| 3.   | 1:15pm  | Tranche 2 Te Kete Rukuruku<br><br><b>Attachment:</b><br>• Memo  | Dawn Bardesley – Naming Lead<br>Moe Lewin - Te Reo Māori Programme Lead                     | Local initiatives and specific decisions | Consider the sites for naming and finalise the timeline for tranche two.       |
|      | 2:00pm  | Workshop concludes  |   |  |  |

### Role of workshop:

- (a) Workshops do not have decision-making authority.
- (b) Workshops are used to canvass issues, prepare local board members for upcoming decisions and to enable discussion between elected members and staff.
- (c) Workshops are not open to the public as decisions will be made at a formal, public local board business meeting.
- (d) Members are respectfully reminded of their Code of Conduct obligations with respect to conflicts of interest and confidentiality.
- (e) Workshops for groups of local boards can be held giving local boards the chance to work together on common interests or topics.

| LG2206-208      | Hibiscus Coast Community Patrol             | Cameras for Orewa   | \$10,000.00    |
| LG2206-223      | Silverdale and Districts Historical Society | Re-piling of the Parsonage and the Neville House                    | \$10,000.00    |
| LG2206-106      | Mairangi Bay Business Association           | Christmas Carnivals, Moments of Mairangi Bay, Mid Winter Swim       | \$8,000.00     |
| LG2206-137      | Recreation Solutions                        | Taiaotea Stream Daylighting Restoration Programme Activation events | \$8,000.00     |
| LG2206-155      | Abuse Prevention Services                   | Supporting Rangatahi & Tamariki Impacted by Family Violence         | \$8,000.00     |
| LG2206-247      | Manly Park Seniors Tennis Club              | Outdoor carpet replacement  | \$7,026.73     |
| LG2206-123      | Red Beach Surf Lifesaving Club              | Health & Safety Equipment for our Junior Surf Sports Programme      | \$6,000.00     |

# Mairangi Bay Business Association

## – Christmas Carnivals, Moments of Mairangi Bay, Mid Winter Swim

- **\$8,000** towards the delivery of Christmas Carnival, Mid-Winter Swim, and Moments of Mairangi Bay between November 2021 and June 2022
- Outcome identified in application completely met.
- Number of people reached: 4,000
- Applicant's comments after completion of project:

“Holding small and varied events to encourage members of the public to attend or be involved in many different aspects of our community. To create community good will...To celebrate our heritage, our environment and the uniqueness that is Mairangi Bay.”

# Red Beach Surf Lifesaving Club

## - Health & Safety Equipment for our Junior Surf Sports Programme

- **\$6,000** towards swimming caps and rescue tubes for the Red Beach Surf Lifesaving Club
- Outcome identified in application completely met.
- Number of people reached: 398
- Applicant's comments after completion of project:

“When this programme commenced some schools were still in lockdown, not only was this Sunday programme beneficial because of the active outdoor activities provided, it was also an environment where children got to socialise with other children in a fun and safe environment.”

# Local Board Outcomes and Priorities

**A CONNECTED  
COMMUNITY**

**A STRONG  
LOCAL  
ECONOMY**

**A PROTECTED  
AND ENHANCED  
ENVIRONMENT**

**OPEN SPACES  
TO ENJOY**

**TRANSPORT  
CHOICES**

# Local Board Outcomes and Priorities

## A connected community

- Hibiscus and Bays communities are supported, connected and vibrant
- We have a strong relationship with Māori and embrace our Māori identity, heritage, and culture
- Our libraries, art centres, community services, and privately owned facilities are supported

## A strong local economy

- Our town centres are welcoming, clean, sustainable and easily accessible with plans for the future
- Our businesses and business centres feel supported and empowered

## A protected and enhanced environment

- Continue to align and support community and volunteer groups, schools, and iwi to enhance and protect our natural environment
- Support the development and implementation of ecological and environmental restoration plans
- Support communities to live more sustainably, and prepare for the impacts of climate change
- Our waterways and beaches are clean and safe for people and wildlife

## Open spaces to enjoy

- Proactively identify the needs of our communities and plan for sustainable growth
- Protect, maintain, and improve access and amenities for activities on our coastlines, parks and reserves
- Provide a range of play and active recreation opportunities for all ages and abilities in our parks, reserves and coastal environment

## Transport choices

- Improve walking and cycling routes

# Important Advice for Applicants

The Hibiscus and Bays Local Board are seeking applications in the financial year which show a clear commitment to one or more of the following objectives *in support of the recovery from COVID-19*:

- Strengthens business resilience and economic benefits
- Produces local benefits, caters for local participation and increased visitors to the area
- Show collaboration, the pooling of resources and benefits to multiple community groups and audiences
- Encourages and fosters increased resilience, connectedness and wellbeing in our communities and environment.

