**Next workshop:**

13 August 2024

- Kennedy Park Stairs update
- Draft Local Parks Management Plan
- Thriving Rangatahi

**Role of Workshop:**

- (a) Workshops do not have decision-making authority.
- (b) Workshops are used to canvass issues, prepare local board members for upcoming decisions and to enable discussion between elected members and staff.
- (c) Members are respectfully reminded of their Code of Conduct obligations with respect to conflicts of interest and confidentiality.
- (d) Workshops for groups of local boards can be held giving local boards the chance to work together on common interests or topics.

# Devonport-Takapuna Local Board Workshop Record

Date of Workshop: Tuesday 6 August 2024  
Time: 9.30am – 3.21pm  
Venue: Devonport-Takapuna Local Board Office, Ground Floor, 1 The Strand, Takapuna and MS Teams

---

## Attendees

**Chairperson:** Toni van Tonder  
**Deputy Chairperson:** Terence Harpur (*online*)  
**Members:** Peter Allen  
Gavin Busch  
Melissa Powell  
George Wood, CNZM

**Staff:** Trina Thompson – Local Area Manager  
Maureen Buchanan – Senior Local Board Advisor  
Rhiannon Guinness – Local Board Advisor (*online*)  
Henare King – Democracy Advisor

## Apologies

None

Workshop item	Presenters	Governance role	Summary of discussion and Action points
<p><b>1. Community Wellbeing</b></p> <ul style="list-style-type: none"> <li>- Monthly update</li> </ul>	<p><b>Deb Doyle</b> Community Broker</p> <p><b>Margo Athy</b> Connected Communities Lead &amp; Coach</p> <p><b>Arlee Turner</b> Takapuna Library Manager</p> <p><b>Linda Hopkins</b> Devonport Library Acting Manager</p> <p><b>Kathryn Schuster</b> Youth Specialist</p>	<p>Keeping informed</p>	<p>The local board was provided with a monthly update from Community Wellbeing, formerly Connected Communities.</p> <ul style="list-style-type: none"> <li>• Youth Representation</li> <li>• Libraries Update</li> </ul> <p>The local board raised the following points and questions in response to the presentation:</p> <p>Youth presentation</p> <ul style="list-style-type: none"> <li>• Noted Long-Term Plan feedback would be more helpful to the Local Board if submissions from Shore Junction / youth from the local board area were more identifiable.</li> <li>• Suggestion to invite youth to attend workshops and/or business meetings online.</li> <li>• Suggestion that the board needs to build closer relationships with local schools to help students and teachers understand the purpose of the proposal, the benefits in terms of hearing young peoples opinions on what matters to them, and to better understand how local government works.</li> <li>• Suggestion to make the position a paid role to attract the right person, noting that this would limit the role to one person.</li> <li>• Suggestion to hold a workshop or meeting offsite, to make attendance more accessible for students. Staff noted there is a Community Conversation with a youth/school focus in the local board’s engagement plan already.</li> </ul> <p>Library Presentation</p> <ul style="list-style-type: none"> <li>• Questioned how Library visits now compare to pre-COVID levels. Staff noted they are trending upwards but have not yet returned to pre-COVID levels.</li> <li>• Questioned if online ordering of books was prevalent. Staff noted upwards of 40% of visitors surveyed were coming in to pickup online book orders.</li> <li>• Clarified PC usage is not as prevalent in Takapuna and Devonport libraries as it is in other parts of Auckland.</li> <li>• Questioned how library staff felt about the proposed Takapuna community hub. Staff noted they would embrace it as libraries are evolving.</li> </ul>

<p><b>2. Play Advocacy</b></p> <ul style="list-style-type: none"> <li>- Play plan FY25 project allocation</li> </ul>	<p><b>Jacquelyn Collins</b> Play Portfolio Lead <b>Patricia Green</b> Play Lead (Harbour Sport)</p>	<p>Keeping informed</p>	<p>The local board was provided with an update on the Play Advocacy programme.</p> <ul style="list-style-type: none"> <li>•</li> </ul> <p>The local board raised the following points and questions in response to the presentation:</p> <ul style="list-style-type: none"> <li>• Clarified the adventurous nature space in Whenuapai cost approximately \$5000; the tree had been cut down from a different site and repurposed.</li> <li>• Suggest staff connect with the project manager for the Knightsbridge Reserve playground renewal.</li> <li>• Noted that junk play activations are already formalised in a different line of the board's work programme, preference for more tangible assets such as rope swings.</li> <li>• Suggestion of Sylvan Park as a location for play opportunities, acknowledging the relatively low foot traffic.</li> </ul> <p>Next Steps:</p> <ul style="list-style-type: none"> <li>• Workshop the draft Play Plan to get feedback from the local board before it is brought to a business meeting for adoption</li> </ul>
<p><b>3. Resilience &amp; Infrastructure</b></p> <ul style="list-style-type: none"> <li>- Wairau catchment water quality improvements</li> </ul>	<p><b>Yasmin Hall</b> Relationship Advisor <b>Ifti Ahmad</b> Senior Healthy Waters Specialist</p>	<p>Keeping informed</p>	<p>The item was withdrawn.</p>
<p><b>4. Service Investment &amp; Programming</b></p> <ul style="list-style-type: none"> <li>- Takapuna Community Hub</li> </ul>	<p><b>Sophie Bell</b> Service and Asset Planning Specialist <b>Sarah Jones</b> Manager Area Operations <b>Jasmine Hsu</b> Senior Project Manager</p>	<p>Local initiative / preparing for specific decisions</p>	<p>The local board was provided with an introduction to the design phase of the Takapuna Community Hub project.</p> <p>The local board raised the following points and questions in response to the presentation:</p> <ul style="list-style-type: none"> <li>• Concerned with the length of consultation, noting that the time before construction would begin is over a year. Emphasised that urgency is needed for this project. Request staff identify where processes can overlap to shorten timeframe.</li> <li>• Note the value of staff experience with the Te Manawa community hub project.</li> </ul> <p>Next Steps:</p> <ul style="list-style-type: none"> <li>• Staff will prepare consultation material and timeline</li> </ul>

<p><b>5. Auckland Transport &amp; Auckland Council</b> - Traffic Bylaw Review</p>	<p><b>Annabelle Wrigley</b> Senior Communications &amp; Engagement Specialist</p>	<p>Input into regional decision making</p>	<p>The local board was provided with an introduction to the review of traffic bylaws.</p> <ul style="list-style-type: none"> <li>• Staff are seeking feedback on draft recommendations.</li> </ul> <p>The local board raised the following points and questions in response to the presentation:</p> <ul style="list-style-type: none"> <li>• Clarified practice of parking on berms will be addressed in bylaw review. Intention is a blanket ban, however current legislation requires signage which is not practical. Staff clarified there are ongoing discussions with the new government around updating the legislation.</li> <li>• General debate between members around berm parking rights.</li> <li>• Encourage Auckland Transport to continue lobbying government regarding fines, noting they are currently not fit for purpose.</li> <li>• Clarified bylaw does allow adding of yellow lines, noting narrow roads which are congested by parking on both sides may benefit from the addition of yellow lines on one side. Staff noted they can direct the board to the appropriate team at Auckland Transport if the Board wish to pursue this.</li> <li>• Clarified Auckland Transport have dedicated parking officers, however ongoing focus is on technological improvements for enforcement.</li> </ul> <p>Next Steps:</p> <ul style="list-style-type: none"> <li>• Local Board feedback formalised September 2024</li> <li>• Proposal adoption by Auckland Council and Auckland Transport October 2024</li> <li>• Full public consultation November-December 2024</li> <li>• Seek Local Board views on public feedback February 2025</li> </ul>
---	---	--	--

The workshop concluded at 3.21pm.

