

## **WAITEMATĀ LOCAL BOARD GOOD CITIZENS' AWARDS 2019**

**Lynne Frith** has been nominated for the next individual award by the K Road Business Association for her empathy and sensitivity in the diverse environment that is the K Road community.

Lynne is the Parish Superintendent for the Auckland Methodist Central Parish and over the years she has worked tirelessly for her community.

A recent key achievement saw Lynne secure the Orange Sky Bus to set up in church grounds every Monday and Thursday night. The Bus provides a place for homeless to launder clothes, shower and share a cuppa together, creating and strengthening community.

The K Road community has benefitted from Lynne's experience as the former President of the Methodist Church New Zealand - she has a strategic mind that has recognised the ongoing changes happening in the inner-city environment. For example, she has reached out to the LGTQI sector to support them and advocate on their behalf.

Through her leadership, the Pitt Street Methodist Church is known for its inclusiveness.

Lynne plans to retire from her role soon and undoubtedly deserves recognition for her many years of selfless giving to her community.

**Congratulations Lynne!**
