Zita Reserve..... 409

# 12 Ngā Papa Rēhia Tū Takitahi / Individual Parks

This section covers the 285 parks in Hibiscus and Bays which are presented in individual sheets in alphabetical order. Please note these need to be read in conjunction with the park management principles and policies in Volume I of this plan.

## 12.1 Me pēhea te pānui i ngā whārangi papa rēhia takitahi / How to read the individual park sheets

The following template explains how the content of the individual park sheets have been populated, including reference documents.

### Amorino Reserve

Local parks that are adjacent, or in close proximity to a park will often be visible on the map.

In this example Orewa Reserve and Western Reserve sit on the north side of the estuary from Amorino Reserve.

The hatching shows management focus areas for land classified as recreation reserve or land held under the Local Government Act. In this example the recreation reserve has a Coastal management focus.

**ADDRESS**

- Physical street address derived from Auckland Council rate database.
- Some parks don't have a street number.

**LAND STATUS**

- The table shows the land status for each land parcel that makes up the park.
- Numbers on the map correspond to numbers in column 1 of the table.
- The land status includes the lot number (Appellation) and Reserves Act classification or identifies that the parcel is held under the Local Government Act 2002.
- Section 9 of this plan contains a description of each Reserves Act classification.
- The classification of a reserve can be changed as per section 24 of the Reserves Act

**PARK AREA (m<sup>2</sup> or ha)**

- This is the total area of all land parcels that make up the park. The area is in square metres (m<sup>2</sup>) if the park is under one ha in size.

The scale of the maps varies depending on the size and configuration of the park.

# LEASES & LICENCES

**Example:** Current or contemplated leases and licences within existing footprints for:

Organised sport and facilities including lawn bowls and petanque (recreation reserve)

- This section identifies the types of leases and licence activities that are contemplated within existing lease area footprints. It will generally reflect the current lease/licence activities on the park and identify the land classification where these types of lease or licence activities can occur i.e., recreation reserve or local purpose (community use) reserve.
- **Note:** if new future leases types/activities are known/anticipated these will be identified/contemplated in the management intention section.

## VALUES

### KNOWN CULTURAL VALUES

- This section identifies areas of cultural significance to mana whenua. The examples below show the different levels of information how it will be displayed. All examples emphasise the need to discuss potential impacts on cultural values with mana whenua.
- **Example 1:** Area of cultural significance – refer to mana whenua.  
This indicates areas that are likely to have significance for mana whenua. For example, many coastal or estuarine areas in Hibiscus and Bays may have been traditional food gathering or fishing areas, transportation routes or part of a wider cultural landscapes. This information is often not recorded or available to the public.
- **Example 2:** Recorded archeological site(s) of Māori origin – refer to mana whenua. This indicates a recorded Cultural Heritage Inventory (CHI) site of Māori origin. For example, common CHI sites in Hibiscus and Bays are middens, pits, and terraces.

- **Example 3** - Ringditch Pā site (CHI No. 11637) close to the Hillcrest Road boundary extending over lots 11 to 15 - refer to mana whenua.  
This indicates in more detail a significant or unique recorded CHI site. This level of detail is only provided for larger or more prominent recorded sites.
- **Example 4** - Refer to mana whenua. 'Refer to mana whenua' will be displayed when an area or specific site has not been identified. Mana whenua may not always want to indicate or publicise areas or sites of cultural significance. Therefore, it is important to refer to mana whenua to ensure activities on parks can avoid impact on cultural values where no specific information is given in this section.

### KEY RECREATIONAL VALUES

- This section outlines a list of key recreational activities currently associated with the park. The impact on these need to be considered alongside other park values when approving/determining what activities can take place on parks. Refer to the table in Appendix I later in Part D for descriptions of these values.
- This is not an exhaustive list or the only recreational values for a park but is intended to be a start point that indicates known prominent values associated with that park.
- **Example:** Beach access / Connection / Play space

### SIGNIFICANT NATURAL VALUES

- **Example 1:** WF11 Kauri podocarp broadleaved forest.
- **Example 2:** High quality native vegetation including Kauri forest remnant at the east end, which includes mature Kauri – oldest estimated at 300 years.
- This section is predominantly populated from data contained in the *Indigenous terrestrial*

### *and wetland ecosystems of Auckland 2017.*

The document describes 36 terrestrial and wetland ecosystems in the Auckland region and is based on the national ecosystem classification system. The description in example 1 above *WF11 Kauri podocarp broadleaved forest* relates to the relevant section in the document which provides details on ICUN threat status (e.g., least concern, vulnerable, endangered, critically endangered, collapse). as well as distribution, characteristics, threats etc.

- Some parks may have additional information as described in example 2 where additional information on specific or unique known natural values may be useful.
- **Note:** Most parks by virtue have a variety of natural values the intention of this section is to identify known significant or unique values that may not be covered by the Auckland Unitary Plan Significant Ecological Area overlays.

### **HERITAGE VALUES**

- **Example:** Historic Structure – Military gun emplacement (CHI No. 3234)
- This section identifies recorded Cultural Heritage Inventory sites other than sites listed in the Known Cultural Values Section above. Examples include military structures, monuments, historic trees and places.

### **OTHER INFORMATION**

- This section covers miscellaneous information specific to the park that may impact use or development.

**Example:** Contaminated Land – Closed Landfill

- Environmental monitoring and asset management, monitoring and inspections to ensure safe use by public.
- Potential constraints on ground intrusive projects and activities and notification of potential hazards.

### **KEY MANAGEMENT ISSUES**

- Example: Stream bank erosion within the park is increasing as intensification of the surrounding residential area grows and more stormwater is discharged into the catchment. This section outlines management issues specific to the particular park.
- **Note:** this is not intended to be an exhaustive list of general park issues. Not all parks have a specific management issues, often issues are common to parks in general or to parks with the same management focus. These issues are generally covered in Part C under the management focus overview in Section 10 or in general policies in Section 11.

### **MANAGEMENT FOCUS**

#### **Examples:**

- Informal recreation, see 10.2
- Organised sport and recreation, see 10.5  
Note: The management focus areas only apply to the land classified recreation reserve under the Reserves Act 1977 and the land subject to the Local Government Act 2002.
- Refer to Section 10 for a comprehensive explanation of how management focus areas apply to parks.
- **Example 1:** Maintain the informal recreation and coastal open space character of the park by balancing demands for increasing use of the park, particularly the beach frontage north of Laurence Street, for formal recreational activities and events (including those organised by lessees located on the park).
- **Example 2:** Consider implementing event free rest periods for parts of the park, or the whole park, to enable parkland to recover and protect causal use of the park during peak summer periods.

### **MANAGEMENT PRINCIPLES**

- Refer to Section 8

### **GENERAL POLICIES**

- Refer to Section 11

## **MANAGEMENT INTENTION**

- Management intentions describe the management approach and/or desired outcomes for specific activities, experiences or issues on individual parks.
- This section may also provide direction on how specific activities should be provided for (i.e., maintaining public access to the beach) or what park unique features are intended to be retained, maintained altered or protected. It also may signal development opportunities (if known) that may be considered in the future.

## 12.2 Pae tohu /

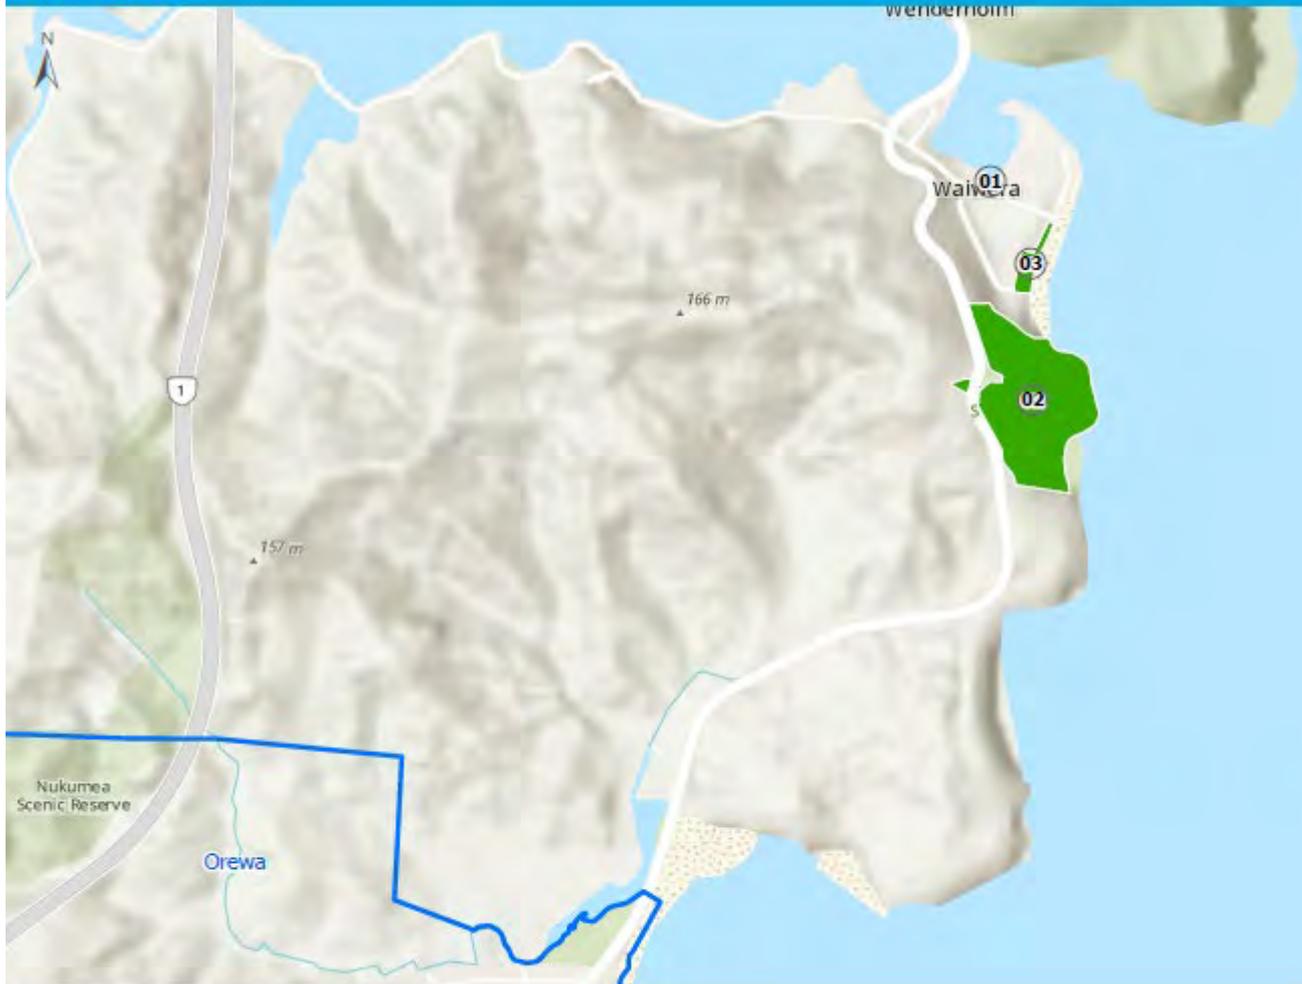

### Map key

-  Other parks
-  Subject to Local Government Act
- Other Land Status
  -  Legal Road
  -  Crown
  -  Utility
- Management Focus Areas
  -  Coastal
  -  Community use
  -  Informal recreation
  -  Organised sport and recreation
  -  Protection of the natural environment
  -  Recreation and ecological linkage

## **12.4 Ngā whārangi papa rēhia tū takitahi / Individual park sheets**

# Major Henry Greens Reserve

Millwater Parkway Silverdale

No	appellation	ReserveClass
1	Lot 810 DP 449908	Recreation Reserve
2	Lot 809 DP 449908	Recreation Reserve
3	Lot 808 DP 449843	Recreation Reserve

## Major Henry Greens Reserve

### VALUES

#### KNOWN CULTURAL VALUES

- Refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Connection
- Informal recreation - general
- Play space

#### OTHER INFORMATION

- Access through the park links Metro Park West and Metro Park East.
- Arran Point Reserve, Auger Lane Reserve, Blake Greens Reserve, Fennell Crescent to

Millwater Parkway Accessway, Galbraith Greens Reserve, Major Henry Greens Reserve, Millwater Parkway Bush Reserve, Moores Road Reserve, Percy Greens Reserve, Portland Park Road Reserve and Stoney Homestead are also nearby.