# Devonport-Takapuna Community Wellbeing Monthly Update

Deb Doyle, Community Broker

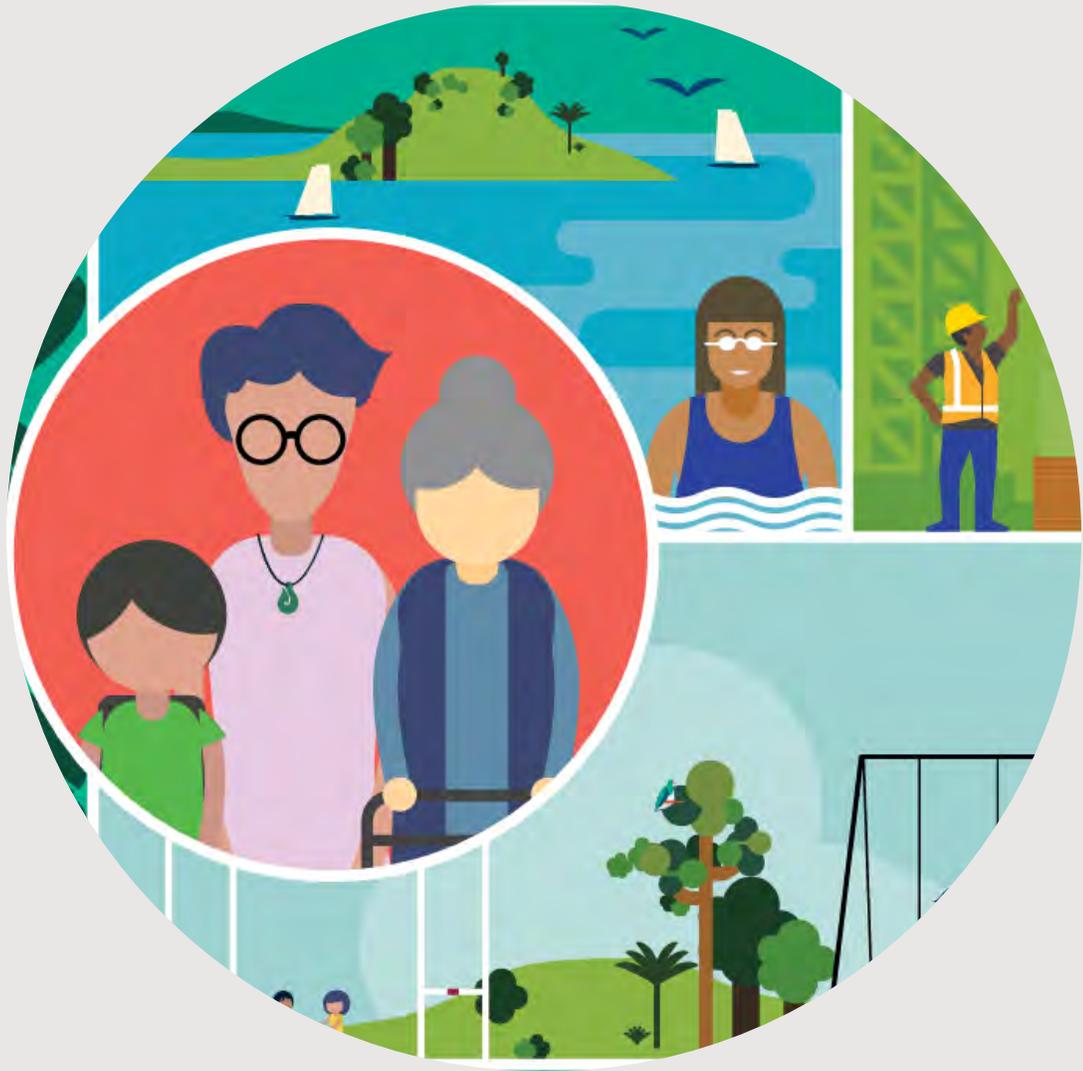

August 2024

# Community Delivery key updates - August 2024

- Devonport and Takapuna libraries, 9.30am-10.15am
  - Margo Athy - Lead & Coach, Kāpatiki & Devonport-Takapuna
  - Arlee Turner - Takapuna Library Manager
  - Linda Hopkins - Devonport Library Acting Manager
- Youth updates, 10.15am-11.00am
  - Kathryn Schuster - Youth Specialist

# Community Delivery Updates

Bolster community spaces  
Empower grassroots community delivery

# Devonport-Takapuna libraries update 2023/2024

6 August 2024

# Agenda

- Customer satisfaction
- Intelligent Materials Management System (IMMS)
- Performance indicators
- Highlights FY2023/2024
- Libraries programming framework

## Customer satisfaction: overall

How satisfied or dissatisfied were you with the overall experience with Auckland Libraries?

**96.27%**  
Satisfied or Very satisfied

- satisfaction levels exceeded LTP target by 11%
- overall satisfaction increased 2.58% compared to last FY
- Devonport-Takapuna ranks in the top 3 when compared to other local boards

## Customer satisfaction: staff

The service received from the library staff

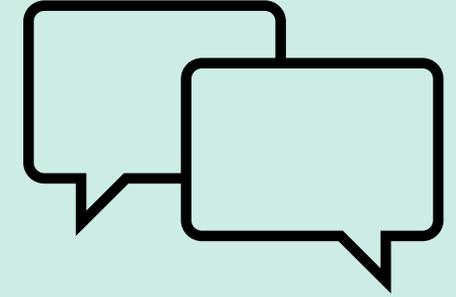

**94.6%**  
Satisfied or Very satisfied

- satisfaction levels exceeded LTP target by 9.6%
- staff satisfaction increased 0.4% compared to last FY
- Devonport-Takapuna ranks in the top 10 when compared to other local boards

*From 'We Love Feedback' online survey which captures satisfaction levels and feedback.  
% based on ratings 'Satisfied' or 'Very satisfied' at both libraries  
Total respondents: 2604  
LTP target – 85%  
Time period: 01/07/23 – 30/06/24 (last FY)*

## Customer feedback: Devonport

*I'm now 96 and rarely get out and about, so my daughter collects my books and Audio discs for me. She manages to find an amazing selection!*

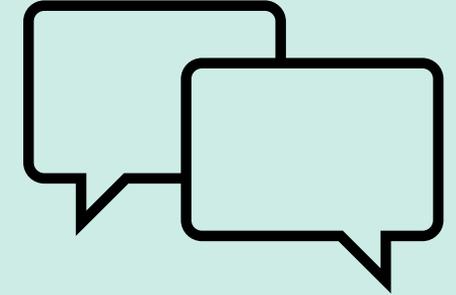

*There is a lot of space for children to explore the library, it is easy for them to pick the books they adore and the different possibilities to sit or lay down and read are amazing. The whole building is very special and beautiful. The area for adults is also very nice; open and very bright. Our whole family loved to be there.*

*Customer service was exceptional*

*Good service, friendly professional staff. Attractive, clean and tidy building. A pleasure to visit the library. Organised but homely building. A big tick to Council for making the most of the most important service it provides*

*Wonderful librarians who have an awesome knowledge base. Great atmosphere for all ages*

## Customer feedback: Takapuna

*I have access to all the books I need. Plenty of options while I wait for more popular items to come up. One of the few areas where I really feel we get value from our rates/taxes*

*Since am new to NZ, Library assistants helped me in the polite way when i get a library card and helped me to print a copy. Lot of books are arranged in well manner.*

*Staff at Takapuna brilliant*

*My library has parking, lovely and light inside and all the books I order are notified and ready to collect. Please stop non-reading councillors messing about with something that is perfectly satisfactory.*

*I think it's one of the best taxpayer services on offer to us. The staff at my local library are all so lovely*

# What could we do better?

Across the network:

- availability of e-resources\* - currently not meeting demand due to budget and license restrictions (physical item availability is performing well though at 91% satisfaction)
- other feedback relates to suggestions for the collection, website performance, the customer survey and the new holds pick up system launched on 28 May

*\*The range of e-resources at Auckland Libraries includes eBooks, eAudiobooks, eMagazines, eNewspapers etc via library apps.*

# Intelligent Materials Management System (IMMS)

AKA 'the new holds system'

- logistics system that works with library software
- benefits:
  - reduced manual handling of books (better for staff)
  - faster turnaround of book requests (better for customers)
  - customer privacy (better for customers)
  - paperless (better for the environment)
  - automated library collection balancing (better for the customer and staff)
  - staff time and energy focused on the customer, rather than processing books (better for the customer)

# Performance: Visits to Devonport-Takapuna libraries FY23/24

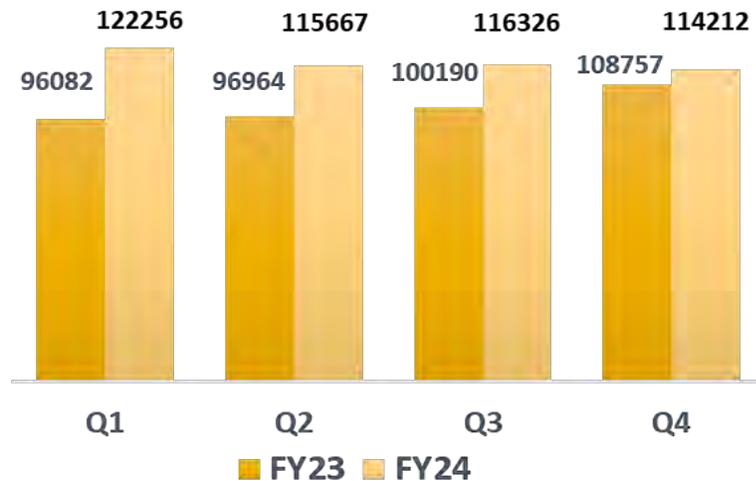

Visits are exceeding our target by 11%

FY22/23		FY23/24	
402K	474K	468K	421K
<small>Actual</small>	<small>Target</small>	<small>Actual</small>	<small>Target</small>
-15%	57%	11%	17%
<small>Variance from Target</small>	<small>YoY Variance</small>	<small>Variance from Target</small>	<small>YoY Variance</small>

D-T libraries saw 468K visits this financial year, an increase of 16.5% from FY22/23

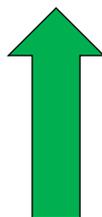

Total visits to Devonport-Takapuna Libraries FY23/24

# Performance: Internet use

## Devonport-Takapuna Libraries FY23/24

FY22/23		FY23/24	
197K	210K	262K	202K
Actual	Target	Actual	Target
-6%	97%	30%	33%
Variance from Target	YoY Variance	Variance from Target	YoY Variance

- Internet use exceeds our LB Libraries' target by 30%
- 262K internet sessions this financial year, an increase of 33% from FY22/23

## Skinny Jump at Auckland libraries FY23/24

- Devonport and Takapuna Libraries have helped 48 families sign up to Skinny Jump in FY23/24

