Blank and informal votes

An **informal vote** is when:

- the electoral officer has reason to believe a voting document is not an official voting document
- the voter has voted for more candidates than there are positions available (e.g. voted for four candidates where there are only three positions)
- the voter's intention is not clear (i.e. the vote doesn't clearly show who the voter wanted to vote for).

Elected unopposed

Candidates can be **elected unopposed** when:

- there are fewer candidates than positions
- the number of candidates is the same as the number of positions available.

Affiliation

Affiliation means that a candidate is officially supported by an organisation or group.
