A trust will not be accepted as an applicant; if the trust wishes to apply for consent, it must be an application by the trustees (collectively unless the trust deed provides otherwise) and the application should state that they are applying as trustees. A copy of the trust deed shall be provided. In the case of an unregistered company, please provide the name of a natural person. In the case of a registered company, the director's name and signature are required. Proof of identity, e.g. driver's licence or passport may be required prior to acceptance of this application.

¹ By providing email contact details, you consent to being contacted by Auckland Council or our agents for the purpose of customer satisfaction or other research.

Attached information

The application must include the following items:

- Three sets of plans including an A3 set, named, dated and uniquely numbered. Digital PDF files should also be included. (Should include details of proposed development served by the new connection).
- Relevant engineering standard details.
- Any relevant correspondence between the council, Watercare Services Limited and Auckland Transport, and the applicant or their agent.
- Deposit (refer to 'Fees and charges' brochure for engineering approval (minor), or online at aucklandcouncil.govt.nz).
- Sketch of proposed works on council's service plans.
- Supporting calculations (where appropriate).
- Permission from affected public and private land owners for work on their land.
- Details of tree protection, arborist report or tree consent.
- Details of other services.
- Other approvals granted.