# Performance: Programmes & event delivery

Devonport-Takapuna libraries FY22/23

280 Programme & events delivered

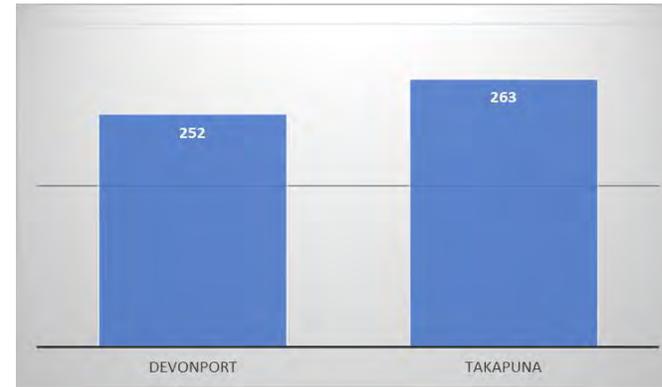

Devonport Library - 193  
Takapuna Library - 87

Devonport-Takapuna libraries FY23/24

515 Programme & events delivered  
84% increase

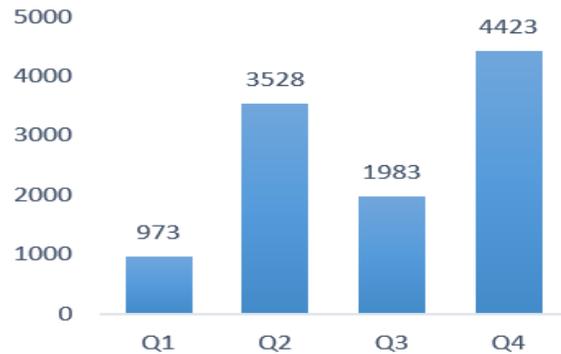

Enabled by nine new recruits, more than half in senior and specialist roles at Takapuna

# Performance: Programme participation rates

### Devonport-Takapuna libraries FY22/23

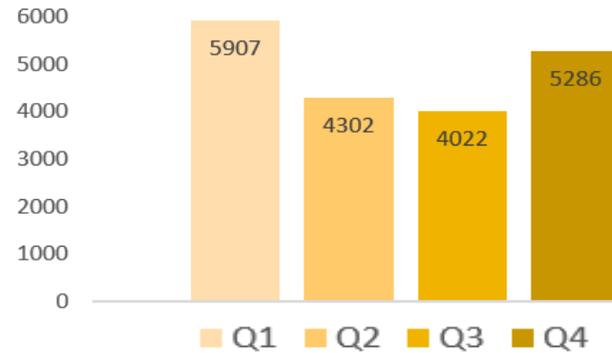

Visitor numbers grew in FY22/23 compared to previous years but Covid and Cyclone Gabrielle continued to impact community engagement and an appetite for library programmes.

### Devonport-Takapuna libraries FY23/24

**84% increase in programme & event delivery**

FY23/24 saw an increase of over 65K visitors and our libraries responded fervently to the increased appetite for library programmes.

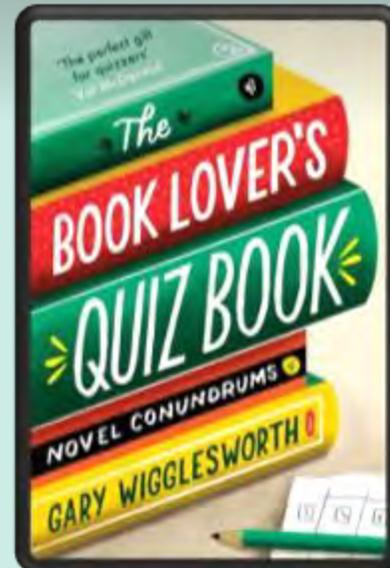

# Ō Tātou Tāngata | Our people: Programmes, events and celebrations

Five Kiwi authors discuss their crime & mystery novels

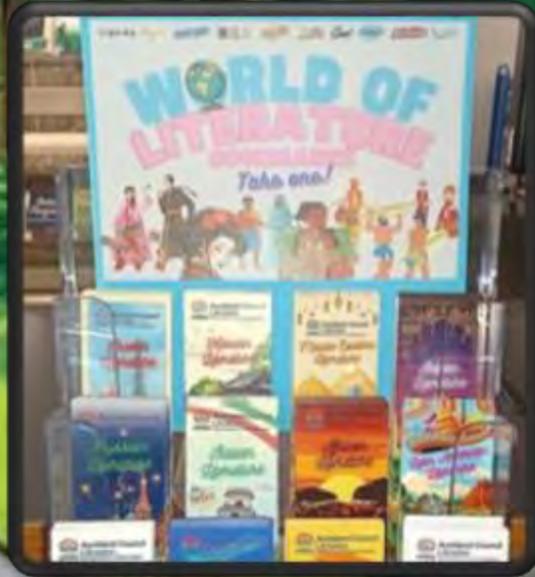

We Read Auckland

## Takapuna highlights

- quarterly Children's Writers Festival showcases Kiwi children's and youth authors and draws an intergenerational audience across Tāmaki Makaurau
- dog-friendly Storytime
- Luna New Year and World of Cultures events celebrated the cultural diversity of our community
- Tamariki enthusiastically participated in our Raumati Reads summer reading challenge

## Devonport highlights Community connections

- popular Seniors Digital Club encourages those over 60 to learn digital skills
- in-house and outreach services including Devonport's Fireside Ladies, fosters a greater sense of community connection and wellbeing
- regular Devonport Library Associates evening events about current topics
- Sunday afternoon book launches
- co-operation with Business Association on Matariki and Easter events
- Auckland Transport consultations

# Devonport highlights

## Children's programming

- weekly programmes plus new after school Storytime well attended
- monthly outreach visits to local kindergartens and playcentres
- on-going relationships with local primary schools e.g. book week visits
- library tour and presentation for ESOL students at Westlake Boys High School
- holiday collaborations with Devonport Community House
- UoA Physics Department session about Matariki and the cosmos with hands on experiments for kids

# Ngā huanga Māori | Māori outcomes

- Devonport continues offering Te Reo lessons at beginner's, level three and level four, and facilitates the Te Reo Po-up Korero Group
- Devonport hosted lunch for local community leaders planning Matariki initiatives on the Peninsula
- Te Hau Kapua Kapa Haka group formed from community leaders. Practice sessions held every week with two library staff participating

Paul Diamond: Reflections on being a Māori Curator

- Takapuna hosted a talk by Paul Diamond, Curator, Māori at the Alexander Turnbull Library, discussing the impact of colonialism on indigenous representation

# Auckland Libraries Programming Framework

## New programming framework provides:

- clarity and consistency for kaimahi and customers
- focussed resources
- meeting customer need at a community level
- long term sustainability

## Decisions about programme suitability - must meet at least 2 of these criteria:

1. building literacies
2. sharing our resources
3. digital inclusion and participation
4. tamariki + rangatahi focus
5. Te ao and te reo Māori\*
6. inspire a love of reading
7. climate action + sustainability

*\*Te ao Māori programmes can standalone*

**Kathryn Schuster, Specialist Advisor - Youth**

**Youth updates**

# Specialist Advisor - Youth role

**Work programme d  
elivery and  
development**

Contract management, provide  
advice and support  
to community  
based programmes

**Build  
relationships and u  
nderstand  
community needs**

Provide quality advice to the  
local board

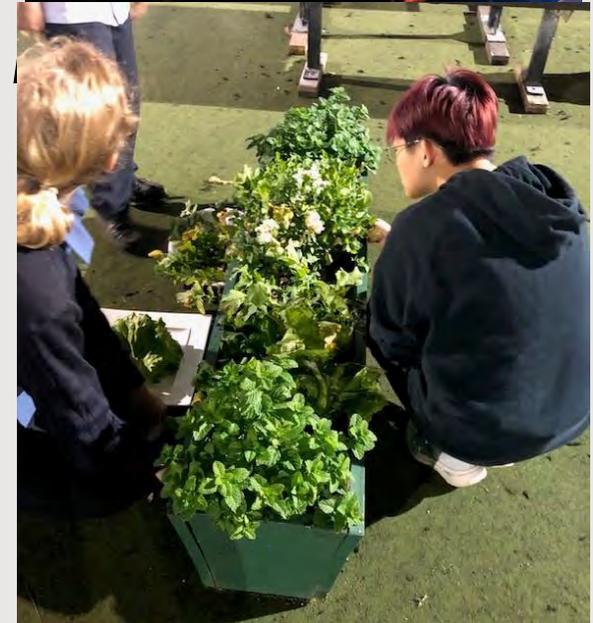

**Investment and  
partnering**

Seek opportunities for  
funding and collaboration

# Shore Junction

- 4,117 members at June 2024
- SJ Summer Sounds event seeking feedback on LTP - received 293 submission from youth
- Stage two event with 7 live performing acts
- Held a gardening workshop followed by the launch of the gardening club
- Met with Pupuke Birdsong to develop long term partnership

# Shore Junction - Bowling green update

- applying to Lotteries to cover quoted \$140,000 full renovation costs.

## Temporary measures:

- cameras installed in rooms and workshop.
- electrical feed upgraded for safety.
- waterproofing to outside wall and construction of wall in the middle.
- walls will be improved and painted by team members and carpet tiles installed.