- Access through this park links Millwater Parkway, Frances Place, Fennell Crescent, Portland Park Road, Walter Crescent, Butler Stoney Crescent, Greyfort Road, Steamer Road, Emell Street and Jura Landing.

#### MANAGEMENT FOCUS

- Recreation and ecological linkage, see 10.4

**MANAGEMENT PRINCIPLES**

- Refer to Section 8

**GENERAL POLICIES**

- Refer to Section 11

# Maka Terrace Park and Arran Point to Maka Terrace Accessway

No	appellation	ReserveClass
1	Lot 101 DP 509954	subject to Local Government Act 2002
2	Lot 99 DP 509751	subject to Local Government Act 2002
3	Lot 100 DP 509751	subject to Local Government Act 2002
4	Lot 98 DP 526814	subject to Local Government Act 2002
5	Lot 97 DP 526814	subject to Local Government Act 2002
6	Lot 800 DP 509751	Local Purpose (Accessway) Reserve

- Other parks
- Subject to Local Government Act
- MFA
- Informal recreation

## Maka Terrace Park and Arran Point to Maka Terrace Accessway

### VALUES

#### KNOWN CULTURAL VALUES

- Refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Connection
- Informal recreation – general

#### OTHER INFORMATION

- Access through the parks link Arran Parade, Maka Terrace and Cassidy Drive.
- Arran Point Reserve, Maygrove Esplanade Reserve and Metro Park – East are nearby.

#### MANAGEMENT FOCUS

- Informal recreation, see 10.2  
Note: The management focus only applies to the land classified recreation reserve under the Reserves Act 1977.

#### MANAGEMENT PRINCIPLES

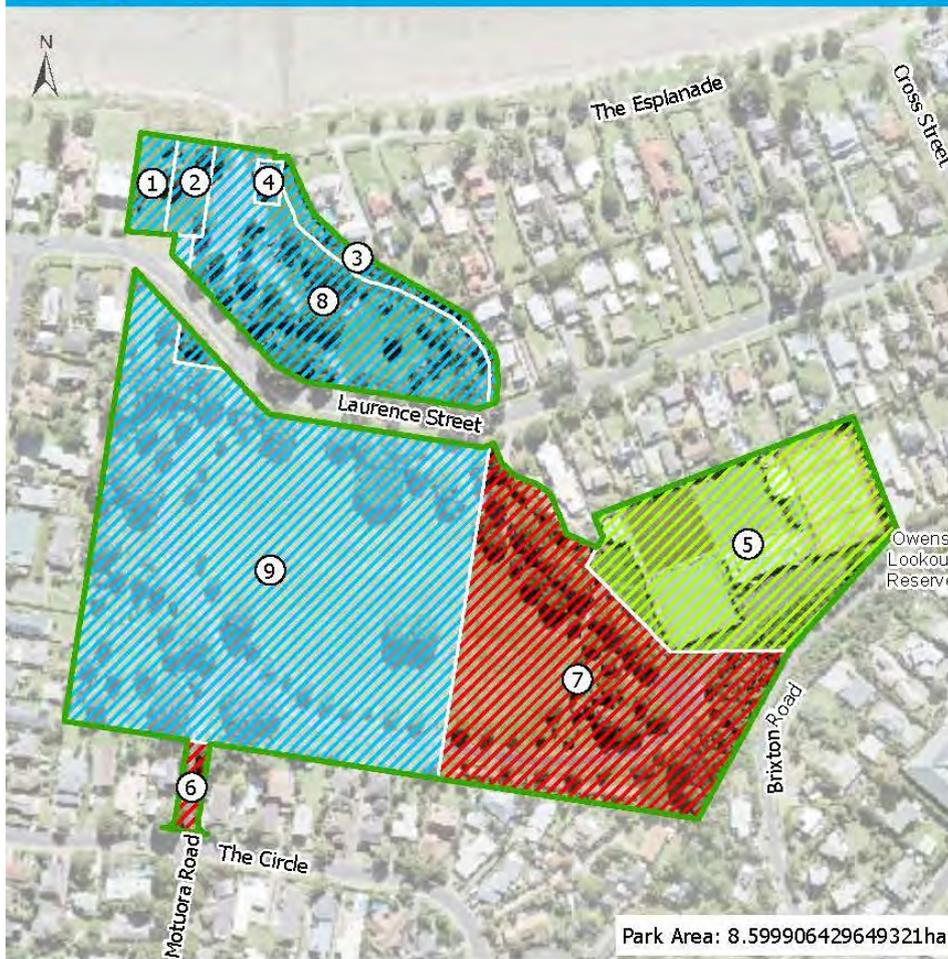

- Refer to Section 8

#### GENERAL POLICIES

- Refer to Section 11

# Manly Park

56 Laurence Street Manly

No	appellation	ReserveClass
1	Lot 55 DP 11689	Recreation Reserve
2	Lot 56 DP 11689	Recreation Reserve
3	Part Lot 577 DP 17816	Recreation Reserve
4	Lot 1 DP 148441	Recreation Reserve
5	Lot 1 DP 135687	Recreation Reserve
6	Lot 168 DP 54272	Recreation Reserve
7	Part Lot 37 DP 42779	Recreation Reserve
8	Part Lot 6 DP 42779	Recreation Reserve
9	Part Lot 1 DP 46016	Recreation Reserve

-  Other parks
- MFA
-  Coastal
-  Informal recreation
-  Organised sport and recreation

## Manly Park

### LEASES & LICENCES

Current and contemplated leases and Licences within existing footprints for:

- Organised sport and facilities including for bowling, tennis and sailing (Lot 1 DP 135687 and Lot 1 DP 148441).

### VALUES

#### KNOWN CULTURAL VALUES

- Area of cultural significance - refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Beach access
- Boat launching
- Community events
- Informal recreation - general
- Organised sport
- Play space
- Water based activities

#### SIGNIFICANT NATURAL VALUES

- DN2 Spinifex pīngao.

#### OTHER INFORMATION

- May be subject to coastal inundation during storm events.
- Much of the dune system along the coastal frontage of the park is located on unformed legal road and is out of scope of this plan.
- While Auckland Council maintains this land, it is under the jurisdiction of Auckland Transport. The general policies and provisions of this plan will guide the local board's position and any future input into management or development of this area where it is sought.
- Access through this park links Manly Beach, The Esplanade, Laurence Street, Manly Park Avenue (via Tulip Close), The Circle, Motuora Road and Brixton Road.
- Brandon Reserve, Edith Hopper Park, Moreton Drive Bush Reserve, Owens Reserve, Shuttleworth Reserve, Swann Beach Reserve and The Esplanade - Manly Beachfront (East) are all nearby.

#### **KEY MANAGEMENT ISSUES**

1. Much of the park including the location of the existing sailing club and toilet block buildings, is low lying and subject to coastal inundation including future sea level rise and inundation.
2. Limited beach frontage results in most park activities funneling through a small area causing congestion and conflicts between park users.
3. The Manly Sailing Club's expanding membership has created demand for new facilities that are better able to support their activities, including additional boat storage and rigging space.
4. The increasing number of high-profile events held at the park impact casual use of the beach frontage and access to the beach.
5. Stormwater channel movement north along the beach during easterly storm events can damage dunes and remove sand from the end of the boat ramp impacting ramp use.
6. Wind-blown sand build-up reduces width and subsequent launching capacity of the boat ramp.
7. Pressure on public toilets and limited parking particularly for boat trailers adds to congestion on busy summer days and during events.
8. Invasive weed species particularly in the bush area below Brixton Road.

#### **MANAGEMENT FOCUS (refer to map)**

- Coastal, see 10.1
- Informal recreation, see 10.2
- Organised sport and recreation, see 10.5

#### **MANAGEMENT PRINCIPLES**

- Refer to Section 8

#### **GENERAL POLICIES**

- Refer to Section 11

#### **MANAGEMENT INTENTIONS**

1. Maintain the informal recreation and coastal open space character of the park by balancing demands for increasing use, particularly the beach frontage north of Laurence Street, for formal recreational activities and events (including those organised by lessees located on the park).
2. Maintain practical public access to the beach for casual park use at all times.
3. Provide for temporary use of the beach front area (outside the sailing club lease footprint) for sailing club activities whilst retaining public access to the beach, beachfront area and park facilities.
4. When approving events utilising the area north of Laurence Street consideration will be given to the high level of casual use of this area during peak times.
5. Maintain existing capacity and functionality of the Manly Park boat ramp.
6. Any future proposals for new facilities on the park need to recognise the potential impact of coastal inundation and not detract from the park's character or casual recreational use.
7. In addition to 6 encourage the sailing club to consider alternate storage options, including off-site locations.

8. Consider opportunities for natural play and adventure play particularly for younger children as well as exercise and fitness-based recreation suitable for a wide range of users.
9. Improve the shared space feel of the loop roadway for pedestrians / cyclists and vehicles.
10. Encourage activation of the extensive green space south of Laurence Street for community events.
11. To work with Auckland Transport over the management of The Esplanade.

# Marellen Drive Beach Reserve

Marellen Drive Red Beach

No	appellation	ReserveClass
1	Lot 22 DP 39719	Local Purpose (Esplanade) Reserve

Other parks

## Marellen Drive Beach Reserve

### VALUES

#### KNOWN CULTURAL VALUES

- Area of cultural significance - refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Beach access
- Informal recreation - general
- water based activities

#### OTHER INFORMATION

- Coastal processes have eroded the park and as a result a portion of the park may now be located in the common marine and coastal area (CMCA).
- Access through the park links to Red Beach / Puawai Bay and adjoins Chelverton Reserve to the south.

#### MANAGEMENT PRINCIPLES

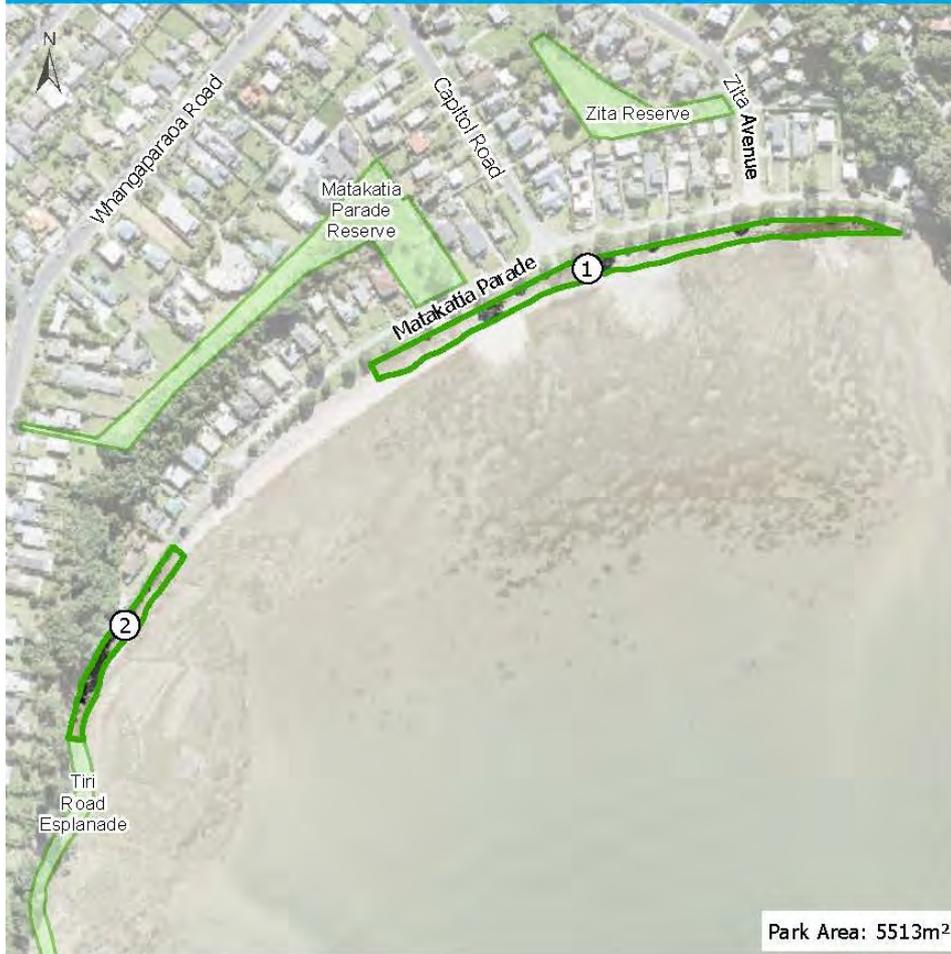

- Refer to Section 8

#### GENERAL POLICIES

- Refer to Section 11

# Matakatia Parade Beachfront Reserve

Matakatia Parade Manly

No	appellation	ReserveClass
1	Lot 47 DP 28401	Local Purpose (Esplanade) Reserve
2	Lot 48 DP 28401	Local Purpose (Esplanade) Reserve

 Other parks

## Matakatia Parade Beachfront Reserve

### VALUES

#### KNOWN CULTURAL VALUES

- Area of cultural significance – refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Beach access
- Boat launching
- Informal recreation - general
- Water based activities

#### OTHER INFORMATION

- May be subject to coastal inundation during storm events.
- Coastal processes have eroded the park and as a result a portion of the park may now be

almost entirely located in the common marine and coastal area (CMCA).