# Other important factors

The Hibiscus and Bays Local Board will also take into account whether the applicant:

- has considered other sources of funding for their event/project/activity
- is making a contribution to the event/project/activity (financial, volunteer time etc.)
- has identified collaboration and working with other groups to deliver an event/project/activity and is seeking funding collaboratively
- is utilising and supporting volunteer groups through the delivery of an event/project/activity
- will get the community involved early on, by working collaboratively and creating opportunities to meet new people and share experiences

# Top 5 Hibiscus & Bays Local Board Grants Repeat Applicants

| Applicant                                      | Application | Project Total   | Amount Granted | Total Amount Granted |
|--|-------------|---|----------------|----------------------|
| Torbay Business Association                    | LG2206-127  | Torbay event program  | \$5,000.00     | \$8,000.00           |
|  | LG2206-521  | Restoring a sense of security, safety and community                             | \$3,000.00     |                      |
| Whangaparaoa Community Patrol Charitable Trust | LG2206-128  | Purchase of Uniforms and Safety Equipment for a growing patrol                  | \$4,000.00     | \$6,500.00           |
|  | LG2206-232  | Road Cameras for Whangaparaoa Peninsula   | \$2,500.00     |                      |
| Centrestage Theatre Company (Orewa)            | LG2206-131  | Purchase of 4 moving lights   | \$5,000.00     | \$6,000.00           |
|  | LG2206-243  | Replacement curtains for the foyer of Centre stage Theatre                      | \$1,000.00     |                      |
| Youthline Auckland Charitable Trust            | LG2206-119  | Supporting Hibiscus & Bays youth in a COVID world                               | \$3,000.00     | \$4,000.00           |
|  | LG2206-233  | Supporting the youth of Hibiscus & Bays under COVID                             | \$1,000.00     |                      |
| North Shore Community Toy Library Incorporate  | LG2206-241  | Temporary staff support   | \$0.00         | \$3,000.00           |
|  | LG2206-105  | Party Pack items available for hire to the community                            | \$3,000.00     |                      |
| Estuary Arts Charitable Trust                  | LG2206-231  | Connecting our community through digital transformation and systems integration | \$0.00         | \$3,000.00           |
|  | LG2206-250  | Wear your Art Out Catwalk production  | \$3,000.00     |                      |

# Exclusions – any changes

The Hibiscus and Bays Local Board will not consider grants for financial assistance for:

- Applicants who have had one successful grant application within the current financial year from the Hibiscus and Bays Local Board unless there is mitigating circumstances (which need to be explained in the application)
- Administrative costs that are ongoing, such as salaries, debt servicing, legal expenses, medical expenses, or a commitment to ongoing funding or financial support
- Churches and Educational Institutions, except where these groups can demonstrate the wider community benefit
- Activities whose purpose serves to promote religious, political or contentious messages
- Activities that do not relate to one or more of the local board plan initiatives
- Activities or projects where the funding responsibility lies with another organisation or central government
- Prizes for sports and other events (except trophies)
- Commercial business enterprises and educational institutions in accordance with the Council's Community Grants Policy (Scope and Eligibility, Page 20)
- Applications to fund projects, programmes or facilities run by Auckland Council or its employees

See next page

# Exclusions – any changes

The Hibiscus and Bays Local Board will not consider grants for financial assistance for:

- Auckland Council CCO's or organisations who receive funding from the Auckland Regional Amenities Fund
- Applications for activities, events or projects outside of the local board area\*
- Applications to subsidise rentals, reduce debt, or payment of rates unless it is a transitional Rate grant
- Applications for the purchase or subsidy of alcohol or costs associated with staging after-match functions
- Grants for the sole purpose of an individual
- Family reunions
  
- *Recommendation*
  - *applicants are ineligible to apply for the Hibiscus and Bays Local Board contestable grants if they have had one/two successful grant application within the current financial year*

