

WAITEMATĀ LOCAL BOARD GOOD CITIZENS' AWARDS 2019

Edyta Plowman has been nominated by the Parnell Community Committee for being a very active community champion.

Edyta has been living in Parnell for the past seven years with her husband and three young children. During that time, she has taken a keen interest in the local Plunket facilities next to Heard Park on Parnell Road. Over the past three years Edyta has focussed her energies on ensuring that appropriate works are undertaken to improve the amenity and functionality of this valued community asset. Her vision is to bring new life to this ageing facility, including enhancements to the toilets, new gib and flooring and for the facility to integrate better with Heard Park. Her efforts are much lauded by Plunket head office in Wellington.

Being a passionate and smart local mum Edyta continues to keep everyone (Council, Local Board, resident and business organisations) motivated to deliver a great outcome for our little people and their Mums.

Congratulations Edyta!