- Matakatia Scenic Reserve is to the east. Matakatia Parade Reserve just across Matakatia Parade.
- The legal status of the open grassed area along the water frontage (between Matakatia Parade and the park), which is used for casual recreation is unformed legal road and is out of scope of this plan.
- While Auckland Council maintains this land, it is under the jurisdiction of Auckland Transport. The general policies and provisions of this plan will guide the local board's position and any future input into

management or development of this area where it is sought.

### **KEY MANAGEMENT ISSUES**

1. Coastal erosion has limited useable space to the narrow grass berm of the unformed legal road between Matakatia Parade and the coastal edge.
2. The narrowness of Matakatia Parade and the lack of formed carparking means public parking is restricted to the grass berm. The car parking on the grass berm along the coastal edge causes damage to the berm and makes maintaining grass cover difficult.

3. Options to form or restrict carparking in most areas are limited due to space and potential impact on adjacent landowners.

### **MANAGEMENT PRINCIPLES**

- Refer to Section 8

### **GENERAL POLICIES**

- Refer to Section 11

### **MANAGEMENT INTENTION**

1. To work with Auckland Transport over the management of Matakatia Parade Beachfront Reserve.

No	appellation	ReserveClass

## Matakatia Parade Reserve

### VALUES

#### KNOWN CULTURAL VALUES

- Area of cultural significance - refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Connection
- Informal recreation - general

#### SIGNIFICANT NATURAL VALUES

- WF4 Pohutukawa puriri broadleaved forest.

#### OTHER INFORMATION

- May be subject to coastal inundation during storm events.

- Access through the park links Whangaparaoa Road and Matakatia Parade and the adjacent Matakatia Bay.
- Browns Walk Reserve, Crown Reserve, Gulf Harbour to Matakatia Esplanade, Hardley Reserve, Matakatia Parade Beachfront Reserve, Matakatia Scenic Reserve, The Esplanade - Manly Beachfront (East), Tindalls Bay Road Plantation Reserve, Tindalls Bay Road to Crown Road Esplanade, Tindalls Beachfront Reserve, Tiri Road Esplanade and Zita Reserve are nearby.

**MANAGEMENT FOCUS**

- Recreation and ecological linkage, see 10.4

**MANAGEMENT PRINCIPLES**

- Refer to Section 8

**GENERAL POLICIES**

- Refer to Section 11

No	appellation	ReserveClass
1	Lot 17 DP 40811	Scenic Reserve 19(1) (a)

Other parks

## Matakatia Scenic Reserve

### VALUES

#### KNOWN CULTURAL VALUES

- Refer to mana whenua.

#### KEY RECREATIONAL VALUE

- Connection

#### SIGNIFICANT NATURAL VALUES

- Puriri / kohekohe-dominated coastal forest.
- Gumland scrub

#### OTHER INFORMATION

- May be subject to coastal inundation during storm events subject to coastal hazards.
- Balboa Reserve, Beauvoir Avenue Reserve, Gulf Harbour Marina Hammerhead Reserve, Gulf Harbour to Matakatia Esplanade,

Matakatia Parade Beachfront Reserve, Matakatia Parade Reserve and Zita Reserve are all nearby.

#### MANAGEMENT PRINCIPLES

- Refer to Section 8

#### GENERAL POLICIES

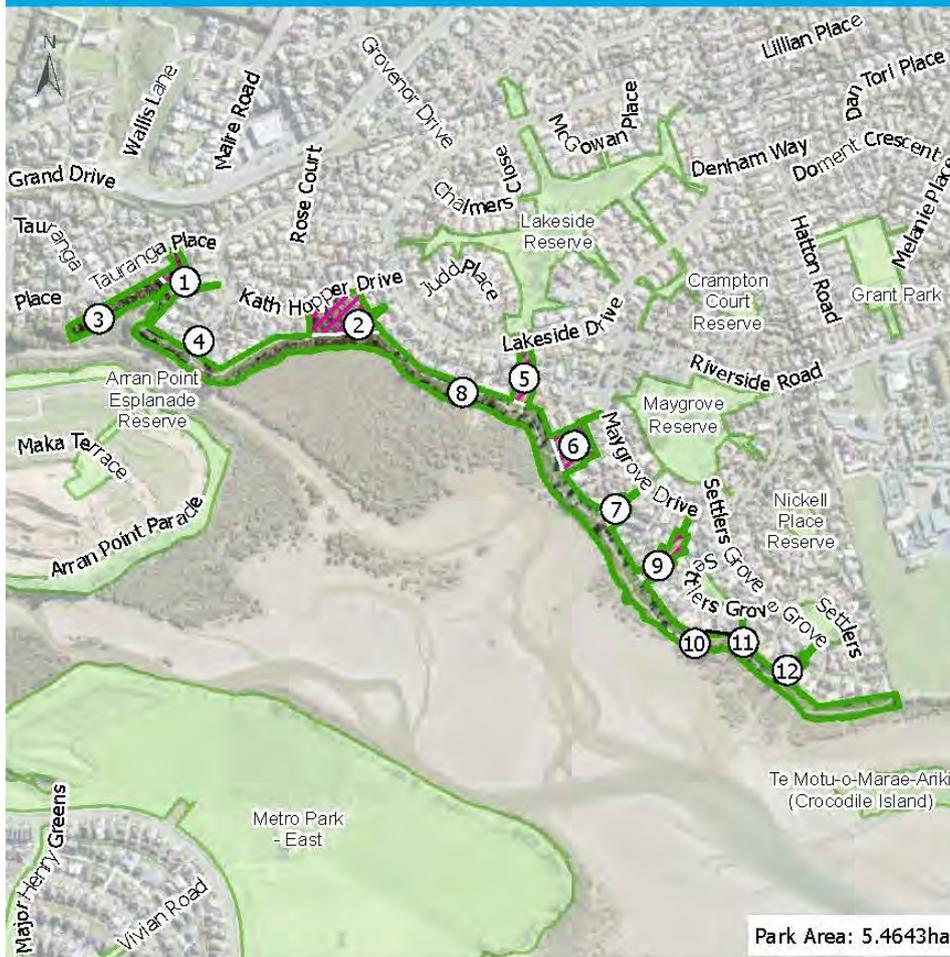

- Refer to Section 11

#### MANAGEMENT INTENTION

- Actively protect and enhance natural values within the park particularly native vegetation, wildlife and associated ecosystems.
- Consider opportunities to improve connections through the park and deliver on the Hibiscus and Bays Greenways / Local Paths Plan 2016.

# Maygrove Esplanade Reserve

- Organised sport and recreation

## Metro Park - East

### LEASES & LICENCES

Current and contemplated leases and licences within existing footprints on recreation reserve for:

- Organised sport and facilities (Pt Lot 5 DP 168591).

### VALUES

#### KNOWN CULTURAL VALUES

- Recorded archaeological sites of Māori origin - refer to mana whenua.

### KEY RECREATIONAL VALUES

- Community events
- Connection
- Cycling
- Informal recreation - general
- Organised sport
- Play space
- Shared paths

### SIGNIFICANT NATURAL VALUES

- SA1 Mangrove forest scrub.

- Orewa Estuary is home to a range of wading birds, including Godwits (September to March).

### **HERITAGE VALUES**

- Historic Site - Gumdigging camp (CHI No.11165).

### **OTHER INFORMATION**

- May be subject to coastal inundation during storm events.
- The Metro Park Community Sports Charitable Trust was established to assist the development and management of sports and community facilities on the park.
- Te Ara Tahuna Cycleway route runs through the park linking Millwater Parkway Bush Reserve in the west Jelas / Moffat Esplanade Reserve to the south east.
- Other nearby parks are Arran Point Reserve, Blake Greens Reserve, Galbraith Greens Reserve, Grut Greens Reserve, Major Henry Greens Reserve, Maka Terrace Park and Arran Point to Maka Terrace Accessway, Metro Park – West, Millwater Park Playground Reserve, Moores Road Reserve, Portland Park Road Reserve, Stoney Homestead and Totara Views Reserve.
- The Hibiscus and Bays Greenways / Local Paths Plan 2016 has identified a potential greenway connection around the estuarine edge of the park and through the park to Millwater Parkway. The Millwater Greenway Path is one of seven high priority greenway connections for Hibiscus and Bays.
- The northern end of the reserve is largely reclaimed land from the Orewa Estuary.
- The wastewater pump station located near the northern boundary of Part Lot 5 DP 168591 is the responsibility of Watercare and requires 24/7 access for maintenance. From time to time an odour is produced from the operation of the pump station.
- Two stormwater detention ponds located at the western end of Allot 676 Parish of Waiwera SO 52461 and along the eastern edge of Part Lot 5 DP 168591 (refer to map) are the

responsibility of council's stormwater management team.

- A concept plan has been prepared for the park - the Metro Park Concept Plan 2017.
- Access through this park links Millwater Parkway, Longmore Lane and Arran Drive.

### **KEY MANAGEMENT ISSUES**

1. Poor drainage due to the parks low- lying location and reclaimed nature of the land.
2. High demand for use of the park for formal sport, active recreation and space for ancillary facilities.

### **MANAGEMENT FOCUS (refer to map)**

- Informal recreation, see 10.2
- Organised sport and recreation, see 10.5  
Note: The management focus areas only apply to the land classified recreation reserve under the Reserves Act 1977.