# *Decline Reasons*

- *Does not align with local board priorities: There is a low alignment with the local board's priorities and/or community outcome(s)*
- *Grant round oversubscribed: Limited funding*
- *Central government funding role/ Other funding sources available*
- *Application insufficiently developed: The project not fully defined or developed, applicant may be invited to submit an application to a future grant round*
- *Limited community benefit(s): Insufficient evidence of specific benefits to the community*
- *Project outside of local board area: Project not benefiting Local Board area*
- *Not eligible: Applicant or project not eligible under the terms of the Community Grants Policy 2014 or the local board grants programme*

# Facilities Grant – any changes?

The Facilities Grant provides funding to assist with the costs of planning or developing a facility with the Hibiscus and Bays Local Board area. This can include:

- needs assessments
- feasibility studies
- investigation and design
- small building works or minor capital work

## *Recommendation*

*- Considering limited budgets in the new financial year, we suggest to take facilities grant out the Hibiscus and Bays Grants Programme 2023/24*

# Review and snapshot of 2021/2022 Rates Grants

# Contestable Rates Grants

Transitional Rates budget was allocated to local boards from Legacy Rates grants and have been continuing since amalgamation. A transition mechanism was put in place as part of LTP 2018-28 for three years.

From 1 July 2021, this budget falls under the complete discretion of the local board.

The Hibiscus and Bays Local Board decided to use this budget for an additional one year of support.

# Transitional Rates Grants – any changes?

- This is a closed grant, only available to existing recipients to transitional rates grants
- A total of \$46,417.25 allocated to 6 applicants for Rates Grants in 2021/2022
- Transitional Rates Group Supported
  - ✓ The Girl Guides Association NZ Incorporated
  - ✓ Rothesay Bay Ratepayers & Residents Assoc. Inc.
  - ✓ Browns Bay Bowling Club Incorporated
  - ✓ Torbay Community Association Incorporated
  - ✓ Murrays Bay Sailing Club Incorporated
  - ✓ Murrays Bay Sailing Club Incorporated

# Transitional Rates Grants 2023/2024

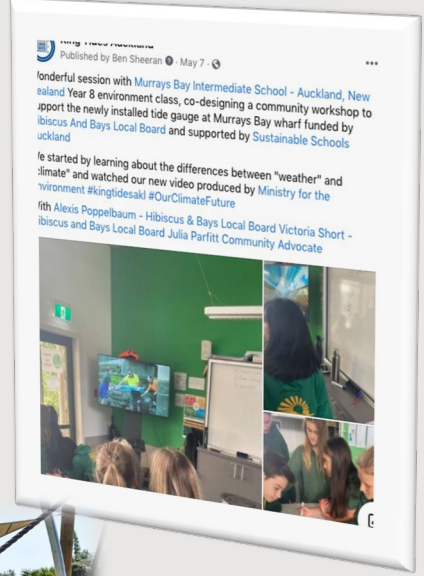

Available Budget - \$59,483

*Recommendation:*

*Considering limited budgets in the new financial year, we suggest to repurpose the funding (fully or partially) towards community grant*

**Thank You**

## Memorandum

14 April 2022

**To:** Hibiscus and Bays Local Board

**Subject:** Te Kete Rukuruku

**From:** Dawn Bardsley – Te Kete Rukuruku Naming Lead

**Contact information:** dawn.bardsley@aucklandcouncil.govt.nz

### Purpose

1. To provide an update on the narrative and interpretive text for Whenua-roa / D'Oyly Reserve.
2. To discuss the gazettal of names and receive direction on the existing English names.
3. To inform of corrections to addresses in the adoption report in May last year.
4. To discuss selection of sites for tranche two.

### Summary

5. Twenty-one parks were selected for Māori naming as tranche one, with the names adopted in May 2022 (HB/2022/61)
6. Bilingual signage has been installed in Whenua-roa / D'Oyly Reserve but the narrative for the interpretive sign has not yet been received.
7. A small community event (whakarewatanga) may still be held upon receipt of the narrative and installation of the interpretive panel for Whenua-roa. Iwi has advised that they expect to provide this soon.
8. Gazettal is a formal process that occurs once Māori names are adopted. The local board may wish to consider the existing English names as some are merely street addresses. Direction is sought on the local board's preference for adoption of these existing names.
9. Some street numbering used for park addresses in the adoption report in May last year were incorrect. These have been corrected in Te Kete Rukuruku's data base. This has no impact on decisions made or any project implementation following the adoption, so no further action is required.
10. The local board should start considering sites for naming in tranche two. Suggestions have been provided for this purpose.
11. There is adequate budget for completion of tranche two but it will be unable to be delivered this financial year. If budget is unable to be carried forward it is recommended that a small budget of \$3000 be considered for the work programme in FY 2024.

