### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

I think that it will positively affect the city of Auckland.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

I don't know

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

I am indifferent to this proposal.

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

None

## **Question 5: Other feedback**

### **Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

### **Tell us here**

Please make the busses cheaper and improve their quality.

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Because the increase could make more stress for the residents of Auckland City and also increase the already very high cost of living

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

Because it can increase the general income of our city and decrease the stress on our citizen to pay tax and stuff.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

#### Tell us why

I think that it would help most residents but there might be implications

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Fairly important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Fairly important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Less important

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

No

**Tell us why**

I don't think it is very important to our city, it might bring in more revenue but it feels unimportant

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

**4A. Which local board(s) would you like to provide feedback on?**

Upper Harbour

.

### **Upper Harbour Local Board Priorities**

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Appropriate planning and investment for infrastructure and quality open space in areas impacted by growth and intensification e.g. Whenuapai**

Fairly important

**Continue to prioritise support to our local community organisations and volunteers to deliver outcomes that provide a sense of belonging, wellbeing and resilience for residents**

Fairly important

**Continue to prioritise investment in outcomes that ensure our communities have access to high-quality amenities that provide for a range of opportunities including play, pathways and connections, active sports and recreation and connecting with nature**

Fairly important

**Funding to assist in the development, improvement, and renovation of non-council owned community facilities that serve the Upper Harbour area through a facilities grants process**

Fairly important

**Improve wayfinding in the Upper Harbour area to help our communities to easily discover and enjoy the assets we have**

Fairly important

**Contribute funding for the development of a vision and plan for the future North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we want feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Community climate action and sustainability activities, Community development and support activities, Pools and Leisure facilities - opening hours and services

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support any

### Tell us why

I don't like it that much. To be. To be honest.

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

I don't know but it has a bad energy

### **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Waste in name; can't be good.

### **Question 4:**

#### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Upper Harbour

## Upper Harbour Local Board Priorities

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support all

#### **Tell us why**

I trust y'all.

Our priorities for 2025/2026 are listed below.

#### **How important are these priorities to you?**

**Appropriate planning and investment for infrastructure and quality open space in areas impacted by growth and intensification e.g. Whenuapai**

Very important

**Continue to prioritise support to our local community organisations and volunteers to deliver outcomes that provide a sense of belonging, wellbeing and resilience for residents**

Very important

**Continue to prioritise investment in outcomes that ensure our communities have access to high-quality amenities that provide for a range of opportunities including play, pathways and connections, active sports and recreation and connecting with nature**

Very important

**Funding to assist in the development, improvement, and renovation of non-council owned community facilities that serve the Upper Harbour area through a facilities grants process**

Very important

**Improve wayfinding in the Upper Harbour area to help our communities to easily discover and enjoy the assets we have**

Very important

**Contribute funding for the development of a vision and plan for the future North Harbour Stadium and Domain Precinct.**

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

I support the idea however I do not believe that this will benefit stakeholders as while yes the transport will be improved the cost will increase meaning that the people that rely on public transport may struggle financially. However by increasing the rate now and then lowering it later on

it will allow for a increase in the mentioned areas while making the financial strain not so great on stakeholders.

## **Question 2: Destination management and major events**

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

I don't know

**Tell us why**

I don't understand

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

this is my home area and would like to see it improve.

## **Question 4:**

## **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

None

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

### Tell us why

Given the projected population growth we have to invest for the future otherwise we will be stuck with the current inefficient Auckland - but worse. Higher rates and borrowing are needed.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

And also an airport tax to fund airport infrastructure. and transport

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Wheeley bins are cleaner, greener and they keep the scavengers away.

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Do not support most

#### Tell us why

We live in a glorious city. The penny pinching approach is damaging our city and local area. There is more important priorities than minimising rates. Just spend it wisely.

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Less important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Less important

#### Tell us why (please be clear which priority you are talking about)

No 4 and 6 are at conflict with each other. Prioritise No 4

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

No

**Tell us why**

Support local, not nationwide retailers.

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

# Annual Plan 2025-2026

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

i trust you guys

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

2 cents is not that much mate

### **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

no :)

### **Question 4:**

#### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Upper Harbour

## Upper Harbour Local Board Priorities

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

I don't know

#### Tell us why

what does this mean?

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Appropriate planning and investment for infrastructure and quality open space in areas impacted by growth and intensification e.g. Whenuapai**

Fairly important

**Continue to prioritise support to our local community organisations and volunteers to deliver outcomes that provide a sense of belonging, wellbeing and resilience for residents**

Very important

**Continue to prioritise investment in outcomes that ensure our communities have access to high-quality amenities that provide for a range of opportunities including play, pathways and connections, active sports and recreation and connecting with nature**

Fairly important

**Funding to assist in the development, improvement, and renovation of non-council owned community facilities that serve the Upper Harbour area through a facilities grants process**

Very important

**Improve wayfinding in the Upper Harbour area to help our communities to easily discover and enjoy the assets we have**

I don't know

**Contribute funding for the development of a vision and plan for the future North Harbour Stadium and Domain Precinct.**

Less important

#### Tell us why (please be clear which priority you are talking about)

i like shore junction so i like non council owned communitiy facilities!!!

To help the local board understand priorities and areas of importance for the community, we want feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

#### Which three of our services are most important to you? (select up to three)

Community climate action and sustainability activities, Environmental restoration, volunteers and pest control activities, Local water quality improvement activities

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

No

**Tell us why**

we have enough stadiums.

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

no thank you :)

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

That levy would also affect those living in New Zealand travelling to Auckland to visit whanau, and those travelling to Auckland for work purposes. Everyone staying in accommodation should be charged the same regardless of where they are from.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Would rather it is 'user pays' basis. ie with rubbish, some households have little, some alot.

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Do not support most

#### Tell us why

Costs involved. If we are in a 'technical recession' - why spend more money?

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Less important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Less important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Less important

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

No

**Tell us why**

Would rather see a user pays type system.

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

**Tell us here**

**THE PROPOSAL FOR A BERM (AND BUS SHELTER) ON WEST HOE ROAD, OREWA**

**INTRODUCTION** In April 2024 enquiries were initiated with Jake Law from the Hibiscus Local Board regarding the potential of a 'Berm' (Not a pedestrian crossing) to be installed on West Hoe Road adjacent to Evelyn Page Retirement Village, Orewa. The focus was to enhance pedestrian safety, particularly for the elderly residents of the Evelyn Page Retirement village and the surrounding residential area.

**PROPOSAL FOR SUBMISSION** Following initial enquiries, a comprehensive proposal was submitted to Auckland Council. (See 'Berm' attachment) This proposal underscored not only the need for the installation of a 'Berm crossing' but also highlighted the absence of a Bus Shelter at the existing Bus Stop on the eastern side of West Hoe Road.

**RESPONSE FROM AUCKLAND COUNCIL** The Council responded to the proposal with a report from the Traffic Engineer, which was subsequently addressed on 25th July 2024. (Refer last page of the 'Berm crossing' attachment) The outcome was to include the requests in the 'Agenda' for the 2025/2026 Annual Plan. This means that the potential construction and completion of either the 'Berm' or the Bus Shelter would not commence until at least 2027/2028, some 2 – 3 years away but also subject to approval.

**IMMEDIATE NEED** The proposal serves not only the 500-plus residents of the Evelyn Page Retirement Village but also the wider residential community on the western side of the Victor Eaves Park. The imperative for a safe crossing point is crucial for the elderly and those using walkers or prams, who currently face significant challenges in crossing the existing median strip. See the challenges identified on Pages 4 and 5 of the 'Berm crossing' attachment).

**IMPACT ON PARKING ISSUES** An article in the local Hibiscus Matters, dated 24th March 2025, (See 2nd 'Article' attachment) highlighted the urgent need for more parking in the Orewa Township. The proposed 'Berm' installation aims to mitigate this issue by reducing vehicular traffic from the western side of Victor Eaves Park. Many residents, particularly those from the retirement village, avoid using public transport due to the unsafe crossing conditions, thereby increasing reliance on private vehicles and exacerbating parking problems in the town center.

**CONCLUSION** The installation of a 'Berm' on West Hoe Road is a crucial infrastructure

improvement that addresses the immediate safety needs of vulnerable pedestrians while also contributing to the alleviation of parking congestion in Orewa. For your consideration and approval if possible in the immediate future

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

### Tell us why

I do not support our local council paying a fortune to overseas consultants. I DO NOT believe that we have no local consultants here in New Zealand who have a much better grasp of the problems faced. I don't agree with any plan that requires hugely expensive & waste of money overseas consultation. Not impressed Brown!

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

I don't know

**Tell us why**

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

What we RATE PAYERS are getting for increased rates is less rubbish removal - doesn't sound very fair to me.

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

None

### **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

New initiatives seem lacking. Auckland transport is not improving. Is there a role for Road Tolls to create revenue. It would seem fair. Pedestrians have Priority on Pathways. No consideration for Pedestrians. Pedestrians are put at risk. Pedestrians should ALWAYS have priority over Scooters

and Skateboards. Anyone with any walking mobility issues is at significant risk. No real savings explained. What are the plans for non-recyclable waste? Some people cannot afford a bin!

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### Tell us why

This is UNFAIR. Why should those NOT going to an event pay this charge? Why should those living in Auckland and staying in a hotel, for whatever reason, pay this charge? Why should ALL visitors to Auckland pay this charge? Why should (page 170) 1. Passenger transport -70% of their revenue is from visitor spend 2.. Culture/Recreation/Gambling 25% of their revenue is from visitor spend. 3. Food/Beverage 41% of their revenue ----- . They should not contribute -- BECAUSE they will not survive and we need a vibrant ambience in Auckland. YOU COULD -- redistribute the allocation of your expenditure to include Destination Marketing and Major Events. Areas which then receive reduced funding must SAVE or create initiatives to raise money. FOR EXAMPLE Auckland Transport can save more and introduce road tolls. There must be other examples. Destination Marketing and Major Events should not be compromised because other areas are wasting rate payers money and are lacking in initiatives. (Page 169) Lantern, Diwali and Pasifika attracted ONLY 5% of visitor accommodation. Charging ALL (100%) visitor accommodation is unfair. 95% of visitors did NOT attend. Does the Maori Economy (in the news recently) contribute? Even if all 21% of visitors to the FIFAWWC stayed in paid accommodation, 79% of people staying did NOT attend the event. How would you target ALL visitor accommodation?

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

I don't know

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Why are you removing GREEN bags? How will people dispose of NON recyclable rubbish.  
Remember we ALREADY pay rates.

**Question 4:**

**Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

**Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Involving YOUTH is good yet you must consider ALL people. A clean attractive environment will attract visitors and make residents proud. Clean toilets are important. What is the vision for Albany Stadium. Determine what progress has been made before you commit more of our money. The sea wall in Orewa is good.

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

I don't know

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Fairly important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Less important

**Tell us why (please be clear which priority you are talking about)**

What process are you making with North Harbour Stadium. It is not in our jurisdiction. What influence are you having. Local businesses must be encouraged and not penalised. Is \$1.200,000 excessive for governance?

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

I don't know

**Tell us why**

Tell us what you have achieved to date? The Stadium is not in our domain. What is the vision to date? Do Upper Harbour get funding for, because of, the stadium? Is there any revenue from the stadium? Where does the money go?

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

WHY do rates have to continue to rise? You KNOW last year's revenue so why not plan the budget so that the expenditure is the same as the income. If we cannot afford services they may have to be reviewed. You cannot use the RATES as a bottomless resource.

#5298

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund

cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

For the reasons set out in the plan.

### **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Refuse targeted Rate applied to Franklin and Rodney is reasonable so long as this only applies once the council refuse collection for these areas commences... and it is no more than Rodney residents currently pay the private collection firm.

### **Question 4:**

#### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

#### **Tell us why**

We need to live within our means therefore I would like to see caution applied to spending on reserve beautification etc. ie. only spend where work is necessary for health and safety

Our priorities for 2025/2026 are listed below.

#### **How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Fairly important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Fairly important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Less important

#### **Tell us why (please be clear which priority you are talking about)**

North Harbour Stadium development vision is a nice to have and should not have priority

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

No

**Tell us why**

Already stated this is a nice to have only

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

Support most

### Tell us why

Not keen on rates increase. What happened to funds from sale of airport shares?

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

As long as it does not deter visitors.

### **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Prefer paying through bags or tagged bins.

### **Question 4:**

#### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support all

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Fairly important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Less important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Less important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

I don't know

**Tell us why**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support all

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

A good way to address the shortfall in budget. Most visitors from overseas will be able to afford a small increase in accommodation costs. Most accommodation around a big event will be expected to be more expensive.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

### Tell us why

You have little to no performance criteria, evaluation methodology and a process, no performance evaluation on the effectiveness of your projects. Once a year these projects may be looked at by politicians and there is little or no performance methodology and accountability to the public. Impossible to have the Council respond to let alone provide the most basic requests for town

amenities including benches at the beach suitable for those with knee and hip replacements who need higher seats.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### Tell us why

Because council is so inefficient and ineffective in achieving value-for-money on any other project. A tiny efficiency improvement would give the Council all the money it needs to sponsor events. For example savings on the extraordinarily lavish expenditure on speed bumps alone, up to \$0.25 million each would give the Council the money it needs. There are plenty of other examples including the EOSL on the North Shore which caters to millionaires from Arabia, China, the Middle East, and Asia in their retirement who want companionship and help with the crosswords and not on establishing themselves in a working life in New Zealand.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Council is hiding the increased payments to the waste collection contractors and largely eliminating competition to keep down prices. A tag has resulted in people actively and quite consistently sorting their recycling. Council should simply raise the cost of the tags should there be a business need to do so.

## **Question 4:**

### **Local board priorities**

#### **4A. Which local board(s) would you like to provide feedback on?**

Henderson-Massey

### **Henderson-Massey Local Board Priorities**

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

#### **4B. What do you think of our proposals for your local board area in 2025/2026?**

**Do not support most**

**Tell us why**

Because there are no business cases for any project, and no performance criteria. The Supplementary Information document does not exist and is not with the Budget document or accessible on the web page. Shame on the Council for being so duplicitous and untrustworthy?

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Working with the community on signature events with the intent for the community to take the lead**

Fairly important

**Engaging mana whenua, Māori and in collaboration with Te Kete Rukuruku, creating Te Ao Māori activations for whanau that incorporate te reo, tikanga and supporting the area's Pūrakau (Māori history)**

Less important

**Expanding youth voice initiatives to academic students in the local board area**

Less important

**Work on plans to upgrade Catherine Plaza**

Fairly important

**Continue to support water quality initiatives including the Rivercare group's work in Te Atatū Peninsula, Love Your Streams (EcoMatters) and Ngā Puna Manaaki Inanga, a project**

**to identify, protect and enhance Īnanga spawning habitats across the Henderson-Massey local board area**

Very important

**Tell us why (please be clear which priority you are talking about)**

Supporting services to all communities by enhancing libraries, art, and youth programs. This is very important as the local board is seeking to cut funding let alone enhancing the provision of artistic activities. The Waitakere Arts centre creates great community value making a richer lived experience for locals and for contributing to the economy. Considering the selfless donation of the whole land and buildings by the Corban family solely for the promotion and practice of art then it is avaricious of the board to cut the funding. It is also disrespectful to the generosity and community spirit by the benefactors from the Corban family. ,

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

There is no Supplementary Information and no business plans, performance criteria, performance evaluation methodology and no planned program of evaluation for ANYTHING.

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Fairly important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

#### North Harbour Stadium and Domain Precinct

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of

local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

I don't know

**Tell us why**

. I don't know

## **Rodney Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

I don't know

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Improving services for all communities by enhancing libraries art and youth programmes**

Fairly important

**Promote physical activity and recreation by increasing play opportunities in more locations**

Less important

**Support community groups, volunteers, and mana whenua to enhance environmental protection and restoration efforts, particularly for waterways and wetlands, while promoting waste reduction**

Fairly important

**Increase maintenance service levels, such as more frequent mowing of high-profile reserves, pest control, and repair of tracks and car parks.**

Very important

**Support Rodney Greenways Plans to facilitate walking, cycling and horse riding**

Very important

**Prepare and review plans for reserves to identify gaps to meet community needs**

Fairly important

**Improve the safety of our community and environment through increased education, monitoring and compliance.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

### **Question 5: Other feedback**

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

How much funding for Māori programs comes from Maori organizations and trusts? These programs only benefit people of Maori heritage and not the overall community as a whole. Adding on more debt without requiring people living in the Auckland region only pushes it down the road.

How much money would be required to pay off all of Auckland councils debt in 10 years or 20 years?

## **Question 2: Destination management and major events**

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

### **Tell us why**

This is a common initiative in cities around the world and would not be a surprise to experienced travelers. Local travelers will struggle to accept this.

## **Question 3: Changes to other rates, fees and charges**

### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

While inflation has stayed high, house prices have dropped, specifically in the Rodney region. Many homes sold in the last 12 months are below the CV. How will that impact on the planning if revenue is reduced due to falling house prices?

**Question 4:****Local board priorities****4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

**Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Do not support most

**Tell us why**

Why do local business associations need encouragement to continue to support business development in the area? That would be their mandate by members of that association. At what cost does making parks being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities? People drive or walk to a park or recreational area and use it. This is not spending money wisely. Climate change is not a concern in the Hibiscus coast region. Beach protection may be but erosion is caused by tide and current movements not by a change in the climate. I am not interesting in the North Harbour stadium unless it has parking available. Public transport for these facilities after working hours is a joke in Auckland. If you want to make transport a priority get the construction costs down and build a train line.

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Fairly important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Less important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Less important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Less important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Less important

**Tell us why (please be clear which priority you are talking about)**

Stated about in the previous comments box.

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

No

**Tell us why**

If you do not have a transportation plan that allows for the use of vehicles then this will be a flop. Big time.

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

The rates increase, does not take into account the needs of many individual households. Those of us who do not want to use the food recycling bin should not have to pay for it. I should not have to pay for certain events that are not pertinent to New Zealand into New Zealand culture. Removing

rubbish bins from public areas, and my opinion is a disgrace., people will, and already dumping their rubbish.

## **Question 2: Destination management and major events**

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### **Tell us why**

Because this is for the individual, who opens their home too, God only knows who. The council should not Proffitt from this, they are already profiting from Xtra people being in the city. Double dipping.

## **Question 3: Changes to other rates, fees and charges**

### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Other

### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

I support these being in the rates, however the price is extensively high. There is literature written stating that those who use More will be better off, and those who pay less will assist those with more rubbish. This is unfair. It should be based on A household to household Price.

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

### Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

#### Tell us why

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Less important

**Tell us why (please be clear which priority you are talking about)**

I have only utilise the North Harbour Stadium once. Parking is terrible, therefore I don't bother going to things. The facility itself is great.

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

No

**Tell us why**

as above. Also, not everybody needs or utilises such a big stadium/area.

**Question 5: Other feedback****Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

I don't know

### Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

#### **Tell us why**

It reduces accommodation supply and increases costs for tourists. We need more tourists not less. The way to do that is not by council funded events and marketing which goes to favoured special interest groups, let the private sector take the risks. If there was some special facilities required for tourists then user pays or rates should fund that.

### **Question 3: Changes to other rates, fees and charges**

#### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

I don't know

#### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Increases should be less inflation. Council lacks fiscle discipline and has failed to curtail wasteful expenditure on pet projects

### **Question 4:**

#### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

I don't know

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Less important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

Climate change is a term that is discredited socialist group think. Focus on avoiding pollution. We have plenty of trees and they grow fast here so stop interfering unnecessarily in other people's business.

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

It seems to be under utilised. Either make something of it or get rid of it

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Council should focus on core utilities. There should be no funding for ethnic groups and diversity, that is just plain racist. Maori, PI, chinese, indian etc should fund their own activities and facilities with no special favours. All community funding should be left to the communities to fund themselves if they wish. It is corrupt to use the rates system for political favours to ethnic groups such as funding for Marae which are for a particular community rather than everyone. How is that ethical.

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Transport a joke, there has never been a proper long term transport plan since before the labour bridge was built.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Other

### Tell us why

Support bed levy and use for major events, do not support it going to marketing, too many leaches in this space and too much miss intentioned adverting, like all these disgusting huge advertising screen that are popping up every where.

## Question 3: Changes to other rates, fees and charges

### 3A. What do you think of the waste management proposal?

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

### 3B. Would you like to comment on this or the other rates, fees and charges proposals?

*(Please be clear which proposal you are talking about)*

As a pensioner, I put out a bin once every six to eight weeks, and that I aid for with tag, now I have to pay for a collection every week I don't use.

## Question 4:

## Local board priorities

### 4A. Which local board(s) would you like to provide feedback on?

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

#### Tell us why

The council has made a complete balls up of Browns Bay beach area. Beachfront lane is too narrow for the amount of traffic, the wooden broad walk is too wide for amount of use. With all the cafes and the beach there is not enough parking.

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

No

**Tell us why**

It was built in the wrong place, should have been near the bus interchange and have parking.

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Not at the moment.

Less important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Less important

**Tell us why (please be clear which priority you are talking about)**

More financial support should be for environmental concerns (no.2 and 5). The money targeted is the smallest amount and charitable organisations that perform a momentous task with restoration work need financial support to enable them to keep functioning, and doing work that council is often unable to do.

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of

local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

It needs to be more user-friendly to enable it to be utilised more extensively.

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

Many cities in the world do this now. Do it. Good way of getting some extra \$\$\$. Invest it wisely.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Rates increase are hurting the elderly and many many others.. it's a worldwide thing. There must be some whizz kid who can come up with some other way of gathering \$\$. I think they are capped in some parts of USA after you buy a house?

