

# Statement of Certification for Common Accessway Approval

I, \_\_\_\_\_ of \_\_\_\_\_  
(Company name)

being a Chartered Professional Engineer under the provisions of the Chartered Professional Engineer Act 2002 or Registered Professional Surveyor (New Zealand Institute of Surveyors) or Registered Engineering Associate (Engineering Associates Act 1961), have personally or through personnel under my control carried out periodic reviews of the following works, and based upon these reviews and information supplied by the Contractor during the course of those works hereby certify on reasonable grounds that all approved engineering works for common accessway, jointly owned access lot or right of way

shown on plans numbered \_\_\_\_\_

prepared by \_\_\_\_\_

under Engineering Approval number \_\_\_\_\_

at address \_\_\_\_\_

Lot # \_\_\_\_\_ DP # \_\_\_\_\_

have been constructed in accordance with sound and accepted engineering principles, in accordance with relevant sections of the Auckland Council Code of Practice, and the specific requirements of the Engineering Approval (and approved amendments), including completion final documentation and other tests as per Auckland Council Quality Assurance Manual.

I understand that by signing this statement of certification I am confirming that I am competent in the required engineering aspects and that this statement of certification, if accepted, will be relied upon by Auckland Council for the purposes of establishing compliance with the above Engineering Approval for common accessway, jointly owned access lot or right of way.