### **MANAGEMENT PRINCIPLES**

- Refer to Section 8

### **GENERAL POLICIES**

- Refer to Section 11

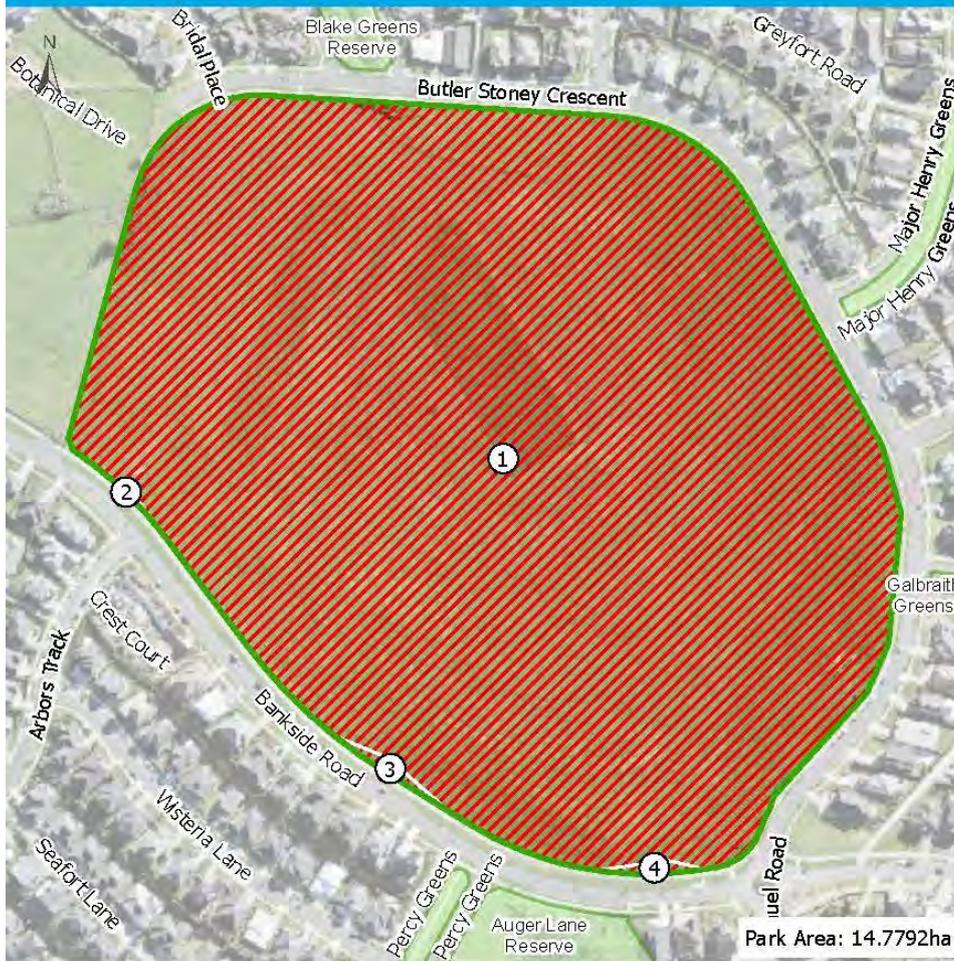

### **MANAGEMENT INTENTIONS**

1. Manage Metro Park - East as a sub- regional sporting facility and the premier sporting hub for Silverdale, Millwater and Orewa, that provides for a range of indoor and outdoor recreational activities and use by a wide variety of sports and community groups.
2. Encourage a range of events to be held at the park for the park become a venue for regional and national age group events for cricket, football, rugby and other sports.
3. Consider opportunities to accommodate additional sports groups and sports codes to maximise use of the park and alleviate pressure on facilities and space in other parks.
4. When considering future park development proposals take account of outcomes and development concepts identified in the Metro Park Multi-Sport Feasibility Study and Metro Park Concept Plan 2017.
5. Promote protection of environmental and landscape values particularly along the

- estuarine edge by retaining a buffer between park infrastructure and the Orewa Estuary.
6. Encourage initiatives and consider opportunities that deliver on (implement) the Orewa Estuary Te Ara Tahuna Community Restoration Plan 2017.
  7. Consider opportunities to improve connections through the park and deliver on the Hibiscus and Bays Greenways / Local Paths Plan 2016.
  8. Consider play and active recreation opportunities other than sport for older children and teens.
  9. Consider the open space needs of wading birds when undertaking restoration planting initiatives and future park development in the vicinity of the parks estuarine edge.

# Metro Park - West

Bankside Road Silverdale

No	appellation	ReserveClass

- Informal recreation

## Metro Park - West

### VALUES

#### KNOWN CULTURAL VALUES

- Refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Connection
- Informal recreation – general

#### OTHER INFORMATION

- A concept plan has been prepared for the park - the Metro Park West Revised Concept Proposal 2019.
- The park is surrounded by a number of streets (Butler Stoney Crescent, Bridal Place, Blake Greens, Desmond Road, Major Henry Greens,

Walter Crescent, Galbraith Greens, Bankside Road, Manuel Road, Percy Greens and Arbors Track) and reserves (Auger Lane Reserve, Blake Greens Reserve, Fennell Crescent to Millwater Parkway Accessway, Galbraith Greens Reserve, Grut Greens Reserve, Harris Reserve, Kelly Greens Reserve, Major Henry Greens Reserve, Metro Park - East, Millwater Park Playground Reserve, Millwater Parkway Bush Reserve, Moores Road Reserve, Percy Greens Reserve, Pioneer Rise Reserve, Portland Park Road Reserve, Stoney Homestead Silverdale, Whaley Greens Reserve.

**MANAGEMENT FOCUS**

- Informal recreation, see 10.2

**MANAGEMENT PRINCIPLES**

- Refer to Section 8

**GENERAL POLICIES**

- Refer to Section 11

**MANAGEMENT INTENTIONS**

1. Consider improving and developing recreational use, amenity, ecological enhancement and delivering on the aspirations and development concepts identified in [Metro Park West Revised Concept Proposal 2019](#).
2. Take account of the impact on views from the park, particularly out to the Hauraki Gulf, when planning future planting and other park developments.
3. Consider opportunities to improve and naturalise stormwater runoff through the park and combine this with recreation development where practical.
4. Consider opportunities to establish a formal vehicle connection between Bankside Drive and Butler Stoney Crescent and a park arrival area that includes car parking and access into to the park.
5. Consider activating the park through markets and other events.

- VS3 Manuka kanuka scrub.
- WF4 Pohutukawa puriri broadleaved forest.

#### OTHER INFORMATION

- May be subject to coastal inundation during storm events.
- Access through the park links Okoromai Views, Clansman Terrace and Shakespears Road.
- The southern boundary of the park connects to Belle-Mer Reserve and the Rakauanga Point Esplanade Reserve.
- Dacre Grove Reserve, Double Bay Place Reserve, Everard Reserve, Farnell-Cascaden Reserve, Island View Drive Gulf Harbour, Maylee Crescent Reserve and Shakespears Esplanade Reserve are also nearby.

## **MANAGEMENT FOCUS**

- Recreation and ecological linkage, see 10.4  
Note: The management focus only applies to the land classified recreation reserve under the Reserves Act 1977.

## **MANAGEMENT PRINCIPLES**

- Refer to Section 8

## **GENERAL POLICIES**

- Refer to Section 11

## **MANAGEMENT INTENTION**

1. Actively protect and enhance natural values within the park particularly native vegetation including Pohutukawa, Puriri broadleaved forest and manuka kanuka scrub, wildlife and associated ecosystems.

No	appellation	ReserveClass
1	Lot 8 DP 95985	Local Purpose (Esplanade) Reserve
2	Lot 3 DP 512217	Local Purpose (Esplanade) Reserve
3	Lot 3 DP 166522	Local Purpose (Esplanade) Reserve

## Okura River Esplanade

### VALUES

#### KNOWN CULTURAL VALUES

- Recorded archaeological sites of Māori origin - refer to mana whenua.

#### SIGNIFICANT NATURAL VALUES

- SA1 Mangrove forest scrub.
- VS2 Kanuka scrub forest.
- VS5 Broadleaved scrub forest.

#### OTHER INFORMATION

- May be subject to coastal inundation during storm events.
- Okura River Esplanade is an extensive esplanade reserve following the Okura Estuary edge between the Department of Conservation owned Okura Estuary Scenic

Reserve and Haigh Access Road. The park also includes a disconnected secondary stretch of esplanade reserve south of the Haigh Access Road.

#### MANAGEMENT PRINCIPLES

- Refer to Section 8

#### GENERAL POLICIES

- Refer to Section 11

No	appellation	ReserveClass
1	Lot 5 DP 54513	Local Purpose (Esplanade) Reserve

## Orewa Estuary South Bridge Esplanade Reserve

### VALUES

#### KNOWN CULTURAL VALUES

- Refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Connection
- Informal recreation - general

#### OTHER INFORMATION

- May be subject to coastal inundation during storm events.
- Te Ara Tahuna Cycleway route passes through the park.
- To the west the park and cycleway connects with Pohutukawa Reserve and to the east the path under the Orewa Estuary Bridge connects to Amorino Reserve.
- While Auckland Council maintains a large area of the adjacent road reserve as part of the

park, this is under the jurisdiction of Auckland Transport, and out of scope of this plan. The general policies and provisions of this plan will guide the local board's position and any future input into management or development of this area where it is sought.

#### MANAGEMENT PRINCIPLES

- Refer to Section 8

#### GENERAL POLICIES

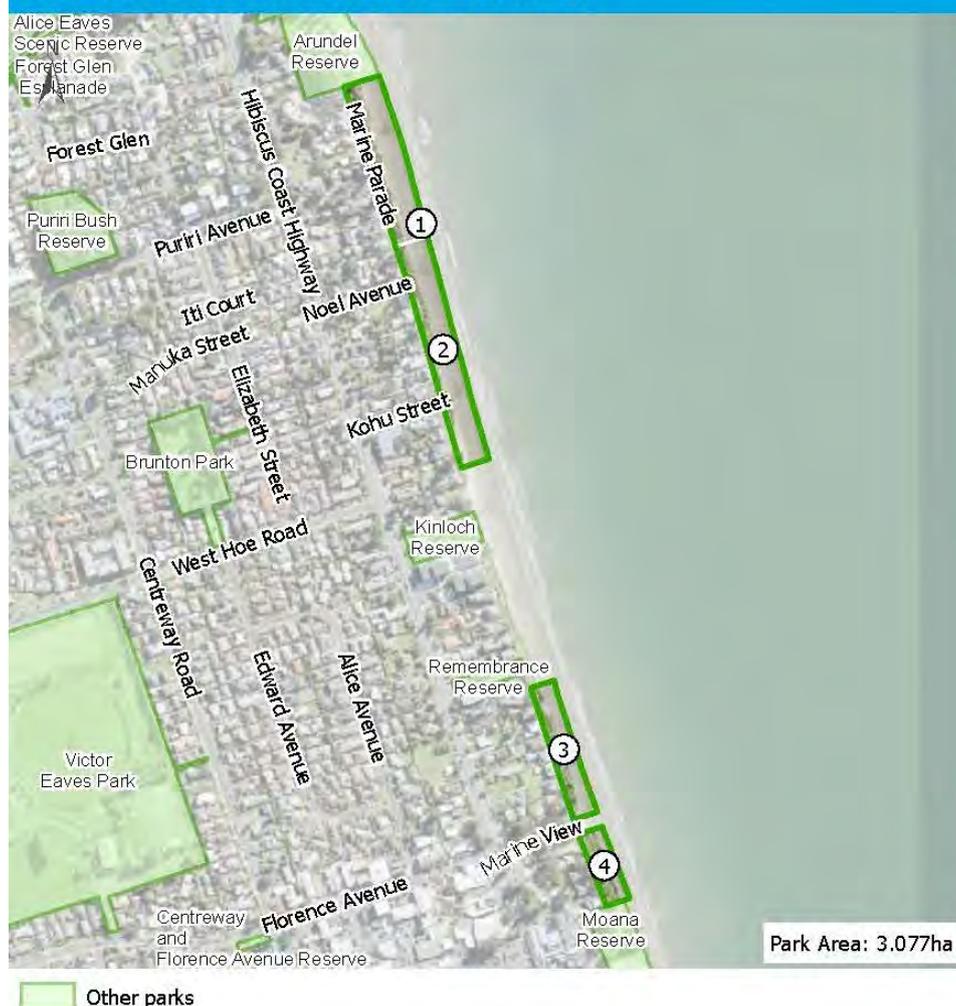

- Refer to Section 11

#### MANAGEMENT INTENTION

- Encourage initiatives and consider opportunities that deliver on (implement) the Orewa Estuary Te Ara Tahuna Community Restoration Plan 2017.

# Orewa Marine Parade Reserve

Marine Parade Orewa

No	appellation	ReserveClass
1	Section 1 SO 64794	Local Purpose (Esplanade) Reserve
2	Section 1 SO 64795	Local Purpose (Esplanade) Reserve
3	Section 1 SO 64797	Local Purpose (Esplanade) Reserve
4	Section 2 SO 64797	Local Purpose (Esplanade) Reserve

## Orewa Marine Parade Reserve

### VALUES

#### KNOWN CULTURAL VALUES

- Area of cultural significance – refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Connection
- Informal recreation - general

#### SIGNIFICANT NATURAL VALUES

- Dune ecosystem.

#### OTHER INFORMATION

- Te Araroa (New Zealand’s Trail) route passes through the park.
- The park includes three disconnected esplanade reserve land parcels adjoining

Orewa beach. The land parcel Section 1 SO 64794 adjoins Arundel Reserve at the northern end of Orewa Beach and Section 2 SO 64797 adjoins Moana Reserve further along the beach. Section 1 SO 64797 and Section 2 SO 64797 are separated by unformed legal road.

- Alice Eaves Scenic Reserve, Brunton Park Reserve, Centreway & Florence Avenue Reserve, Forest Glen Esplanade, Hatfields Beach Reserve, Kinloch Reserve, Moenui Avenue Reserve, Orewa North Lookout, Orewa Reserve, Puriri Bush Reserve, Remembrance Reserve and Victor Eaves Park are also nearby.