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Rodney

. Support most

## Rodney Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

#### Tell us why

There are many issues facing Rodney at moment. It's becoming too busy. Traffic is unbearable. This new bridge isn't going to really help matters maybe move a bottleneck somewhere else along the motorway. Bus service is \*\*\*\*\*. Gulf harbour ferry isn't covered by the new cap limit so getting the ferry every week is too expensive. They also cancel frequently so not dependable. Because Hibiscus Coast is one way in/out the buses are stuck in commuter traffic. Getting a bus from home in Manly to HC Bus Station takes 40mins in morning. Then another 50 minutes to get bus from HC bus station to city. Current driving commute is 1.30hr. It's so stressful. People tell me in the problem as I'm the traffic. \*\*\*\*\*. I've no choice. I moved to coast as was only place I could afford. Anti social behaviour is increasing too. I feel the green areas are disappearing as more estates are being built. I could go on. We need green areas for keeping the place cool and our birds. Also that shambles of a housing estate behind the HB bus station. Who gave that the go ahead?? Have you tried to park there? Am glad it was brought to someone's attention after that fire in Mildale. Houses and units look like \*\*\*\*\*. We are looking a nice city feel. Oh can we have a bike path from gulf harbour to Silverdale too? Ha ha,,now that would be awesome.

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

##### Improving services for all communities by enhancing libraries art and youth programmes

Less important

##### Promote physical activity and recreation by increasing play opportunities in more locations

Very important

##### Support community groups, volunteers, and mana whenua to enhance environmental protection and restoration efforts, particularly for waterways and wetlands, while promoting waste reduction

Less important

##### Increase maintenance service levels, such as more frequent mowing of high-profile reserves, pest control, and repair of tracks and car parks.

Very important

##### Support Rodney Greenways Plans to facilitate walking, cycling and horse riding

Very important

##### Prepare and review plans for reserves to identify gaps to meet community needs

Very important

**Improve the safety of our community and environment through increased education, monitoring and compliance.**

Very important

**Tell us why (please be clear which priority you are talking about)**

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

### Tell us why

The rate payers cannot afford continued increases in the rates well above the inflation rate. More and more people find they cant afford to pay the rates particularly the elderly. This is making it even more affordable to own a home in the city. It is not sustainable.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

These sorts of things are needed to fund the basic infrastructure needs of the city. The Council should not use it to fund events that maybe a nice to have but given the tight budget they should not be considered in council spending - focus on the basics.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

I am now paying for a rubbish bin that I am lucky to fill in a month and a food waste bin I never use as i compost my food waste - charges must be user pays such as bin tags rather than yet another blanket rates increase

## Question 4:

## Local board priorities

### 4A. Which local board(s) would you like to provide feedback on?

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Do not support most

#### Tell us why

There is nothing in the local board proposal to excite me. The ward is split between two geographically separate communities with differing needs and priorities. We see very little positive activity in the Bayes and of course there are still no work done on Glenvar road

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

I don't know

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Less important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Less important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

I don't know

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

I don't know

**Tell us why (please be clear which priority you are talking about)**

The council must focus funding on basics not the nice to have or nice to do - This is in relation to all proposed proprieties - I do not consider any of these to be a priority in these economic times

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

No

**Tell us why**

While I support the continued use of North Harbor stadium it is not a priority for funding. The Council has do some hard work getting private funding to develop it and also work hard to encourage events to return.

**Question 5: Other feedback****Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

My feedback is clear. Stop increasing rates its not sustainable. Cut back on spending as promised. Focus on basics not nice to haves

# Annual Plan 2025-2026

Note: this simplified version of the feedback form has been created for the purpose of publishing submissions. As such, contact and demographic information has been removed, and handwritten submissions have been transcribed.

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

### Tell us why

THAT

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support all

### Tell us why

We obviously need people who think for the future and beyond their lifetime. Auckland is obviously the main commercial city for New Zealand. We should stop using the best land for housing and concentrate on social housing for the working class in all existing areas.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Appears to be a good amount going to infrastructure of water and other critical services.

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

We are wanting to encourage visitors, so they come and spend their money in Auckland businesses. Charging them just to come appears to be the opposite of trying to entice visitors.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support all

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Fairly important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

#### Tell us why (please be clear which priority you are talking about)

North Harbour Stadium has such huge potential. Further funding should be invested improve the up keep and draw in larger crowds.

#### North Harbour Stadium and Domain Precinct

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of

local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

North Harbour Stadium should be priotised to encourage more events and larger events. The Stadium needs to be looking into diversifying the events in and around the Stadium.

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

The decision to close Western Springs Speedway was unbelievably deceptive to Aucklanders and to council members. The numbers used were from a 4 meeting long flood hit season where half the stadium was closed. Western Springs DOES NOT cost rate payers 1.2million. This is a lie that keeps being told. That figure was generated by TAU as a possible income from concerts which should now be held at Eden Park. Council should not only reverse this decision, they should embrace speedway and the huge number of local businesses that either rely on speedway or who support it.

# Annual Plan 2025-2026

Note: this simplified version of the feedback form has been created for the purpose of publishing submissions. As such, contact and demographic information has been removed, and handwritten submissions have been transcribed.

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support all

### Tell us why

Actioning the initiatives of the LTP in this year's annual plan will allow for long-term maintenance and improvement of our city's wellbeing. It is pleasing to see a greater focus on climate action and environmental initiatives such as improving water quality and a focus on public transport. It is good

to see a continuing appreciation of recreational, cultural and social events being positive for the city which will also promote tourism and grow the regional economy,

## **Question 2: Destination management and major events**

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

### **Tell us why**

Auckland rates are comparatively low relative to other parts of Aotearoa. With the loss of the regional fuel tax to fund transport related initiatives, I can appreciate that council is trying to do more with less in an environment that requires increasing investment and has higher costs. Without solutions such as bed night visitor levies, Auckland will have to reduce cultural and heritage offerings which I am not in support of. Another option would be to increase rates, which I don't think will be socially acceptable generally.

## **Question 3: Changes to other rates, fees and charges**

### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

**Question 4:****Local board priorities****4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

**Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

I like the focus on youth, the environment and town centres. These things speak to 'succession planning' for locals to continue to have a stake and interest in their communities. However, I would also like to see a greater appreciation of the diversity present in our community and how people of varied backgrounds (ethnic and ability) can contribute and enrich our community.

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Less important

**Tell us why (please be clear which priority you are talking about)**

4. Local business associations to a fantastic job drawing people to town centres. However, events promoted by these associations are primarily to drive spending at businesses. I would like to see more community initiatives in these areas to offer opportunities for people to participate in town centres that don't rely on spending money. 6. The North Harbour stadium precinct is still viewed primarily as just North Harbour Stadium. Until this changes to include the precinct (including the leisure centre and surrounding parks) making the area more accessible (outside of paid sports events), it will be hard to justify to the wider population why we should be investing in it.

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

The current perception of the area is very much tied to the stadium. However, outside of paid sports events, there are other resources and activities that can be used by the community for no and low cost. A vision and plan should focus on the diverse usage of the area which will hopefully allow the wider population to understand the precinct's value.

**Question 5: Other feedback****Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund

cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Rodney

. Do not support most

### **Rodney Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Do not support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Improving services for all communities by enhancing libraries art and youth programmes**

Very important

**Promote physical activity and recreation by increasing play opportunities in more locations**

Less important

**Support community groups, volunteers, and mana whenua to enhance environmental protection and restoration efforts, particularly for waterways and wetlands, while promoting waste reduction**

Less important

**Increase maintenance service levels, such as more frequent mowing of high-profile reserves, pest control, and repair of tracks and car parks.**

Fairly important

**Support Rodney Greenways Plans to facilitate walking, cycling and horse riding**

Fairly important

**Prepare and review plans for reserves to identify gaps to meet community needs**

Less important

**Improve the safety of our community and environment through increased education, monitoring and compliance.**

Very important

**Tell us why (please be clear which priority you are talking about)**

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

I am really disappointed that you're moving western springs speedway to waikaraka

### **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

### **Question 4:**

#### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

None

**Question 5: Other feedback****Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

I am incredibly disappointed with the decision to move Western Springs speedway to Waikaraka. It is unfortunate that due process was not followed and consequently a historic Auckland landmark with 96 years of history is no longer. Western Springs has been a tradition for me and my family since my grandparents were young. I can't understand the rationale for this move.

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support all

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Fairly important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Less important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Less important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

### **North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of

local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

### Tell us why

NO FLUORIDE in our water - you didn't ask us, and you haven't considered the health impacts with ALL information. You can't cherry pick the data that suits you. You need to consider ALL the information on health risks. WHERE is the accountability on running services like waste management fairly and economically. We didn't ask for the enormous expense of rolling out those

silly little food scrap bins. We didn't ask you to pay for all those 'info woke agents' to be sited in supermarkets to encourage us to use your silly little scheme. Why are you persisting in wasting money on schemes like this, that we didn't ask for, don't want, and cost A LOT of money? Pet wokeness. Where is the accountability of ensuring that what money is spent by council is fair value, and stands up to normal business practice? The super city was promised as saving ratepayers money. You keep globalising and centralising services = eg waste, but the costs for these services goes up ... it costs the council more, and is not as cost effective as when waste was run by legacy councils - as one example. Ratepayers want the council to live in the real world.

## **Question 2: Destination management and major events**

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### **Tell us why**

Why do you and national govt make businesses and ratepayers your unpaid tax collectors, enforcing more compliance and admin onto people who should be encouraged and invested into. You could make up the shortfall by DROPPING all the woke stuff. Stop paying for drag queens in libraries. We did NOT ask for this expense. The expense on this type of stuff is ridiculous.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Why do the waste charges keep going up, when the Super City was sold to ratepayers as a way to run the council more cost-effectively. Why hasn't that happened? You collect more rates from ever developing suburbs, but you are not spending it economically prudently. We NEED an audit process to hold Auckland Council to account for it's spending.

**Question 4:****Local board priorities****4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

**Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Do not support most

**Tell us why**

Lack of trust in Auckland Council's abilities to deliver what they say they will. Where is the accountability to ratepayers? Why are councillors and board members double dipping? Eg board member Gary Brown is paid to be a council member, and also contracts to the council with his entertainment company/contracts ... how many other councillors are also receiving council contracts? Why are you elevating young people to have a voice in local board decision-making when you won't include an accountability team to ensure proper financial responsibility is being upheld? Young people are being indoctrinated into wokeness in schools with more lessons on gender diversity and less on critical thinking and common sense - skills needed to CHALLENGE council out of wokeness and agendas >>> and at some point Council needs to move into financial responsibility and showing us that you delivered on what you promised - eg Waste expenditure that increased by signing up to a new global contractor instead of the cheaper option that legacy councils used with local contractors. Why did you do that Auckland Council? Don't start importing youth members on local boards to groom them into young compliant puppets that will bow to the Agenda 2030 and Agenda 2050 that was adopted without ratepayer consent. NO. Please show us the PROOF of climate change - with evidence. Ian Wishart is showing evidence that climate change is a flawed and ideological theory that is not backed by hard evidence. Don't spend money on a theory until you can prove it is true. NIWA won't address it, they can blacken Ian Wishart's name, but that doesn't change the facts he is highlighting. Insults and personal attacks by NIWA don't refute Wishart's evidence. So why include expenditure on climate change without first addressing the lack of evidence. Another area / issue of wasting ratepayers money.

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Less important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Less important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Less important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Less important

**Tell us why (please be clear which priority you are talking about)**

CLIMATE CHANGE - wasteful spending when you first need to address the lack of evidence to prove the climate change argument. Ian Wishart points out the flaws and misleading assumptions of NIWA. Before Auckland Council spend valuable ratepayers money, the first question should be - do we agree with climate change? Do not assume. Young people on the local boards: no - stick to your knitting and get the basics right first. First priority should be to bring in a financial accountability team and ensure all contracts issued by council meet a test of fiscal prudence so we don't see the ridiculous spending of \$120,000 per pedestrian crossing, etc

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

No

**Tell us why**

Cut your cloth to what you can afford. Did you listen when the idea of a stadium was first mooted ... where was the feasibility studies then?

## **Question 5: Other feedback**

### **Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

### **Tell us here**

Keep the maunga available for all citizens of New Zealand. Otherwise, stop charging the ratepayers to fund organisations that have 50% or more of the decision makers representing less than 17% of the nation. In plain words - we are ONE country, ONE nation. The answers lie in all of us working together. If you are going to separate people and keep them off the Maunga, off the foreshores, away from areas of natural beauty, then Auckland Council have FAILED to represent ALL of their voting and ratepaying people.

# Annual Plan 2025-2026

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

I think we should spend less currently rather than raise rates

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

Promoting more events in Auckland/ New Zealand benefits all

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Agree

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays, Rodney

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

#### Tell us why

Because most are for public areas. I don't believe council should support local businesses because it often leads to too much legislation ultimately restricting business.

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Fairly important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Less important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Fairly important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

It is a key part of the local area and needs to be accessible to more people to help promote community

## Rodney Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Improving services for all communities by enhancing libraries art and youth programmes**

Fairly important

**Promote physical activity and recreation by increasing play opportunities in more locations**

Very important

**Support community groups, volunteers, and mana whenua to enhance environmental protection and restoration efforts, particularly for waterways and wetlands, while promoting waste reduction**

Less important

**Increase maintenance service levels, such as more frequent mowing of high-profile reserves, pest control, and repair of tracks and car parks.**

Fairly important

**Support Rodney Greenways Plans to facilitate walking, cycling and horse riding**

Very important

**Prepare and review plans for reserves to identify gaps to meet community needs**

Fairly important

**Improve the safety of our community and environment through increased education, monitoring and compliance.**

Very important

**Tell us why (please be clear which priority you are talking about)**

Improving safety and education in this community is the main priority. Without the environment will never improve

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

# Annual Plan 2025-2026

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund

cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

**Tell us why**

### **Question 3: Changes to other rates, fees and charges**

#### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

#### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

### **Question 4:**

#### **Local board priorities**

##### **4A. Which local board(s) would you like to provide feedback on?**

Rodney

.

#### **Rodney Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

##### **4B. What do you think of our proposals for your local board area in 2025/2026?**

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Improving services for all communities by enhancing libraries art and youth programmes**

Very important

**Promote physical activity and recreation by increasing play opportunities in more locations**

Very important

**Support community groups, volunteers, and mana whenua to enhance environmental protection and restoration efforts, particularly for waterways and wetlands, while promoting waste reduction**

Fairly important

**Increase maintenance service levels, such as more frequent mowing of high-profile reserves, pest control, and repair of tracks and car parks.**

Very important

**Support Rodney Greenways Plans to facilitate walking, cycling and horse riding**

Fairly important

**Prepare and review plans for reserves to identify gaps to meet community needs**

Very important

**Improve the safety of our community and environment through increased education, monitoring and compliance.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

Milldale is a growing community, and the children will need more recreational spaces. These children are growing up in small homes, with little or no outdoor areas.

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

I don't know

### Tell us why

Rates must be lowered for retired people. Pension doesn't pay enough for these

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

Don't know why pensioners have to pay this

### **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

I only put my rubbish bin out 3 times a year. So should only have to pay for each pick-up

### **Question 4:**

#### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Do not support most

#### Tell us why

Pensioners can't afford more expenses

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Less important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Less important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Less important

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)****North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

## **Upper Harbour Local Board Priorities**

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Appropriate planning and investment for infrastructure and quality open space in areas impacted by growth and intensification e.g. Whenuapai**

Fairly important

**Continue to prioritise support to our local community organisations and volunteers to deliver outcomes that provide a sense of belonging, wellbeing and resilience for residents**

Very important

**Continue to prioritise investment in outcomes that ensure our communities have access to high-quality amenities that provide for a range of opportunities including play, pathways and connections, active sports and recreation and connecting with nature**

Very important

**Funding to assist in the development, improvement, and renovation of non-council owned community facilities that serve the Upper Harbour area through a facilities grants process**

Very important

**Improve wayfinding in the Upper Harbour area to help our communities to easily discover and enjoy the assets we have**

Fairly important

**Contribute funding for the development of a vision and plan for the future North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we want feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Community climate action and sustainability activities, Grants, Local waste minimisation activities

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays, Rodney

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

No

**Tell us why**

. Support most

## **Rodney Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Improving services for all communities by enhancing libraries art and youth programmes**

Very important

**Promote physical activity and recreation by increasing play opportunities in more locations**

Very important

**Support community groups, volunteers, and mana whenua to enhance environmental protection and restoration efforts, particularly for waterways and wetlands, while promoting waste reduction**

Very important

**Increase maintenance service levels, such as more frequent mowing of high-profile reserves, pest control, and repair of tracks and car parks.**

Fairly important

**Support Rodney Greenways Plans to facilitate walking, cycling and horse riding**

Less important

**Prepare and review plans for reserves to identify gaps to meet community needs**

Fairly important

**Improve the safety of our community and environment through increased education, monitoring and compliance.**

Very important

**Tell us why (please be clear which priority you are talking about)**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

# Annual Plan 2025-2026

Note: this simplified version of the feedback form has been created for the purpose of publishing submissions. As such, contact and demographic information has been removed, and handwritten submissions have been transcribed.

## Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Auckland's urban development has achieved positive results, and investment should be increased to create a better business environment.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

The funding gap for major events in Auckland is \$7 million, yet the city plans to impose an accommodation tax of \$27 million. This could lead tour groups to avoid Auckland in favor of surrounding towns in the future, making the accommodation tax counterproductive.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

## Devonport-Takapuna Local Board Priorities

The local board has additional funding in 2025/2026, however there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most **Tell us why** Our priorities for 2025/2026 are listed below. **How important are these priorities to you?** **Progress the planning and development of the Takapuna Community Hub**

**Support local environmental groups to work with volunteers to clean up, manage and plant our local reserves and open spaces contributing to better outcomes and more weather resilient spaces**

**Continue to maintain and enhance community facilities, including parks and sports fields, libraries and community venues to meet community needs**

**Progress the Devonport-Takapuna Local Parks Management Plan and refresh of the local boards Greenways Plan**

**Support our flood impacted communities as their neighbourhoods change by offering ways and places to connect and share experiences and information**

**Develop a Wairau Catchment Water Quality Action Plan that will ensure future decisions take advantage of existing reports and advice**

**Support initiatives identified in the Devonport-Takapuna Ethnic Communities Plan in collaboration with the relative representatives of our ethnic communities.**

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we are seeking feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

### Tell us why

Auckland's urban transportation infrastructure has made significant progress, but further investment is necessary. The government should continue to enhance transportation to improve the city's overall quality of life. However, the financial burden on taxpayers must be carefully considered. Excessive increases in council rates could place undue strain on households,

particularly those already facing financial difficulties. If property rates continue to rise, landlords may pass on the additional costs to tenants, ultimately increasing the cost of living. This could lead to higher housing costs and slow down the overall development of the real estate market, which is not beneficial in the long run.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. ### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

While Auckland has seen notable improvements in urban transit infrastructure, more investment is still required. The government should prioritize transportation enhancements to boost residents' quality of life. Yet we must be mindful of the taxpayer impact. Higher council rates may burden households, especially those facing economic challenges. Rising property rates could cause

landlords to increase rents, driving up living costs. This might inflate housing expenses and impede real estate market growth, creating negative long-term consequences.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

The funding gap for major events in Auckland is \$7 million, yet the city plans to impose an accommodation tax of \$27 million. This could lead tour groups to avoid Auckland in favor of surrounding towns in the future, making the accommodation tax counterproductive.

## Question 3: Changes to other rates, fees and charges

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

Auckland plans to impose a \$27 million accommodation tax despite only needing \$7 million to fund major events. This excessive measure could prompt tour operators to book lodgings in surrounding communities instead, ultimately working against the tax's intended purpose.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Do not support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

# Annual Plan 2025-2026

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support all

### Tell us why

Auckland's transportation network has improved considerably, but additional funding remains essential. Continued government investment in transit systems would enhance citywide livability. However, we should consider the financial impact on taxpayers. Substantial increases in council rates may create hardship for many households, particularly those already struggling financially. If

property rates rise, these costs may be transferred to renters, increasing overall living expenses. Such changes could potentially slow housing market development and prove counterproductive over time.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### Tell us why

If accommodation is taxed, it will inevitably increase tourists' lodging costs and directly impact the development of Auckland's tourism industry.

## Question 3: Changes to other rates, fees and charges

### 3A. What do you think of the waste management proposal?

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

### 3B. Would you like to comment on this or the other rates, fees and charges proposals?

*(Please be clear which proposal you are talking about)*

## Question 4:

## **Local board priorities**

### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Despite significant advancements in Auckland's transportation infrastructure, further development is needed. The government should invest in continued transit improvements to elevate residents' quality of life. Nevertheless, taxpayer costs must be balanced carefully. Raising council rates substantially could overwhelm households, especially financially vulnerable ones. Landlords facing

higher property rates might shift these costs to tenants, escalating living expenses. This could potentially hamper housing market growth and prove detrimental in the long run.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

If accommodation is taxed \$27 million, it will inevitably increase tourists' lodging costs and directly impact the development of Auckland's tourism industry.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Implementing a special waste tax to replace the purchase of garbage bags and bin tickets is very reasonable and convenient, eliminating many hassles. Strongly support this measure.

**Question 4:****Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

**Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

This annual plan is indeed feasible, and if not fully implemented, it will affect the execution of the overall long-term plan. Although property taxes will increase, they will remain within an acceptable range for residents and will not have a significant impact. During economic recovery, everyone must

make certain sacrifices to contribute to the development of society as a whole. This annual plan has been thoroughly evaluated and has a certain degree of feasibility.

## **Question 2: Destination management and major events**

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

### **Tell us why**

Charging a certain amount of accommodation tax is entirely feasible, and these funds can be allocated for specific purposes. Everyone who enjoys New Zealand's tourism resources has a responsibility to contribute. It is well known that the vast majority of New Zealand's attractions are free to access, which is a significant benefit for visitors. Therefore, it is only reasonable for travelers to pay an accommodation tax to support maintenance and management.