# Shore Junction - Community Hub

Groups that meet regularly at SJ:

- Queer4Shore
- AnxietyNZ
- Neuro-Diverse Arts Group
- Northern Health School

Recent events:

- Open and Connect hosted 5 MoE events educating Asian parents on NZ school system
- Youth Enterprise Scheme
- PHAB recorded Waiata for Matariki
- North Shore Principal's Assc MoE Upskilling and Networking

OPEN & CONNECT

## LEARNING COMMUNITY HUB

New Zealand Education Seminar Series

🕒 Sunday, 10.30am-12.30pm  
📍 Shore Junction, 19 Northcote Road, Takapuna, Auckland 0620

Date	Content
12 May	NZ Education System
26 May	NCEA I
02 Jun	Being safe at schools
09 Jun	NZ's bicultural framework
14 June	New Zealand Curriculum
04 Aug	School report & Parent-teacher interview
11 Aug	School systems
18 Aug	ESOL & cultural identity
25 Aug	NCEA II - IB & Cambridge
01 Sep	Parenting

# Younite

- rangatahi art exhibition at Whare Toi, launched during the school holidays.
- hosted a well-attended Open Mic Night at Shore Junction during Youth Week.
- offered yoga and guided meditation sessions, receiving positive feedback.
- Shore Junction continues to provide training sessions.

# Younite promotion of Youth Seat

**Youth representation on Devonport-Takapuna Local Board**

**Local board youth seat opportunity**

Are you a young person (from years 12 and 13) interested in providing real time feedback on issues that affect your community?

We have a great opportunity where you will be able to attend and give feedback at local board workshops.

This opportunity will initially only be available with support of your school.

Visit: Scan QR code for more info

aucklandcouncil.govt.nz

**Youth Seat**

**Youth representation on Devonport-Takapuna Local Board**

**Local board youth seat opportunity**

Are you a young person (from years 12 and 13) interested in providing real time feedback on issues that affect your community?

We have a great opportunity where you will be able to attend and give feedback at local board workshops.

This opportunity will initially only be available with support of your school.

aucklandcouncil.govt.nz

Years 12 & 13 only, Tuesdays from 8:30am

**Contact: Devon**  
21252@my.westlakegirls.school.nz

- Westlake Girls fully supportive
- Rangitoto College unable to support right now
- 5 assemblies at Westlake Girls
- promo signs at Shore Junction and new Devonport Community House Youth Space

# Youth Seat- Wider context

## Council support

- C40 Engagement Working Group
- I Am Auckland/Thriving Rangatahi
- Investigate expanding eligibility to 13-15yr olds with legal and privacy teams with or without parental supervision

## Local board area support

- Sports and Rec partnership
- Sustainable Schools partnership

# Recommendations

Expand eligibility to 24yrs with 18+ not requiring school sign off

Start advertising at AUT, Massey, local sports clubs

Continue to investigate whether we can have younger participants

Continue building profile within Council to gain more system level support

# Play plan

Devonport-Takapuna Local Board – 6 August 2024

Jacquelyn Collins – Play Portfolio Lead – Community Wellbeing

# Today's workshop

1. FY24 investment review
2. Play advocacy – general update
3. Update from Harbour Sport
4. Workshopping the play plan
  - Purpose
  - Contents
  - Elected members' feedback
5. FY25 play advocacy projects
  - Staff recommendation
  - Elected members' feedback