- Coastal hazards have eroded large portions of all the land parcels that make up the park. As a result, despite historic coastal protection structures extending along the sea frontage the width of the park has been significantly reduced and the majority of the former land in the parcels may now be located in the common marine and coastal area (CMCA).
- There are formalised easements over the park from Kohu Street and Marine View where residents access over the esplanade reserve via formed driveways to private property.

#### **KEY MANAGEMENT ISSUE**

1. Susceptible to coastal erosion that causes significant damage to dunes, parkland, threatens park assets and impacts access to and along the foreshore.

#### **MANAGEMENT PRINCIPLES**

- Refer to Section 8

#### **GENERAL POLICIES**

- Refer to Section 11

No	appellation	ReserveClass
1	Lot 25 DP 29547	Local Purpose (Esplanade) Reserve

Other parks

## Orewa North Lookout

### VALUES

#### KNOWN CULTURAL VALUES

- Area of cultural significance - refer to mana whenua.

#### KEY RECREATIONAL VALUE

- Informal recreation - general

#### SIGNIFICANT NATURAL VALUES

- CL1 Pohutukawa treeland flaxland rockland.

#### HERITAGE VALUES

- Historic Structure - Military Gun emplacement (CHI No.3032).

#### OTHER INFORMATION

- May be subject to coastal inundation during storm events.
- Alice Eaves Scenic Reserve, Arundel Reserve, Beachwood Drive Reserve, Forest Glen Esplanade, Hatfields Beach Reserve, Orewa Marine Parade Reserve and Puriri Bush Reserve are all nearby.

#### MANAGEMENT PRINCIPLES

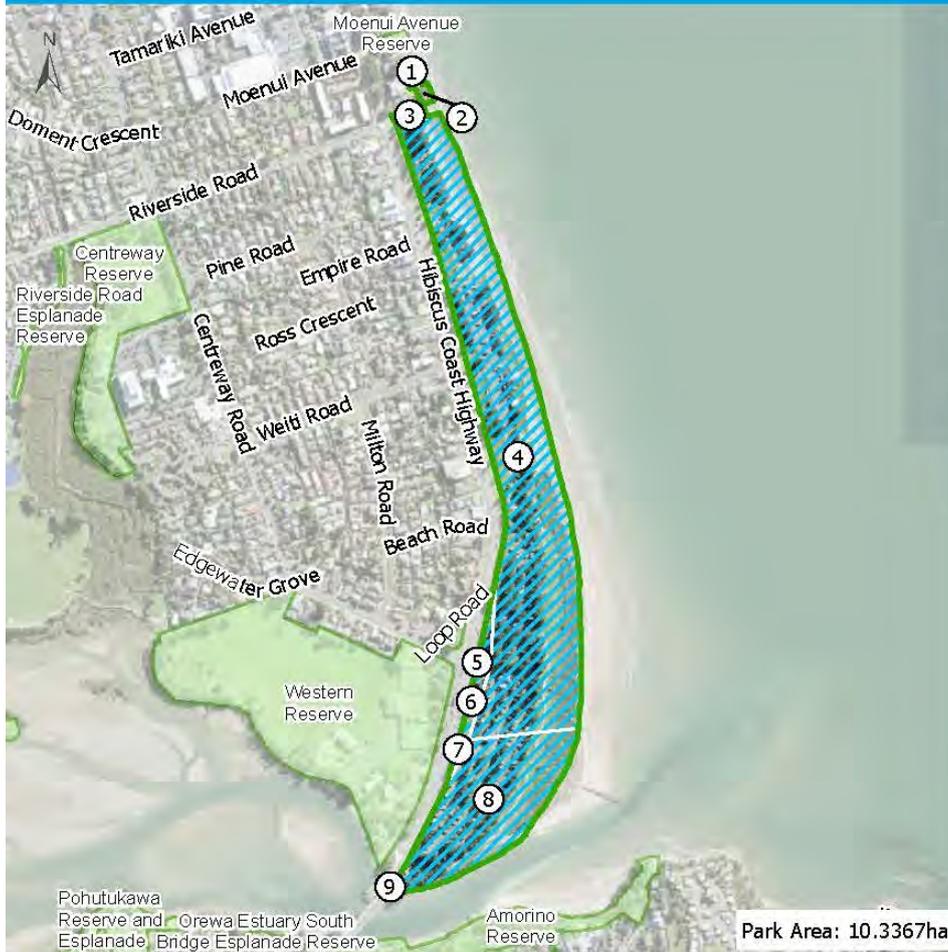

- Refer to Section 8

#### GENERAL POLICIES

- Refer to Section 11

# Orewa Reserve

Hibiscus Coast Highway Orewa

No	appellation	ReserveClass
1	Lot 2 DP 11 4057	Local Purpose (Esplanade) Reserve
2	Lot 4 DP 39631	Local Purpose (Esplanade) Reserve

8	Part Lot 2 Allot 238 PSH OF Waiwera	Recreation Reserve
9	Allot 344 PSH OF Waiwera	Recreation Reserve

## Orewa Reserve

### LEASES & LICENCES

Leases and licences are contemplated on the recreation reserve land for:

- Marine related recreation, education and safety activities including the Orewa Surf Lifesaving Club Inc (Pt Allot 319 Psh of Waiwera).

### VALUES

#### KNOWN CULTURAL VALUES

- Area of cultural significance - refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Beach access

- Community events
- Connection
- Fitness and exercise activities
- Informal recreation - general
- Play space
- Surf lifesaving
- Water based activities

#### SIGNIFICANT NATURAL VALUES

- Sensitive coastal dune system particularly at the southern end of the park adjacent to the campground.

#### OTHER INFORMATION

- The Orewa Beach Holiday Park with camping, glamping and cabins is located in the southern end of the park.
- Te Araroa (New Zealand’s Trail) route passes through the park.
- Amorino Reserve, Centreway Reserve, Loop Road Reserve, Moana Reserve, Moenui Avenue Reserve, Orewa Estuary South Bridge Esplanade Reserve, Orewa Marine Parade Reserve, Pohutukawa Reserve and Esplanade and Western Reserve are all nearby.
- Coastal processes have caused erosion along the foreshore of the northern half of the park and as a result a portion of this may now be located in the common marine and coastal area (CMCA).

**KEY MANAGEMENT ISSUES**

1. Subject to coastal inundation during storm events.
2. Balancing the high number and frequency of events held at the park and the impact on the experience of casual park users, park facilities and ability for grass areas to recover.
3. Growing surf lifesaving club with increasing requirements for storage and space to carry out their core and ancillary activities.
4. Demand for space and competing use between water-based activities that utilise the park in conjunction with the beach and ocean. For example: swimmers, kite surfers and surf lifesaving club activities.
5. Wind-blown sand build-up on path, playground, road and carpark surfaces.
6. Unauthorised freedom camping in parking areas conflicts with the established pay to stay campground located at the southern end of the park. It also increases pressure on car parking space that is already in high demand by park users. Other issues include noise, litter and unhygienic use of the public facilities for dish washing, personal bathing and laundry.

**MANAGEMENT FOCUS**

- Coastal, see 10.1  
Note: The management focus only applies to the land

classified recreation reserve under the Reserves Act 1977.

**MANAGEMENT PRINCIPLES**

- Refer to Section 8

**GENERAL POLICIES**

- Refer to Section 11

**MANAGEMENT INTENTIONS**

1. Manage Orewa Reserve as a coastal park that provides a destination recreation experience with a wide variety of activities and events.
2. Consider opportunities to minimise conflict between recreational use of the foreshore, beach and ocean, including the allocation of space or time for certain activities and improving direct access between the park and the beach.
3. Encourage temporary sporting and cultural events, with an emphasis on water related activities, while not detracting from casual user’s recreation experience.
4. Consider implementing event free rest periods for parts of the park, or the whole park, to enable parkland to recover and protect casual use of the park during peak summer periods.
5. Continue to provide a ‘classic’ Kiwi holiday park experience within the existing campground including overnight accommodation options ranging from camping to cabins.
6. Protect and enhance the important dune and estuarine values of the reserve particularly adjacent to the campground.
7. Consider opportunities to improve the park layout and function to enhance the destination recreation experience for all park users. For example, the potential reconfiguration of car parking and green space.
8. Recognise the benefit of the ongoing operation of the surf lifesaving service to the community and park management.
9. Acknowledge the surf club’s aspiration to develop a new facility within the park that extends beyond their current footprint and

includes a cafe, ensuring consideration is given to:

- a. the potential impact of coastal, and
  - b. not detracting from the park's character or casual recreational use.
10. Support temporary overnight accommodation at the surf club for on duty lifeguards to maintain an effective lifesaving and emergency response service.
  11. Work with Auckland Transport to determine the safest pedestrian access points from the Hibiscus Coast Highway when planning internal park pathways.

## Ormonde Drive Reserve

Ormonde Drive Silverdale

No	appellation	ReserveClass
1	Lot 805 DP 499776	Local Purpose (Accessway) Reserve
2	Lot 806 DP 499776	Local Purpose (Accessway) Reserve

## Ormonde Drive Reserve

### VALUES

#### KEY RECREATIONAL VALUES

- Connection

#### MANAGEMENT PRINCIPLES

- Refer to Section 8

#### GENERAL POLICIES

- Refer to Section 11

### OTHER INFORMATION

- The park connects Wainui Road, Ormonde Drive and Vue Terrace.
- Croix Green Reserve is to the east.

### VALUES

#### KNOWN CULTURAL VALUES

- Refer to mana whenua.
- Informal recreation – general

No	appellation	ReserveClass
1	Lot 29 DP 41598	Scenic Reserve 19(1) (b)

## Otanerua Reserve

### VALUES

#### KNOWN CULTURAL VALUES

- Refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Informal recreation - general
- Walking trails

#### SIGNIFICANT NATURAL VALUES

- Mature stand of kanuka and a variety of other native lowland coastal vegetation.

#### OTHER INFORMATION

- May be subject to coastal inundation during storm events.
- Otanerua Stream runs along the park's northern boundary.
- The Hibiscus and Bays Greenways / Local Paths Plan 2016 identifies a potential

greenway connection through the park from Otanerua Road to link with future trails on the northern side of Otanerua Stream. The Alice Eaves Scenic Reserve to Hatfields Path is one of seven high priority greenway connections for Hibiscus and Bays.

- Hatfields Beach Reserve is to the east.

#### MANAGEMENT PRINCIPLES

- Refer to Section 8

#### GENERAL POLICIES

- Refer to Section 11

#### MANAGEMENT INTENTION

- Consider opportunities to improve connections through the park and deliver on the Hibiscus and Bays Greenways / Local Paths Plan 2016

# Owens Lookout Reserve

## Pacific Parade Coastal Reserve

### VALUES

#### KNOWN CULTURAL VALUES

- Area of cultural significance - refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Beach access
- Connection
- Informal recreation - general

#### SIGNIFICANT NATURAL VALUES

- CL1 Pohutukawa treeland flaxland rockland.
- WF4 Pohutukawa puriri broadleaved forest.

#### OTHER INFORMATION

- May be subject to coastal inundation during storm events.
- Exposed coastal cliffs are prone to instability and slips. Portions of the park have eroded and are now located in the common marine and coastal area (CMCA).
- The park adjoins Fisherman's Reserve to the west and Shakespear Regional Park to the east. Access to the shoreline is available at the eastern end of the park.
- Access through this park links Fisherman's Cove Road and various park entrances on Pacific Parade and Whangaparaoa Road (via Fisherman's Rock Reserve)

## **MANAGEMENT FOCUS**

- Recreation and ecological linkage, see 10.4  
Note: The management focus only applies to the land classified recreation reserve under the Reserves Act 1977.

## **MANAGEMENT PRINCIPLES**

- Refer to Section 8

## **GENERAL POLICIES**

- Refer to Section 11

## **MANAGEMENT INTENTIONS**

1. Actively protect and enhance natural values within the park particularly native vegetation as described in the significant natural values above, wildlife and associated ecosystems.

#### KNOWN CULTURAL VALUES

- Refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Connection
- Informal recreation - general

#### OTHER INFORMATION

- Access through the park links Vista Motu, William Bayes Place and Whangaparaoa Road.

- Gilshennan Reserve, Higham Ferrers Reserve, Karaka Cove and Red Beach Park are nearby.