## **Question 3: Changes to other rates, fees and charges**

### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support all

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

### **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

# Annual Plan 2025-2026

## Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support all

### Tell us why

Especially support the enhancement of drainage projects to prevent water accumulation, benefit the people, and ensure quality of life.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

Because this type of tax will affect tourist confidence, leading to a decline in visitor numbers and consequently causing the entire tourism industry to shrink, it will not be beneficial to the overall national economy.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Auckland has made notable strides in urban transportation, but additional investment remains crucial. Ongoing government support for transportation improvements would benefit the city's livability. Yet we must weigh the impact on taxpayers. Steep increases in council rates could strain household budgets, particularly for those already facing financial pressure. Rising property rates

may prompt landlords to increase rents, driving up living costs. Such trends could slow real estate development and create adverse long-term effects.

## **Question 2: Destination management and major events**

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### **Tell us why**

The funding gap for major events in Auckland is \$7 million, yet the city plans to impose an accommodation tax of \$27 million. This could lead tour groups to avoid Auckland in favor of surrounding towns in the future, making the accommodation tax counterproductive. The \$7 million funding deficit for Auckland's major events contrasts sharply with the city's planned \$27 million accommodation tax. Tour groups may respond by staying in nearby towns, thereby making the tax counterproductive in the long run.

## **Question 3: Changes to other rates, fees and charges**

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support all

### Tell us why

If additional taxes are imposed on accommodations and property, it will only make life more difficult for ordinary people, especially since the economy is already struggling. It would be better if the government sought financing through other means, as long as it remains a well-planned initiative.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

If this tax is imposed, will tourists still want to visit? This could discourage travel, leading to fewer visitors to New Zealand and ultimately reducing government revenue.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

I believe that property taxes are too high and suggest reducing this tax.

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

If the government can secure financing, that would be acceptable, but it should not further increase property taxes on average-value homes, as the various taxes here are already very high.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. ### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

The progress in Auckland's transportation infrastructure is commendable, yet further investment is still required. Enhanced transportation systems should remain a government priority to improve urban living conditions. However, the financial impact on residents deserves careful consideration. Significant council rate increases may create hardship for many households, particularly those with

limited financial resources. Property rate hikes could lead to rent increases as landlords pass on costs, resulting in higher living expenses. This situation might impede real estate market development, with negative long-term implications.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### Tell us why

Auckland's urban transportation infrastructure has made significant progress, but further investment is necessary. The government should continue to enhance transportation to improve the city's overall quality of life. However, the financial burden on taxpayers must be carefully considered. Excessive increases in council rates could place undue strain on households, particularly those already facing financial difficulties. If property rates continue to rise, landlords may pass on the additional costs to tenants, ultimately increasing the cost of living. This could lead to higher housing costs and slow down the overall development of the real estate market, which is not beneficial in the long run.

## Question 3: Changes to other rates, fees and charges

### 3A. What do you think of the waste management proposal?

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

I believe the personal income tax rate is too high, which affects hardworking individuals. I suggest lowering personal income tax.

**Question 4:****Local board priorities****4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

**Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

#### **North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

### **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

I suggest that the government closely understand public concerns, vigorously develop the economy, reduce the cost of living, and alleviate the financial burden on ordinary families.

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

The accommodation tax may drive tourists away from staying in the Auckland area.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

While Auckland has enhanced its urban transportation framework, continued investment is essential. The government ought to pursue further transportation improvements to boost the city's livability. However, we must be cautious about the financial burden on residents. Substantial council rate increases could create difficulties for many households, especially those already

experiencing financial stress. Higher property rates may result in increased rents as costs are passed to tenants, raising overall living expenses. This could potentially hinder housing market growth and prove counterproductive over time.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### Tell us why

Auckland's proposed \$27 million accommodation tax greatly surpasses the \$7 million funding gap for major events. This overreach may cause tour operators to choose accommodations in surrounding towns, ultimately diminishing the tax's effectiveness.

## Question 3: Changes to other rates, fees and charges

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Auckland's urban transportation infrastructure has made significant progress, but further investment is necessary. The government should continue to enhance transportation to improve the city's overall quality of life. However, the financial burden on taxpayers must be carefully considered. Excessive increases in council rates could place undue strain on households,

particularly those already facing financial difficulties. If property rates continue to rise, landlords may pass on the additional costs to tenants, ultimately increasing the cost of living. This could lead to higher housing costs and slow down the overall development of the real estate market, which is not beneficial in the long run.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### Tell us why

Auckland needs \$7 million to bridge its major events funding gap, yet its proposed accommodation tax will collect \$27 million. This excessive taxation may lead tour groups to stay in peripheral towns instead, making the tax work against its own objectives.

## Question 3: Changes to other rates, fees and charges

### 3A. What do you think of the waste management proposal?

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

### 3B. Would you like to comment on this or the other rates, fees and charges proposals?

*(Please be clear which proposal you are talking about)*

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

#### **Tell us why**

The \$27 million accommodation tax Auckland plans to impose far exceeds the \$7 million needed for major event funding. This disparity could prompt tour operators to book accommodations in surrounding towns, thus negating the tax's effectiveness.

### **Question 3: Changes to other rates, fees and charges**

#### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

#### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

I believe that the personal income tax rate is too high, which affects people's motivation to work hard and earn more. I suggest moderately lowering personal income tax, reducing expenditures unrelated to daily life, and boosting the economy by expanding industries. Additionally, attracting wealthy immigrants, such as those with a net worth of \$1,000,000 per person, could be beneficial.

### **Question 4:**

## **Local board priorities**

### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Maintain good relations with China and enhance comprehensive economic cooperation rather than engaging in meaningless democratic practices with Western countries. What ordinary people need is economic growth. Do not underestimate China, and avoid rigid ideological frameworks—economic development is more important than anything else. There are countless opportunities to generate wealth; by gathering a few experts for discussions, any issue can be resolved.

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support all

Tell us why

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Auckland has made notable strides in urban transportation, but additional investment remains crucial. Ongoing government support for transportation improvements would benefit the city's livability. Yet we must weigh the impact on taxpayers. Steep increases in council rates could strain household budgets, particularly for those already facing financial pressure. Rising property rates

may prompt landlords to increase rents, driving up living costs. Such trends could slow real estate development and create adverse long-term effects.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

Auckland's major events require an additional \$7 million in funding, but the city's planned \$27 million accommodation tax exceeds this need significantly. This may drive tour groups to neighboring areas, ultimately counteracting the tax's intended benefits.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

#### **Tell us why**

The funding gap for major events in Auckland is \$7 million, yet the city plans to impose an accommodation tax of \$27 million. This could lead tour groups to avoid Auckland in favor of surrounding towns in the future, making the accommodation tax counterproductive.

### **Question 3: Changes to other rates, fees and charges**

#### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support all

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support all

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

### **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Auckland's urban transportation infrastructure has made significant progress, but further investment is necessary. The government should continue to enhance transportation to improve the city's overall quality of life. However, the financial burden on taxpayers must be carefully considered. Excessive increases in council rates could place undue strain on households,

particularly those already facing financial difficulties. If property rates continue to rise, landlords may pass on the additional costs to tenants, ultimately increasing the cost of living. This could lead to higher housing costs and slow down the overall development of the real estate market, which is not beneficial in the long run.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### Tell us why

Despite needing only \$7 million to fund major events, Auckland is considering a \$27 million accommodation tax. This could backfire as tour companies might redirect their business to nearby towns, rendering the tax ineffective.

## Question 3: Changes to other rates, fees and charges

### 3A. What do you think of the waste management proposal?

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

### 3B. Would you like to comment on this or the other rates, fees and charges proposals?

*(Please be clear which proposal you are talking about)*

**Question 4:****Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

**Hibiscus and Bays Local Board Priorities**

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### **Tell us why**

The funding gap for major events in Auckland is \$7 million, yet the city plans to impose an accommodation tax of \$27 million. This could lead tour groups to avoid Auckland in favor of surrounding towns in the future, making the accommodation tax counterproductive.

## **Question 3: Changes to other rates, fees and charges**

### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

### Tell us why

I understand that this plan is mainly aimed at increasing residents' income and addressing financial difficulties, but it should not simply be about extracting wealth from the people.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

Those who work more should earn more. If all their hard-earned income is heavily taxed, will anyone still be willing to put in the effort?

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

This type of tax increases the expenses for households that produce less waste. Instead, those who generate more waste should pay more, while those who produce less should pay less.

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

**Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Do not support most

**Tell us why**

New Zealand's water and electricity and taxes are among the highest in the world. They should not be further increased at the expense of people's living standards.

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

### **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

# Annual Plan 2025-2026

Note: this simplified version of the feedback form has been created for the purpose of publishing submissions. As such, contact and demographic information has been removed, and handwritten submissions have been transcribed.

## Submitter details:

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. ### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support all

### Tell us why

While Auckland has enhanced its urban transportation framework, continued investment is essential. The government ought to pursue further transportation improvements to boost the city's livability. However, we must be cautious about the financial burden on residents. Substantial council rate increases could create difficulties for many households, especially those already

experiencing financial stress. Higher property rates may result in increased rents as costs are passed to tenants, raising overall living expenses. This could potentially hinder housing market growth and prove counterproductive over time.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### Tell us why

The funding gap for major events in Auckland is \$7 million, yet the city plans to impose an accommodation tax of \$27 million. This could lead tour groups to avoid Auckland in favor of surrounding towns in the future, making the accommodation tax counterproductive.

## Question 3: Changes to other rates, fees and charges

### 3A. What do you think of the waste management proposal?

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

The progress in Auckland's transportation infrastructure is commendable, yet further investment is still required. Enhanced transportation systems should remain a government priority to improve urban living conditions. However, the financial impact on residents deserves careful consideration. Significant council rate increases may create hardship for many households, particularly those with

limited financial resources. Property rate hikes could lead to rent increases as landlords pass on costs, resulting in higher living expenses. This situation might impede real estate market development, with negative long-term implications.

## **Question 2: Destination management and major events**

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### **Tell us why**

With a \$7 million funding gap for major events, Auckland's proposed \$27 million accommodation tax seems disproportionate. Tour groups may opt to stay in surrounding municipalities instead, potentially defeating the very purpose of the tax.

## **Question 3: Changes to other rates, fees and charges**

### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Despite significant advancements in Auckland's transportation infrastructure, further development is needed. The government should invest in continued transit improvements to elevate residents' quality of life. Nevertheless, taxpayer costs must be balanced carefully. Raising council rates substantially could overwhelm households, especially financially vulnerable ones. Landlords facing

higher property rates might shift these costs to tenants, escalating living expenses. This could potentially hamper housing market growth and prove detrimental in the long run.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

Auckland faces a \$7 million funding shortfall for major events, yet plans to implement a \$27 million accommodation levy. This excessive tax might cause tour operators to bypass Auckland for neighboring communities, ultimately undermining the tax's intended purpose.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## Question 4:

## **Local board priorities**

### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support all

### Tell us why

Auckland's transportation network has improved considerably, but additional funding remains essential. Continued government investment in transit systems would enhance citywide livability. However, we should consider the financial impact on taxpayers. Substantial increases in council rates may create hardship for many households, particularly those already struggling financially. If

property rates rise, these costs may be transferred to renters, increasing overall living expenses. Such changes could potentially slow housing market development and prove counterproductive over time.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### Tell us why

This will create financial pressure on tourists, leading them to choose accommodations in surrounding areas to avoid paying the accommodation tax.

## Question 3: Changes to other rates, fees and charges

### 3A. What do you think of the waste management proposal?

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Auckland's urban transportation infrastructure has made significant progress, but further investment is necessary. The government should continue to enhance transportation to improve the city's overall quality of life. However, the financial burden on taxpayers must be carefully considered. Excessive increases in council rates could place undue strain on households,

particularly those already facing financial difficulties. If property rates continue to rise, landlords may pass on the additional costs to tenants, ultimately increasing the cost of living. This could lead to higher housing costs and slow down the overall development of the real estate market, which is not beneficial in the long run.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### Tell us why

Tourism is one of New Zealand's pillar industries. Increasing the accommodation tax may seem like a way to fill government budget gaps, but in reality, it raises costs and burdens for the tourism sector, hindering its growth and long-term development.

## Question 3: Changes to other rates, fees and charges

### 3A. What do you think of the waste management proposal?

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

### 3B. Would you like to comment on this or the other rates, fees and charges proposals?

*(Please be clear which proposal you are talking about)*

The current waste management plan is simple and does not differentiate between households based on population size or housing area. Would it be more reasonable to introduce some distinctions in the implementation process to ensure fairness?

## **Question 4:**

### **Local board priorities**

#### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

### **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

#### **4B. What do you think of our proposals for your local board area in 2025/2026?**

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

While Auckland has enhanced its urban transportation framework, continued investment is essential. The government ought to pursue further transportation improvements to boost the city's livability. However, we must be cautious about the financial burden on residents. Substantial council rate increases could create difficulties for many households, especially those already

experiencing financial stress. Higher property rates may result in increased rents as costs are passed to tenants, raising overall living expenses. This could potentially hinder housing market growth and prove counterproductive over time.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

The accommodation tax may drive tourists away or reduce their stay in the Auckland region.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Auckland's urban transportation infrastructure has made significant progress, but further investment is necessary. The government should continue to enhance transportation to improve the city's overall quality of life. However, the financial burden on taxpayers must be carefully considered. Excessive increases in council rates could place undue strain on households,

particularly those already facing financial difficulties. If property rates continue to rise, landlords may pass on the additional costs to tenants, ultimately increasing the cost of living. This could lead to higher housing costs and slow down the overall development of the real estate market, which is not beneficial in the long run.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

Imposing an accommodation tax may lead tourists and travel groups to avoid Auckland and choose other destinations instead.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

**Question 4:****Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

**Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

### **North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

### **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

# Annual Plan 2025-2026

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Auckland's urban development has achieved positive results, and investment should be increased to create a better business environment. Urban taxes are detrimental to social development and do not attract foreign investment.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

The funding gap for major events in Auckland is \$7 million, yet the city plans to impose an accommodation tax of \$27 million. This could lead tour groups to avoid Auckland in favor of surrounding towns in the future, making the accommodation tax counterproductive.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support all

### Tell us why

Auckland's urban development has achieved positive results, and investment should be increased to create a better business environment. Urban taxes are detrimental to social development and do not attract foreign investment.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

Auckland's major events require an additional \$7 million in funding, but the city's planned \$27 million accommodation tax exceeds this need significantly. This may drive tour groups to neighboring areas, ultimately counteracting the tax's intended benefits.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Property taxes, water, and electricity costs are all rising, traffic is getting worse, and the cost of living in Auckland is too high to afford.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

It is necessary to understand the accommodation tax, as it has a significant impact on the tourism industry.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Auckland's urban transportation development has already made progress, and further investment is needed to accelerate economic recovery and growth. Currently, the economic situation is sluggish, and the sharp increase in property taxes has added to the financial burden on residents. High property taxes will also hinder the development of the real estate industry.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

Excessive accommodation taxes may drive international tourists away from Auckland, leading them to visit other cities instead, ultimately resulting in a loss rather than a gain.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

### **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

# Annual Plan 2025-2026

Note: this simplified version of the feedback form has been created for the purpose of publishing submissions. As such, contact and demographic information has been removed, and handwritten submissions have been transcribed.

## Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Auckland's urban transportation development has already made progress, and further investment is needed to accelerate economic recovery and growth. Currently, the economic situation is sluggish, and the sharp increase in property taxes has added to the financial burden on residents. High property taxes will also hinder the development of the real estate industry.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

Excessive accommodation taxes may drive international tourists away from Auckland, leading them to visit other cities instead, ultimately resulting in a loss rather than a gain.

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Auckland's severe traffic congestion makes infrastructure improvements necessary, but housing taxes should not place an excessive burden on residents.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

The funding gap for major events in Auckland is \$7 million, yet the city plans to impose an accommodation tax of \$27 million. This could lead tour groups to avoid Auckland in favor of surrounding towns in the future, making the accommodation tax counterproductive.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Property taxes, water, and electricity costs are all rising, traffic is getting worse, and the cost of living in Auckland is too high to afford.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

Auckland lacks funding, causing delays in urban development, which in turn discourages travelers from visiting the city.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support all

### Tell us why

While Auckland has enhanced its urban transportation framework, continued investment is essential. The government ought to pursue further transportation improvements to boost the city's livability. However, we must be cautious about the financial burden on residents. Substantial council rate increases could create difficulties for many households, especially those already

experiencing financial stress. Higher property rates may result in increased rents as costs are passed to tenants, raising overall living expenses. This could potentially hinder housing market growth and prove counterproductive over time.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### Tell us why

Auckland's major events require an additional \$7 million in funding, but the city's planned \$27 million accommodation tax exceeds this need significantly. This may drive tour groups to neighboring areas, ultimately counteracting the tax's intended benefits.

## Question 3: Changes to other rates, fees and charges

### 3A. What do you think of the waste management proposal?

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

### 3B. Would you like to comment on this or the other rates, fees and charges proposals?

*(Please be clear which proposal you are talking about)*

**Question 4:****Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

**Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

### **North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

### **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

## Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

I don't know

### Tell us why

Auckland's urban transportation infrastructure has made significant progress, but further investment is necessary. The government should continue to enhance transportation to improve the city's overall quality of life. However, the financial burden on taxpayers must be carefully considered. Excessive increases in council rates could place undue strain on households,

particularly those already facing financial difficulties. If property rates continue to rise, landlords may pass on the additional costs to tenants, ultimately increasing the cost of living. This could lead to higher housing costs and slow down the overall development of the real estate market, which is not beneficial in the long run.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

### Tell us why

Supporting government-backed proposals can help New Zealand's economy recover more quickly and enable people to live and work in peace and prosperity.

## Question 3: Changes to other rates, fees and charges

### 3A. What do you think of the waste management proposal?

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

### 3B. Would you like to comment on this or the other rates, fees and charges proposals?

*(Please be clear which proposal you are talking about)*

Abolish the requirement to purchase garbage bags and waste tags.

**Question 4:****Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

**Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

The progress in Auckland's transportation infrastructure is commendable, yet further investment is still required. Enhanced transportation systems should remain a government priority to improve urban living conditions. However, the financial impact on residents deserves careful consideration. Significant council rate increases may create hardship for many households, particularly those with

limited financial resources. Property rate hikes could lead to rent increases as landlords pass on costs, resulting in higher living expenses. This situation might impede real estate market development, with negative long-term implications.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

Imposing an accommodation tax is counterproductive, leading to a loss of greater revenue.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Auckland's urban development has achieved positive results, and investment should be increased to create a better business environment. Urban taxes are detrimental to social development and do not attract foreign investment.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

The \$27 million accommodation tax Auckland plans to impose far exceeds the \$7 million needed for major event funding. This disparity could prompt tour operators to book accommodations in surrounding towns, thus negating the tax's effectiveness.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## Question 4:

Support most

### Tell us why

Support transportation improvements and clean water initiatives by providing sufficient funding for local communities.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

Support the development of the tourism industry and marketing campaigns.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

I don't know

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

# Annual Plan 2025-2026

Note: this simplified version of the feedback form has been created for the purpose of publishing submissions. As such, contact and demographic information has been removed, and handwritten submissions have been transcribed.

## Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Property taxes, water, and electricity costs are all rising, traffic is getting worse, and the cost of living in Auckland is too high to afford.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

Funding destination management, marketing campaigns, and major events will enhance the visibility of tourist destinations, attract more visitors, increase hotel occupancy rates, and drive broader consumer spending, creating a win-win situation.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Auckland's urban transportation infrastructure has made significant progress, but further investment is necessary. The government should continue to enhance transportation to improve the city's overall quality of life. However, the financial burden on taxpayers must be carefully considered. Excessive increases in council rates could place undue strain on households,

particularly those already facing financial difficulties. If property rates continue to rise, landlords may pass on the additional costs to tenants, ultimately increasing the cost of living. This could lead to higher housing costs and slow down the overall development of the real estate market, which is not beneficial in the long run.

## **Question 2: Destination management and major events**

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### **Tell us why**

The \$27 million accommodation tax Auckland plans to impose far exceeds the \$7 million needed for major event funding. This disparity could prompt tour operators to book accommodations in surrounding towns, thus negating the tax's effectiveness.

## **Question 3: Changes to other rates, fees and charges**

### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

Auckland's urban development has achieved positive results, and investment should be increased to create a better business environment.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

Funding destination management, marketing campaigns, and major events will enhance the visibility of tourist destinations, attract more visitors, increase hotel occupancy rates, and drive broader consumer spending, creating a win-win situation.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support all

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

# Annual Plan 2025-2026

Note: this simplified version of the feedback form has been created for the purpose of publishing submissions. As such, contact and demographic information has been removed, and handwritten submissions have been transcribed.

## Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Funding destination management, marketing campaigns, and major events will enhance the visibility of tourist destinations, attract more visitors, increase hotel occupancy rates, and drive broader consumer spending, creating a win-win situation.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

Tourists may not be interested in participating in the activities mentioned above.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Previously, a single green bin was sufficient, but now both red and green bins need to be put out, increasing municipal costs as well as household expenses.

