Removal of a designation under section 182 of the Resource Management Act 1991

To: Nicholas Lau, Team Leader Planning - Central South, Planning and Resource Consents

From: Irene Heyes, Policy Planner - Central South, Planning and Resource Consents

Date: 2 April 2026

Subject:

Removal of Designation 9444 Onehunga (Upper Municipal Place) Water Supply Well in the Auckland Unitary Plan.

Summary

Auckland Council has received a request from Watercare Services Limited under section 182 of the Resource Management Act 1991 (RMA), to remove in full Designation 9444 Onehunga (Upper Municipal Place) Water Supply Well in the Auckland Unitary Plan.

A section 182(1) request is required to uplift the existing designation in full from land which has been deemed surplus by Watercare Services Limited.

Auckland Council, as the territorial authority, is required to amend its district plan, without using the process in Schedule 1, as soon as reasonably practicable after receiving a Section 182 request unless it considers that the effect of the removal of the designation is more than minor.

It is recommended that the removal be accepted.

Recommendation

1. That the section 182 request from Watercare Services Limited for the removal of Designation 9444 Onehunga (Upper Municipal Place) Water Supply Well in the Auckland Unitary Plan be **accepted** for the following reasons:
 - Watercare Services Limited no longer has an operational interest in the land and the removal of Designation 9444 Onehunga (Upper Municipal Place) Water Supply Well will reflect current land use activities;
 - the land no longer contains any water supply infrastructure; and
 - the land is not owned by Watercare Services Limited.
2. That Designation 9444 Onehunga (Upper Municipal Place) Water Supply Well be removed, as soon as reasonably practicable, in the Designation overlay and Chapter K Designations of the Auckland Unitary Plan.

1. Description

1.1. References

Designation number:	9444
Lodgement date:	27 March 2026
Requiring authority:	Watercare Services Limited
Reporting officer:	Irene Heyes, Policy Planner - Central South, Planning and Resource Consents
Site address:	158 Onehunga Mall, Onehunga (formerly 26 Upper Municipal Place, Onehunga) Lot 1 DP 147936
Auckland Unitary Plan Zoning:	Business - Town Centre Zone

2.0 Background

2.1 Details of designation

Designation 9444 in the Auckland Unitary Plan is a rollover designation (Designation H10-24, Auckland Council District Plan (Isthmus Section) 1999).

The site at 158 Onehunga Mall, Onehunga (subject to Auckland Unitary Plan Designation 9444 Onehunga (Upper Municipal Place) Water Supply Well) no longer contains any water supply infrastructure as it has been removed by Watercare Services Limited. Therefore, removal of Auckland Unitary Plan Designation 9444 would accord with the vacant nature of the site.

2.2 Land affected by removal

The designation is currently shown on Auckland Unitary Plan maps in accordance with **Figure 1** below:

Figure 1: Designation 9444 at 158 Onehunga Mall, Onehunga

Watercare Services Limited has provided a site plan showing the extent of the designation which is to be removed (refer to **Attachment A**).

2.3 Delegated authority to consider alterations to designations

The Team Leader – Planning Central South (Planning and Resource Consents Tier 5) has delegated authority, in accordance with Schedule 2A of the Auckland Council Delegations: Chief Executive Officer (updated November 2025), to exercise the Council’s functions, powers, duties and discretions under the Resource Management Act 1991 in relation to Section 182 to approve a removal of a designation.

The section 182 request to remove the designation can therefore be considered by the Team Leader – Planning Central South (Planning and Resource Consents Tier 5) and accepted or declined.

2.4 Relevant Statutory Provisions

Section 182 of the RMA allows a requiring authority to remove a designation or part of a designation if it no longer wants it. This section also applies to a notice by a territorial authority, to withdraw its own designation or part of a designation within its own district.

Section 182(2) states that as soon as reasonably practicable the territorial authority shall, without using the process in Schedule 1, amend its district plan accordingly. If the territorial authority considers that the effect of the removal of part of a designation on the remaining designation is more than minor, it may, within 20 working days of receipt of a section 182 notice, decline to remove that part of the designation.

It is considered that Watercare Services Limited has provided sufficient justification for the removal of Designation 9444 Onehunga (Upper Municipal Place) Water Supply Well in the AUP for the following reasons:

- Watercare Services Limited no longer has an ownership interest or operational interest in the land and the removal of Designation 9444 in the AUP will reflect this, with all water supply infrastructure having been removed from the site.

That pursuant to Section 182 of the Resource Management Act 1991 that the removal of Designation 9444 Onehunga (Upper Municipal Place) Water Supply Well be **accepted** and the Auckland Unitary Plan Operative in part designation overlay and text in Chapter K Designations be amended accordingly.