#### MANAGEMENT FOCUS

- Recreation and ecological linkage, see 10.4

#### MANAGEMENT PRINCIPLES

- Refer to Section 8

#### GENERAL POLICIES

- Refer to Section 11

# Red Beach Park

William Bayes Place Red Beach

No	appellation	ReserveClass
1	Lot 19 DP 39719	Recreation Reserve
2	Lot 142 DP 57326	Recreation Reserve
3	Lot 357 DP 73876	Recreation Reserve

- Other parks
- MFA
- Informal recreation
- Organised sport and recreation

## Red Beach Park

### VALUES

#### KNOWN CULTURAL VALUES

- Refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Connection
- Informal recreation - general
- Organised sport
- Play space
- Shared paths

### OTHER INFORMATION

- Access through the park links William Bayes Place, Esther Place and Marellen Drive.
- Bay Street Reserve, Chelverton Reserve, Gilshennan Reserve, Higham Ferrers Reserve, Marellen Drive Beach Reserve, Red Beach Lookout Reserve and Red Beach Waterfront Reserve are nearby.

### KEY MANAGEMENT ISSUE

1. Poor drainage at the southern end of the park near the play space.

**MANAGEMENT FOCUS (refer to map)**

- Organised sport and recreation, see 10.5
- Informal recreation, see 10.2

**MANAGEMENT PRINCIPLES**

- Refer to Section 8

**GENERAL POLICIES**

- Refer to Section 11

**MANAGEMENT INTENTIONS**

1. To maximise use of the sports playing field for competition and training purposes and in doing so contribute to the capacity of the Hibiscus and Bays sports park network.
2. Consider opportunities to expand the play offer particularly for older children and teens.

No	appellation	ReserveClass
1	Lot 17 DP 19458	Recreation Reserve

## Red Beach Waterfront Reserve

### LEASES & LICENCES

Current and contemplated leases and Licences within existing footprints for:

- Marine related recreation and education and safety activities including the Red Beach Surf Lifesaving Club (Lot 17 DP 19458).

### VALUES

#### KNOWN CULTURAL VALUES

- Area of cultural significance - refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Beach access
- Boat launching

- Community events
- Informal recreation - general
- Surf lifesaving
- Water based activities

### OTHER INFORMATION

- Coastal processes have eroded the park and as a result a portion of the park may now be located in the common marine and coastal area (CMCA).
- The adjacent road reserve on the seaward side of Ngapara Street provides a grassed area and parking that supports use of the park and beach.

- Bay Street Reserve, Chelverton Reserve, Marellen Drive Beach Reserve and Red Beach Park are nearby.

### **KEY MANAGEMENT ISSUES**

1. There is limited parking to cater for the high use of the Red Beach waterfront and beach. This contributes to high vehicle movements at the road end in front of the surf club during summer presenting safety issues for pedestrians in the area.
2. The relatively small reserve has limited capacity to cater for further growth in surf club membership particularly regarding on-site parking and storage of surf club equipment.
3. Unauthorised freedom camping impacts on the limited car parking space.
4. Maintaining the condition of the open grassed area is a challenge due to the high level of use particularly from vehicles and equipment parking and maneuvering.

### **MANAGEMENT FOCUS**

- Coastal, see 10.1

### **MANAGEMENT PRINCIPLES**

- Refer to Section 8

### **GENERAL POLICIES**

- Refer to Section 11

### **MANAGEMENT INTENTIONS**

1. Consider park use, maintenance and development opportunities that help maintain an effective lifesaving service operating from the park including fit for purpose facilities, access to the beach, park use and layout of the park.
2. Encourage alternative offsite options for non-surf lifesaving activities and equipment storage unrelated or non-essential to surf lifesaving.
3. Consider opportunities to improve the durability and condition of the open grass area behind the public toilets.

# Regency Park Drive Plantation Reserve

MFA

 Informal recreation

## Shadon - Springtime Reserve

### VALUES

#### KNOWN CULTURAL VALUES

- Refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Connection
- Informal recreation – general
- Play space

#### OTHER INFORMATION

- Access through the park links Shadon Place, Springtime Crescent and Brian Crescent.
- Duncansby Lookout & Esplanade Reserve, Karaka Cove, Poplar Road Esplanade Reserve, Weiti Views Reserve and Whale Cove Reserve are nearby.

### MANAGEMENT FOCUS

- Informal recreation, see 10.2

### MANAGEMENT PRINCIPLES

- Refer to Section 8

### GENERAL POLICIES

- Refer to Section 11

### MANAGEMENT INTENTION

- Consider and encourage opportunities to naturalise the waterway running through the park to improve stream ecology and amenity, considering the stormwater function, recreational use of the parks' open space and the impact on park maintenance operations.

# Shakespear Esplanade Reserve

Shakespear Road Army Bay

No	appellation	ReserveClass
1	Lot 8 DP 85733	Local Purpose (Esplanade) Reserve
2	Lot 7 DP 85732	Local Purpose (Esplanade) Reserve

## Shakespear Esplanade Reserve

### VALUES

#### KNOWN CULTURAL VALUES

- Refer to mana whenua.

#### KEY RECREATIONAL VALUE

- Connection

#### OTHER INFORMATION

- May be subject to coastal inundation during storm events.
- The esplanade reserve links Shakespear Road and Shakespear Regional Park to the north and adjoins Okoromai-Clansman Reserve to the south. However, there is no practical access through this reserve.
- Belle-Mer Place Reserve, Double Bay Place Reserve, Everard Reserve, Farnell-Cascaden Reserve, Island View Drive Gulf Harbour,

Maylee Crescent Reserve and Rakauananga Point Esplanade Reserve are nearby.

#### MANAGEMENT PRINCIPLES

- Refer to Section 8

#### GENERAL POLICIES

- Refer to Section 11

#### MANAGEMENT INTENTION

- Actively protect and enhance natural values within the park particularly native vegetation, wildlife and associated ecosystems.

- Historic Structure - Silverdale Pioneer Village Methodist Chapel (CHI No.3018).
- Historic Structure - Former Wade School (CHI No.16059).
- Historic Structure - House (CHI No.16083).

### OTHER INFORMATION

- 36 Hibiscus Coast Highway Reserve, Industrial Court Esplanade Reserve, Silverdale Hall,

Tavern Road Esplanade Reserve, Titan Place Reserve, Wade Landing Reserve and Weiti River Titan Place Esplanade are all nearby.

#### **MANAGEMENT FOCUS**

- Informal recreation, see 10.2  
Note: The management focus only applies to the land classified recreation reserve under the Reserves Act 1977.

#### **MANAGEMENT PRINCIPLES**

- Refer to Section 8

#### **GENERAL POLICIES**

- Refer to Section 11

# Silverdale War Memorial Park

12 Hibiscus Coast Highway Silverdale

No	appellation	ReserveClass
1	Part Lot 1 DP 37919	Recreation Reserve
2	Section 7 SO 446638	Local Purpose (Esplanade) Reserve

- Other parks
- MFA
- Organised sport and recreation

## Silverdale War Memorial Park

### LEASES & LICENCES

Current and contemplated leases and licences are contemplated within existing footprints for:

- Organised sport and facilities including tennis (Part Lot 1 DP 37919).
- Provision of community activities and services including for the men’s shed (Part Lot 1 DP 37919).

### VALUES

#### KNOWN CULTURAL VALUES

- Refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Community events
- Community leisure and recreation
- Informal recreation - general
- Organised sport
- Play space

#### SIGNIFICANT NATURAL VALUES

- WF11 Kauri podocarp broadleaved forest.

#### HERITAGE VALUES

- Historic Structure - Monument WW1 Memorial (CHI No.17040).

## **OTHER INFORMATION**

- Silverdale United Rugby and Sports Club and the Silverdale Rotary Club are located immediately adjacent to the park on their own land.
- 36 Hibiscus Coast Highway Reserve, Industrial Court Esplanade Reserve and Johns Creek Reserve are nearby.

## **KEY MANAGEMENT ISSUES**

1. Residential development in the surrounding Silverdale and Milldale areas is expected to increase demand for sporting, casual recreation and community use of the park.
2. Balancing local demand for improved floodlighting and field upgrade with regional sports park network priorities.
3. Occupation of car parking space by commuters as parking overflow from the adjacent Auckland Transport 'park and ride' facility.

## **MANAGEMENT FOCUS**

- Organised sport and recreation, see 10.5  
Note: The management focus only applies to the land classified recreation reserve under the Reserves Act 1977.

## **MANAGEMENT PRINCIPLES**

- Refer to Section 8

## **GENERAL POLICIES**

- Refer to Section 11

## **MANAGEMENT INTENTIONS**

1. Consider opportunities to expand the play offering from a neighbourhood to community scale play space to service growing residential areas near the park.
2. Maximise use of the sports playing field for competition and training purposes and in doing so contribute to the capacity of the Hibiscus and Bays sports park network and alleviate pressure on facilities and space in other parks.
3. Develop a new replacement community facility within the park.
4. Actively protect and enhance natural values within the park particularly native vegetation including kauri podocarp broadleaved forest, other native riparian vegetation, wildlife and associated ecosystems.
5. Support opportunities to protect the park from pathogen incursion, such as kauri dieback, including opportunities to improve, realign or relocate paths through the park particularly those near kauri.
6. Investigate options for the future use of the area currently used as a park's storage depot adjacent to Jack Hawkin Lane.

No	appellation	ReserveClass
1	Lot 2 DP 135728	Recreation Reserve
2	Lot 5 DP 49690	Local Purpose (Esplanade) Reserve
3	Lot 3 DP 135728	Recreation Reserve

MFA

 Informal recreation

## South Avenue Reserve

### VALUES

#### KNOWN CULTURAL VALUES

- Refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Beach access
- Informal recreation - general

#### SIGNIFICANT NATURAL VALUES

- WF4 Pohutukawa puriri broadleaved forest.

#### OTHER INFORMATION

- May be subject to coastal inundation during storm events.
- Arkles Strand Esplanade Reserve, Brandon Reserve, East Avenue Tiri Road Esplanade

Reserve, Little Manly Beach Reserve, Sundown Reserve and Tiri Road Esplanade are nearby.

#### MANAGEMENT FOCUS

- Informal recreation, see 10.2

#### MANAGEMENT PRINCIPLES

- Refer to Section 8

#### GENERAL POLICIES

- Refer to Section 11

# Stanmore Bay East Beach Reserve

Langton Road Stanmore Bay

No	appellation	ReserveClass
2	Lot 1 DP 33497	Local Purpose (Esplanade) Reserve
1	Lot 124 DP 38691	Local Purpose (Esplanade) Reserve
3	Lot 4 DP 52410	Local Purpose (Esplanade) Reserve

## Stanmore Bay East Beach Reserve

### VALUES

#### KNOWN CULTURAL VALUES

- Refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Beach access
- Connection
- Informal recreation - general

#### OTHER INFORMATION

- Coastal processes have eroded the park and as a result a portion of the park may now be located in the common marine and coastal area (CMCA).
- The park provides access from Claude Road and Langton Road to Stanmore Bay Beach.

Joyden Place Reserve also provides access to the park from Joydon Place.

- Stanmore Bay West Beach Reserve adjoins the park to the north west and Stanmore Bay Park adjoins the eastern boundary.
- Cooper - Lea Reserve, D'Oily/Stanmore Bay Weir Reserve, Joydon Place Reserve, Stanmore Bay Park, Stanmore Bay Rd-Ardern Ave Accessway and Vipond Road Beach Reserve are also nearby.
- The public toilets at the end of Langton Road are located on unformed legal road.
- While Auckland Council maintains this land, it is under the jurisdiction of Auckland Transport. The general policies and provisions of this plan will guide the local board's

position and any future input into management or development of this area where it is sought.

#### **KEY MANAGEMENT ISSUES**

1. Management and control of invasive weed species throughout the park.
2. Coastal erosion threatens mature Pohutukawa trees along the coastal edge.

#### **MANAGEMENT PRINCIPLES**

- Refer to Section 8

#### **GENERAL POLICIES**

- Refer to Section 11

#### **MANAGEMENT INTENTIONS**

1. Consider initiatives for re-establishing native coastal vegetation.

# Stanmore Bay Park

159-177 Brightside Road Stanmore Bay East

No	appellation	ReserveClass
1	Lot 11 DP 64710	Local Purpose (Esplanade) Reserve
2	Lot 6 DP 64710	Recreation Reserve

- MFA
- Coastal
- Informal recreation
- Organised sport and recreation

## Stanmore Bay Park

### LEASES & LICENCES

Current and contemplated leases and licences within existing footprints on the recreation reserve land for:

- Marine related recreation, education and safety activities including boating club and sea rescue (Lot 12 DP 64710).
- Organised sport and facilities including rugby league and football (Lot 12 DP 64710, Allot 717 Psh of Waiwera SO 59176).