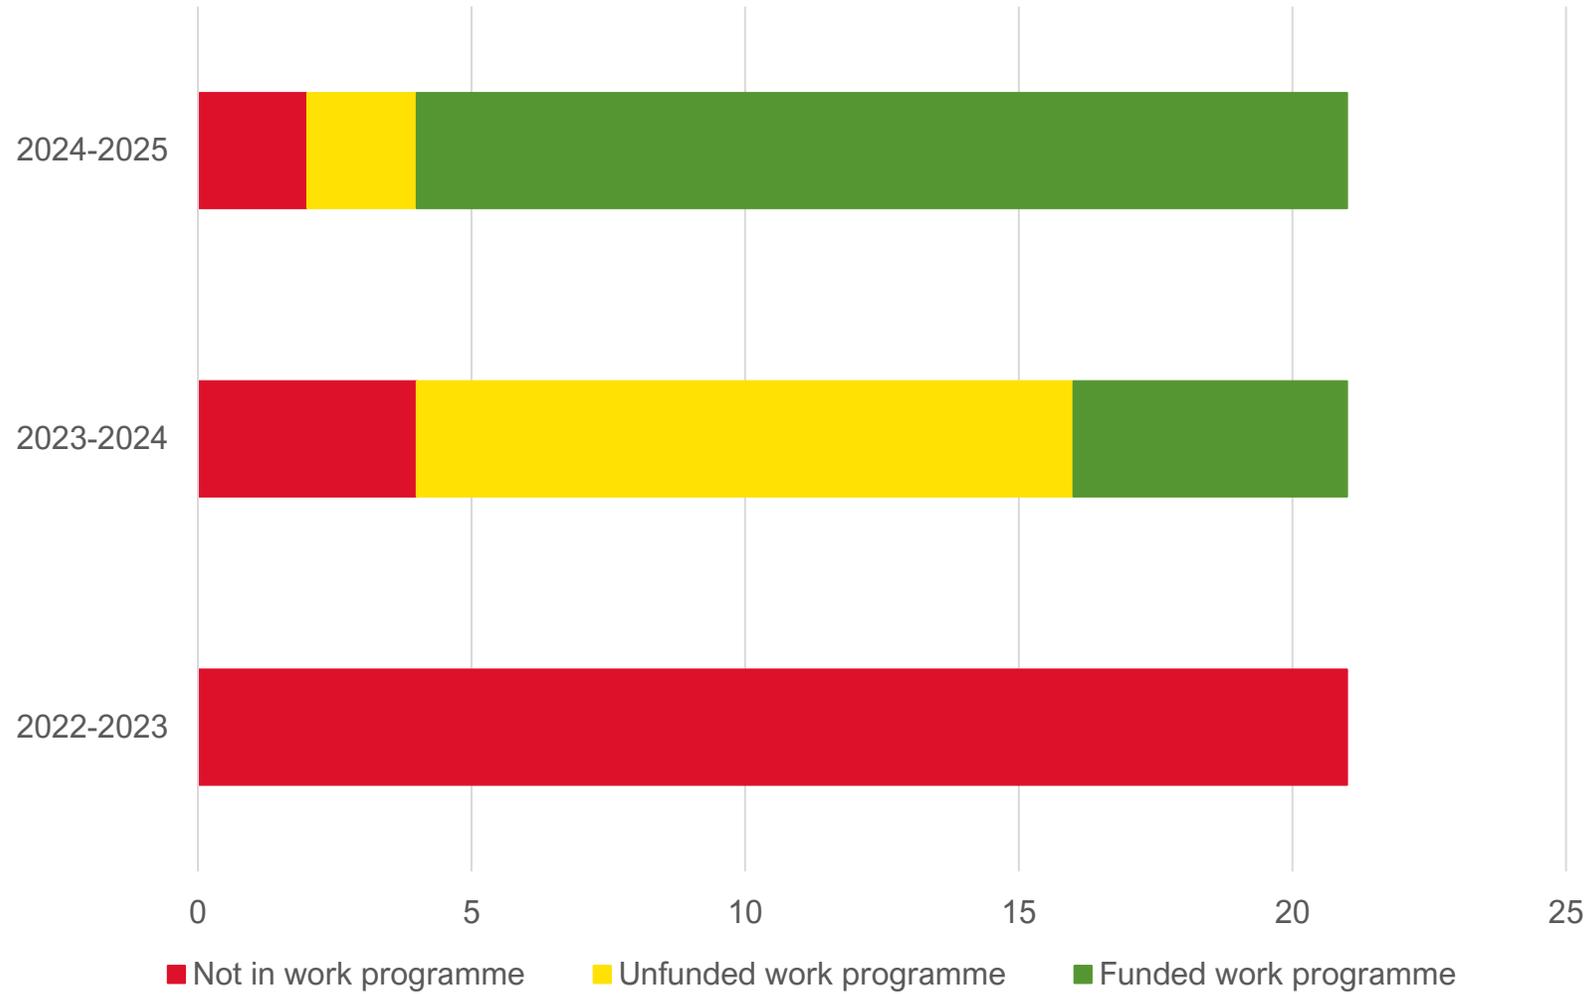

# FY24 play advocacy project

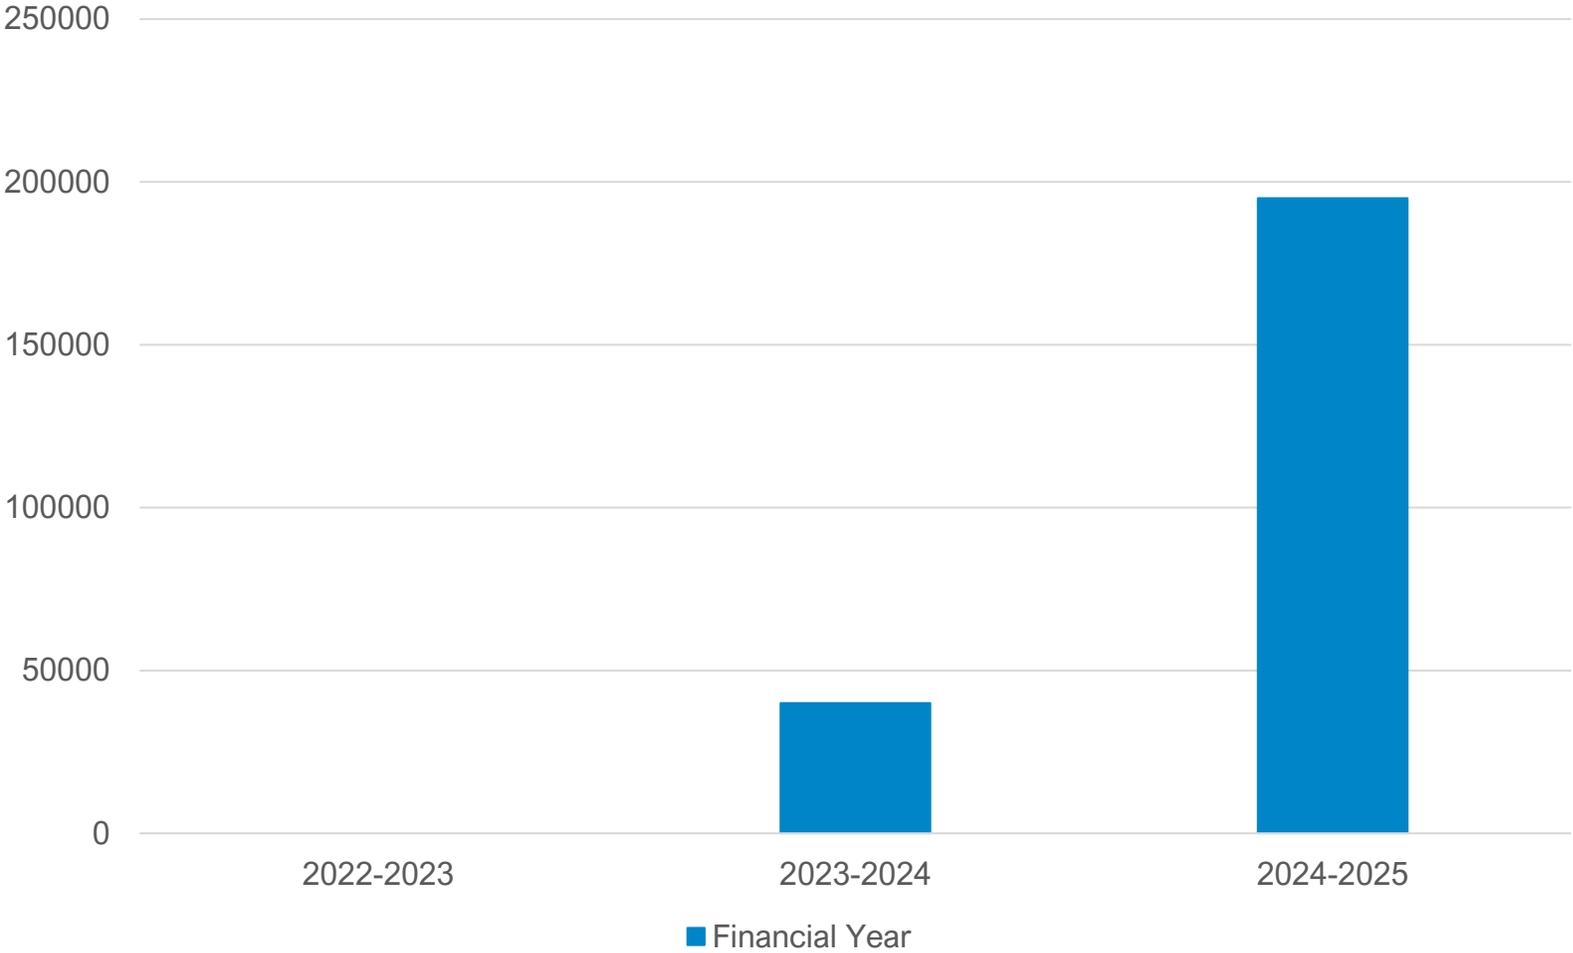

- Four tree swings installed in July 2024: Sunnynook Park; Greville Reserve; Taharoto Park; Killarney Park
- Creating incidental play for the whole community to enjoy
- Two more swings to be installed – sites to be confirmed
- Underspend invested with local play delivery partner Creative Wonder, to create and deliver a bespoke indoor play activation at Devonport Community House

# Local board support of play advocacy

# Local board investment in play advocacy

# FY24 funded play advocacy projects

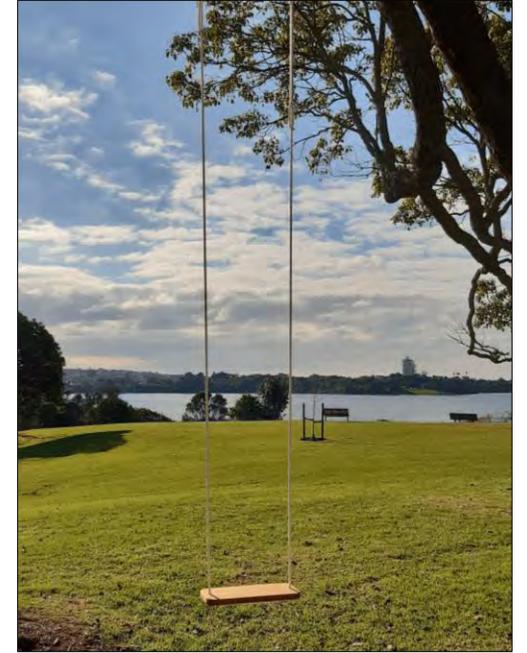

Project	Local Board	Delivery notes
Tree swings	Devonport-Takapuna	Four swings installed in July 2024; two more swings to be installed
Community House play activation	Devonport-Takapuna	To be delivered in September 2024 at Devonport Community House
Library play investment	Henderson-Massey Rodney	Three libraries equipped with play equipment for on-site use (Rānui Library, Waitākere Central Library, Wellsford Library)
Girls' skate activations	Rodney	Activating two skate parks for local girls – improving the diversity of skate park users, encouraging participation
Fairy forest	Kaipātiki	Partnering with a community group, community-led project to install fairy houses on a local reserve
Adventurous nature space	Upper Harbour	New play provision created on a drainage reserve for local tamariki – installed in Whenuapai in June 2024
Nature Play for Adventurers sessions	Henderson-Massey Upper Harbour	Facilitated sessions with delivery partners, scheduled for July and August 2024
Play event	Rodney	Creative play event for Kumeū and Huapai tamariki, to be delivered by a local community partner in September 2024

# Adventurous nature space

# Harbour Sport update

Devonport-Takapuna Local Board

Te Māhere-ā-tākaro o  
Devonport-Takapuna 2024

# Play Plan 2024

Celebrating and enabling play in  
Devonport-Takapuna

[aucklandcouncil.govt.nz](http://aucklandcouncil.govt.nz)

# Why write a Play plan?

- Formalise the play advocacy approach and clarify it complements other play investments by Devonport-Takapuna Local Board
- Acknowledge and celebrate existing play provision
- Provide a blueprint to enable diverse play opportunities
- Develop and nurture productive stakeholder partnerships
- Build a culture of insight-led decision-making that actively involves tamariki and rangatahi
- Streamline the annual work programme planning process by providing elected members with a menu of projects to consider
- Create a document that can be refreshed with each new Local Board Plan and provide guidance to any new elected members.

# The Devonport-Takapuna Play Plan 2024 will..

**Codify play  
advocacy**

**Celebrate  
existing play**

**Enable  
more play**

**Reflect local  
board plan**

**Encourage  
integration**

**Reflect  
insights**

# Play plan content

## Codify play advocacy approach

- Play advocacy 101
- Legislation
- Sport NZ Play Principles
- Strategic alignment
- Māori outcomes

## Celebrate existing play provision

- Playgrounds
- Play in council-owned spaces
- Planned CAPEX play investments

## Enable diverse play projects

- Specific play project proposals
- FY25, FY26, FY27

# Play plan content

## Reflect current local board plan

- All projects linked to Local Board Plan objectives
- Goal: a 'shopping list' of projects that the local board can choose from during work programme planning

## Encourage integration

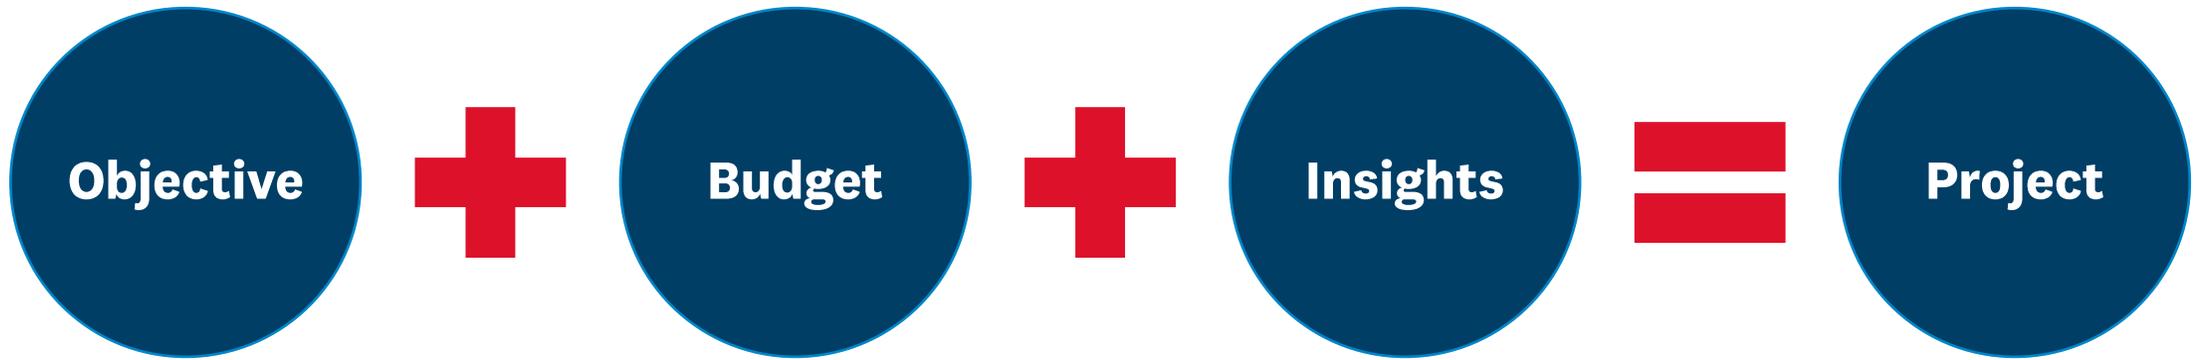

- Play proposals that reflect specialist advice council wide
- Play outcome opportunities other council work programmes
- Partnering with Harbour Sport

