

Application for time extension to provide engineering assessment

Email your completed application form to our seismic performance team at:
EQBProject@aucklandcouncil.govt.nz

Site Address:

Legal Description:

I am the owner of the above building and seen an extension of time to provide an engineering assessment because I am not able to provide the assessment by:

(due date on potentially EQP letter)

I confirm this time extension request application is being made at least two months prior to the due date for the engineering assessment.

The reason I am unable to provide the engineering assessment is because:

(insert reason, for example: because of a shortage of people qualified to conduct the assessment)

I will be able to provide the engineering assessment by:

(maximum of 12 months from the due date noted above)

I understand that if the time extension is approved by Council that no further time extensions can be granted.