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Do not support most

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Auckland's urban development has achieved positive results, and investment should be increased to create a better business environment. Urban taxes are detrimental to social development and do not attract foreign investment.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

While Auckland faces a \$7 million shortfall for major events, its planned accommodation tax will generate \$27 million. This imbalanced approach risks pushing tour groups to neighboring communities, potentially undermining the tax's revenue goals.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## Question 4:

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

The progress in Auckland's transportation infrastructure is commendable, yet further investment is still required. Enhanced transportation systems should remain a government priority to improve urban living conditions. However, the financial impact on residents deserves careful consideration. Significant council rate increases may create hardship for many households, particularly those with

limited financial resources. Property rate hikes could lead to rent increases as landlords pass on costs, resulting in higher living expenses. This situation might impede real estate market development, with negative long-term implications.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### Tell us why

Auckland plans to impose a \$27 million accommodation tax despite only needing \$7 million to fund major events. This excessive measure could prompt tour operators to book lodgings in surrounding communities instead, ultimately working against the tax's intended purpose.

## Question 3: Changes to other rates, fees and charges

### 3A. What do you think of the waste management proposal?

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Auckland's urban transportation infrastructure has made significant progress, but further investment is necessary. The government should continue to enhance transportation to improve the city's overall quality of life. However, the financial burden on taxpayers must be carefully considered. Excessive increases in council rates could place undue strain on households,

particularly those already facing financial difficulties. If property rates continue to rise, landlords may pass on the additional costs to tenants, ultimately increasing the cost of living. This could lead to higher housing costs and slow down the overall development of the real estate market, which is not beneficial in the long run.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### Tell us why

The funding gap for major events in Auckland is \$7 million, yet the city plans to impose an accommodation tax of \$27 million. This could lead tour groups to avoid Auckland in favor of surrounding towns in the future, making the accommodation tax counterproductive.

## Question 3: Changes to other rates, fees and charges

### 3A. What do you think of the waste management proposal?

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

### 3B. Would you like to comment on this or the other rates, fees and charges proposals?

*(Please be clear which proposal you are talking about)*

**Question 4:****Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

**Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Auckland's urban development has achieved positive results, and investment should be increased to create a better business environment.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

If an accommodation tax is introduced, tourists may be discouraged from visiting or choose not to come at all.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

### **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

# Annual Plan 2025-2026

Note: this simplified version of the feedback form has been created for the purpose of publishing submissions. As such, contact and demographic information has been removed, and handwritten submissions have been transcribed.

## Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Auckland's urban development has achieved positive results, and investment should be increased to create a better business environment.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

Auckland needs \$7 million to bridge its major events funding gap, yet its proposed accommodation tax will collect \$27 million. This excessive taxation may lead tour groups to stay in peripheral towns instead, making the tax work against its own objectives.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

While Auckland has enhanced its urban transportation framework, continued investment is essential. The government ought to pursue further transportation improvements to boost the city's livability. However, we must be cautious about the financial burden on residents. Substantial council rate increases could create difficulties for many households, especially those already

experiencing financial stress. Higher property rates may result in increased rents as costs are passed to tenants, raising overall living expenses. This could potentially hinder housing market growth and prove counterproductive over time.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### Tell us why

The funding gap for major events in Auckland is \$7 million, yet the city plans to impose an accommodation tax of \$27 million. This could lead tour groups to avoid Auckland in favor of surrounding towns in the future, making the accommodation tax counterproductive.

## Question 3: Changes to other rates, fees and charges

### 3A. What do you think of the waste management proposal?

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

### 3B. Would you like to comment on this or the other rates, fees and charges proposals?

*(Please be clear which proposal you are talking about)*

**Question 4:****Local board priorities****4A. Which local board(s) would you like to provide feedback on?**

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

While Auckland has seen notable improvements in urban transit infrastructure, more investment is still required. The government should prioritize transportation enhancements to boost residents' quality of life. Yet we must be mindful of the taxpayer impact. Higher council rates may burden households, especially those facing economic challenges. Rising property rates could cause

landlords to increase rents, driving up living costs. This might inflate housing expenses and impede real estate market growth, creating negative long-term consequences.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

Auckland plans to impose a \$27 million accommodation tax despite only needing \$7 million to fund major events. This excessive measure could prompt tour operators to book lodgings in surrounding communities instead, ultimately working against the tax's intended purpose.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## Question 4:

## **Local board priorities**

### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Do not support most

#### **Tell us why**

Our priorities for 2025/2026 are listed below.

#### **How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Property taxes, water, and electricity costs are all rising, traffic is getting worse, and the cost of living in Auckland is too high to afford.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

For the above-mentioned activity requirements, can tourism and business inspection groups visiting Auckland come here?

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

### **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

# Annual Plan 2025-2026

Note: this simplified version of the feedback form has been created for the purpose of publishing submissions. As such, contact and demographic information has been removed, and handwritten submissions have been transcribed.

## Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Urban transportation has already achieved positive results, and investment should continue to improve the living environment for Auckland residents and drive economic growth. However, excessive increases in property taxes add to the public burden, leading to economic decline and higher living costs, which are detrimental to economic development.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

The funding gap for major events in Auckland is \$7 million, yet the city plans to impose an accommodation tax of \$27 million. This could lead tour groups to avoid Auckland in favor of surrounding towns in the future, making the accommodation tax counterproductive.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

**Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Urban transportation has already achieved positive results, and investment should continue to improve the living environment for Auckland residents and drive economic growth. However, excessive increases in property taxes add to the public burden, leading to economic decline and higher living costs, which are detrimental to economic development.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

With a \$7 million funding gap for major events, Auckland's proposed \$27 million accommodation tax seems disproportionate. Tour groups may opt to stay in surrounding municipalities instead, potentially defeating the very purpose of the tax.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Auckland's urban transportation infrastructure has made significant progress, but further investment is necessary. The government should continue to enhance transportation to improve the city's overall quality of life. However, the financial burden on taxpayers must be carefully considered. Excessive increases in council rates could place undue strain on households,

particularly those already facing financial difficulties. If property rates continue to rise, landlords may pass on the additional costs to tenants, ultimately increasing the cost of living. This could lead to higher housing costs and slow down the overall development of the real estate market, which is not beneficial in the long run.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### Tell us why

While Auckland faces a \$7 million shortfall for major events, its planned accommodation tax will generate \$27 million. This imbalanced approach risks pushing tour groups to neighboring communities, potentially undermining the tax's revenue goals.

## Question 3: Changes to other rates, fees and charges

### 3A. What do you think of the waste management proposal?

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

### 3B. Would you like to comment on this or the other rates, fees and charges proposals?

*(Please be clear which proposal you are talking about)*

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

While Auckland has seen notable improvements in urban transit infrastructure, more investment is still required. The government should prioritize transportation enhancements to boost residents' quality of life. Yet we must be mindful of the taxpayer impact. Higher council rates may burden households, especially those facing economic challenges. Rising property rates could cause

landlords to increase rents, driving up living costs. This might inflate housing expenses and impede real estate market growth, creating negative long-term consequences.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

The funding gap for major events in Auckland is \$7 million, yet the city plans to impose an accommodation tax of \$27 million. This could lead tour groups to avoid Auckland in favor of surrounding towns in the future, making the accommodation tax counterproductive.

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Severe traffic congestion makes infrastructure improvements necessary, but housing taxes may increase the burden on residents.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

I don't know

**Tell us why**

It is necessary to understand the impact of accommodation fees on tourism, as they may bring additional economic benefits. Will the number of tourists decrease?

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Because, in essence, these two methods make no difference in reducing household waste.

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Urban transportation has already achieved positive results, and investment should continue to improve the living environment for Auckland residents and drive economic growth. However, excessive increases in property taxes add to the public burden, leading to economic decline and higher living costs, which are detrimental to economic development.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

In the short term, businesses, accommodation, and tourism generate revenue. If they are required to pay an accommodation tax, does that count as a contribution?

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

### **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Auckland's urban transportation infrastructure has made significant progress, but further investment is necessary. The government should continue to enhance transportation to improve the city's overall quality of life. However, the financial burden on taxpayers must be carefully considered. Excessive increases in council rates could place undue strain on households,

particularly those already facing financial difficulties. If property rates continue to rise, landlords may pass on the additional costs to tenants, ultimately increasing the cost of living. This could lead to higher housing costs and slow down the overall development of the real estate market, which is not beneficial in the long run.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

### Tell us why

Auckland faces a \$7 million funding shortfall for major events, yet plans to implement a \$27 million accommodation levy. This excessive tax might cause tour operators to bypass Auckland for neighboring communities, ultimately undermining the tax's intended purpose.

## Question 3: Changes to other rates, fees and charges

### 3A. What do you think of the waste management proposal?

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

### 3B. Would you like to comment on this or the other rates, fees and charges proposals?

*(Please be clear which proposal you are talking about)*

**Question 4:****Local board priorities****4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

**Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Urban transportation has already achieved positive results, and investment should continue to improve the living environment for Auckland residents and drive economic growth. However, excessive increases in property taxes add to the public burden, leading to economic decline and higher living costs, which are detrimental to economic development.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

With a \$7 million funding gap for major events, Auckland's proposed \$27 million accommodation tax seems disproportionate. Tour groups may opt to stay in surrounding municipalities instead, potentially defeating the very purpose of the tax.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Urban transportation has already achieved positive results, and investment should continue to improve the living environment for Auckland residents and drive economic growth. However, excessive increases in property taxes add to the public burden, leading to economic decline and higher living costs, which are detrimental to economic development.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

Despite needing only \$7 million to fund major events, Auckland is considering a \$27 million accommodation tax. This could backfire as tour companies might redirect their business to nearby towns, rendering the tax ineffective.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Urban transportation has already achieved positive results, and investment should continue to improve the living environment for Auckland residents and drive economic growth. However, excessive increases in property taxes add to the public burden, leading to economic decline and higher living costs, which are detrimental to economic development.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

If an accommodation tax is introduced, tourists may be discouraged from visiting or choose not to come at all.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

## Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

While Auckland has seen notable improvements in urban transit infrastructure, more investment is still required. The government should prioritize transportation enhancements to boost residents' quality of life. Yet we must be mindful of the taxpayer impact. Higher council rates may burden households, especially those facing economic challenges. Rising property rates could cause

landlords to increase rents, driving up living costs. This might inflate housing expenses and impede real estate market growth, creating negative long-term consequences.

## **Question 2: Destination management and major events**

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### **Tell us why**

The funding gap for major events in Auckland is \$7 million, yet the city plans to impose an accommodation tax of \$27 million. This could lead tour groups to avoid Auckland in favor of surrounding towns in the future, making the accommodation tax counterproductive.

## **Question 3: Changes to other rates, fees and charges**

### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

## **Local board priorities**

### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Urban transportation has already achieved positive results, and investment should continue to improve the living environment for Auckland residents and drive economic growth. However, excessive increases in property taxes add to the public burden, leading to economic decline and higher living costs, which are detrimental to economic development.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

The \$27 million accommodation tax Auckland plans to impose far exceeds the \$7 million needed for major event funding. This disparity could prompt tour operators to book accommodations in surrounding towns, thus negating the tax's effectiveness.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

The annual plan fully considers national development and the interests of all ethnic businesses. Taking into account the country's overall progress, it is recommended to focus on improving social and environmental security, strengthening the punishment and prevention of social crimes.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

This initiative helps the country raise funds for large-scale international events, ensures sufficient funding for cultural festivals and public activities, and attracts more tourists, benefiting the development of the national tourism industry.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Strongly support the new waste management plan, which offers a more convenient and simplified recycling process for residents, promoting timely waste collection.

## Question 4:

## **Local board priorities**

### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

#### **Tell us why**

My feedback proposal addresses Auckland as a whole rather than any specific region. Overall development should not prioritize one area over another; it should progress simultaneously across all sectors.

Our priorities for 2025/2026 are listed below.

#### **How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Auckland's urban transportation infrastructure has made significant progress, but further investment is necessary. The government should continue to enhance transportation to improve the city's overall quality of life. However, the financial burden on taxpayers must be carefully considered. Excessive increases in council rates could place undue strain on households,

particularly those already facing financial difficulties. If property rates continue to rise, landlords may pass on the additional costs to tenants, ultimately increasing the cost of living. This could lead to higher housing costs and slow down the overall development of the real estate market, which is not beneficial in the long run.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

### Tell us why

Auckland is facing a funding shortage, which poses a significant barrier to urban development and accommodations for tourists. This could lead to travelers avoiding Auckland and choosing to stay in nearby towns instead. Implementing an accommodation tax may ultimately be counterproductive.

## Question 3: Changes to other rates, fees and charges

### 3A. What do you think of the waste management proposal?

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

I don't know

### 3B. Would you like to comment on this or the other rates, fees and charges proposals?

*(Please be clear which proposal you are talking about)*

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

### Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

I don't know

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Devonport-Takapuna

## **Devonport-Takapuna Local Board Priorities**

The local board has additional funding in 2025/2026, however there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

#### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most  
**Tell us why** I would like to see a higher priority put on arts and culture, as essential community building events  
 Our priorities for 2025/2026 are listed below.  
**How important are these priorities to you?**  
**Progress the planning and development of the Takapuna Community Hub**  
 Very important

**Support local environmental groups to work with volunteers to clean up, manage and plant our local reserves and open spaces contributing to better outcomes and more weather resilient spaces**

Very important

**Continue to maintain and enhance community facilities, including parks and sports fields, libraries and community venues to meet community needs**

Very important

**Progress the Devonport-Takapuna Local Parks Management Plan and refresh of the local boards Greenways Plan**

Very important

**Support our flood impacted communities as their neighbourhoods change by offering ways and places to connect and share experiences and information**

Very important

**Develop a Wairau Catchment Water Quality Action Plan that will ensure future decisions take advantage of existing reports and advice**

Very important

**Support initiatives identified in the Devonport-Takapuna Ethnic Communities Plan in collaboration with the relative representatives of our ethnic communities.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we are seeking feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Local arts and culture activities, Arts and community centres – programme and activation, Grants

### **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

The proposed plan seems reasonable and achievable. I would personally like to see more spent on future flood/disaster mitigation/avoidance.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

I'd be happy to pay this when visiting other areas of Aotearoa so I think it's reasonable to expect for our city too. Would love central govt to put this in place

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

I don't know

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support all

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

It currently seems like a wasted space, very few events are held there and it has great potential to be an awesome asset to our local region

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

# Annual Plan 2025-2026

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund

cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

**Tell us why**

### **Question 3: Changes to other rates, fees and charges**

#### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

#### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

### **Question 4:**

#### **Local board priorities**

##### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

#### **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

##### **4B. What do you think of our proposals for your local board area in 2025/2026?**

I don't know

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Less important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Less important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Less important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

The stadium is in a prime location for many to easy access. It's already here, so utilize rather than wastefully pull down. The northern side of Auckland needs a good event place as getting over the bridge is a nightmare at all times of the day. It's a great venue and is hugely underutilized. Keep it and develop it.

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

A well considered approach is vital to provide essential services, as well as life enhancing activities.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

Funding needs to come from somewhere.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Devonport-Takapuna

## Devonport-Takapuna Local Board Priorities

The local board has additional funding in 2025/2026, however there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most **Tell us why** Continue to support Arts and Culture Our priorities for 2025/2026 are listed below. **How important are these priorities to you?** **Progress the planning and development of the Takapuna Community Hub** Very important

**Support local environmental groups to work with volunteers to clean up, manage and plant our local reserves and open spaces contributing to better outcomes and more weather resilient spaces**

Very important

**Continue to maintain and enhance community facilities, including parks and sports fields, libraries and community venues to meet community needs**

Very important

**Progress the Devonport-Takapuna Local Parks Management Plan and refresh of the local boards Greenways Plan**

Very important

**Support our flood impacted communities as their neighbourhoods change by offering ways and places to connect and share experiences and information**

Very important

**Develop a Wairau Catchment Water Quality Action Plan that will ensure future decisions take advantage of existing reports and advice**

Very important

**Support initiatives identified in the Devonport-Takapuna Ethnic Communities Plan in collaboration with the relative representatives of our ethnic communities.**

Very important

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we are seeking feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Community climate action and sustainability activities, Libraries and Pools and Leisure facilities - opening hours and services, Youth activities

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

I support the council's focus on maintaining and strengthening the financial and physical resilience of Auckland while continuing to invest in transport, water infrastructure, and fairer funding for local communities. However, I would like to see a stronger emphasis on equity, climate resilience, and protecting vulnerable communities.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

### Tell us why

I strongly support the introduction of a bed night visitor levy to fund major events and destination management in Auckland. A bed night levy is a fairer, more progressive approach to funding these activities, as it shifts the burden from ratepayers - many of whom are struggling with the rising cost of living—to those who directly benefit from tourism and major events. Could we... Explore options to ring-fence a portion of levy revenue for community-led events and projects, ensuring that diverse cultural and community groups benefit directly? Consider using a portion of the funds to subsidise public transport or local infrastructure improvements that enhance the experience for both visitors and residents? Ensure there is transparency in how the levy funds are allocated?

## Question 3: Changes to other rates, fees and charges

### 3A. What do you think of the waste management proposal?

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

### 3B. Would you like to comment on this or the other rates, fees and charges proposals?

*(Please be clear which proposal you are talking about)*

**Question 4:****Local board priorities****4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays, Waitematā

**Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

I support most of the proposals, particularly the continued funding for community services, environmental protection, and youth engagement. However, I encourage the board to ensure that business and town centre development initiatives remain balanced with community priorities and that climate adaptation projects reflect genuine engagement with local communities and mana whenua.

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?****Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

## **Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

### **Tell us why (please be clear which priority you are talking about)**

1. Young people should have a say in decisions that affect their future. 2. Protecting our environment keeps our communities healthy and safe. 3. Everyone should have access to safe and welcoming public spaces. 4. Supporting local businesses benefits everyone by driving economic activity, creating jobs, and making public spaces more welcoming and lively. It should also go hand in hand with making sure public spaces are more accessible and the benefits of the growth/development are shared across the community. 5. Planning for the future is important, but it should not take priority over maintaining community services, protecting the environment, and addressing climate change—all of which have a more immediate impact on community well-being. 6. I support creating a plan for North Harbour Stadium that keeps it open for the community while also allowing some commercial use to help cover costs. It's important that locals get a say in the process and that the space stays affordable and accessible for everyone.

### **North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

### **Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

### **Tell us why**

I support developing a vision and plan that better serves the local community while exploring opportunities to increase its use. It's important that this process reflects community input and ensures that the space remains accessible, affordable, and inclusive for everyone. I also support a balance between community activities and commercial use to generate revenue that can help fund local services without compromising public access.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

## **Waitematā Local Board Priorities**

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

### **Tell us why**

Support all

### **Tell us why**

I support the proposals, especially those that contribute to vibrant and accessible public spaces, improve transport options, and enhance community engagement. As someone who works in the city centre, I see the positive impact that well-maintained public spaces and better transport connections have on local businesses, residents, and visitors. I also encourage the board to continue investing in climate resilience, pedestrian-friendly infrastructure, and activation initiatives that promote inclusivity and reflect the diverse needs of the community.

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Prioritising and investigating flood resilience actions for our parks such as Western Park and Grey Lynn Park**

Very important

**Delivering footpath improvements for Auckland Domain**

Fairly important

**Starting construction for Leys Institute**

Fairly important

**Delivery of Heard Park Civic Space**

Fairly important

**Prioritising sport and recreation opportunities for groups that have less**

Very important

**Investigating transition of Grey Lynn Paddling Pool into a seasonal splashpad**

Fairly important

**Community services programming to enhance perceptions of safety**

Very important

**Support for ending homelessness in Auckland.**

Very important

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we are seeking feedback on areas that are most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Arts and community centres – programme and activation, Community climate action and sustainability activities, Community programmes and services

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

# Annual Plan 2025-2026

Yes

**Tell us why**

We need a good stadium for the huge growth in the Northshore. Especially now Eden Park has been chosen, NHRB stadium could be a great back up while work is conducted on Eden Park.

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Pay per collection is better - it encourages people to create less waste

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support all

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

### North Harbour Stadium and Domain Precinct

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of

local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

In times of economic difficulty it is easy to see support of peripheral activities such as the arts as easy targets for cost-cutting. I would argue that it's these activities which make a city worth living in, and that without them Auckland would become a cultural desert, and would offer no incentives to make anyone want to move or live here. With that in mind, I hope Auckland Council will continue to provide operating funding to our city's anchor arts and culture organisations, including the Auckland Philharmonia which is enjoyed by tens of thousands of people across our city every year, in addition to being the largest employer of artists and creative workers in Auckland. Not only that, but the Auckland Philharmonia and other arts organisations attract people from other parts of NZ and from overseas, who are then spending money on travel, accommodation, food and drinks, other entertainment etc. thereby supporting not just the arts themselves, but all parts of the overall city economy. Reducing the arts is a very short term solution which comes with far greater long term consequences.

- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Overall, i like the direction However i do not agree with a local bed tax

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

I don't believe the correct way to get funding is to come up with a local bed tax. I am supportive of the hotel coucals position <https://www.nzherald.co.nz/nz/why-auckland-council-leaders-calls-for-a-hotel-bed-tax-wont-help-attract-world-class-event-opinion/72BQ7DWQTJAQPIK7V5DI3DDDJ4/> 1. Auckland Council is underinvesting in event attraction and destination marketing, which is having a negative impact on the Auckland visitor economy, ultimately to the detriment of all Aucklanders. This is something that Auckland Council has the power to quickly remedy, if it has the political will to do so. 2. Aucklanders should receive more of a direct economic benefit from tourism in Auckland. This is a challenging and long-standing problem not just in Auckland, but across all of New Zealand. Central government collected \$4.1 billion in tourism GST in FY2024, but not enough of that was reinvested into the tourism industry or shared with the regions where it 2 was collected. It will take trust-building and collaboration to resolve the tourism funding problem once and for all. Solutions are unlikely to be quick or easy. 3. Auckland Council has for many years now chosen to work independently of industry on the tourism funding problem outlined in 2 above. Instead of partnering with industry and supporting a unified message to central government and the public, Auckland Council has instead promoted schemes and ideas at odds with what industry can support, at times taking pot-shots at our sector. Unfortunately, these tactics decrease the likelihood of solving the national tourism funding problem in the near term.