## Reflect insights

- Engage with iwi
- Engage regularly with council Advisory Panels
- Learn from Harbour Sport work
- Advocate for a new children's panel for the local board

# Play advocacy project development

# Creating a play project for FY25

## Objective

- 2023DT3.6 – Opportunities to participate in sport and active recreation are available and accessible

## Budget

- \$10,000

## Insights

- Library staff feedback: rangatahi focus identified as key priority
- Seek guidance from council staff (brokers, activators, etc.)
- Draw on Harbour Sport insights from tamariki and rangatahi
- Seek elected member feedback
- Engage with local youth organisations and with rangatahi directly

Pātai?

# Wairau Catchment Water Quality Improvements

## **Background:**

The Wairau catchment has been identified as having water quality issues caused by contaminants from the Wairau industrial area

## **Purpose of Project:**

- Reduce urban contaminants entering the Wairau stream
- Improve operational function of the Wairau Creek Trash Rack

# Works Done Till Date

## Wairau Gross Pollutant Traps (GPT) Project

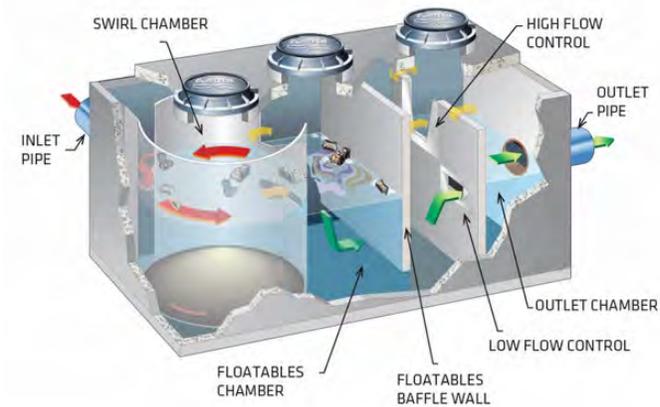

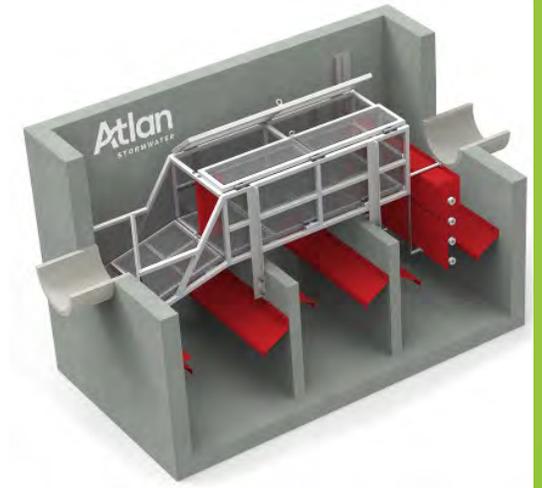

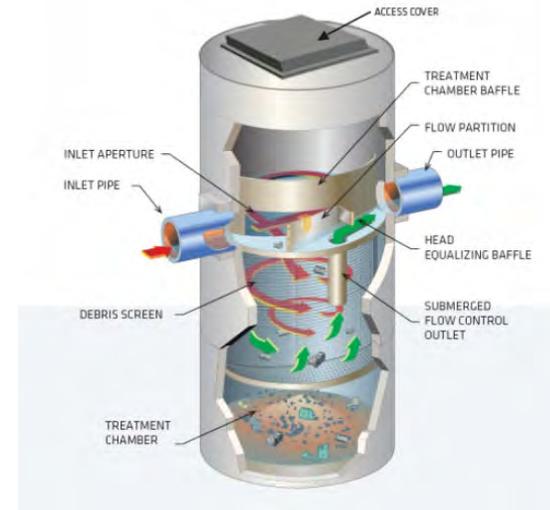

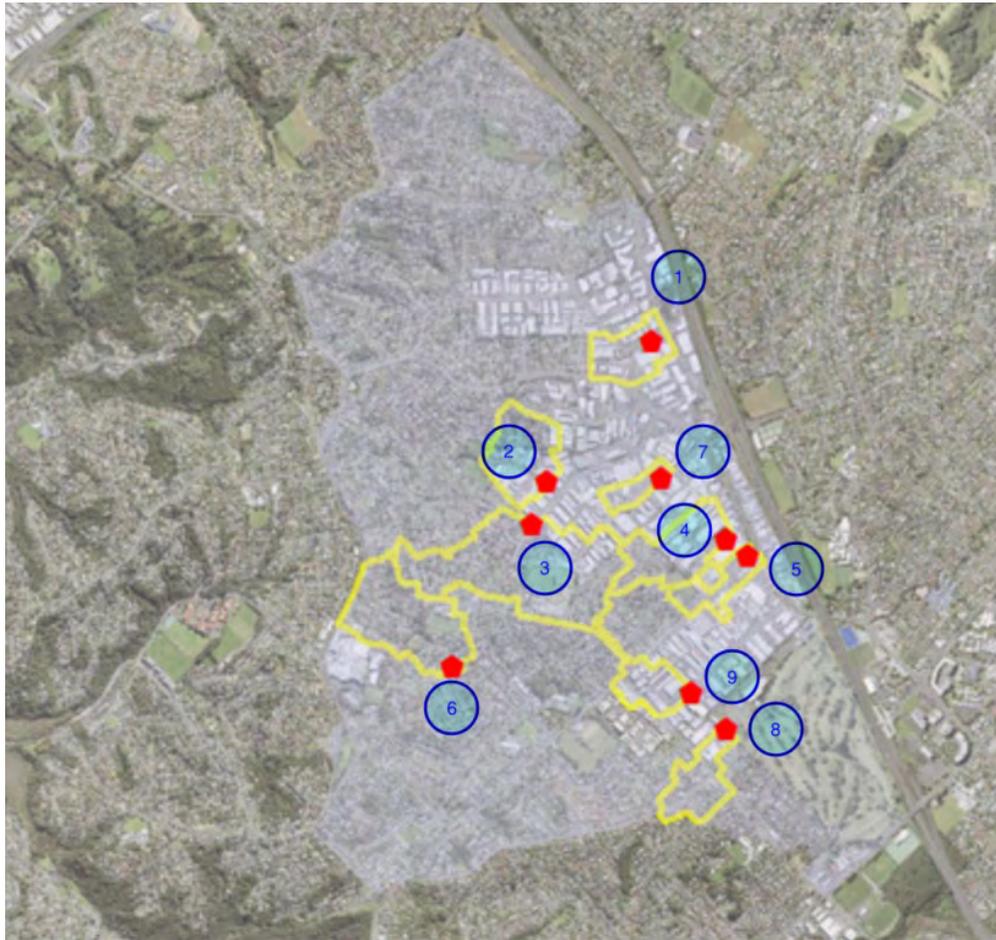

- Site investigation completed.
- Options Assessment completed.
- Cost estimation and preliminary planning assessment underway.

## Wairau Trash Rack Project

- Site inspection completed.
- Options assessment underway.

