 (circle code clauses as applicable)

Insulation: (Brand / type)

I confirm that I have installed injected insulation in accordance with the provisions of the New Zealand Building Code and consented plans.

Further, I confirm that

- Yes N/A smoke alarms have been installed and are operational; and that
- Yes N/A moisture readings have returned to equilibrium
- Yes N/A brick veneer sealed

I understand that Auckland Council is reliant on this producer statement in order to establish compliance with the requirements of the Building Act 2004 and Building Code and will rely on this statement in order to issue the code compliance certificate.

A producer statement construction is defined as a statement supplied by the contractor confirming that building work has been carried out in accordance with provisions of the New Zealand Building Code and consented plans.