## **Question 3: Changes to other rates, fees and charges**

### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### **Tell us why**

The ability of short term, non-commercial, accommodation providers is vastly different to commercial business's. While commercial operators are set up with marketing, management, are in a competitive market, short term are often, trying to fund mortgages, manage costs and are still paying taxes but with less leeway and flexibility. Has a review on profits being made on commercial accommodation providers being done? This is a bit like moving from a manual to digital landscape, the commercial business's need to adapt and change, as with any business.

## **Question 3: Changes to other rates, fees and charges**

### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

Both the support of youth networks and the development and increased use of local parks and reserves should be prioritised as it has huge implications on the health & well being of our youth and our community. Specifically, the Mairangi Bay Reserve and Mairangi Surf Lifesaving Club are

woefully underdeveloped and left to rot in some back room. It has been 18 years of talk and changes by the council with regards to the redevelopment of Surf lifesaving club and reserve. 18 years!! The club is unfit for purpose, falling down and probably full of asbestos. The indecision and vacillating by the council over the 18 years is an absolute joke. Other clubs and reserves around the country have gone through the entire process in a few years and are now using new clubs and reserves for the benefit of the community as a whole. The downright red tape and quibbling of councillors and staff is a disgrace. The whole area could be a huge benefit to the so-called priorities of youth and community, in the annual plan, so why has it taken 18 years and now stalled again and talk of a small footprint which for a club of over 1,000 members and a base for the whole inner northern beaches surf lifeguarding is frankly a embarrassment showing the council to be totally inept.

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

No

**Tell us why**

18 years and still no development of a new surf lifeguarding club at Mairangi bay, supporting both a community as well as over 1,000 members. We have members from not only the Bays but also from Central and Eastern districts.

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

Other Countries do this already, so why not

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

First we stop using more rubbish bags by introducing bins. Further a central controlled rubbish collection will result in benefits, such a data collection details and insights, as well as reducing costs.

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

#### Tell us why

Supporting the youth is super important, but it seems the focus is around them having a say in the Local Boards and being involved. I believe it needs to be more focused on given them alternatives of activities, hang outs, like Skateparks, Pump tracks, Basketball hoops with free internet, support Youth Groups to keep those young ones off the streets and out of trouble. Then ones that want to be involved in local politics will anyway, so save the funding here and use for hang outs for the youth or projects they can be involved in.

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Less important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Fairly important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

if no sponsor is found yes, as it sits nearly empty, which is a shame. Surely there should be sports team that can utilize this stadium to some extend already, outside fields?

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

The document is nice and easy to read. Thanks

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

I would like to see more events held in Auckland like the return of sail GP and hopefully the America's cup. A bed levy is essentially a user pays so makes sense.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

#### Tell us why

Need more parking at HBC bus station and even bus lanes along the entire whangaparoa /HBC highway road. The HBC station is over flowing and the traffic around this area is terrible. A bus station at rosedale isn't going to help this. there are two huge residential areas north of HBC station Milldale and Millwater there needs to be a bus station at or around this area as well as additional parking. This congestion at the bus station is limiting users of the service and creating extra traffic issues.

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

#### Tell us why (please be clear which priority you are talking about)

Support fully all priority 1-6 in commentary about Priority 6 it is absolutely essential that investment is put towards North harbour stadium it is important that The North shore has a functional stadium

and space for not just Rugby but other sports as well and a place suitable for big events and concerts. This is a great central location and has the potential to offer so much more.

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

Fair enough and same in many other countries/bigger cities

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

### North Harbour Stadium and Domain Precinct

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of

local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Long Bay Community needs a place (Centre/Hub) with bookable spaces for community activities. Long Bay Community has nowhere to meet at the moment. We need work to be done at Vaughans Road closure so that it can open as soon as possible. This road is very important for Long Bay's connections/network.

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support all

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support all

**Tell us why**

We must keep our stadium for events on the north shore. Previous boards worked hard, raised funds to build it. It must stay and start to be used effectively. It would be a waste and short sighted to pull it down.

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?****Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

The stadium must stay and be the heart of the north shore for events. We can host concerts and sporting events, family days, fireworks displays like we used to

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of

local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

We have a great venue. Let's use it!! Don't waste the money and efforts of previous councillors and benefactors and loose this site. That would be shameful. There is a great bus connection nearby, let's go folks. Plan some events!!

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

Upper Harbour

.

### **Upper Harbour Local Board Priorities**

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Appropriate planning and investment for infrastructure and quality open space in areas impacted by growth and intensification e.g. Whenuapai**

Fairly important

**Continue to prioritise support to our local community organisations and volunteers to deliver outcomes that provide a sense of belonging, wellbeing and resilience for residents**

Fairly important

**Continue to prioritise investment in outcomes that ensure our communities have access to high-quality amenities that provide for a range of opportunities including play, pathways and connections, active sports and recreation and connecting with nature**

Fairly important

**Funding to assist in the development, improvement, and renovation of non-council owned community facilities that serve the Upper Harbour area through a facilities grants process**

Fairly important

**Improve wayfinding in the Upper Harbour area to help our communities to easily discover and enjoy the assets we have**

Fairly important

**Contribute funding for the development of a vision and plan for the future North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we want feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Community development and support activities, Pools and Leisure facilities - opening hours and services, Sports and park activation activities

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Devonport-Takapuna, Hibiscus and Bays

## **Devonport-Takapuna Local Board Priorities**

The local board has additional funding in 2025/2026, however there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

#### **4B. What do you think of our proposals for your local board area in 2025/2026?**

**Tell us why**Our priorities for 2025/2026 are listed below.**How important are these priorities to you?****Progress the planning and development of the Takapuna Community Hub**

**Support local environmental groups to work with volunteers to clean up, manage and plant our local reserves and open spaces contributing to better outcomes and more weather resilient spaces**

**Continue to maintain and enhance community facilities, including parks and sports fields, libraries and community venues to meet community needs**

Very important

**Progress the Devonport-Takapuna Local Parks Management Plan and refresh of the local boards Greenways Plan**

**Support our flood impacted communities as their neighbourhoods change by offering ways and places to connect and share experiences and information**

**Develop a Wairau Catchment Water Quality Action Plan that will ensure future decisions take advantage of existing reports and advice**

**Support initiatives identified in the Devonport-Takapuna Ethnic Communities Plan in collaboration with the relative representatives of our ethnic communities.**

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we are seeking feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Libraries and Pools and Leisure facilities - opening hours and services, Sports and park activation activities, Local water quality activities

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

#### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support all

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Less important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

**Question 5: Other feedback****Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

We are in support of two indoor facility projects; namely: The Wasp Hangar in Hobsonville; and The Harbour Sports Hub at the Albany Tennis Centre. We are short nearly 30 basketball courts on the North Shore alone for a game that now has the highest participation rate across New Zealand.

#### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays, Upper Harbour

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

I don't know

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

We need more facilities to keep looking after the enthusiasm of the youth wanting to oarticipate

.

## **Upper Harbour Local Board Priorities**

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

I don't know

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Appropriate planning and investment for infrastructure and quality open space in areas impacted by growth and intensification e.g. Whenuapai**

Very important

**Continue to prioritise support to our local community organisations and volunteers to deliver outcomes that provide a sense of belonging, wellbeing and resilience for residents**

Very important

**Continue to prioritise investment in outcomes that ensure our communities have access to high-quality amenities that provide for a range of opportunities including play, pathways and connections, active sports and recreation and connecting with nature**

Very important

**Funding to assist in the development, improvement, and renovation of non-council owned community facilities that serve the Upper Harbour area through a facilities grants process**

Very important

**Improve wayfinding in the Upper Harbour area to help our communities to easily discover and enjoy the assets we have**

Very important

**Contribute funding for the development of a vision and plan for the future North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we want feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Pools and Leisure facilities - opening hours and services ,Environmental restoration, volunteers and pest control activities,Sports and park activation activities

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

I don't know

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

I don't know

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Seems fair and reasonable

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Other

### **Tell us why**

Do NOT levy air b&bs, mostly small operators supplementing their basic income to pay rates etc. Agree with levy on commercial beds; hotels and motels.

## **Question 3: Changes to other rates, fees and charges**

### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

We live in an apartment and although charged a percentage in our rates do not get a rubbish collection apart from kitchen waste - that's not fair.

## **Question 4:**

### **Local board priorities**

#### **4A. Which local board(s) would you like to provide feedback on?**

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

#### **Tell us why**

Please recognize the number of residents ( lots of ratepayers) on the Nth Shore. We were much better off under Nth Shore City Council.

Our priorities for 2025/2026 are listed below.

#### **How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Fairly important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

#### **Tell us why (please be clear which priority you are talking about)**

North Stadium is an important asset on the Nth Shore. Outrage was caused my Mayor's comment about bulldozing it, last week. So disrespectful. Please keep funding it- we need it as part of our identity.

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

As above

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Thanks for making it easy to comment.

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Auckland traffic is terrible and getting worst. Bring in a congestion tax, toll the harbour bridge for income, offer a cheaper n realible public transport plan and fix the roads properly. It is frustrating to see roads being worked on only to be reworked again a year later. And it is galling to see reading contractors standing around doing nothing on suckling on the rate payers tits.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

### Tell us why

If people want to come, let them pay for it. Also charge the Airbnb operators their fair share of the bed tax as well. And channel this money to producing a vibrant Auckland night life. The city is dead thanks to your road works so speed up the work and get things completed. I voted the mayor to sort out the engineering works - looks like he is not up to it. Just another puppet.

## Question 3: Changes to other rates, fees and charges

### 3A. What do you think of the waste management proposal?

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

### 3B. Would you like to comment on this or the other rates, fees and charges proposals?

*(Please be clear which proposal you are talking about)*

I am all for paying my share to clean up the city. But please target the people who dump rubbish. There should be an increase fine and more importantly stronger policing and education.

**Question 4:****Local board priorities****4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

**Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Can you please sort out the roads in the Nt Shore? Traffic is \*\*\*\*\* rubbish. Have councillors being in the roads of late. Why are you doing consultatng and not implementing actual change

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Less important

**Tell us why (please be clear which priority you are talking about)**

NT harbour Stadium is poorly located when no parking and events that don't encourage participants

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

No

**Tell us why**

NT harbour Stadium is a waste of money. Turn it into a nice park instead.

**Question 5: Other feedback****Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

No, except I want to see actual change. Not constant wasting of money on consulting services.

## Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Rodney

. Support most

### **Rodney Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?****Improving services for all communities by enhancing libraries art and youth programmes**

Fairly important

**Promote physical activity and recreation by increasing play opportunities in more locations**

Very important

**Support community groups, volunteers, and mana whenua to enhance environmental protection and restoration efforts, particularly for waterways and wetlands, while promoting waste reduction**

Fairly important

**Increase maintenance service levels, such as more frequent mowing of high-profile reserves, pest control, and repair of tracks and car parks.**

Fairly important

**Support Rodney Greenways Plans to facilitate walking, cycling and horse riding**

Fairly important

**Prepare and review plans for reserves to identify gaps to meet community needs**

Very important

**Improve the safety of our community and environment through increased education, monitoring and compliance.**

Fairly important

**Tell us why (please be clear which priority you are talking about)****Question 5: Other feedback****Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Basketball courts! Indoor! Fastest growing sport

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Fairly important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

North Harbour stadium and precinct is a valuable and under-utilised asset. It is central to the North Shore as well as being close to major transport hubs. It is ideal for concerts and sports events and the outer hub would be a great cricket venue. If you are on the shore travelling to Mt Smart is not attractive.

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of

local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

Devonport-Takapuna

## **Devonport-Takapuna Local Board Priorities**

The local board has additional funding in 2025/2026, however there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

#### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most **Tell us why** Our priorities for 2025/2026 are listed below. **How important are these priorities to you?** **Progress the planning and development of the Takapuna Community Hub**

Fairly important

**Support local environmental groups to work with volunteers to clean up, manage and plant our local reserves and open spaces contributing to better outcomes and more weather resilient spaces**

Very important

**Continue to maintain and enhance community facilities, including parks and sports fields, libraries and community venues to meet community needs**

Very important

**Progress the Devonport-Takapuna Local Parks Management Plan and refresh of the local boards Greenways Plan**

Very important

**Support our flood impacted communities as their neighbourhoods change by offering ways and places to connect and share experiences and information**

Very important

**Develop a Wairau Catchment Water Quality Action Plan that will ensure future decisions take advantage of existing reports and advice**

Very important

**Support initiatives identified in the Devonport-Takapuna Ethnic Communities Plan in collaboration with the relative representatives of our ethnic communities.**

Very important

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we are seeking feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Libraries and Pools and Leisure facilities - opening hours and services, Sports and park activation activities, Local water quality activities

#### **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Indoor basketball facility at ASB Albany tennis centre.

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Less important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

I would like to voice support for two indoor facility projects; namely: The Wasp Hangar in Hobsonville; and The Harbour Sports Hub at the Albany Tennis Centre.

## **Kaipātiki Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

I don't know

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Community development, including events, community safety, and a greater activation of our community houses, community centres, and libraries**

Very important

**Increased funding in the Kaipātiki Community Grants Programme, so we can support and help a wider reach of our community through their activities**

Fairly important

**Māori outcomes, through investment in engagement, events, and fostering authentic relationships with Māori.**

Very important

**Youth outcomes, through conversations with young people to identify local activities and services that interest them**

Very important

**Increased sport and recreation opportunities, through grants to organisations to maintain or improve their assets, or to secure community use of non-council owned facilities**

Very important

**Environmental protection and restoration, including working with our local environmental groups to increase their impact**

Fairly important

**Maintenance, including environmentally friendly open space management, building maintenance, refuse collection, bush track maintenance, and removal of aging pine trees**

Very important

**Compliance, in the areas of building, illegal dumping, noise, animal control, and overnight stays on reserves**

Fairly important

**Pools and leisure service enhancements and affordability**

Very important

**Sport and recreation facility planning to understand the sport and recreation facility needs of Kaipātiki, to guide future investment**

Very important

**Business support and engagement across Kaipātiki.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

. I don't know

## **Rodney Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

I don't know

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Improving services for all communities by enhancing libraries art and youth programmes**

Very important

**Promote physical activity and recreation by increasing play opportunities in more locations**

Very important

**Support community groups, volunteers, and mana whenua to enhance environmental protection and restoration efforts, particularly for waterways and wetlands, while promoting waste reduction**

Fairly important

**Increase maintenance service levels, such as more frequent mowing of high-profile reserves, pest control, and repair of tracks and car parks.**

Fairly important

**Support Rodney Greenways Plans to facilitate walking, cycling and horse riding**

Fairly important

**Prepare and review plans for reserves to identify gaps to meet community needs**

Fairly important

**Improve the safety of our community and environment through increased education, monitoring and compliance.**

Very important

**Tell us why (please be clear which priority you are talking about)**

## Upper Harbour Local Board Priorities

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support all

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Appropriate planning and investment for infrastructure and quality open space in areas impacted by growth and intensification e.g. Whenuapai**

Fairly important

**Continue to prioritise support to our local community organisations and volunteers to deliver outcomes that provide a sense of belonging, wellbeing and resilience for residents**

Very important

**Continue to prioritise investment in outcomes that ensure our communities have access to high-quality amenities that provide for a range of opportunities including play, pathways and connections, active sports and recreation and connecting with nature**

Very important

**Funding to assist in the development, improvement, and renovation of non-council owned community facilities that serve the Upper Harbour area through a facilities grants process**

Fairly important

**Improve wayfinding in the Upper Harbour area to help our communities to easily discover and enjoy the assets we have**

Fairly important

**Contribute funding for the development of a vision and plan for the future North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

I would like to voice support for two indoor facility projects; namely: The Wasp Hangar in Hobsonville; and The Harbour Sports Hub at the Albany Tennis Centre.

To help the local board understand priorities and areas of importance for the community, we want feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Community development and support activities, Sports and park activation activities, Local water quality improvement activities

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

I would like to voice support for two indoor facility projects; namely: The Wasp Hangar in Hobsonville; and The Harbour Sports Hub at the Albany Tennis Centre.

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

I would like to voice support for two indoor facility projects; namely: The Wasp Hangar in Hobsonville; and The Harbour Sports Hub at the Albany Tennis Centre.

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

### Tell us why

Outdated plans that are not achieving their requirements long before they are completed. Transport - still the major issue that hasn't been addressed with new road layouts in Auckland looking like they were signed off on a Friday afternoon with even viewing them.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

As long as the funds are used for the benefit of the majority of Aucklanders and not just the minority groups.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

The Refuse Rate is simply a money grabbing system that penalises everyone who doesn't need a bin collection every week. This is too late for the North Shore residents who are now being ripped off with a rates increase and have no say. General rates increase of 5.8% is tone deaf to the public's situation. In this economic environment who do you think people can afford such a gratuitous demand for more money without any sign of progress in the right direction?

## Question 4:

### Local board priorities

#### 4A. Which local board(s) would you like to provide feedback on?

Devonport-Takapuna, Hibiscus and Bays, Upper Harbour

### Devonport-Takapuna Local Board Priorities

The local board has additional funding in 2025/2026, however there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

#### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most **Tell us why** As long as they are well considered and not tone deaf to the public's needs and situations I support the local policies. Not the transport policies which has no bearing on now or the future requirements. As long as policies strengthen the community, support and encourage integration and participation. Our priorities for 2025/2026 are listed below. **How important are these priorities to you?** **Progress the planning and development of the Takapuna Community Hub** Very important

**Support local environmental groups to work with volunteers to clean up, manage and plant our local reserves and open spaces contributing to better outcomes and more weather resilient spaces**

Very important

**Continue to maintain and enhance community facilities, including parks and sports fields, libraries and community venues to meet community needs**

Very important

**Progress the Devonport-Takapuna Local Parks Management Plan and refresh of the local boards Greenways Plan**

Fairly important

**Support our flood impacted communities as their neighbourhoods change by offering ways and places to connect and share experiences and information**

Fairly important

**Develop a Wairau Catchment Water Quality Action Plan that will ensure future decisions take advantage of existing reports and advice**

Very important

**Support initiatives identified in the Devonport-Takapuna Ethnic Communities Plan in collaboration with the relative representatives of our ethnic communities.**

Less important

**Tell us why (please be clear which priority you are talking about)**

Progress is important - in all of these policies, they sound wonderful but 'I'll believe it when I see it' springs to mind. The ethnic policy - the more of an issue you make it, the more people feel it's a problem. In my local area we have all learned to appreciate each other without pointing to any ethnicity or other group. We are one, stop dividing us up!

To help the local board understand priorities and areas of importance for the community, we are seeking feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Community development and support activities, Sports and park activation activities, Youth activities

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Fairly important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

How can a policy about the environment to be anything other than so high on the agenda it doesn't need me or anyone to say how important it is on their priority list? The other issues are the need to develop the community and the overall facilities for local benefit - and to attract others to the area.

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

This is the perfect location for so many events and other community based activities to be held. It is seriously under used and seriously needing upgrading to future proof it.

**Upper Harbour Local Board Priorities**

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

I just did and you deleted it!!!!!!

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?****Appropriate planning and investment for infrastructure and quality open space in areas impacted by growth and intensification e.g. Whenuapai**

Less important

**Continue to prioritise support to our local community organisations and volunteers to deliver outcomes that provide a sense of belonging, wellbeing and resilience for residents**

Fairly important

**Continue to prioritise investment in outcomes that ensure our communities have access to high-quality amenities that provide for a range of opportunities including play, pathways and connections, active sports and recreation and connecting with nature**

Fairly important

**Funding to assist in the development, improvement, and renovation of non-council owned community facilities that serve the Upper Harbour area through a facilities grants process**

Fairly important

**Improve wayfinding in the Upper Harbour area to help our communities to easily discover and enjoy the assets we have**

Less important

**Contribute funding for the development of a vision and plan for the future North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

Again, I did and you deleted it! why???

To help the local board understand priorities and areas of importance for the community, we want feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Local parks strategy and planning, Sports and park activation activities, Youth activities

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

Underused and major location opportunity which needs upgrading and future-proofing. It's the perfect location for events and other community-based activities. Needs some serious thoughts and not just Friday afternoon chats at the local council pub.

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Feels much like the last 5 years - still a lot of old ideas said differently to sell them. Needs some backbone to make tough choices on some of the key points that are still causing problems on the shore despite money being chucked at them over and over again.

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support all

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Less important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Less important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

### **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Re: Rates raise. Do not support such a high increase. Increase should be 3% maximum. Natural Environment: Support more work into eradicating Caulerpa - it is devastating the Gulf. Make recycling of all materials more accessible and free (ie as part of the heavy cost we already pay in our ARC rates) I ended up throwing out potentially recyclable items after searching everywhere

locally in order to recycle them (to no avail) Well Managed Govt.: Do not support extra expenditure for specific Maori outcomes - believe these specific supports should be provided by the local Iwi and within their own budget. Transport: \$50 weekly cap for public transport (buses) and free park & rides for bus stations.

## **Question 2: Destination management and major events**

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

A 5.8% rate increase will be crippling to many home owners that have no income except the Pension.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

It may detract from short term visitors but if we have to fund those items then bet tax may be answer

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Charging rubbish collection as part of rates is not a good idea. With the rubbish bags if a resident wants to put put more rubbish they purchase another bag and council will get a portion of that. Seems more fair as a user pays for the rubbish.

## Question 4:

## Local board priorities

### 4A. Which local board(s) would you like to provide feedback on?

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

#### Tell us why

Bit worried at the level of spending on subjects like re-naturalisation, or daylighting. When times are going to be tough for citizens.