# GPT Project

Location considered

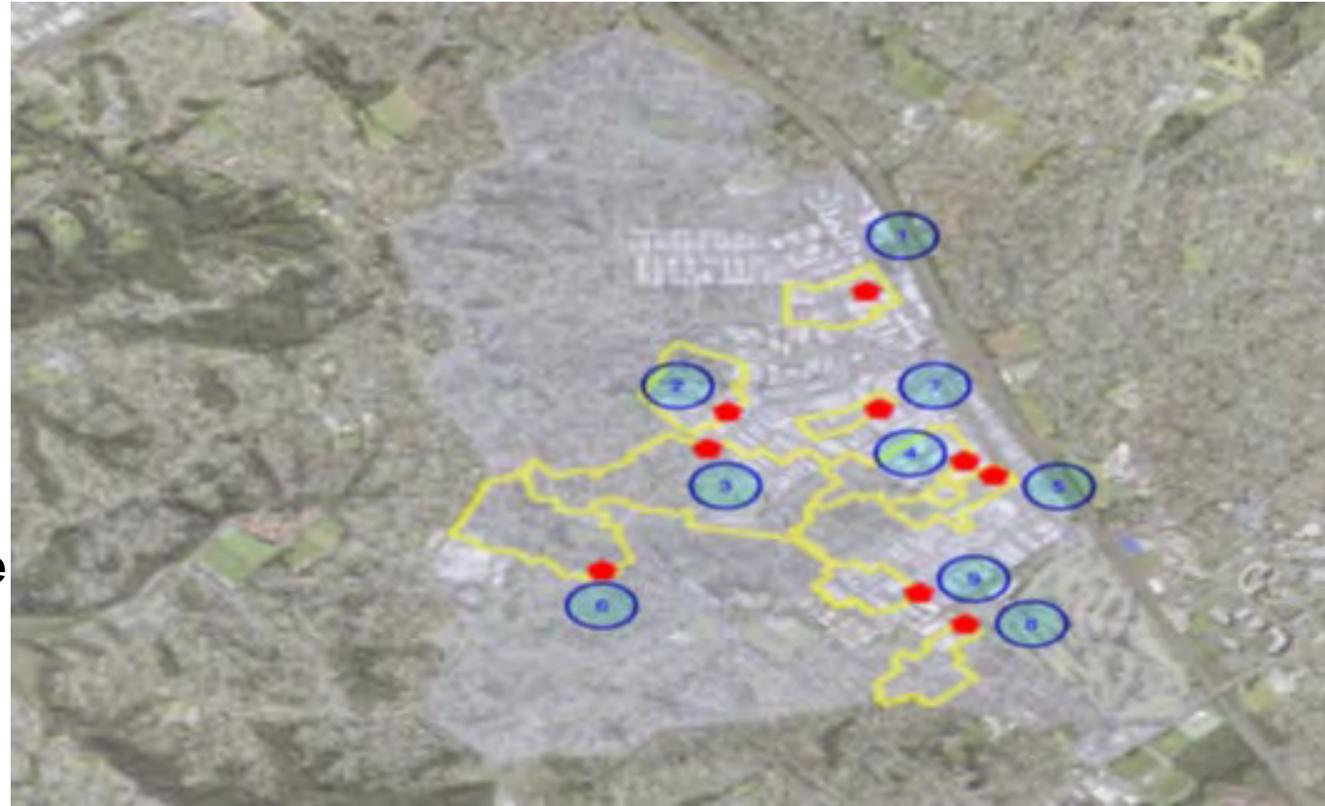

# Considerations

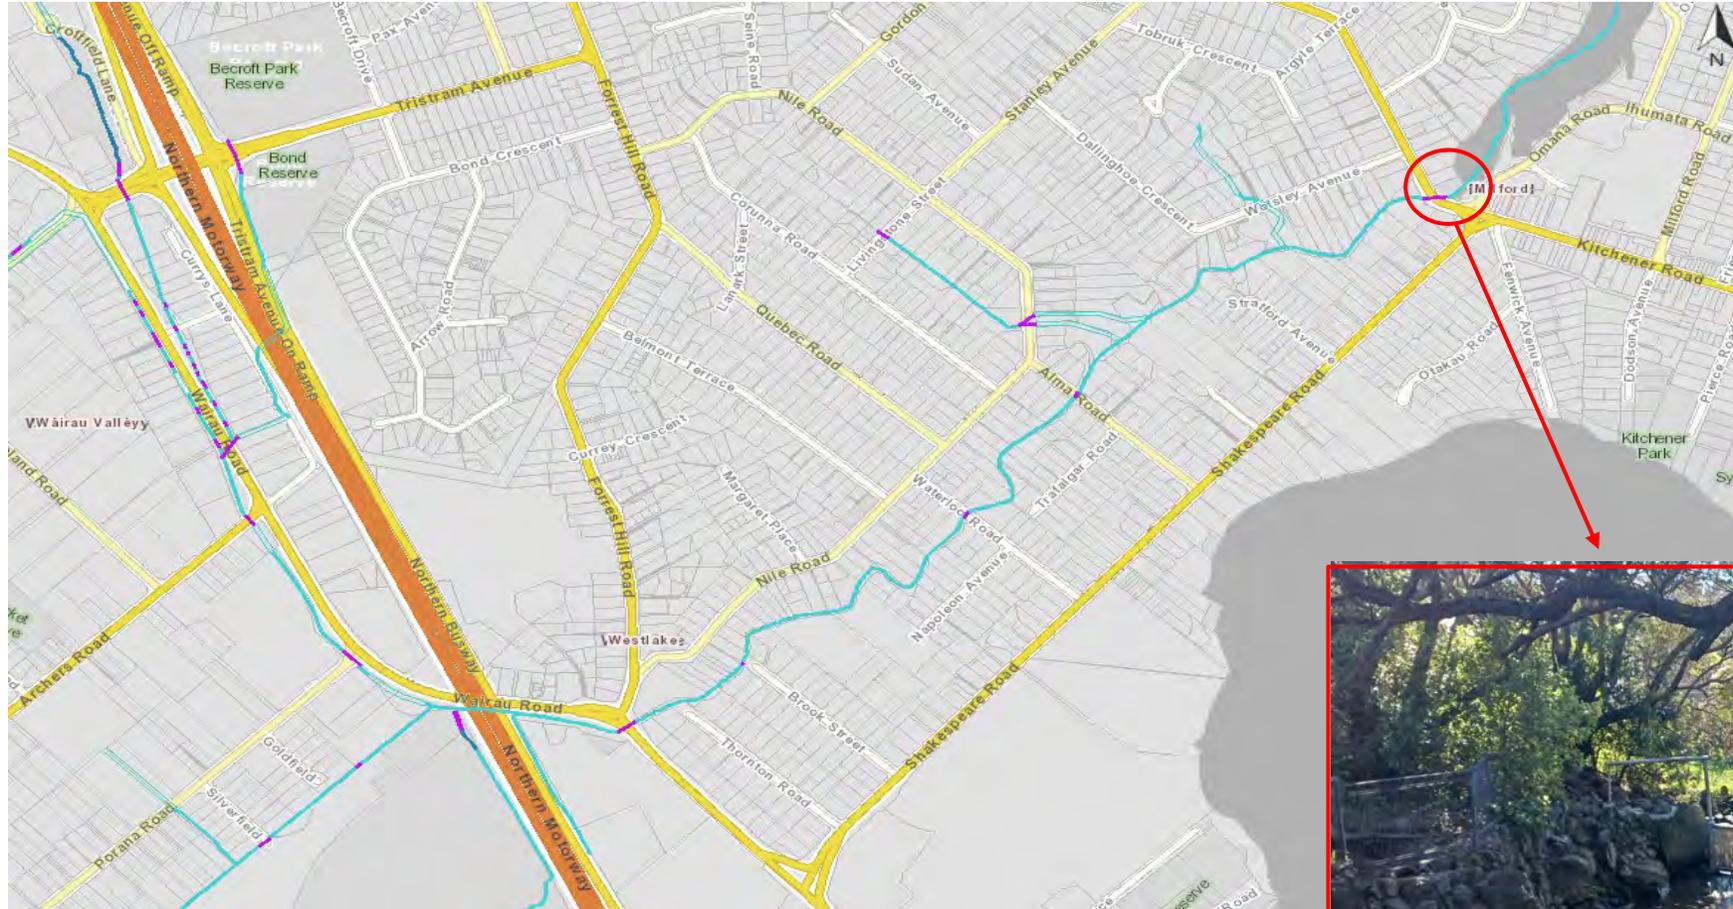

- ▶ Catchment Area
- ▶ Contaminant Generating (%)
- ▶ Network Capacity
- ▶ Services Clashes
- ▶ Median Supply/Cost
- ▶ Risk from Spilling
- ▶ Constructability
- ▶ Maintenance

# Water Quality Improvement Locations

- ▶ 3-5 Links Drive
- ▶ 31-39 Hillside Road
- ▶ 15 Poland Road
- ▶ 75 Porana Road
- ▶ 7 Argus Place
- ▶ 250 Archers Road
- ▶ 100 Weldene Avenue
- ▶ 24 Bentley Avenue
- ▶ 93 Diana Drive
- ▶ 3 Ashfield Road

# Trash Rack Project

# Trash Rack Project

# Trash Rack Project

# Takapuna Community Hub - design phase

6 August 2024

## Purpose of workshop

- Introduce the design phase
- Outline the proposed scope and timeframe

# Takapuna community hub options

We will be exploring 2 options (DT/2024/65);

**Option 1** Renovate the Takapuna Library building into a community hub (3,200m<sup>2</sup>)

**Option 2** Renovate the Takapuna Library building into a community hub including the addition of a third level, creating a total building size that is no less than 3,500m<sup>2</sup>, and that the third level is as large as the budget allows.

Funding will be provided through service property optimisation – using the sale proceeds from 2 The Strand, Mary Thomas Centre and Takapuna Community Services Building.

