Compilation Notes
Topographical and thematic information derived from Auckland Council, January-February 2013 (building footprint information from 2011, partially updated). Field survey and data verification undertaken by Auckland Council and map producer, March-June 2013.

Map Projection
This map is drawn on the New Zealand Transverse Mercator 2000 projection. The grid is the New Zealand Transverse Mercator 2000 grid, showing coordinates in metres in terms of the New Zealand Geodetic Datum 2000 (NZGD2000) based on the Geodetic Reference System 1980 (GRS80) ellipsoid. Global Positioning System (GPS) users can use the World Geodetic System 1984 (WGS84) reference frame for navigation.