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Less important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Fairly important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Less important

**Tell us why (please be clear which priority you are talking about)**

All of these items are going to require spending when we should be restricting spending that requires rates to fund the projects

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

No

**Tell us why**

Not at this time. Leave until financial outlook improves

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Would prefer a steady plan that doesn't constantly require taxpayers to foot the bill. There doesn't appear to be any alternatives that were considered

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Rodney

. Support most

## Rodney Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

#### Tell us why

I don't know exactly what's going on but I believe that these changes will help

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Improving services for all communities by enhancing libraries art and youth programmes**

Very important

**Promote physical activity and recreation by increasing play opportunities in more locations**

Very important

**Support community groups, volunteers, and mana whenua to enhance environmental protection and restoration efforts, particularly for waterways and wetlands, while promoting waste reduction**

Very important

**Increase maintenance service levels, such as more frequent mowing of high-profile reserves, pest control, and repair of tracks and car parks.**

Fairly important

**Support Rodney Greenways Plans to facilitate walking, cycling and horse riding**

Very important

**Prepare and review plans for reserves to identify gaps to meet community needs**

Fairly important

**Improve the safety of our community and environment through increased education, monitoring and compliance.**

Very important

**Tell us why (please be clear which priority you are talking about)**

## Question 5: Other feedback

### Do you have any other comments on the Annual Plan 2025/2026?

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

It would be nice to have more indoor facilities as the dry season is almost over. For example the facility project like The Harbour Sports Hub at the Albany Tennis centre

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

#### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays, Maungakiekie-Tāmaki

### **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

The priorities seem balanced and well considered. They have recognised the importance of environmental protection and enhancement.

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?****Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

Climate change is one of the main issues impacting on the global environment. If our society is not prepared to adapt its ways of living, we will be causing our future generations with problems will be become almost unsurmountable. Our natural ecosystems are very important in taking carbon dioxide from the atmosphere and storing it in our soils and oceans, eg, DOC has assessed the that Okuran Bush sequesters between 291,750kg and 2.5 million kg of carbon per year, and has roughly 10503 tonnes of carbon stored in its soil. These figures could be a guide to pro rata estimations across the natural ecosystems across the HBLB area. Protecting and enhancing these natural systems i area is the number one priority, including through providing adequate resourcing for strong predator and pest plant control programmes, good waste management projects, sedimentation controls and community environmental / sustainability education programmes. Friends of Okura Bush has been particularly concerned about the ongoing incursion

of pest plants and predators from the overseas-owned property adjacent to the Okura Bush and Okura WAlkway and would like to see this problem addressed.

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

It is local thus requiring less mileage to access than having to attend other stadia across the region. It could bring revenue into the HBLB area.

**Question 5: Other feedback****Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Public Transport projects essential to improving the confidence and safety of passengers AND DRIVERS NEED TO BE PRIORITISED. 80% there, but refocus some elements and it would improve equity, access and connectedness for more of our residents and communities. Women and children are the highest users of public transport, but their perspectives are not always heard

or prioritised. Males lead at the decision making tables (sometimes there are no women's voices at the strategic level.) This must change. Water Care decisions will be made outside of elected representatives control, adding to increases to our rates. This needs to change! Levying visitors on a pay as you go system is much fairer than the accommodation bed tax previously proposed. We are then following international examples that work. Hibiscus and Bays Board have got things right. Priorities and chosen efforts esp with regard to environmental protection, procurement of community services, youth voice, community arts (esp Toi Maaori and Toi Pasifica.) Maintain the people's panels, and elevate the Age Friendly City Policies, as getting it right for our seniors means being all age friendly. Seniors are the backbone of our voluntary sector and are the glue keeping many services at the community level going. Gold card subsidy is needed after 3pm to facilitate seniors moving about reaching health care across the city, collecting grandchildren from school and completing volunteering assignments. Access matters in urban design, and needs greater support and implementation. Improved planning and enhancement of town centres, with suitable seating (enabling seniors to get onto and out of seats easily) along walking routes.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

### Tell us why

Fair and straight forward way to collect funds that can be used to help improve our city for all to enjoy, esp sporting, arts and cultural events.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Totally unimpressed with the changes since 2018 in waste management systems. Removing the bin tag system, has taken away choice, and the capacity of seniors to manage waste at a low cost, through composting and less frequent bin collection as they choose. The proposals for Rodney and Franklin will impact on seniors budgets,, esp those living alone, who are trying to cope on less than \$21,000 after tax.

## **Question 4:**

### **Local board priorities**

#### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

### **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

#### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

#### **Tell us why**

Support most because while the major issues and needs have been identified. The development and future maintenance of North Harbour Stadium must be a top priority. Pleased with the Board's efforts so far. But there is no clear recognition of the needs of a rapidly growing ageing population. Some prioritisation towards implementing relevant aspects of the AC's age friendly city policies, needs to be considered. A register of seniors living alone who need assistance to leave their dwellings should be created for future emergency management consideration. I agree with and value the following priorities 1) restoring waterways, daylighting streams, rivers, to protect our sea, soil, and fresh water, 2) the development and use of parks and reserves & sports fields for the use of all ages and genders, not through privatisation. 3) safer vibrant town centres, with appropriate access and walkways to enhance connectivity esp from new high rise apartment buildings. 4) play advocacy improving wellbeing and community connection. 5) Youth networks, and voices to be heard. 6) support for seniors groups, access to digital support through community services & libraries. Social isolation of our seniors is a major issue, and the library is doing well on this front. 7) The development and future maintenance of North Harbour Stadium must be a top priority. Pleased with the Board's efforts so far.

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

Answers given above already!

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

Community asset needs protecting and developing for visioning the communities aspirations. Congestion on the roads is frequently CREATED WHEN LARGE SCALE EVENTS DRAW PEOPLE INTO THE CITY. North Shore deserves its own home ground for sports events,

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

### **Tell us here**

Volcanic shafts are precious - replanting in natives is necessary more events should be held on the maunga.

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Upper Harbour

.

## Upper Harbour Local Board Priorities

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Do not support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Appropriate planning and investment for infrastructure and quality open space in areas impacted by growth and intensification e.g. Whenuapai**

Fairly important

**Continue to prioritise support to our local community organisations and volunteers to deliver outcomes that provide a sense of belonging, wellbeing and resilience for residents**

Less important

**Continue to prioritise investment in outcomes that ensure our communities have access to high-quality amenities that provide for a range of opportunities including play, pathways and connections, active sports and recreation and connecting with nature**

Very important

**Funding to assist in the development, improvement, and renovation of non-council owned community facilities that serve the Upper Harbour area through a facilities grants process**

Less important

**Improve wayfinding in the Upper Harbour area to help our communities to easily discover and enjoy the assets we have**

Less important

**Contribute funding for the development of a vision and plan for the future North Harbour Stadium and Domain Precinct.**

Less important

**Tell us why (please be clear which priority you are talking about)**

Pathways and connections: support affordable safe cycleways and footpaths especially planned Albany Highway connection and Hobsonville cycleway; also support better and more frequent public transport preferably mode separated. Please retain safer speeds along Hobsonville and Upper Harbour roads.

To help the local board understand priorities and areas of importance for the community, we want feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Community climate action and sustainability activities, Environmental restoration, volunteers and pest control activities, Local parks strategy and planning

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

No

- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

The 7 priority areas seem sensible. Some language gives me a sense of business as usual

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

#### **Tell us why**

A lot of emphasis is placed on making room for visitors eg we have designed much of Lower Queen Street for cruise ships. I think it is very important we adjust this to invest for real Aucklanders - the people who truly make our city and keep our economy moving day to day. So yes, add this small amount to overnight stays but please hypothecate that to spend on making Auckland work day to day, not just on game day.

## **Question 3: Changes to other rates, fees and charges**

### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

#### **4A. Which local board(s) would you like to provide feedback on?**

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

#### Tell us why

I cannot stress enough how important it is to seek and raise the voices of young people in our area. Please make this an absolute priority. The voices of older people are drowning them out. We must get beyond Facebook rants steering decisions - get out, ask young people what they want, meet them where they are, go to schools, chat with them about their hopes and fears, help young people do this work for you, be creative! If you don't do this, our area will just become a place to retire and moan about speed humps. Help young people become active citizens in a city they can call home and want to stay in. Just to be clear, I am not a young person but I am so very tired of decisions being made to support one demographic - when we design a city for young people, everyone benefits!

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

All are important, but most important is to activate our young residents. I am very saddened by how people talk about the public sector and council and believe the key here is to get much closer to younger people, invite them into your world, and, together, build a new path forward. Forget trying to appease people who have already decided that the council is useless. Get out and find out how young people think and what lights them up. Work with them (don't just process them). We could learn a lot!

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

I don't know

**Tell us why**

If we can develop this project in a way that creates local jobs and isn't just here for match days, great. Spend the cash but get some return back into the locality.

**Question 5: Other feedback****Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

I have enjoyed the social media campaign very much!

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Overall it's a good plan that demonstrates a more mature council than prior terms. Maybe I haven't got to it yet but we seem to be missing something around making consents more efficient. We can't keep considering carparks and gravel pits cultural meccas. I don't know how much power our elected officials have over the planning functions but they need to get closer to it and come up with

strategies that will really loosen up barriers for things the city wants. Especially for big buildings in or near the central city or similar key areas such as Takapuna.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

### Tell us why

I would like to see the council transition away from directly funding events to a position where it empowers the community to host its own events and gets out of the way (this is for things like Around the Bays, Movies in the park, the Pacifica Festival, Lantern Festival, Diwali). This won't be possible for everything but it could be done more. For larger events the businesses that benefit the most should contribute. That could include targetted rates on bars that will benefit within a radius (if bars refuse the rate perhaps they are indicating the event is not going to be valuable to them) as well as the easier to manage proposal of a bed tax. If central government does not enable these tools I think it is fair to hold fewer events instead of going into more debt. For larger

## Question 3: Changes to other rates, fees and charges

### 3A. What do you think of the waste management proposal?

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

### 3B. Would you like to comment on this or the other rates, fees and charges proposals?

*(Please be clear which proposal you are talking about)*

Northland Waste does a great job of bin collections in the Hibiscus Coast area and are cheaper than the council proposal. Why would I want the Council to unilaterally take over a good service?

## Question 4:

### Local board priorities

#### 4A. Which local board(s) would you like to provide feedback on?

Hibiscus and Bays

### Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

#### 4B. What do you think of our proposals for your local board area in 2025/2026?

I don't know

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Less important

**Tell us why (please be clear which priority you are talking about)**

### **North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

No

**Tell us why**

We have a lack of local sporting facilities. Developing one all the way in Albany is not the answer though. We should use the funding to do more close to home.

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

A closer look into how we can streamline building and resource consents to get more done and consistent outcomes would be the biggest move to really improve Auckland.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

Assuming this would affect AirBNB operators, this seems harsh in the economic times when more people are having to do this to just pay their rates. Additionally GST has recently been implemented for these operators (fair enough) and this has added extra costs ... so another tax would just be prohibitive and difficult on most people.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

**4A. Which local board(s) would you like to provide feedback on?**

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Fairly important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Less important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

The North Harbour Stadium and Doman Precinct is an excellent asset that needs to be developed and enhanced for more efficient use. With a growing population in the area, this needs investment, development and some entrepreneurial thinking! Get the right people involved in this project - change agents.

## **Question 5: Other feedback**

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

#### **Tell us why**

Visitors are already supporting major events by turning up. Councils should get out of the way and not be in the events business in the first place. Events should be able to market and manage their events themselves and stand on their own feet as businesses without expecting rate payer handouts.

### **Question 3: Changes to other rates, fees and charges**

#### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

#### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Keep the rates low and service simple, provide elective bulk dumping options at reasonable rates. Otherwise standby for fly tipping and non compliance on recycling.

### **Question 4:**

#### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

**Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Fairly important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Fairly important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

1.What 'youth networks'? What support? what does this even mean? details are not provided so how could anyone judge? Sounds like an excuse to give council workers carte blanche for their hobby projects. 4. lots of ? Who could be against this? complete bunkum question. What does

support mean? which businesses? what needs? attractive? Just another value judgement question looking for carte blanche for council hobby projects. etc etc . These are bunk question looking for a mandate rather than seeking to actually consult

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

The area is coming along nicely. Lets see it progress.

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support all

### Tell us why

If this is a modest rates increase and the revenue is not wasted on stupid stuff I am happy

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

I think it's a bad look to add this to what a visitor had to pay . Next you will be doing what the Gold Coast has done and inplimehtec an unfair view tax on apartments depending on what level you are on.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

I think it's unfair to charge each household for a scraps bin I hardly see put out on my travels around the north shore.. charge those who want to use one rather than impose it without a option to opt out of it

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Rodney

. Support all

**Rodney Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support all

**Tell us why**

The depressives appear to be good choices so I trust their judgement

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Improving services for all communities by enhancing libraries art and youth programmes**

Fairly important

**Promote physical activity and recreation by increasing play opportunities in more locations**

Fairly important

**Support community groups, volunteers, and mana whenua to enhance environmental protection and restoration efforts, particularly for waterways and wetlands, while promoting waste reduction**

Fairly important

**Increase maintenance service levels, such as more frequent mowing of high-profile reserves, pest control, and repair of tracks and car parks.**

Very important

**Support Rodney Greenways Plans to facilitate walking, cycling and horse riding**

Fairly important

**Prepare and review plans for reserves to identify gaps to meet community needs**

Fairly important

**Improve the safety of our community and environment through increased education, monitoring and compliance.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

With the city expanding this area needs to thrive and become a real hub. Would be great to see more indoor basketball facilities in this area too.

## **Upper Harbour Local Board Priorities**

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Most are good. I still think there's needs more focus on indoor basketball courts. There are not enough. And it's the fastest growing junior sport in NZ.

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Appropriate planning and investment for infrastructure and quality open space in areas impacted by growth and intensification e.g. Whenuapai**

Less important

**Continue to prioritise support to our local community organisations and volunteers to deliver outcomes that provide a sense of belonging, wellbeing and resilience for residents**

Less important

**Continue to prioritise investment in outcomes that ensure our communities have access to high-quality amenities that provide for a range of opportunities including play, pathways and connections, active sports and recreation and connecting with nature**

Fairly important

**Funding to assist in the development, improvement, and renovation of non-council owned community facilities that serve the Upper Harbour area through a facilities grants process**

Fairly important

**Improve wayfinding in the Upper Harbour area to help our communities to easily discover and enjoy the assets we have**

Less important

**Contribute funding for the development of a vision and plan for the future North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we want feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Pools and Leisure facilities - opening hours and services ,Sports and park activation activities,Local water quality improvement activities

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

### Tell us why

Local community ONLY consists of one community!

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

Making Auckland too expensive to visit.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Would like to opt out of waste fees and have private again! Had one item for inorganic collection, and they wouldn't take it, old spa cover!

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Do not support most

#### Tell us why

Its too easy to spend other peoples money. Living on the North shore, we get nothing but give a lot!! Need a way across the harbour, some people have to use there car, we will be penalised again with road tolls!!!

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Fairly important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

Business support.

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

I don't know

**Tell us why**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Agree with the plan as outlined above

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

User pays

### **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

I pay for a bin to be collected weekly which meets my personal needs I would not think it is fair for me to pay an additional charge on that

### **Question 4:**

#### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Rodney

. Support most

## Rodney Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Improving services for all communities by enhancing libraries art and youth programmes**

Fairly important

**Promote physical activity and recreation by increasing play opportunities in more locations**

Fairly important

**Support community groups, volunteers, and mana whenua to enhance environmental protection and restoration efforts, particularly for waterways and wetlands, while promoting waste reduction**

Very important

**Increase maintenance service levels, such as more frequent mowing of high-profile reserves, pest control, and repair of tracks and car parks.**

Very important

**Support Rodney Greenways Plans to facilitate walking, cycling and horse riding**

Very important

**Prepare and review plans for reserves to identify gaps to meet community needs**

Very important

**Improve the safety of our community and environment through increased education, monitoring and compliance.**

Less important

#### Tell us why (please be clear which priority you are talking about)

Its important to have a well maintained community space where you can feel safe and are not worried about walking in a park that has had sink holes unmaintained for 2 years

**Question 5: Other feedback****Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Look after the rate payers dget rid of these ridiculous AT speed bumps and stop the congestion caused by the walkway lights at the Orewa Bridge when ther is a perfectly functional underpass and or lights within 100 meters each way.

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Other

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays, Rodney, Upper Harbour

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)****North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

. Support most

## **Rodney Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Improving services for all communities by enhancing libraries art and youth programmes**

Very important

**Promote physical activity and recreation by increasing play opportunities in more locations**

Very important

**Support community groups, volunteers, and mana whenua to enhance environmental protection and restoration efforts, particularly for waterways and wetlands, while promoting waste reduction**

Very important

**Increase maintenance service levels, such as more frequent mowing of high-profile reserves, pest control, and repair of tracks and car parks.**

Very important

**Support Rodney Greenways Plans to facilitate walking, cycling and horse riding**

Very important

**Prepare and review plans for reserves to identify gaps to meet community needs**

Very important

**Improve the safety of our community and environment through increased education, monitoring and compliance.**

Very important

**Tell us why (please be clear which priority you are talking about)**

## Upper Harbour Local Board Priorities

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Appropriate planning and investment for infrastructure and quality open space in areas impacted by growth and intensification e.g. Whenuapai**

Very important

**Continue to prioritise support to our local community organisations and volunteers to deliver outcomes that provide a sense of belonging, wellbeing and resilience for residents**

Very important

**Continue to prioritise investment in outcomes that ensure our communities have access to high-quality amenities that provide for a range of opportunities including play, pathways and connections, active sports and recreation and connecting with nature**

Very important

**Funding to assist in the development, improvement, and renovation of non-council owned community facilities that serve the Upper Harbour area through a facilities grants process**

Fairly important

**Improve wayfinding in the Upper Harbour area to help our communities to easily discover and enjoy the assets we have**

Fairly important

**Contribute funding for the development of a vision and plan for the future North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we want feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Local parks strategy and planning, Local waste minimisation activities, Local water quality improvement activities

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

I would like the development of more active mode transport and associated infrastructure with fully connected greenways and safe bike lanes

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

### Tell us why

I live on the Hibiscus Coast. With regard to infrastructure and water planning, none of what is outlined addresses concerns in this area. We need better transportation links. The Silverdale interchange and area is past capacity at peak times. Atrocious, reckless planning and permission the rapidly expanding urban areas will only continue to compound these issues. Take a look at the

design of the road network immediately adjacent to the Silverdale interchange. A toddler couldn't have allowed this to develop worse. Not even 10 years ago it was mostly farmland. It could have been done right, there is no excuse for it to be the ill-designed mess it is now. There is no plan for a busway extension to the HBC, let alone even rail to the North Shore. Even just shoulder bus lanes on the motorway between Oteha and Silverdale, with a separated exit/interchange at Silverdale would be a massive improvement and push more people to use public transport. And don't lean on Penlink. Penlink is a toll road and will only add additional congestion where it joins SH1. Whatever minimal improvement it makes to Silverdale will be short lived as the HBC continues to be allowed to grow out of pace with infrastructure investment. Whilst a small part of Auckland, the HBC is the 10th largest urban area in New Zealand. It's time to start treating it like it is.

## **Question 2: Destination management and major events**

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

### **Tell us why**

This is relatively common practice around the world. Visitors to NZ enjoy ACC and many other benefits. I know these are not one in the same, the point is; why not make visitors to Auckland pay something for some of the specific benefits they receive.

## **Question 3: Changes to other rates, fees and charges**

### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays,Rodney

### Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

#### Tell us why

The beaches in HBC need better renewal and protection of sand erosion - Orewa especially. Beyond that I support better use of our parts. But honestly, there's \*\*\*\*\* all indicated in the plan that suggests any material improvement of anything truly impactful in the area. And \*\*\*\*\* have you met the young people of more recent generations? You want to give those fragile, easily-triggered idiots more of a voice and say in important matters?

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Fairly important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Your transport plans always fail to include the Gulf Harbour ferry. It is vital for the thousands of people that live on the Whangaraoa peninsula. The current situation with it being repeatedly cancelled and lies told about unserviceable ferries when we clearly see on the marine traffic app, our ferry being diverted to do different routes. This ferry is desperately needed, not only to get

everyone to work in the city centre quickly and easily, but to get cars and traffic off the roads. No one wants to go on the bus, absolutely no one, and God knows where this idea has come from that people want a two hour bus journey with no toilets or cups of coffee, let alone nice scenery. Listen to the people for once. You need to take control of Auckland transport now and start opening up ferry jetties along the coast like Browns Bay, Takapuna. Get these electric ferries going and take tens of thousands of people off the road by giving them the opportunities to travel by ferry. The lies and deceit and the failure to deliver on the contract by Fullers is diabolical. There needs to be a legal case taken against Auckland Transport for failing to enforce the contract, or charge them fines or penalties. How come any other ferry operator would have been dismissed for breach of contract. But Fullers can get away with blue murder cancelling ferry after ferry after ferry, often at short notice and normally with lies. Terminate the Fullers contract, get one of the other companies that dearly want to do the route with their electric ferries. Get a reliable service again that comes all the time apart from extreme weather. Make the service reliable and then see the numbers using it, go up and up. Even more so if you introduce ferries to other places on the North shore, as the sea is virtually empty, so it gets tens of thousands of cars off the road and out of the CBD. No one wants to go on buses other than within the city centre. Sort out the situation with ferries being cancelled when cruise ships arrive. Its economically disastrous. No ferry should ever be cancelled for a cruise ship. It should take no longer than a couple of months to move most of those ferry jetties to the other side or the next wharf along so that there is never again a ferry cancellation because a cruise ship. The port manager on national TV nearly 2 years ago, said they hoped to have it sorted in a few weeks, well now that has stretched to a few years and nothing has been done. The rest of the world can do it, why is the Port of Auckland on the harbour master so incapable of running an efficient port with easy, on time, access and departure for all vessels.