# Key opportunities and considerations

- Develop an innovative, fit-for-purpose community hub that supports the delivery of integrated library and community services that meets the needs of the community
- Create a sense of place that reflects the local identity
- Review book collection requirements, events and programmes and how we support the Angela Morton collection
- Create an innovative leaseholder space that can cater for a range of requirements and enables resources to be shared
- Consider space for hire requirements in the context of network provision
- Review carparking provision to support the diversity of those who use the services
- Consider sustainability from a building design and management, and service delivery perspective
- Consider how the hub will operate
- Consider property requirements - including separation of the Library and TCSB, subdivision, carpark access, the War Memorial plaza, entrance to the hub

Funding envelope

LB report – approve concept design for engagement									Green			
Mana whenua and community engagement									Blue	Blue	Blue	
LB workshop – share final concept design based on engagement outcomes											Green	
LB report – approve concept design												Green

# Proposed work packages

Activity	Responsible
Design – procure and manage consultants, lead development of brief and concept design, report to the local board	Jasmin Hsu
Engagement – community and stakeholders	Sophie Bell
Communications	Jess Brunette
Mana whenua engagement	Sarah Jones Sophie Bell
Asset sales	Andrew Elcoat
Operating model	Margo Athy Julie Sutherland

# Proposed community engagement approach

## Two phases

- Provide stakeholders and the community the opportunity to;
  - inform and influence the design brief
  - provide input and feedback on the concept design

## Engagement approach

- Multi-method approach to reach and engage a wide audience, including face-to-face conversations, workshops, questionnaire, event/drop-in sessions, online approaches
- Promotion will include council and local online platforms, on-site information, events, media and partnering

NOTE: we will work with Mana Whenua separately

# Who we propose to engage with

## Key stakeholders

- Current leaseholders, key programme and activity providers at the Mary Thomas Centre and Takapuna Community Services Building
- Takapuna Business Association, Friends of Takapuna Library, Takapuna Methodist Church

## Targeted groups

- Other community service providers (council and non council) e.g. Shore Junction, Sunnynook Community Centre
- Local schools and churches
- Key community groups and organisations e.g. Open and Connect, Resident Associations, Digital Seniors, Ethnic Leaders' Circle

## General community

- Targeting the Takapuna community

# Key risks

## **Optimistic timeline to get the required approvals by May/June 2025**

- Short time to get reports written and approved
- Short consultation, design brief and concept phases
- Short time allowed for initial working with iwi

## **Budget for initial phases**

- Small budget only available until the assets are sold
- Unclear budget total until the assets are sold

## **Physical building**

- Shared wall between library and community building
- Shared car park access

# AT and AC Joint review of traffic- related Bylaws

# Agenda

What we are discussing	What we need from you
Scope of the bylaw review	Awareness
Findings report	Awareness
Draft options per topic	Input and feedback
Draft recommendations for Local Board input	Input and feedback
Timeframes and next steps	Awareness

# Scope of the bylaw review

# Traffic-related Bylaws

The review covers three traffic-related Bylaws of Auckland Transport and Auckland Council

- The traffic-related Bylaws are the Auckland Transport Traffic Bylaw 2012, Auckland Council Traffic Bylaw 2015, and the Auckland Council Public Safety and Nuisance Bylaw 2013 (for vehicles on beaches only).
- Staff covered 18 topics that apply to the Auckland transport system and council-controlled land.
- The Bylaws provide a “framework” for 12 topics and “self-contained” controls for six topics.
- Staff conducted workshops, surveys, scans of regulatory approaches, literature reviews and data analysis to inform the findings report.
- **The review does not cover the specific location, nature or condition of traffic and parking controls.**

# Bylaw topics covered

1. One-way travel directions and turning restrictions
2. Special vehicle lanes
3. Unformed roads
4. Vehicles on beaches
5. Cycle paths, shared paths and shared zones
6. Cruising and light-weight vehicle restrictions
7. Engine braking
8. Speed limits on council-controlled land (for legacy speed limits)
9. Parking (including zone parking), designating parking place or transport station, or prescribing conditions of use
10. Parking vehicles off a roadway (for example, berm parking)
11. Mobility parking (parking for disabled persons)
12. Residents' parking
13. Broken down vehicles on a road or public place
14. Vehicle repairs on a road
15. Parking for display or sale (sole purpose is advertising or sale)
16. Special events
17. Leaving machinery or goods on a road or public place
18. Unsuitable (including heavy) traffic

**The review does not cover the specific location, nature or condition of traffic and parking controls.**

# Findings Report

# The findings report was completed in June 2024

We completed the findings report after a year of doing research and engagement. The key findings are:

- The Bylaws that regulate vehicle use and parking controls by enabling controls to be set 'if and where' required to manage the use of the road space in Auckland have been particularly helpful.
- The Bylaws that regulate vehicles on beaches and off-road parking could be improved to be more effective and efficient
- The Bylaws that regulate activities involving vehicles have not been used.
- A bylaw can no longer regulate new speed limits (speed management plans are required to be used instead).
- Consideration should be given to the possible benefits of replacing the Bylaws with a single bylaw made by both Auckland Transport and Auckland Council.

# Draft options per topic

# Five possible options are proposed for each topic

These are aligned with the statutory options to respond to the Bylaw review findings – retain, amend, replace and revoke

- Option 1: **Retain** current Bylaws (status quo)
- Option 2: **Amend** current Bylaws
- Option 3: **Transfer** to better aligned Bylaws
- Option 4: **Replace** current Bylaws with a joint AT and AC Traffic Bylaw
- Option 5: **Revoke** current Bylaws and rely on other regulatory powers

# Draft recommendations for Local Board input

# Draft Recommendations by topic for Local Board input

## Significant proposed changes

- Vehicles on beaches
- Parking vehicles off a roadway (e.g., berm parking)
- Unsuitable (including heavy) traffic

## No significant changes – consolidate into one Bylaw

- One-way travel directions and turning restrictions
- Unformed roads
- Cruising and light-weight vehicle restrictions
- Engine braking
- Mobility parking (parking for disabled persons)

## Minor changes – consolidate into one Bylaw

- Special vehicle lanes
- Cycle paths, shared paths and shared zones
- Parking (incl zone parking), designated parking places or prescribing conditions of use
- Residents' parking
- Special events

## Revoke / Transfer – rely on better existing legislation

- Speed limits on council-controlled land
- Broken down vehicles on a road or public place
- Vehicle repairs on a road
- Parking for display or sale
- Leaving machinery or goods on a road or public place

# We need your input and feedback about Vehicles on beaches

- The problems are dangerous driver behaviour on beaches that causes public safety risks (including deaths), public nuisance, damage to the environment (for example, harm to native flora, fauna and sand dunes) and public property (for example, gates, barriers).
- Problems are generally low in frequency (except on **Muriwai and Karioitahi beaches**) and high in impact on public safety and damage to the environment.

## Draft recommendations for Local Board input

- Continue to prohibit or restrict the use and parking of a vehicle on a beach.
- Only allow vehicles to launch boats, to park in areas intended for vehicles and to obtain an approval (beach driving permit) to travel in a vehicle on Muriwai Beach and Karioitahi Beach.

# We need your input and feedback about Parking vehicles off a roadway

- The problems are obstructions to pedestrians or other vehicles, damage to land (for example, a grass berm) and safety risks from poor visibility caused by vehicles parked off a roadway.

## Draft recommendations for Local Board input

- Prohibit parking vehicles off a roadway in areas where there is a formed kerb and channel or in areas planted with grass, plants or any vegetation not intended to be a carpark.

# We need your input and feedback about Unsuitable (including heavy) traffic

- The problems are damage to roads, footpaths and other public places (for example, heavy vehicles accessing development sites) and public safety risks and nuisance (for example, from poor visibility) caused by unsuitable traffic or heavy vehicles parked on roads, including potentially AC roads and public places.

## Draft recommendations for Local Board input

- Add parking-related controls and other Land Transport Act 1998 powers to regulate heavy traffic, including, for example, the power to require security under LTA 1998.
- Amend Part 2: Street Damage of the AT Activities in the Road Corridor Bylaw 2022 to help address problems related to the use of heavy vehicles accessing development or construction sites on private lands, causing damage to nearby roads.

# Timeframes and next steps

# Our next steps

- Early engagement on draft options and proposal
- Resolution from Local Boards
  
- Regulatory and Community Safety Committee meeting adoption of options and proposal
- AC Governing Body meeting adoption of the proposal
- AT Board meeting adoption of the proposal
  
- Full public consultation
  
- Local Board views on public feedback
- Bylaw Panel deliberations
- Decision on the proposal (including the adoption of a new bylaw)

Unsuitable (including heavy) traffic	<ul style="list-style-type: none"><li>• Amend</li><li>• <b>Replace (Recommended)</b></li></ul>	<ul style="list-style-type: none"><li>• New single AT and AC Bylaw that provides the power to regulate unsuitable traffic while incorporating parking-related controls and other Land Transport Act 1998 powers to regulate heavy traffic.</li><li>• Amend the AT Activities in the Road Corridor Bylaw 2022 to address problems related to heavy vehicles accessing development or construction sites on private lands causing damage to nearby roads. The amendment would enable AT to conduct pre- and post-work inspections and monitor whether any building work causes road damage.</li><li>• Continue to set controls through resolutions by AT TCC and AC RCSC.</li><li>• Continue to seek Local Board views when resolutions are drafted and finalised (where appropriate).</li></ul>

# Summary of draft recommendations for Local Board input

In response to the review findings, we recommend to:

- **Replace** the current Bylaws with a single Traffic Bylaw made jointly by Auckland Transport and Auckland Council for most topics (**13** of 18).
- **Revoke** the current Bylaws and rely on other existing legislation and bylaws to better address the problems for some topics (**4** of 18).
- **Transfer** the current Bylaws to better aligned Bylaws for vehicle repairs or modification (Topic 14).