### Context

12. Te Kete Rukuruku (TKR) is a partnership between mana whenua and Te Kaunihera o Tāmaki Makaurau (council) that seeks to collect and share stories unique to mana whenua in Tāmaki Makaurau.
13. Twenty-one sites were selected for tranche one and these names were adopted in May 2022 resolution HB/2022/61

14. In tranche one the board was offered the opportunity to select one park where all signage will be upgraded to be fully bilingual. This signage is funded from Long-term Plan regional funding for Māori outcomes. The site selected was Whenua-roa / D'Oyly Reserve.
15. The new signage includes:
  - dual language entrance signage, stating the te reo Māori and English names.
  - bilingual wayfinding, information and bylaw signage
  - a proposed bilingual interpretative sign to tell the story behind the te reo Māori name.

## Discussion

### Signage and whakarewatanga

16. In the park chosen to receive new bilingual signage, iwi are offered the opportunity to provide additional narrative. This allows for an interpretive text to be installed in the park telling the story of the name and the area. At the time of writing this memo a full narrative has not yet been received from Ngāti Manuhiri Settlement Trust for Whenua-roa.
17. Draft visuals were provided to the local board in September 2022 for all other bilingual signage for Whenua-roa / D'Oyly Reserve. This signage was installed in October. The interpretive panel will follow once the narrative is received.
18. The last update received from iwi was that the narrative has been written and is awaiting kaumātua approval.
19. The local board have previously indicated they would like to hold a whakarewatanga in Whenua-roa / D'Oyly Reserve once the interpretive text is installed. This is a small event involving key community groups and park stakeholders to celebrate the adoption of the first tranche of names and unveil the story of Whenua-roa. It is a wonderful opportunity for key members of the community to hear from iwi and have a better understanding of the meaning and significance of what is being achieved through the adoption of these names.
20. We are still hoping this may be possible before June 30 but it is contingent on receiving the narrative from Ngāti Manuhiri Settlement Trust.

### Gazettal

21. The council as landowner can name parks and places by resolution through the exercise of its power of general competence under section 12 of the Local Government Act 2002. Local boards are the allocated decision-makers for the naming of local parks as resolved by the Governing Body 28 June 2018 resolution GB/2018/106.
22. Where the land is vested in council and held as reserve under the Reserves Act, the council may name or change the name of a reserve by notice in the Gazette (s16(10) Reserves Act).
23. The local board authorised the gazettal of park names adopted at their business meeting in May 2022 resolution HB/2022/61. The names were adopted as dual names and so are planned for gazetted as dual names.
24. In some cases the existing English names recorded in council's asset data base appear to have little value and many of the existing names in tranche one are just addresses or road names.
25. The sites identified for discussion are listed in the table below.

| Māori Name | Original Name      | Dual Name (including proposed English name) |
|------------|--------------------|---|
| Parāone    | 11 Parkside Drive  | Parāone / Parkside Drive Reserve            |
| Whai-rahi  | 30 Beachwood Drive | Whai-rahi / Beachwood North Reserve         |
| Mangō      | 45 Beachwood Drive | Mangō / Beachwood South Reserve             |

| Māori Name           | Original Name                    | Dual Name (including proposed English name)     |
|----------------------|----------------------------------|---|
| Ngaro Ngahere Pūriri | 8 Puriri Boulevard               | Ngaro Ngahere Pūriri / Pūriri Boulevard Reserve |
| Tangaroa             | Beachwood Stormwater Pond        | Tangaroa / Beachwood Stormwater Pond            |
| Poa Taniwha          | Huntly Road Reserve              | Poa Taniwha / Campbells Bay Reserve             |
| Kawerau              | Metro Park - West                | Kawerau / Metro Park West                       |
| Manu Ōi              | Portal Place                     | Manu Ōi / Portal Place Reserve                  |
| Te Ngahere ki Mua    | Roberta Crescent                 | Te Ngahere ki Mua / Roberta Crescent Reserve    |
| Pārekareka           | Montrose St Reserve              | Pārekareka / Montrose Terrace Reserve           |
| Pārekareka           | Sidmouth Street                  | Pārekareka / Montrose Terrace Reserve           |
| Te Kura Wahine       | Willow Lane Duck Creek Rd Corner | Te Kura Wahine / Willow Lane Reserve            |

