māori at a local level is a priority for local boards. The council is committed to meeting its responsibilities under Te Tiriti o Waitangi / the Treaty of Waitangi and its broader statutory obligations to Māori.

To meet this commitment, the Waitematā Local Board Plan provides the framework for Māori transformational shift outcomes, and the local board actively gives consideration to Māori in their local projects and initiatives. Examples of this include:

- identifying opportunities to work together to protect and support mana whenua interests and aspirations for Waitematā
- identifying opportunities to integrate Māori values and sustainable practices into planning, decision-making and delivery
- taking opportunities to create a Māori identity in our parks and facilities through actions such as naming or renaming, design principles, narratives and stories reflected in our places, parks, and roads.

Whakaotinga whā: He Waitematā e aro ana ki te āpōpō, e manaaki ana i te taiao, e tū kaha ana ki ngā raru āhuarangi

Outcome four: Waitemata is future-focused, green and resilient to climate change

Our natural environment is healthy with rich biodiversity, clean waterways and increasing urban forest. Our communities and businesses have the tools they need to thrive as we work towards a low carbon future.

Whakaotinga rima: He kōtuitui ikiiki e haumarua ana, e haratau ana

Outcome five: Sustainable transport network that is safe and accessible

Our transport network is connected and provides for sustainable travel choices. Our streets are safe for families, pedestrians, and put vulnerable users first.

Whakaotinga ono: He toitū, he auaha, he taurikura ngā pakihi o Waitematā

Outcome six: Waitematā businesses are sustainable, innovative and prosperous

Waitematā's local economy is thriving in our city centre and our townships. Our businesses lead in sustainable practices and are resilient to economic downturns and disruptions.

Waitematā Local Board Agreement 2021/2022

Priorities by activity area

Auckland Council's 2021/2022 funding priorities for local activities which contribute to key community outcomes in the Waitematā Local Board area are set out below under each local activity.

Local Community Services

Local community services is a broad activity area, which includes:

- supporting local arts, culture, events and sport and recreation
- providing grants and partnering with local organisations to deliver community services
- maintaining facilities, including local parks, libraries and halls.

Our annual budget to deliver these activities includes operating costs of \$18.9 million and capital investment of \$12.3 million.

The key initiatives we have planned for 2021/2022 include:

- work with mana whenua and mataawaka to increase responsiveness to local Māori priorities and aspirations, and continue to work towards Māori naming/ dual-naming of parks
- Parnell Festival of Roses and develop partnerships to deliver key local events
- placemaking initiatives such as Waitematā community gardens, food and sustainability, and addressing homelessness in Waitematā
- urban Ngahere growing and urban forest restoration programmes
- continue extended library hours for Central Library and Grey Lynn Community Library
- renew Cox's Bay to Wharf Road Greenway.

The local community services and key initiatives outlined above contribute towards achieving the following outcomes in the Waitematā Local Board Plan:

- Outcome one: Māori are empowered, and their identity and culture is visible
- Outcome two: Connected communities that are inclusive, accessible and equitable
- Outcome three: High quality urban development that has accessible, versatile, and sustainable public and private spaces
- Outcome four: Waitematā is future-focused, green and resilient to climate change
- Outcome five: Sustainable transport network that is safe and accessible.

Levels of Service

We measure our performance against the following measures for each local priority. The level of service statement is in blue below.

¹ Some level of service statements have been combined to reflect the council's move toward new and integrated ways of delivering services. All levels of service and performance measures from previous years are included. There is no intended change to the level of service provided to the community.

² Baselines and targets for these performance measures will be developed during the next few years.

³ Due to a publishing error in the Emergency Budget 2020/2021 the approved target was misstated as 58,500. This target has been corrected to 8,500 as shown above.

⁴ The Central Library is undergoing comprehensive renewal works which means parts of the library remain closed and unavailable to the public. This renewal work is a minor contributing factor to the target reductions in library visits and internet sessions, along with a shift in customer behaviours.

Local Planning and Development

This group of activities covers improvements to town centres, the local street environment as well as local environment and heritage protection. These activities also include working with business and community associations to improve local economic development and employment initiatives.

Our annual operating budget to deliver these activities is \$8.9 million.

The key initiatives we have planned for 2021/2022 include:

- Waitematā community emergency resilience programmes in schools, libraries and key community-led centres
- Business emergency resilience programme to support small businesses in Waitematā to undertake emergency and business continuity planning
- mentoring services through the Small Local Business Support Programme
- Young Enterprise Scheme supporting students develop creative ideas into actual businesses
- support Grey Lynn Business Association and the six business improvement districts.

