

Roy Clements Treeway Accessible Map

Accessible Information

The Treeway boardwalk is largely flat and accessible, however there are a couple of steep sections at the St Lukes entrance. There is no dedicated accessible parking, however Fergusson and Haverstock Roads are quiet streets with plenty of on-road parking near the entrance to the park.

This map indicates which facilities and amenities are accessible. All park features on the map which are yellow in the key are accessible. The Albert-Eden Local Board are working towards improving accessibility in this park, and the map will be updated as accessibility improvements are made.
