## 2026 Schedule of Prices

The Schedule of Prices below is used by programme Land Advisors to estimate the total value of your fencing, planting or alternative water supply project. It is also used to determine the Funds contribution to your project.

This is not intended to reflect market rates – the actual value of the project works completed may be more or less than the estimated project value.

All prices are exclusive of GST, and subject to change (including but not limited to an annual price review).

Note that difficulty of works below will be assessed by Land Advisors in collaboration with the landowner during an initial / scoping site visit. Difficulty of weed control and planting will be assessed on weeds present, accessibility to the site, and terrain. Difficulty of fencing is assessed on accessibility of fencing machinery, terrain, and complexity of fencing (e.g. qty of turns in fence).

<b>Rates for North and West Auckland</b>		
	<b>Site preparation (includes labour, herbicides and machinery)</b>	<b>\$ per plant</b>
	Spot spray easy	\$0.50
	Spot spray difficult	\$0.60
	<b>Plant cost</b>	<b>\$ per plant</b>
	Initial / regeneration planting (mainly pioneering plants with little to no enrichment plants)	\$2.10
	Infill / enrichment planting (canopy species)	\$4.00
	<b>Freight (Delivery of plants to property)</b>	<b>\$ per plant</b>
	<i>Freight varies depending on location. This is an estimate that will help provide a contribution to the cost of freight.</i>	\$0.14
	<b>Planting</b>	<b>\$ per plant</b>
	Easy Planting	\$1.45
	Moderate Planting - use for small planting projects (<2,500 plants)	\$1.65
	Difficult Planting	\$1.85
	Fertiliser tab ( <i>based on need</i> )	\$0.15
	<b>Maintenance Spraying (includes labour, herbicides and machinery)</b>	<b>\$ per plant</b>
	Easy Releasing	\$0.50
	Difficult Releasing - Recommend using in small planting projects (less than 2,500 plants)	\$0.60

Waterway Protection Fund and Making Space for Rural Water Fund 2026-2027

Fencing Difficulty	Fencing (including labour, materials, machinery)	\$ Per M
Easy	1 wire - for flood plains or flood affected areas only	\$10.50
Moderate		\$14.50
Difficult		\$19.00
Easy	2 wire - for flood plains or flood affected areas only	\$11.50
Moderate		\$17.00
Difficult		\$23.00
Easy	3 Wire	\$13.50
Moderate		\$20.00
Difficult		\$26.50
Easy	4 Wire	\$16.00
Moderate		\$22.50
Difficult		\$29.50
Easy	5 Wire	\$18.50
Moderate		\$28.00
Difficult		\$37.00
Easy	6 Wire	\$20.50
Moderate		\$30.25
Difficult		\$40.00
Easy	7 Wire (No Battens)	\$25.00
Moderate		\$34.00
Difficult		\$43.00
Easy	7 Wire + Battens	\$34.00
Moderate		\$38.50
Difficult		\$46.00
	<b>Troughs &amp; Gates</b>	<b>\$ Per item</b>
Troughs	<b>Up to a maximum of 5 troughs.</b> For areas where a WPF project excludes animals from a drinking water source. Fittings and labour are provided in kind by the landowner. WPF will not fund plastic or removable troughs.	\$750-\$1000 (depending on trough size)
Gates	<b>Up to a maximum of 2 gates.</b> The intention of funding Gates is to ensure if animals do manage to get into an excluded area, the landowner can safely remove them.	\$350-\$500 per gate

<b>Rates for South Auckland</b>		
	<b>Site preparation (includes labour, herbicides and machinery)</b>	<b>\$ per plant</b>
	Spot spray easy	\$0.50
	Spot spray difficult	\$0.60
	<b>Plant cost</b>	<b>\$ per plant</b>
	Initial / regeneration planting (mainly pioneering plants with little to no enrichment plants)	\$2.10
	Infill / enrichment planting (canopy species)	\$4.50
	<b>Freight (Delivery of plants to property)</b>	<b>\$ per plant</b>
	<i>Freight varies depending on location. This is an estimate that will help provide a contribution to the cost of freight.</i>	\$0.14
	<b>Planting</b>	<b>\$ per plant</b>
	Easy Planting	\$2.00
	Moderate Planting - use for small planting projects (<2,500 plants)	\$2.20
	Difficult Planting	\$2.50
	Fertiliser tab ( <i>based on need</i> )	\$0.15
	<b>Maintenance Spraying (includes labour, herbicides and machinery)</b>	<b>\$ per plant</b>
	Easy Releasing	\$0.50
	Difficult Releasing - Recommend using in small planting projects (less than 2,500 plants)	\$0.65
<b>Fencing Difficulty</b>	<b>Fencing (including labour, materials, machinery)</b>	<b>\$ Per M</b>
Easy	1 wire - for flood plains or flood affected areas only	\$10.50
Moderate		\$14.50
Difficult		\$23.00
Easy	2 wire - for flood plains or flood affected areas only	\$12.00
Moderate		\$17.00
Difficult		\$27.00
Easy	3 Wire	\$18.00
Moderate		\$23.00
Difficult		\$30.00
Easy	4 Wire	\$20.00
Moderate		\$26.00
Difficult		\$34.00
Easy	5 Wire	\$25.00
Moderate		\$32.00
Difficult		\$42.00
Easy	6 Wire	\$26.00
Moderate		\$34.00
Difficult		\$45.00

Waterway Protection Fund and Making Space for Rural Water Fund 2026-2027

Easy	7 Wire (No Battens)	\$30.00
Moderate		\$42.00
Difficult		\$50.00
Easy	7 Wire + Battens	\$34.00
Moderate		\$46.00
Difficult		\$58.00
<b>Troughs &amp; Gates</b>		<b>\$ Per item</b>
Troughs	<b>Up to a maximum of 5 troughs.</b> For areas where a WPF project excludes animals from a drinking water source. Fittings and labour are provided in kind by the landowner. WPF will not fund plastic or removable troughs.	\$750-\$1000 (depending on trough size)
Gates	<b>Up to a maximum of 2 gates.</b> The intention of funding Gates is to ensure if animals do manage to get into an excluded area, the landowner can safely remove them.	\$350-\$500 per gate