## **Question 2: Destination management and major events**

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

Because we have The Ocean Race coming back here in 2027, hopefully also the Ocean Globe Race. Not to mention we want the Americas cup and you need to have the money to back Team New Zealand to run the event here. For the sake of spending a few million to have an income of tens of millions from the event it is vital. So yes the visitor bed tax needs to happen right now. It will enable Auckland and especially its waterfront to hold great International events.

### **Question 3: Changes to other rates, fees and charges**

#### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

#### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

### **Question 4:**

#### **Local board priorities**

##### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

#### **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

##### **4B. What do you think of our proposals for your local board area in 2025/2026?**

I don't know

##### **Tell us why**

I just want you to keep fighting for the Gulf harbour ferry. All these cancellations and lies about them from Fullers / AT are totally unacceptable. Along with Auckland transports complete refusal to discipline, fine, and get rid of Fullers from the contract for breach of contract. There were multiple other companies wanting to do this route with their electric ferries that councillors have proposed. Especially if more stops could be included along the North shore, or even separate ferries there. The water is almost empty. The council needs to totally take back control itself of Auckland transports functions and by having a reliable Gulf harbour ferry that is only cancelled for extreme weather and will take thousands of cars off the road. Even more so if ferries are introduced from other North Shore bays. These ferries are vital and they also are a relaxing mentally calming form of transport. Get these ferries running reliably. Get Fullers sued for breach of contract and removed

from the Gulf harbour run. Nobody wants to go on buses, absolutely nobody. It would be my idea of \*\*\*\*\* , with no toilets, no coffee, no beautiful scenery and sitting in traffic. So please fight and fight for our ferry right now to get a change of operator on the route and keep fighting to have it expanded to weekends and other places along the shore.

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

I don't know

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Fairly important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

I don't know

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Fairly important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

## **Question 5: Other feedback**

### **Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

#### **Tell us here**

It's all about the Gulf harbour ferry for me. Keep the ferry for ever. Commit and confirm now. Sue Fullers for breach of contract and remove them from the route for not being able to deliver the service they are contracted to do. Get a new operator in as multiple ones are interested. Add on weekend ferries to Gulf Harbour along with shuttle buses to places like Shakespeare Park or the beaches. So many Aucklanders would use that to come up here for the weekends. Stop the lies coming from Auckland transport and Fullers and find out why they have been allowed to get away with such a diabolical and unreliable service for so long. There are thousands and thousands of people living here who want and need a reliable and regular ferry to the city. No one wants to go on a bus and all we see is empty buses wasting money. Get Auckland moving on the water. Add Ferry jetties to other places along the North shore. Move the ferry jetties one wharf along from the cruise ships so that they never have an impact on each other ever again. Get on with it as it's two years ago, the port said it would sort it. You have empty water. Use that water, get more ferries, get reliable operators that stick to contracts. Get tens of thousands of cars off the roads by using ferries, not buses. On another matter, you need to sort out the funding to have the America's Cup in Auckland, right now as there are only a few weeks before the host city has to be committed to. So commit a sum of money that the team needs to be able to run the event, even if the bed visitor tax comes along next year or something. Commit now because the financial rewards from holding the cup will be phenomenal. Losing it again, would be the stupidest decision ever.

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

there are a few areas of concern that I don't think rates money should be going into. We are in a cost of living crisis and we need to be taking a precautionary approach - any rates increase is difficult and some of the initiatives proposed I don't think are necessary or doing much for those outside of the central city or for those who are already being conscious consumers. The plan is

missing critical issues that have been of concern to many people year after year and completely ignored. This includes allowing fireworks to be used by the general public and which causes indescribable stress and suffering annually. With increased public displays at all times of the year, it's time to remove these also. We need to grow up and mature and recognise that what we used to do is no longer viable in a city that's increasingly crowded and busy.

## **Question 2: Destination management and major events**

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

people staying here are already paying to stay and will be spending in the local area. Now an added cost on top of that - people will just not choose to come here if costs are increased too much

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Do not support the removal of pay as you go rubbish bags. This completely disincentivizes reducing personal waste. My bag goes out once every 4-6 weeks - I am happy to pay for removal. Because I pay every time I use, I am mindful of cost. With a bin, that's another charge for a piece of plastic that will take up space in my garden, and that will be more tempting to fill just because it is there. Seems like fuzzy logic. We already pay for food scraps removal - a service I don't use because I manage onsite and now another service that will increase expenses and increase waste - no incentive to reduce if you introduce this. You need to do better to give those of us consistently doing the right thing a break - I just feel like giving up trying to save my piece of the planet as this type of proposal just brings us all down to the lowest common denominator.

## **Question 4:**

### **Local board priorities**

#### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays, Rodney

### **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

#### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

#### **Tell us why**

Would like to see a ban on fireworks in all of the H&B area - the damage to livestock, pets and the annual damage to property needs to be acknowledged and addressed. We want to protect the natural environment but only when it suits - let's get consistent and do the right thing. We want to welcome immigrants and refugees who may have come from war torn areas but we reserve the right to explode things in our neighbourhoods. This is illogical and it's time to sort it out - ban them from private and public displays. Time to address freedom camping again and get better rules and enforcement in place - Hatfields Beach is a nightmare all year now and we really need to get this sorted. Campers up and down the beach with little space for other users. All year round and for multiple nights / weeks. Like to see more relaxed dog rules on beaches - i understand that some dogs are poorly trained, but so are jet ski users, set netters, vehicles on the beaches, loud stereos. Animals enrich our lives and deserve the best and with increasing development and local park areas that restrict dogs, the beach is a pleasure for us and our canine friends

Our priorities for 2025/2026 are listed below.

#### **How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Less important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Less important

**Tell us why (please be clear which priority you are talking about)**

There's a lot of youth focus here but I don't see anything to support the elderly or disabled. With an aging population I have concerns that they are left out in the cold. Keen to see business supported as a way to encourage local employment - every day thousands of people commute away from our beautiful area to sit in offices in the central city. We need to be supporting local.

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

No

**Tell us why**

. Support most

## **Rodney Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Would like to see a ban on fireworks in all of Rodney - the damage to livestock, pets and the annual damage to property needs to be acknowledged and addressed. We want to protect the natural environment but only when it suits - let's get consistent and do the right thing

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?****Improving services for all communities by enhancing libraries art and youth programmes**

Very important

**Promote physical activity and recreation by increasing play opportunities in more locations**

Very important

**Support community groups, volunteers, and mana whenua to enhance environmental protection and restoration efforts, particularly for waterways and wetlands, while promoting waste reduction**

Very important

**Increase maintenance service levels, such as more frequent mowing of high-profile reserves, pest control, and repair of tracks and car parks.**

Fairly important

**Support Rodney Greenways Plans to facilitate walking, cycling and horse riding**

Very important

**Prepare and review plans for reserves to identify gaps to meet community needs**

Very important

**Improve the safety of our community and environment through increased education, monitoring and compliance.**

Very important

**Tell us why (please be clear which priority you are talking about)**

#4 - increased reserve mowing is not a priority - mowing disrupts natural habitat for pollinators and is a waste of money - grass being a little longer isn't going to harm anyone and in fact will get us closer to nature

**Question 5: Other feedback****Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Would like to see a ban on fireworks in areas - the damage to livestock, pets and the annual damage to property needs to be acknowledged and addressed. We want to protect the natural environment but only when it suits - let's get consistent and do the right thing. We want to welcome immigrants and refugees who may have come from war torn areas but we reserve the right to explode things in our neighbourhoods. This is illogical and it's time to sort it out - ban them from private and public displays. Time to address freedom camping again and get better rules and enforcement in place - we really need to get this sorted - am sure it's the same elsewhere. Campers up and down the beach with little space for other users. All year round and for multiple nights / weeks.

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

### Tell us why

Focus seems to be on SPENDING, not on SAVING. Many projects are Nice to have this year. How about making them Nice to have in two years. Defer as much as possible the non-essential and focus on REDUCING DEBT. It's easy to spend, much harder to save and as the funds are primarily from residential rates, I prefer Council to reduce debt as I would myself. Deferring many

of the Council's projects would not make much difference to the existing state. <hopefully I will be able to elaborate futhre later in this questionnaire.>

## **Question 2: Destination management and major events**

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

### **Tell us why**

World wide this is not uncommon. A small bed tax is okay with most international visotors as they build it into their travel budget. What angers me is that Governmant has to have a say in this issue. Government has to follow the wishes of the local Councils to be democratic. A bed tax doesn't impact national revenue. I would add that the bed tax should not be applied to home stays, b&b, etc. Doing so would open up a huge opportunity for cheating quite apart from the additional paperwork and administrative costs. Hotels, Motels, Resorts and the like who have more than 2 bedrooms should be included in the bed night visitor levy. Any facility with two or less rooms should be excluded.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

TERRIBLE I live on the North Shore and have been paying for my rubbish collection as needed. I prefer to pay by bin collected. This way I only pay for the rubbish I produce and have the ability to reduce and save. If my rubbish collection cost is in my rates, I have no way to save by reducing. I will be punished by having to pay the fixed charge on my rates. Also, I have rental units and now the cost of their rubbish collection will be paid by me and not the tenant. I have limited opportunity to recover this cost. I think it's an awful idea. It's no longer USER PAYS. Very unfair.

## **Question 4:**

### **Local board priorities**

#### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

### **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

#### **4B. What do you think of our proposals for your local board area in 2025/2026?**

I don't know

#### **Tell us why**

The local board plan has no specifics. How can I support spending on something I don't know the details of. Hibiscus and Bays has \$26.0m operational spend on Community Services. The \* note says the spend distribution may vary on this feedback. So how do they know they will need \$26.0m. It's non-sense. I'd suggest cutting 10% from all local board Community Services operational spends. They will always want more and never offer to cut back. Council needs to seriously look at their COSTS to reduce loans. There is lots of fat in Community Services spending. Much is handed out by way of grants to local clubs and groups and often to dubious public benefit. Contractors know how to gouge the Council and the department managers that approve project expenditures don't seem to know what the real-world costings are. They don't have a serious 'savings' mentality. They are just spending someone else's money. Where are the internal reviews and audits of this spending. - supporting youth networks to help our young to thrive. Where is the project. - support and advocate..... where does that money go? Give us a costed project. - support the development and increased use of local parks.... Sorry, users will come despite. - encourage local business associations.... Browns Bay has seven Nail bars, about the same number of Barbers, two or three Vape shops.. Please don't encourage any more. If you want the businesses to remain viable get rid of the parking wardens. Nobody wants a fine for parking for 60 minute while having lunch in the local cafe. I just drive to Albany Mega Centre to avoid the problem. So much for helping local business. I wouldn't go within two miles of Takapuna. You gotta be joking! And so it goes on all across Auckland.

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

It's very frustrating when the questions don't give you the option to answer what you want. 'Very important', 'Fairly important', 'Less important', etc., RUBBISH. Who decided these categories. You are tying my hands. Anybody with a brain would have used a scale of (say) 1 (unimportant)- 10 (very important) Question 5. Why has the word Ngahere suddenly appeared with an english explanation (forest). Who writes these questions. Why not just 'urban forest'?

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

When the NHS plan was original presented to the North Shore Council it was going to have 'NO COST' to the community. The sports groups would be paying for capital and operational costs. All

the Council had to do was grant the land which was 'contribution' as part of the original Niel deveopment for the area. The contribution towards recreational purposes. So the NSCC granted the land and approved the Stadium development. The other request by the sports groups was that the NSCC guarantee the \$25m ASB loan. A councillor was included in the board of the trust building the stadium. Within 10 years the NSCC had to take over the loan and the \$25m costs went to rates. Now we have a lack of interest in the Stadium's use because of poor management. Let's get some fire back in the Stadium project again. I attended many great events there many years ago. The 'Super City' consolidation killed all that.

## **Question 5: Other feedback**

### **Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

#### **Tell us here**

1. Traffic Management. Stop having multiple TM trucks and umpteen people with dozens of cones at every small works. I saw two TM trucks and 4 people managing traffic while some vegetation was cut. It could have been done with one man and a small van with 10 cones. Someone is creaming it. 2. Footpath and Road maintenance. Council are having roads and footpaths renewed/upgraded unnecessarily. Defer it for a couple of years and nobody would notice the difference. The savings would be enormous. Reducing the loans. I think Fulton Hogan is leading the Council by the nose. 3. Get rid of the many raised crossings and fire the engineer who decided to do it. (Schools excepted). They are nothing but a problem and causing stopping and starting the flow. 4. Get rid of more traffic signal controlled intersections and install roundabouts. This should be a high-priority throughout the city. A well designed 'round-about' works very well. For example the one at the intersection of Beach road and Sunnynook Rd works very well. We could use the same at Beach Rd and Rosedale Rd intersection. Set up a project team of traffic engineers to advance this (removal of signal controlled intersections).

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Maungakiekie-Tāmaki, Waitematā

## **Maungakiekie-Tāmaki Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Do not support most

**Tell us why**

I am not in support of the Consolidation of Speedway at Waikaraka Park (WP). There was no consultation by this Local Board with the open wheel speedway community fans and stakeholders in accordance with Auckland Council's Significance and Engagement Policy, March 2022 and the Local Government Act 2002 (LGA). The Waikaraka Park Master Plan's intent has been changed significantly and these changes had no consultation. The WP Speedway footprint is too small to meet the current and potential attendance at the current venue and would therefore diminish and hurt open wheel speedway to be forced into a smaller venue. 'Like for like' open wheel events have been run at WP that failed to draw the usual Auckland open wheel attendance and were not successful, proving open wheel speedway will not be successful at WP. I have concerns that the Ombudsman has taken up this matter and that the Serious Fraud Office are looking into it. This decision should be overturned. This is not-with-standing that I do agree that WP Speedway is in need of an upgrade and that a redevelopment for Auckland Stock & Saloon Car Club purposes is in order.

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Continuing to support community groups and community-led activities through our local community grants**

**Continuing to build the capacity and capability of local community and sporting groups through our strategic partnerships programme**

**Activate our local open spaces and facilities, through council-led activities and assessing what amenities our spaces need, such as toilets and power outlets**

**Empowering community groups and organisations to deliver community events through sustainable funding models**

**Consider funding activities that increase our community's sense of safety, working with community groups and business associations already delivering safety initiatives**

**Continuing to support initiatives that deliver outcomes with and for youth, such as our Youth Empowerment programme, and Tiakina te taiao and Ope programmes (biodiversity and climate action education programme in schools)**

**Collaborate with mana whenua and neighbouring local boards to protect and restore our waterways, particularly the Tāmaki Estuary and Manukau Harbour**

**Consider a review of Te Oro Music and Arts Centre, to ensure it remains welcoming and responsive to the community's changing needs.**

**Tell us why (please be clear which priority you are talking about)**

I am not in support of the Consolidation of Speedway at Waikaraka Park (WP). There was no consultation by this Local Board with the open wheel speedway community fans and stakeholders in accordance with Auckland Council's Significance and Engagement Policy, March 2022 and the Local Government Act 2002 (LGA). The Waikaraka Park Master Plan's intent has been changed significantly and these changes had no consultation. **4B. What do you think of our proposals for your local board area in 2025/2026?**

## **Waitematā Local Board Priorities**

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

**Tell us why**

Do not support most

**Tell us why**

Western Springs Speedway should remain as an open wheel speedway. It has been a speedway since 1929. The speedway activities are enjoyed and well patronised by the wider and local community, offering family-based entertainment within our community. A March 2025 Westmere Community Facebook Page poll showed overwhelming majority of 63% wish to 'keep the current facilities for Ponsonby club, concerts & Speedway', with all other option receiving less than 17%. Drawing in over 100,000 spectators in a speedway season benefits the local community. Many local businesses are involved in speedway through advertising, employing participants and fans with some business owners also speedway car owners. Speedway at Western Springs is a multi-generational past time enjoyed by a wide variety of Aucklanders and attending races is traditional for many families. Flood resilience is important for this community. Keeping Western Springs as a Speedway is ideal as its situated on the flood plane where expensive infrastructure and buildings

are vulnerable to flood damage. This community, Ward and Local Board should support the continuation of Speedway at Western Springs under reasonable operating conditions.

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Prioritising and investigating flood resilience actions for our parks such as Western Park and Grey Lynn Park**

**Delivering footpath improvements for Auckland Domain**

**Starting construction for Leys Institute**

**Delivery of Heard Park Civic Space**

**Prioritising sport and recreation opportunities for groups that have less**

**Investigating transition of Grey Lynn Paddling Pool into a seasonal splashpad**

**Community services programming to enhance perceptions of safety**

**Support for ending homelessness in Auckland.**

**Tell us why (please be clear which priority you are talking about)**

Western Springs Speedway should remain as an open wheel speedway. It has been a speedway since 1929. The speedway activities are enjoyed and well patronised by the wider and local community, offering family-based entertainment within our community. A March 2025 Westmere Community Facebook Page poll showed overwhelming majority of 63% wish to 'keep the current facilities for Ponsonby club, concerts & Speedway', with all other option receiving less than 17%. Drawing in over 100,000 spectators in a speedway season benefits the local community. Speedway at Western Springs is a multi-generational past time enjoyed by a wide variety of Aucklanders and attending races is traditional for many families. Flood resilience is important for this community. Keeping Western Springs as a Speedway is ideal as its situated on the flood plane where expensive infrastructure and buildings are vulnerable to flood damage. This community, Ward and Local Board should support the continuation of Speedway at Western Springs under reasonable operating conditions.

To help the local board understand priorities and areas of importance for the community, we are seeking feedback on areas that are most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

### **Tell us here**

I have serious concerns over the decision to consolidate Speedway from Western Springs to Waikaraka Park and am equally as concerned over open wheel speedways usage rights at Western Springs Stadium and Speedway. I have concerns that the Ombudsman has taken up this matter and that the Serious Fraud Office are looking into it. Tataki Auckland Unlimited and the Auckland Council should negotiate a fair and reasonable contract with the car owners and drivers of the sport through the Western Springs Speedway Assn. to remain operational at the venue. Speedway should not be forced out of Western Springs and into Waikaraka as it will not fit. Speedway and Stock & Saloon car racing are not ideally compatible to share a venue, though forced to in smaller towns. There are health & safety concerns.

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

## Question 3: Changes to other rates, fees and charges

### 3A. What do you think of the waste management proposal?

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

### 3B. Would you like to comment on this or the other rates, fees and charges proposals?

*(Please be clear which proposal you are talking about)*

i do not support the targeted rate of for disposal of rubbish in residential and lifestyle properties in Rodney. I think the current system of users pays is a much better and more efficient way to go, as some weeks you will have rubbish to put out and other weeks none at all. with a targeted rate you are paying the whole year through for weeks that you may not use. this is not a fair way to do this it also means there is no flexibility if on some weeks you have more than one bag have to dispose of or need to get rid of rubbish urgently ( ie: contaminated food urgently after your freezer breaks down etc) rubbish bags also allow those who need to dispose of the rubbish (ie: flatmates/ tenants) to be responsible for their own rubbish disposal for example. I support keeping the rubbish bags over a targeted refuse rate

## Question 4:

## Local board priorities

### 4A. Which local board(s) would you like to provide feedback on?

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Fairly important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Less important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Less important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

North Harbour Stadium is a very important KEY ASSET to the community and citizens of North Auckland. As Auckland expands further north of the central city and land stripping for the development of infill housing and more commercial building and precincts are developed, the North Shore needs a stadium and domain precinct available to host sports events, clubs, teams, local competitions, as well as a space for concerts, events and shows too. it is a vital piece of infrastructure in the North Shore and it should not be torn down or demolished. we need to keep it for the present and future generations to use it, as it can never be replaced if the land were on sold. this will become even more important as the north shore continually expands North Harbour Stadium was previously a very successful stadium in its own right before its board was let go and it was taken over by Auckland council. i have no hesitation in believing it will become once again a fantastic asset for the north shore of Auckland, and for the northern area of Auckland in general. with the right independent board behind it,, who can make positive plans and decisions around it, and proactively promote it for major sporting events, and shows it will once again become a vital asset to the community and people of the North Shore of Auckland

**Question 5: Other feedback**

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

New Zealand is already an expensive destination. Adding extra costs for travellers on accommodation will only cut costs on other activities. Most travellers have a finite budget, it is just a reallocation of funds. Everyone knows that your biggest costs when travelling to NZ are flights (due to distance) and then accommodation.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

I don't know

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

I don't live in Rodney

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support all

#### Tell us why

We need more basketball courts!

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

#### Tell us why (please be clear which priority you are talking about)

Our kids and our land are our future. Sports and moving our bodies is becoming more important. As urban areas become increasingly densely populated there is a grwater need for communal spaces.

#### North Harbour Stadium and Domain Precinct

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

Develop something for teenagers. There seems to be so little aimed at teenagers and they are an integral part of our society. It is so easy for them to slip into a bad lifestyle. Develop cool and fun experiences for them. Keep them engaged and growing into well rounded adults.

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

It is an important community asset which is under used and needs support

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

this should be a national approach and not just Auckland. not only hotel guests should be asked to pay for the levy when the entire visitor/tourism economy also benefits from these travellers.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

I don't know

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

it's too expensive to live in Auckland. traffic is very bad and only getting worse. need robust roadmap and plan to improve access and quality of public transport.