- Organised recreation and education activities and facilities including Scouts (Lot 4 DP 64710).

### VALUES

#### KNOWN CULTURAL VALUES

- Area of cultural significance - refer to mana whenua

#### KEY RECREATIONAL VALUES

- Beach access

- Boat launching
- Community events
- Community leisure and recreation
- Informal recreation - general
- Organised sport
- Play space

#### **OTHER INFORMATION**

- Coastal processes have eroded the park and as a result a significant portion of the esplanade reserves may now be located in the common marine and coastal area (CMCA).
- Stanmore Bay Pool and Leisure Centre is located on the park.
- There are several open stormwater drainage channels running through the park and an area of land dedicated to stormwater management to the south of the park being: Sections 1-4 and Section 8 SO 417244, Lots 5 and 9 DP 64710.
- Council's stormwater management team is responsible for managing the stormwater function of these parcels and they are out of scope of this plan. However, the general policies and provisions of this plan will guide the board's position and input into future management or development of this area where it is required.
- To the east, the park adjoins Stanmore Bay East Beach Reserve.
- Access through this park links Stanmore Bay Road, Brightside Road, Rata Road, Rimu Road and Te Ruru Way.
- Ardern Lookout Reserve, Elan Reserve, Francis Avenue Reserve, Joydon Place Reserve, Palmgreen Reserve & Rata Road Accessway, Stanmore Bay East Beach Reserve, Stanmore Bay Rd-Ardern Ave Accessway, Swann Beach Reserve and Whangaparaoa Community Centre are all nearby.

#### **KEY MANAGEMENT ISSUES**

1. Parking capacity is stretched particularly on weekends and weeknights due to heavy use of

the leisure center, public boat ramp and sports fields.

2. Susceptible to flooding and stormwater overflow when periods of high rainfall and high tides coincide due to the low-lying nature of the land and open stormwater drains that run through the park.
3. Control and management of invasive plant and animal pests particularly in native bush and wetland areas of the park and adjoining stormwater management areas.
4. The park's coastal edge is particularly susceptible to erosion resulting in a high risk of loss or damage to parkland and/or a park asset located near the beachfront during severe storm events.

#### **MANAGEMENT FOCUS (refer to map)**

- Coastal, see 10.4.1.
  - Informal recreation, see 10.2
  - Organised sport and recreation, see 10.5
- Note: The management focus areas only apply to the land classified recreation reserve under the Reserves Act 1977.

#### **MANAGEMENT PRINCIPLES**

- Refer to Section 8

#### **GENERAL POLICIES**

- Refer to Section 11

#### **MANAGEMENT INTENTIONS**

1. Monitoring the impact of storm events and rate of coastal erosion and responding, where possible, by managing the coastal interface particularly the dune system and the retreat of infrastructure where necessary.
2. Consider implementing outcomes and recommendations of any future coastal compartment management planning for Stanmore Bay where it applies and interfaces with the park.
3. Consider opportunities to expand play provision to include court space.
4. Consider the options for managing demand for car parking particularly at peak times to improve parking access and availability for

the wide variety of park users utilising the park and leisure centre.

5. Actively protect and enhance natural values within the park particularly native vegetation, wildlife and associated ecosystems.

## Te Motu-o-Marae-Ariki (Crocodile Island)

Orewa Estuary Orewa

 Other parks

No	appellation	ReserveClass
1	Allot 375 PSH OF Waiwera	Scenic Reserve 19(1) (b)

## Te Motu-o-Marae-Ariki (Crocodile Island)

### VALUES

#### KNOWN CULTURAL VALUES

- Area of cultural significance - refer to mana whenua.

#### SIGNIFICANT NATURAL VALUES

- Native vegetation.

#### OTHER INFORMATION

- Formally renamed by Gazette (2013 p 2532) as part of Ngāti Whātua o Kaipara treaty settlement, to recognise the cultural significance of the area.
- The park is a small, isolated island located within the Orewa River / Estuary accessible by foot at low tide.

### MANAGEMENT PRINCIPLES

- Refer to Section 8

### GENERAL POLICIES

- Refer to Section 11

### MANAGEMENT INTENTION

1. Actively protect and enhance natural values within the park particularly native vegetation, wildlife and associated ecosystems.

## The Esplanade - Manly Beachfront (East)

The Esplanade Manly

No	appellation	ReserveClass
1	Allot 682 PSH OF Waiwera	Local Purpose (Esplanade) Reserve

Other parks

## The Esplanade - Manly Beachfront (East)

### VALUES

#### KNOWN CULTURAL VALUES

- Area of cultural significance - refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Beach access
- Connection
- Informal recreation - general
- Water based activities

#### SIGNIFICANT NATURAL VALUES

- DN2 Spinifex pīngao.

#### OTHER INFORMATION

- May be subject to coastal inundation during storm events.

- Coastal processes have eroded the park along the foreshore and as a result, the north western corner of the park has eroded into the common marine and coastal area (CMCA).
- Nearby parks are Browns Walk Reserve, Manly Park, Matakatia Parade Beachfront Reserve, Matakatia Parade Reserve, Owens Reserve, Tindalls Bay Road Plantation Reserve, Tindalls Bay Road to Crown Road Esplanade and Tiri Road Esplanade.
- Legal unformed road separates the park from Tindalls to Crown Road Reserve to the east. However, the unformed legal road is maintained and utilised as an extension of the park and contains public toilets. To the west the park adjoins The Esplanade which

consists of both formed and unformed legal road. This stretch of Manly beachfront is maintained as parkland but as legal road it falls under the jurisdiction of Auckland Transport and is out of scope of this plan.

#### **KEY MANAGEMENT ISSUES**

1. The narrowness of The Esplanade and demand for parking along the coastal edge causes damage to grass and exacerbates erosion in places.

#### **MANAGEMENT PRINCIPLES**

- Refer to Section 8

#### **GENERAL POLICIES**

- Refer to Section 11

#### **MANAGEMENT INTENTION**

1. Prior to any future park development consider infrastructure location and retaining open areas to support use of the park for rigging and launching kite surf, windsurf and other recreational watercraft.
2. To work with Auckland Transport over the management of The Esplanade.

4	Lot 34 DP 30753	Local Purpose (Accessway) Reserve

## Tindalls Beachfront Reserve

### VALUES

#### KNOWN CULTURAL VALUES

- Area of cultural significance - refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Beach access
- Boat launching
- Connection
- Informal recreation - general
- Water based activities

#### SIGNIFICANT NATURAL VALUES

- CL1 Pohutukawa treeland flaxland rockland.
- WF4 Pohutukawa puriri broadleaved forest.

### OTHER INFORMATION

- Coastal hazards have eroded a significant portion of the park. As a result, most of the park's former land parcel may now be located in common marine and coastal area (CMCA).
- The widest most useable parts of the park are at the south western end where it adjoins Crown Reserve and Tindalls Bay Road to Crown Road Esplanade, and the north eastern end where it adjoins Tindalls Beach to Coal Mine Bay Esplanade.
- Access though this reserve links De Luen Avenue, Hardley Avenue and Tindalls Bay Road.
- Tindalls Beach to Coal Mine Bay Esplanade, Tindalls Bay Road to Crown Road Esplanade

and Crown Reserve adjoin this reserve.  
Hardley Reserve, Matakatia Parade  
Beachfront Reserve, Matakatia Parade  
Reserve, Tindalls Bay Road Plantation  
Reserve and Zita Reserve are also nearby.

**MANAGEMENT PRINCIPLES**

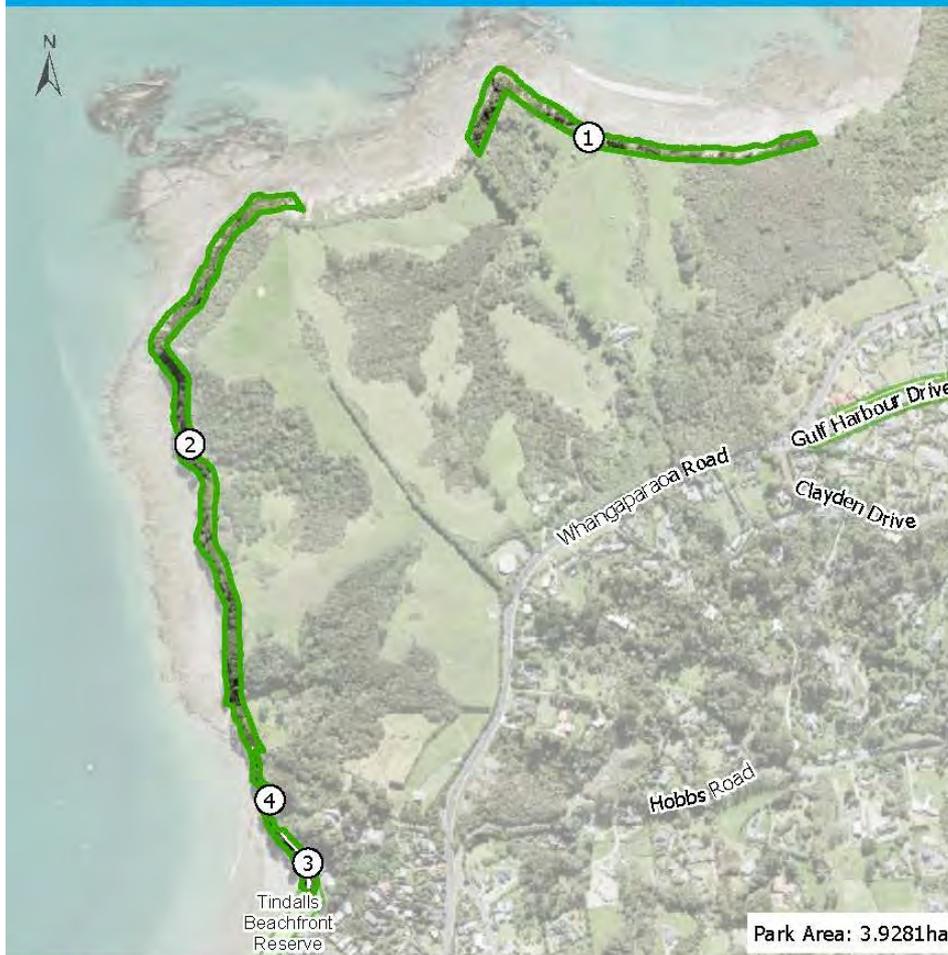

- Refer to Section 8

**GENERAL POLICIES**

- Refer to Section 11

## Tindalls Beach to Coal Mine Bay Esplanade

Whangaparaoa Road Tindalls Beach

No	appellation	ReserveClass

5	Lot 1 DP 89502	Recreation Reserve
6	Lot 2 DP 201105	Recreation Reserve

- Other parks
- MFA
- Organised sport and recreation

## Victor Eaves Park

### LEASES & LICENCES

Current and contemplated leases and licences within existing footprints on the recreation reserve land for:

- Organised sport and facilities including tennis, badminton and baseball, cricket and touch rugby (Lot 1 DP 201105, Lot 1 and 2 DP 89502).
- Organised recreation and education activities and facilities including bridge (Lot 2 DP 201105).

### VALUES

#### KNOWN CULTURAL VALUES

- Refer to mana whenua.

### KEY RECREATIONAL VALUES

- Community leisure and recreation
- Connection
- Informal recreation - general
- Organised sport
- Play space

### OTHER INFORMATION

- Named for Victor Eaves, a member of the prominent Eaves family of Orewa, who had a farm in the area of the park.
- Access through the park links Florence Avenue, West Hoe Road and Centreway Road.

- Nearby parks are Ascot Way Reserve, Brunton Park Reserve, Centreway & Florence Avenue Reserve, Grant Park, Grovenor Drive Reserve, Kinloch Reserve, Lakeside Reserve, Landmark Terrace Reserve, Nukumea Common Reserve, Orewa Marine Parade Reserve, Parkside Drive Reserve, Puriri Boulevard Reserve, Puriri Bush Reserve and Remembrance Reserve.
- A condition of the Assignment of Lease to the Sharks Sports Club Incorporated is that the council and the tenant will jointly maintain a management committee to oversee the management and control of the lease area and facilities.

