

WAITEMATĀ LOCAL BOARD GOOD CITIZENS' AWARDS 2019

David Lei Wang has been nominated for an individual award by Pengbo Jiang for his passion for the rights and welfare of migrants from China.

Despite his busy roles as the CEO of Bank of China New Zealand and a Banking Representative for the New Zealand Banking Ombudsman Scheme, David volunteers extensively to support new migrants to central Auckland.

David is involved in numerous community organisations in a voluntary capacity. He is the Chairman of the New Zealand Chinese Chamber of Commerce in New Zealand and on the advisory board of both the New Zealand China Council and Export New Zealand.

Through all these roles, David works to foster and enhance friendly relationships in the community and has made significant contributions to promoting and raising funds for many organisations such as Starship, Auckland Philharmonia Orchestra and St. John Northern Region.

David speaks at many events encouraging more Chinese migrants to make their voices heard and to meet new people in their local community, ultimately encouraging better settlement outcome for new Chinese migrants.

David's tireless efforts to make his community stronger and more vibrant reveal true community spirit and leadership that we're very happy to recognise tonight.

Congratulations David!
