

Creative Community Scheme Auckland Funded Projects 2025/2026

In 2025-2026, Auckland Creative Communities Scheme assessment committees granted \$1,027,415 to support 245 local projects.

The Creative Communities Scheme has created opportunities for 33,485 people of all ages to actively participate in local arts activities, with a projected audience of over 400,000 people.

The scheme enables communities to bring art into the everyday lives of Aucklanders across the region on beaches, in parks, on marae, in community halls, theatres, streets and galleries with music, dance, film-making, weaving, whakairo, sculpting, singing, poetry, theatre – a wide range creative cultural expression in many art forms within our community, contributing to a thriving arts and culture sector in Auckland.