The local planning and development activity, including the key initiatives outlined above contribute towards achieving the following outcomes in the Waitematā Local Board Plan:

- Outcome two: Connected communities that are inclusive, accessible and equitable
- Outcome four: Waitemata is future-focused, green and resilient to climate change
- Outcome six: Waitematā businesses are sustainable, innovative and prosperous.

Levels of Service

We measure our performance against the following measures for each local priority. The level of service statement is in blue below.

Local Environmental Management

Local boards work in partnership with local communities and iwi to deliver projects and programmes to improve local environments. Our focus is on indigenous biodiversity, healthy waterways and sustainable living.

These activities include stream restoration, waste minimisation programmes, supporting environmental volunteers and partnering with schools to provide a range of environmental initiatives.

Our annual operating budget to deliver these activities is \$320,000.

The key initiatives we have planned for 2021/2022 include:

- climate action activities including Low Carbon Lifestyles, Climate Action Activator and the Climate Action Network
- restoration of local streams and wetland including Waititiko / Meola Creek, Waipāruru, Waipapa and Newmarket streams, and Te Wai Ōrea lake and wetland
- Urban Ark strategic plan implementation for conservation actions
- local waste minimisation initiatives including zero waste events, repair cafés and e-waste collections
- planning for a regenerative urban farm.

The local environmental management activity and key initiatives outlined above contribute towards achieving the following outcome/s in the Waitematā Local Board Plan:

- Outcome two: Connected communities that are inclusive, accessible and equitable
- Outcome four: Waitemata is future-focused, green and resilient to climate change.

¹ The level of service statement has been amended to include the growing focus on addressing climate change. There is no intended change to the level of service provided to the community.

² New local environmental services performance measures have been introduced to track the delivery performance of local projects that contribute towards specific environmental outcomes in the local board plans.

Local Governance

Activities in this group support our 21 local boards to engage with and represent their communities, and make decisions on local activities. This support includes providing strategic advice, leadership of the preparation of local board plans, support in developing local board agreements, community engagement including relationships with mana whenua and Māori communities, and democracy and administrative support.

The measures for this group of activities are covered under the Regional Governance group of activities in the Long-term Plan 2021-2031 which determine participation with Auckland Council decision-making in general. This includes local decision-making. There are no changes to the measures or targets for 2021/2022.

Our annual operating budget to deliver these activities is \$1.0 million.

Appendix A: Advocacy initiatives

A key role of the local board is to advocate for initiatives that the local board may not have decision-making responsibilities or funding for in this 10-year Budget, but recognise the value it will add to the local community.

Key advocacy areas for this local board include:

Initiative	Description	Advocating to
Increase funding for water quality improvements.	We advocate to the council's Governing Body to increase funding to accelerate improvements to our stormwater / wastewater systems to address pollution in our waterways and bays, and request that works on the Eastern Isthmus are expedited to address water quality issues in Hobson Bay.	Governing Body
Restore and reopen the Leys Institute and deliver Ponsonby Park.	We are advocating for funding to seismic strengthen and reopen the Leys Institute for library and community use. We also advocate to the Governing Body to allocate the remaining \$5.5 million needed to deliver the much-needed park project at 254 Ponsonby Road for a growing community.	Governing Body
Reinstate Local Board Transport Capital Fund.	We advocate to Auckland Transport and the Governing Body to reinstatement of the regional Local Board Transport Capital Fund to the pre-COVID-19 level of \$21 million annually and for previously allocated funding of \$38 million – lost through the council's Emergency Budget – to be fully restored. This will allow us to improve road safety, and street scaping including the revitalisation of St Georges Bay Road, and support cycle lane programmes that contribute positively to the environment and community wellbeing.	Auckland Transport, Governing Body
Climate change – reduce emissions	We advocate to Governing Body and Auckland Transport to prioritise their commitment to reducing emissions and accelerate plans towards halving our emissions by 2030, and to be at net zero emissions by 2050.	Governing Body, Auckland Transport
Affordable housing	We advocate for council to actively build or enable others to provide affordable housing through appropriate mechanisms and tools.	Eke Panuku, Governing Body
Business continuity and recovery	We advocate to the Governing Body, Auckland Transport, Auckland Unlimited and Eke Panuku to support business continuity through the recovery from COVID-19 and other major disasters, emergencies and disruptions, and provide business response and recovery plans. All major transformation projects must include business continuity plans and a development response programme.	Governing Body, Auckland Transport, Auckland Unlimited, Eke Panuku