26. The local board could decide to remove the existing names and retain the Māori name as a sole name. Alternatively small amendments could be made to the old names if a dual name is preferred.
27. Our recommendation, if there is no signage on site and no community connection to the existing English name, is that the local board consider removal of the English name and gazette a sole Māori name. This could be confirmed on a case by case basis and a report would follow for a formal decision.
28. If there is a known connection with the current name then we would recommend gazetting the name as outlined in the table above.
29. Pārekareka has had one Māori name adopted as it is one contiguous site. See photo below. It does however have two English names. We recommend one name for the entire site.

30. TKR would like to discuss these English names with the local board and seek direction on the local board's preference for gazettal of the names.

## **Incorrect addresses**

31. In order to reference and locate parks receiving Māori names, park addresses were included in the adoption report. Councils Geomaps database has been used to source these addresses. Discrepancies between differing layers within the Geomaps system have been identified. Consequently, some of the addresses used in the adoption report have the incorrect street number.
32. Corrections have been made in the TKR data base and any future correspondence or information around the name adoption will have the corrected addresses.
33. This does not affect gazettal as legal descriptions are used for that purpose.
34. There is no risk of confusion or of signage being installed in the incorrect park or location as the park and road names were all correct along with the SAP identification numbers.
35. Legal advice received suggests that aerial maps may be used in future for identification purposes rather than addresses to avoid future issues of this nature.

## **Tranche two site selection**

36. Although not confirmed we expect there to be three iwi who will have an interest in naming tranche two.
37. If we allow for 5 sites per iwi this would make a total of approximately 15 sites to go forward for naming.
38. A list of parks with temporary names has been supplied by Parks and Community Facilities and these could be considered for the next tranche. See Attachment A.
39. Iwi have also been asked for any sites they would like considered and Ngāti Manuhiri has suggested Centennial Park in Campbells Bay.
40. Sites considered but not included in tranche one that were supported by iwi previously were
  - 21 Landmark Terrace- no signage accessway only
  - Hatfields Beach Reserve
  - Stillwater Reserve
  - Strand Reserve Waiwera
41. If Strand Reserve is considered then it may also be worth considering adjacent reserves of Waiwera Place Reserve and Waiwera Hill Scenic Reserve as they are all next to each other and it would seem sensible to consider naming at the same time.
42. There are three libraries in the Hibiscus and Bays Local Board area and it is recommended these go forward for naming in tranche two.
  - East Coast Bays Library
  - Orewa Library
  - Whangaparāoa Library
43. It is recommended the local board consider these recommendation and prioritise approximately 15 sites for naming in tranche two.

## **Financial considerations**

44. The local board allocated \$21,000 in FY2022 that was carried forward for delivery of tranche two this year. Sharepoint line item 694.
45. Given the time frames required by iwi for naming in tranche one it is not expected to deliver tranche two names this financial year.
46. If the local board wish to continue with naming in FY 2024 and the funding is unable to be carried forward then TKR suggest a small project budget of \$3000 be allocated next financial year to allow shared interests to take place and naming research to commence. This would be with the expectation that names would not be received until late 2024.

47. Following shared interests, the next milestone payment is required when names are received, we would plan for this to occur in FY 2025. This would require an additional \$9500 to complete the tranche in FY2025. This spreads the budget over two years, provides more time for iwi and will assist with any cost savings that may be required from the local board in FY 2024.
48. These calculations do not allow for any whakarewatanga.

### **Next Steps**

49. The local board should advise their preference for gazettal of tranche one names and TKR will follow up accordingly.
50. The local board should consider the suggestions for tranche two sites with a view to making a decision by May if possible.
51. If the local board wish to progress with TKR next financial year a work programme line of \$3000 should be considered subject to this year's funding being unable to be carried forward.

| Functional Loc. | List Name                             | Object Typ | Description                              | FunctLocC | Street                        | District     | City       | Location |