#### **KEY MANAGEMENT ISSUES**

1. Optimal use and the ability for clubs to share resources, expertise and costs for maintenance and development is limited by the lack of co-location and shared use of facilities.
2. Unauthorised camping and long-term campervan/fifth wheeler parking within the park.

3. Controlling the spread invasive bamboo around tennis courts.
4. The lack of stormwater outlet infrastructure limits effective functioning of open swales and contributes poor drainage and flooding in parts of the park.

#### **MANAGEMENT FOCUS**

- Organised sport and recreation, see 10.5

#### **MANAGEMENT PRINCIPLES**

- Refer to Section 8

#### **GENERAL POLICIES**

- Refer to Section 11

#### **MANAGEMENT INTENTION**

1. Encourage intensified and shared use of facilities at the park and consider opportunities to rationalise built facilities at the end of their economic life, taking account of local and sub-regional sport facility needs.

Other parks

## Wade Heads Esplanade

### VALUES

#### KNOWN CULTURAL VALUES

- Recorded archaeological sites of Māori origin - refer to mana whenua.

#### SIGNIFICANT NATURAL VALUES

- WF4 Pohutukawa puriri broadleaved forest.

#### OTHER INFORMATION

- May be subject to coastal inundation during storm events.
- The esplanade reserve runs along exposed coastal cliffs towards Arkles Bay. These are prone to instability and slips and portions have eroded and may now be located in the common marine and coastal area (CMCA).
- Lot 4 is isolated from the other parcels.

- A stretch of the esplanade reserve borders Mollyhawk Reserve. Other nearby parks are Arkles Bay Beachfront Reserve, Arkles Strand Reserve, Cochrane-Mckenzie Reserve, Ferry Road / Hawaiian Parade Junction Reserve and Ferry Road Reserve.

#### MANAGEMENT PRINCIPLES

- Refer to Section 8

#### GENERAL POLICIES

- Refer to Section 11

#### MANAGEMENT INTENTION

- Actively protect and enhance natural values within the park particularly native vegetation including Pohutukawa broadleaved forest, wildlife and associated ecosystems.

- Other parks
- MFA
- Coastal

## Wade River Road Reserves

### LEASES & LICENCES

Existing lease for:

- Marine related recreation, boating club and maintenance including Weiti Boating Club Inc (Allotment 667 Parish of Waiwera).

### VALUES

#### KNOWN CULTURAL VALUES

- Area of cultural significance - refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Boat launching
- Informal recreation - general
- Water based activities

### SIGNIFICANT NATURAL VALUES

- WF4 Pohutukawa puriri broadleaved forest.

### OTHER INFORMATION

- May be subject to coastal inundation during storm events subject to coastal hazards.
- (Potentially) contaminated land - potentially contaminated underground storage tanks onsite.
- This park is made up of three disconnected land parcels with the Weiti Boating Club and facilities located on the largest parcel Allot 667 Parish of Waiwera. This parcel also adjoins Fairhaven Walk along the park's northern boundary.

- Bruce Scott Reserve, Dacre Historic & Esplanade Reserve, Ferry Road Reserve and Riverhaven Drive Reserve are also nearby.

### **KEY MANAGEMENT ISSUES**

1. Potential constraints on ground intrusive projects and activities due to potential contamination, and notification of potential hazards may be required for some activities.
2. Risk of boat maintenance activities carried out on the park affecting the water quality of Weiti River.

### **MANAGEMENT FOCUS**

- Coastal, see 10.1

### **MANAGEMENT PRINCIPLES**

- Refer to Section 8

### **GENERAL POLICIES**

- Refer to Section 11

### **MANAGEMENT INTENTIONS**

1. Ongoing monitoring and inspections of potential contamination to ensure safe use by public.
2. Manage activities undertaken on the park, particularly boat maintenance and park development, to protect the water quality of the Weiti River.
3. To maintain and consider opportunities to enhance safe and obvious public access to the park's water frontage and public use of the boat launching facilities.

No	appellation	ReserveClass

3	Part Allot 110A PSH OF Waiwera	Scenic Reserve 19(1) (a)

## Waiwera Hill Scenic Reserve

### VALUES

#### KNOWN CULTURAL VALUES

- Area of cultural significance - refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Informal recreation - general
- Walking trails

#### SIGNIFICANT NATURAL VALUES

- WF4 Coastal broadleaved forest – with the canopy dominated by pohutukawa, nikau, kowhai, karaka and puriri. Tawapou (threatened species) have been found in the park.

#### OTHER INFORMATION

- There is a small area of parkland on the western side of Hibiscus Coast Highway which is part of Part Allotment 110A DP 7552.
- James Titford Reserve, Strand Reserve Waiwera and Waiwera Place Reserve are nearby.
- An adjacent area of Watercare managed land with tanks, being Allotment 660 Parish of Waiwera, is out of scope of this plan.

#### KEY MANAGEMENT ISSUE

- Invasive pest plants particularly on the edge of the bush and at the northern end of the park and coastal cliffs include pampas, tree privet, cotoneaster, climbing asparagus and other non-native vegetation such as phoenix palms and pine trees.

## **MANAGEMENT PRINCIPLES**

- Refer to Section 8

## **GENERAL POLICIES**

- Refer to Section 11

## **MANAGEMENT INTENTION**

1. Protect the natural values and character of the park and consider implementing pest animal control, and pest plant control focusing along the park's road edge and coastal cliff edge.

#### KEY RECREATIONAL VALUES

- Boat launching
- Community events
- Community leisure and recreation

- Connection
- Cycling
- Education
- Informal recreation - general
- Organised sport
- Play space
- Shared paths
- Water based activities

### **SIGNIFICANT NATURAL VALUES**

- SA1 Mangrove forest scrub.

### **OTHER INFORMATION**

- May be subject to coastal inundation during storm events.
- Closed landfill. Ongoing environmental monitoring and inspections of the closed landfill to ensure safe use by public.
- The Orewa Millennium Walkway and Te Ara Tahuna Cycleway and walk routes follow the Orewa River edge along the park's southern boundary.
- The park and walkway adjoin the Riverside Marginal Strip on its north western boundary.
- Amorino Reserve, Centreway Reserve, Loop Road Reserve, Maygrove Esplanade Reserve, Orewa Estuary South Bridge Esplanade Reserve, Orewa Reserve, Pohutukawa Reserve and Esplanade, Riverside Road Esplanade Reserve, Settlers Grove Reserve (Eastern) and Te Motu-o-Marae-Ariki (Crocodile Island) are nearby parks.

### **KEY MANAGEMENT ISSUES**

1. Historic land reclamation including a historic landfill backing onto the estuary margin contributes to poor winter drainage, boggy depressions and uneven ground.

2. Boat ramp usability is restricted due to the height of the Hibiscus Coast Highway Road bridge over the Orewa Estuary.
3. Limited passive surveillance from outside the park due to the combination of buildings around the park's periphery, portions of walkway routes located behind buildings, fence styles and car parking in the south-eastern corner.
4. Potential constraints for ground intrusive projects and activities in area of closed landfill. Notification of potential hazards may be required for some activities.

### **MANAGEMENT FOCUS (refer to map)**

- Informal recreation, see 10.2
- Organised sport and recreation, see 10.5  
Note: The management focus areas only apply to the land classified recreation reserve under the Reserves Act 1977.

### **MANAGEMENT PRINCIPLES**

- Refer to Section 8

### **GENERAL POLICIES**

- Refer to Section 11

### **MANAGEMENT INTENTIONS**

1. Encourage initiatives and consider opportunities that deliver on (implement) the Orewa Estuary Te Ara Tahuna Community Restoration Plan 2017.
2. Consider opportunities for individual, family and group fitness including proposals that link to and extend any future fitness network along Te Ara Tahuna Cycle way and Orewa River loop.
3. Encourage initiatives and consider opportunities to maximise the use of the open space area of the park for events and casual park use.

No	appellation	ReserveClass
1	Lot 16 DP 60269	Local Purpose (Esplanade) Reserve
2	Lot 28 DP 112226	Recreation Reserve
3	Lot 27 DP 112226	subject to Local Government Act 2002

- Other parks
- Subject to Local Government Act
- MFA
- Recreation and ecological linkage

## Whale Cove Reserve

### VALUES

#### KNOWN CULTURAL VALUES

- Area of cultural significance - refer to mana whenua.

#### KEY RECREATIONAL VALUES

- Beach access
- Connection

#### OTHER INFORMATION

- May be subject to coastal inundation during storm events.
- Access through the park links Whale Cove with Puawai Bay. The park adjoins Glenelg

Reserve to the north and Duncansby Lookout and Esplanade Reserve to the south.

#### MANAGEMENT FOCUS

- Recreation and ecological linkage, see 10.4  
Note: The management focus only applies to the land classified recreation reserve under the Reserves Act 1977.

#### MANAGEMENT PRINCIPLES

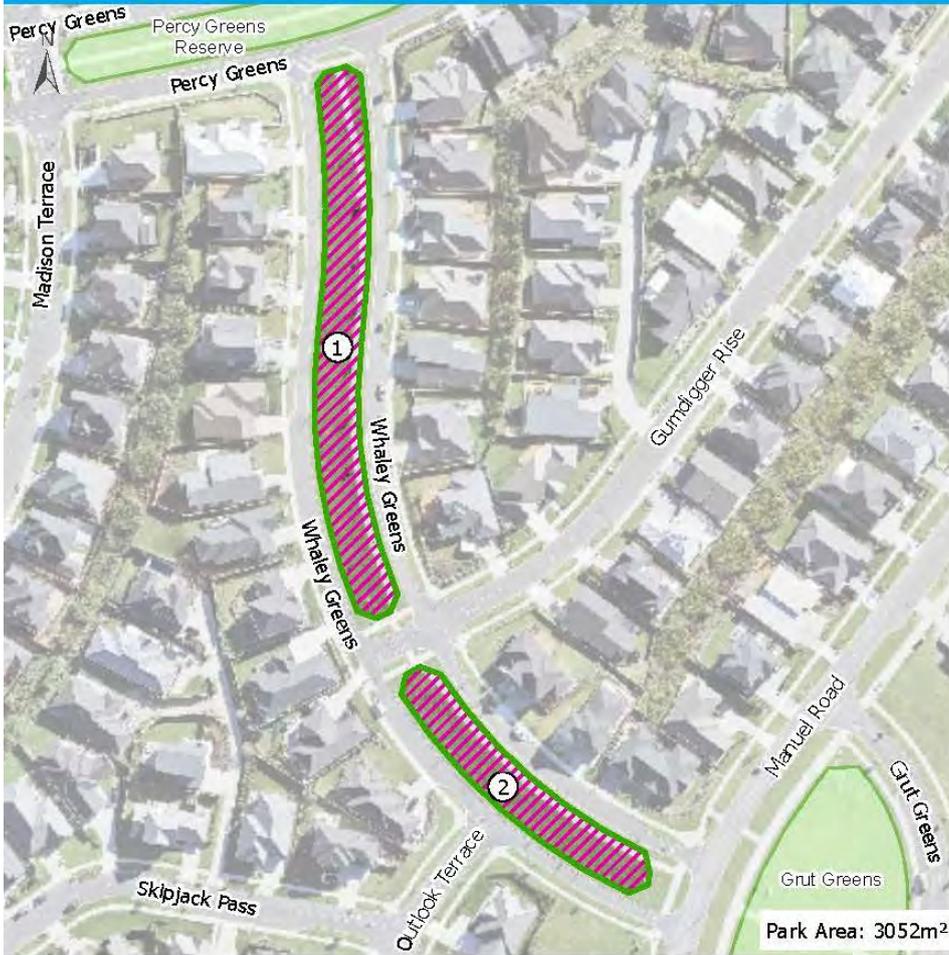

- Refer to Section 8

#### GENERAL POLICIES

- Refer to Section 11

# Whaley Greens Reserve

32 Gumdigger Rise Silverdale

No	appellation	ReserveClass
1	Lot 805 DP 469177	Recreation Reserve
2	Lot 804 DP 469178	Recreation Reserve

- Other parks
- MFA
- Recreation and ecological linkage

## Whaley Greens Reserve