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

## Devonport-Takapuna Local Board Priorities

The local board has additional funding in 2025/2026, however there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

I don't know **Tell us why** we need more play areas for kids and families. indoor basketball courts in Albany are needed. Our priorities for 2025/2026 are listed below. **How important are these priorities to you?** Progress the planning and development of the Takapuna Community Hub  
Fairly important

**Support local environmental groups to work with volunteers to clean up, manage and plant our local reserves and open spaces contributing to better outcomes and more weather resilient spaces**

Fairly important

**Continue to maintain and enhance community facilities, including parks and sports fields, libraries and community venues to meet community needs**

Fairly important

**Progress the Devonport-Takapuna Local Parks Management Plan and refresh of the local boards Greenways Plan**

Fairly important

**Support our flood impacted communities as their neighbourhoods change by offering ways and places to connect and share experiences and information**

Fairly important

**Develop a Wairau Catchment Water Quality Action Plan that will ensure future decisions take advantage of existing reports and advice**

Fairly important

**Support initiatives identified in the Devonport-Takapuna Ethnic Communities Plan in collaboration with the relative representatives of our ethnic communities.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we are seeking feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Community events, Sports and park activation activities, Youth activities

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays, Rodney

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Less important

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

No

**Tell us why**

More important things to fix . E.g. wastewater

. Support most

## **Rodney Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

I don't know

**Tell us why**

I don't know what you mean by commercial accommodation, If this means hotels and motels, I am not opposed to it. If this means bed and breakfasts, holiday homes and air B&B, I am opposed to it.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

I do like the user pays model as it encourages people to reduce waste, but the rubbish bags and tags are not a good system. The bags increase plastic waste. The tags are expensive to operate (printing, selling, collecting the tag must all be paid for), and the system can be abused, as the person collecting the ticket arrives a couple hours before the person collecting the rubbish, so there is no real check that you paid. It would be better for council to have different sized bins and user pays based on the size of their bin

## **Question 4:**

## Local board priorities

### 4A. Which local board(s) would you like to provide feedback on?

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

#### Tell us why

Do not support youth having a voice in local board decision making. Only elected officials should be making decisions. The elected officials should listen to the youth's views (as well as all other residents' views) and make decisions taking those views into account. But no-one (including youth) should be making council decisions if they were not elected to council. No idea what 'Urban Ngahere (Forest) Strategy' is, so can't say if I support it. It's not based in Science, I do not support it.

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

I don't know

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

1. Do not support youth having a voice in local board decision making. Only elected officials should be making decisions. The elected officials should listen to the youth's views (as well as all other residents' views) and make decisions taking those views into account. But no-one (including youth) should be making council decisions if they were not elected to council. 5. No idea what 'Urban Ngahere (Forest) Strategy' is, so can't say if I support it. It it's not based in Science, I do not support it. 6. North Harbour Stadium was paid for by North shore rate-payers and should be retained for use by the North Shore community. But it should be more affordable and accessible to use (e.g. schools and clubs could use it more when it is not hosting some major paid for event). The bad management of it has meant it never gets used and therefore looks like it's costing more than it's worth. If it were made available for use more easily, that would not be the case.

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

North Harbour Stadium was paid for by North shore rate-payers and should be retained for use by the North Shore community. But it should be more affordable and accessible to use (e.g. schools and clubs could use it more when it is not hosting some major paid for event). The bad management of it has meant it never gets used and therefore looks like it's costing more than it's worth. If it were made available for use more easily, that would not be the case.

**Question 5: Other feedback****Do you have any other comments on the Annual Plan 2025/2026?**

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

### Tell us why

Taxes are already too high. Focus needs to be on efficiency - reduce governmental costs to fund investment.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

Common practice in many truistic areas around the world.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

As collection will be more efficient with bins, the overall cost must be lower than 5 bags per month: \$25 - meaning lower than \$20 per month to support the local community.

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Rodney

. I don't know

## Rodney Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

I don't know

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Improving services for all communities by enhancing libraries art and youth programmes**

Fairly important

**Promote physical activity and recreation by increasing play opportunities in more locations**

Very important

**Support community groups, volunteers, and mana whenua to enhance environmental protection and restoration efforts, particularly for waterways and wetlands, while promoting waste reduction**

Less important

**Increase maintenance service levels, such as more frequent mowing of high-profile reserves, pest control, and repair of tracks and car parks.**

Fairly important

**Support Rodney Greenways Plans to facilitate walking, cycling and horse riding**

Very important

**Prepare and review plans for reserves to identify gaps to meet community needs**

Less important

**Improve the safety of our community and environment through increased education, monitoring and compliance.**

Very important

**Tell us why (please be clear which priority you are talking about)**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

Why discourage visitors who bring in money

### **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

### **Question 4:**

#### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

None

**Question 5: Other feedback****Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Stop wasting money on frivolous things and start actually listening to the public who you work for. Really sick of woke attitudes, this should be a business Councillors need to be transparent on their votes and have NO personal opinions regarding council matters

## Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

**What is your opinion on our proposed annual plan?**

**Tell us why**

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

**Tell us why**

### **Question 3: Changes to other rates, fees and charges**

#### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

#### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Happy to pay for my rubbish to be collected and keep Western Springs speedway open

### **Question 4:**

#### **Local board priorities**

##### **4A. Which local board(s) would you like to provide feedback on?**

None

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Make sure its done legally .

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support any

### Tell us why

It is all about collecting more money for Council. Our rates are rising all the time and we don't get anything out of it. There is still no way for us to get to the northern bus line, so no way to use so called public transport. You cannot take away the option to use a car when you don't provide anything else instead of it. We pay more each year, but don't get any better service anywhere.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

at least someone else is paying

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

no more rate rises for anything

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Upper Harbour

.

## Upper Harbour Local Board Priorities

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Appropriate planning and investment for infrastructure and quality open space in areas impacted by growth and intensification e.g. Whenuapai**

Less important

**Continue to prioritise support to our local community organisations and volunteers to deliver outcomes that provide a sense of belonging, wellbeing and resilience for residents**

Less important

**Continue to prioritise investment in outcomes that ensure our communities have access to high-quality amenities that provide for a range of opportunities including play, pathways and connections, active sports and recreation and connecting with nature**

Less important

**Funding to assist in the development, improvement, and renovation of non-council owned community facilities that serve the Upper Harbour area through a facilities grants process**

Less important

**Improve wayfinding in the Upper Harbour area to help our communities to easily discover and enjoy the assets we have**

Less important

**Contribute funding for the development of a vision and plan for the future North Harbour Stadium and Domain Precinct.**

Less important

**Tell us why (please be clear which priority you are talking about)**

fix the roads, get feeder busses to the north shore or provide enough free parking at the bus stations - not only prior to 6am - and most of all fix the education system, bit it on a local or a government level, it is a disaster. Maybe the schools themselves should have more say in getting

teachers who actually teach and are not only reading from a white board barely being ahead of the class by 1 lesson (teacher's statement)

To help the local board understand priorities and areas of importance for the community, we want feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

### **North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

No

**Tell us why**

not interested, focus on important stuff and decrease cost for everyone

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

focus on getting cost down

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

The city needs money to keep it running for the best for all

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

It's a very bad idea. People will come here anyway but could well be put off with additional costs. I certainly would

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

I don't know

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

I very much am against having to pay a compulsory fee in my rates. This should be left to the individual to decide on who to use depending on their circumstances

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Fairly important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Fairly important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support all

### Tell us why

The plan looks well thought out and I dont see anything I disagree with in what is proposed at a glance in the 7 areas

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

Its a small cost to visitors, but a huge gain toward being able to fund these events and make them better

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

get rid of rubbish bags and streamlines the services across Auckland to all be the same

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays, Upper Harbour

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support all

#### **Tell us why**

In particular - contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.

Our priorities for 2025/2026 are listed below.

#### **How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Fairly important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Fairly important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

#### **Tell us why (please be clear which priority you are talking about)**

I work in the north Harbour area and strongly advocate for improving the stadium area and what it has to offer.... HUGE potential

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

As above - I strongly advocate improving the use stadium area and what it has to offer.... HUGE potential and totally under utilized and so mismanaged in the past. This needs a lot of love

## **Upper Harbour Local Board Priorities**

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support all

**Tell us why**

Love the focus on the stadium as well as promoting community centres and activities, increasing sense of belonging, wellbeing and providing for a range of opportunities including play, pathways and connections, especially focussing on play, active sports and recreation.

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Appropriate planning and investment for infrastructure and quality open space in areas impacted by growth and intensification e.g. Whenuapai**

Less important

**Continue to prioritise support to our local community organisations and volunteers to deliver outcomes that provide a sense of belonging, wellbeing and resilience for residents**

Very important

**Continue to prioritise investment in outcomes that ensure our communities have access to high-quality amenities that provide for a range of opportunities including play, pathways and connections, active sports and recreation and connecting with nature**

Very important

**Funding to assist in the development, improvement, and renovation of non-council owned community facilities that serve the Upper Harbour area through a facilities grants process**

Fairly important

**Improve wayfinding in the Upper Harbour area to help our communities to easily discover and enjoy the assets we have**

Very important

**Contribute funding for the development of a vision and plan for the future North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

As above.... Prioritise the focus on the stadium as well as promoting community centres and activities, increasing sense of belonging, wellbeing and providing for a range of opportunities including play, pathways and connections, especially focussing on play, active sports and recreation.

To help the local board understand priorities and areas of importance for the community, we want feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Community centres – programming and activations ,Community Events,Grants

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

This is SO important.... this wonderful stadium has previously been SO mismanaged and neglected, what a shame!!! It has HUGE potential and with good management could really put Albany on the map and create so many opportunities for local business with increased visitors to events held at the stadium!! I would prioritise and support this in a BIG way!!!

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

I don't know

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

### **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

### **Question 4:**

#### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support all

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Less important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Less important

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

No

**Tell us why**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

clean up the wastewater

## Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support any

### Tell us why

I do not believe taxing more is the way to go since we have 10 times more houses in our area that just a few years ago, paying more tax than ever before for services most of us don't use. It's time to stop government overspending on projects that are not practical and a waste of taxpayers

money such as bicycle lanes across the harbour bridge and watercare's ridiculous charges of thousands of dollars to hook your home up to mains water that run right past your property.

## **Question 2: Destination management and major events**

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### **Tell us why**

This will only drive short term visitors away from visiting our country. The cost of hotels, motels, food alone are very high in NZ already. We recently had overseas visitors come to NZ and were shocked at the cost of staying and doing anything here.

## **Question 3: Changes to other rates, fees and charges**

### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Refuse Target Rate to Rodney and Franklin is also ridiculous IMHO. We who only put out rubbish with one bag 99% of the time and have had to indue the cost of rubbish bags skyrocketing, do not wish another tax from government.

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays,Rodney

### Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Less important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Fairly important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Less important

**Tell us why (please be clear which priority you are talking about)**

### **North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

I don't know

**Tell us why**

. I don't know

## **Rodney Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

I don't know

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Improving services for all communities by enhancing libraries art and youth programmes**

Fairly important

**Promote physical activity and recreation by increasing play opportunities in more locations**

Less important

**Support community groups, volunteers, and mana whenua to enhance environmental protection and restoration efforts, particularly for waterways and wetlands, while promoting waste reduction**

Fairly important

**Increase maintenance service levels, such as more frequent mowing of high-profile reserves, pest control, and repair of tracks and car parks.**

Less important

**Support Rodney Greenways Plans to facilitate walking, cycling and horse riding**

Less important

**Prepare and review plans for reserves to identify gaps to meet community needs**

Fairly important

**Improve the safety of our community and environment through increased education, monitoring and compliance.**

Very important

**Tell us why (please be clear which priority you are talking about)**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

I agree we need to prioritise transport and water but more rate increases?? People are really struggling out there you are going to force a lot of elderly from there homes with these continual increases in rates. We need to stop the feel good projects and just focus on what's essential to keep Auckland running.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. ## Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

I don't know

### Tell us why

I have not read the overall plan

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

Makes it a bit more of user pays

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

I don't know

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Less important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

This is a stadium that has been neglected by the council. The original plan for a mirror stand opposite the main stand should be built. There are no problems with Neighbours re noise etc.

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

The sealing of roads with chip seal needs to stop. Especially chip sealing over tar sealed roads is disgraceful. Chip seal does not last as long as tar seal so is not saving money by chip sealing.

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

### Tell us why

Rates already very high - 5.8% increase is unacceptable. Increase should be in line with inflation. Council needs to make savings and stick to core functions, and work within budgets. Why are more services not user pays? Libraries for example should have small user pays charges for these services.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

Tell us why

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

This should be user pays - the new council bins services for Rodney are significantly more expensive than existing private contractors. The bins should be optional not compulsory - the bags should stay in place.

## Question 4:

## **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

None

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

We need funding for an artificial football turf and more access to sports fields. Our football club northern rovers cannot get enough allocations and it's sports that keep kids off the street, keep teenagers engaged and reduce crime and boredom. Kids in sport =kids in good mental health. The condition of the grass fields is also a concern

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

Tell us why

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

It's unfair to add the refuse charge to the rates. I recycle as much as possible and in a family of two adult and one teen living at home, we only put the refuse bin out every 3-4 weeks. Why should we pay weekly on rates. It should be user pays. And what about those living alone? No, this is a totally unfair proposal

## Question 4:

## Local board priorities

### 4A. Which local board(s) would you like to provide feedback on?

Hibiscus and Bays, Kaipātiki

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

#### Tell us why

We need more sports turfs for football and better playing field conditions and allocations are under too much pressure. Youth sport is very important to well-being and success

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

I don't know

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Less important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

We need more sports Facilities. More fields And turfs.

### **North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

## **Kaipātiki Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Community development, including events, community safety, and a greater activation of our community houses, community centres, and libraries**

Less important

**Increased funding in the Kaipātiki Community Grants Programme, so we can support and help a wider reach of our community through their activities**

Less important

**Māori outcomes, through investment in engagement, events, and fostering authentic relationships with Māori.**

Less important

**Youth outcomes, through conversations with young people to identify local activities and services that interest them**

Fairly important

**Increased sport and recreation opportunities, through grants to organisations to maintain or improve their assets, or to secure community use of non-council owned facilities**

Very important

**Environmental protection and restoration, including working with our local environmental groups to increase their impact**

Less important

**Maintenance, including environmentally friendly open space management, building maintenance, refuse collection, bush track maintenance, and removal of aging pine trees**

Fairly important

**Compliance, in the areas of building, illegal dumping, noise, animal control, and overnight stays on reserves**

Less important

**Pools and leisure service enhancements and affordability**

Very important

**Sport and recreation facility planning to understand the sport and recreation facility needs of Kaipātiki, to guide future investment**

Very important

**Business support and engagement across Kaipātiki.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

We need better sports fields and we need an astroturf in the area for football football is a huge growing sport for youth and helps keeps kids Engaged, connected and motivated . .

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

We need an astroturf for youth football We do not want any money wasted on gender ideology, pride or Transgender rubbish. Just return to good solid kiwi values .

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Rodney, Upper Harbour

.

## Rodney Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Improving services for all communities by enhancing libraries art and youth programmes**

Less important

**Promote physical activity and recreation by increasing play opportunities in more locations**

Fairly important

**Support community groups, volunteers, and mana whenua to enhance environmental protection and restoration efforts, particularly for waterways and wetlands, while promoting waste reduction**

Fairly important

**Increase maintenance service levels, such as more frequent mowing of high-profile reserves, pest control, and repair of tracks and car parks.**

Very important

**Support Rodney Greenways Plans to facilitate walking, cycling and horse riding**

I don't know

**Prepare and review plans for reserves to identify gaps to meet community needs**

I don't know

**Improve the safety of our community and environment through increased education, monitoring and compliance.**

I don't know

**Tell us why (please be clear which priority you are talking about)**

## Upper Harbour Local Board Priorities

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Appropriate planning and investment for infrastructure and quality open space in areas impacted by growth and intensification e.g. Whenuapai**

**Continue to prioritise support to our local community organisations and volunteers to deliver outcomes that provide a sense of belonging, wellbeing and resilience for residents**

**Continue to prioritise investment in outcomes that ensure our communities have access to high-quality amenities that provide for a range of opportunities including play, pathways and connections, active sports and recreation and connecting with nature**

Very important

**Funding to assist in the development, improvement, and renovation of non-council owned community facilities that serve the Upper Harbour area through a facilities grants process**

**Improve wayfinding in the Upper Harbour area to help our communities to easily discover and enjoy the assets we have**

**Contribute funding for the development of a vision and plan for the future North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we want feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Environmental restoration, volunteers and pest control activities, Sports and park activation activities, Local waste minimisation activities

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of

local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

To ensure the North Shore which is growing exponentially has a sports and entertainment facility

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

### What is your opinion on our proposed annual plan?

I don't know

### Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Other

**Tell us why**

I would support the bed levy provided it offset council rate costs for residents. Also, the levy should not be apply to residents who stay in such accomodation (with proof of residency).

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

I don't know

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

I don't know

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

I don't know

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

#### Tell us why (please be clear which priority you are talking about)

North harbour stadium is a great stadium that needs to be invested in. It is too far to take kids to games and events at Eden park and Mt smart. More use needs to be made of the facility

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

See comments above. NHS is an asset we already have. It should be supported and improved for the betterment of the whole city. It is very accessible by public transport. North Shore residents are always asked to go across the bridge to venues and stadia. It is time investment was put into what we have on our doorstep.

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

# Annual Plan 2025-2026

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

I don't know

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. *(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

#### **4A. Which local board(s) would you like to provide feedback on?**

Upper Harbour

## Upper Harbour Local Board Priorities

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

#### **Tell us why**

I think that the council should fund saving North Harbour Stadium. It is a great venue for meetings and events as well as sports and is most worthwhile keeping as it is

Our priorities for 2025/2026 are listed below.

#### **How important are these priorities to you?**

**Appropriate planning and investment for infrastructure and quality open space in areas impacted by growth and intensification e.g. Whenuapai**

**Continue to prioritise support to our local community organisations and volunteers to deliver outcomes that provide a sense of belonging, wellbeing and resilience for residents**

**Continue to prioritise investment in outcomes that ensure our communities have access to high-quality amenities that provide for a range of opportunities including play, pathways and connections, active sports and recreation and connecting with nature**

**Funding to assist in the development, improvement, and renovation of non-council owned community facilities that serve the Upper Harbour area through a facilities grants process**

**Improve wayfinding in the Upper Harbour area to help our communities to easily discover and enjoy the assets we have**

**Contribute funding for the development of a vision and plan for the future North Harbour Stadium and Domain Precinct.**

#### **Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we want feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

#### **Which three of our services are most important to you? (select up to three)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

I don't know

### Tell us why

I haven't had time to read & digest the details.

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

Seems a fair way to help pay for visitor infrastructure development.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

I don't know

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

We don't use our food scraps bin because we have a compost & worm farm; I always thought it was crazy to issue folk like us a bin without asking if we would use it?

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

#### Tell us why

For a board with the second largest number of people aged 65+ in Auckland I'm disappointed that the board doesn't see the need to develop intergenerational activities that support social cohesion.

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

#### Tell us why (please be clear which priority you are talking about)

The Harbour Stadium is a taonga and should be funded appropriately.

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

This legacy from a previous generation should be preserved and funded to optimise local community use.

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

### Tell us why

We don't need another budget blowout with your plans for Western Springs. Leave the 'springs the way it is. More work on the basics is required and stop catering to the four percent who can speak the lingo, You are far too woke to be taken that seriously.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

You have venues already. You virtually gave away the Viaduct venue and have done very little to see it used by the groups that originally supported it. The same goes for the showgrounds. A world class venue that Council have done little to see survive. Eden Park, North Harbour Stadium and Mt Smart need more promotion from you.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Council were advised many years ago what the effect of adopting wheelie bins would be and that turkey has now come home to roost. Your waste minimisation plans are an absolute joke.

## Question 4:

## Local board priorities

### 4A. Which local board(s) would you like to provide feedback on?

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

#### Tell us why

North Harbour Stadium was built , for the main part, with funds raised locally. You weren't elected to dispose of our assets on a whim and due to bad decisions made by earlier tossers who were elected for all the wrong reasons.

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Less important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Less important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Less important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

You are asking all the wrong questions so no surprises there.

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

Really?

**Question 5: Other feedback****Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

My feedback will have no affect whatsoever on decisions already made.

# Annual Plan 2025-2026

Note: this simplified version of the feedback form has been created for the purpose of publishing submissions. As such, contact and demographic information has been removed, and handwritten submissions have been transcribed.

## Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

I do not support council plan to close Takapuna golf course in its entirety. Council needs to work to incorporate community needs and maintain this facility. I do not agree in the 5.8 % rate increase as this is double the inflation rate during these difficult times. Council needs to get back to core business and reduce unnecessary spending.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

Tell us why

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Devonport-Takapuna, Hibiscus and Bays

**Devonport-Takapuna Local Board Priorities**

The local board has additional funding in 2025/2026, however there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

**Tell us why** Our priorities for 2025/2026 are listed below. **How important are these priorities to you?** **Progress the planning and development of the Takapuna Community Hub** Less important

**Support local environmental groups to work with volunteers to clean up, manage and plant our local reserves and open spaces contributing to better outcomes and more weather resilient spaces**

Less important

**Continue to maintain and enhance community facilities, including parks and sports fields, libraries and community venues to meet community needs**

Very important

**Progress the Devonport-Takapuna Local Parks Management Plan and refresh of the local boards Greenways Plan**

Less important

**Support our flood impacted communities as their neighbourhoods change by offering ways and places to connect and share experiences and information**

Less important

**Develop a Wairau Catchment Water Quality Action Plan that will ensure future decisions take advantage of existing reports and advice**

Less important

**Support initiatives identified in the Devonport-Takapuna Ethnic Communities Plan in collaboration with the relative representatives of our ethnic communities.**

Less important

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we are seeking feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Libraries and Pools and Leisure facilities - opening hours and services, Sports and park activation activities, Local water quality activities

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

#### **Tell us why**

Our priorities for 2025/2026 are listed below.

#### **How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Less important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Less important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

#### **North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community.

The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

**What is your opinion on our proposed annual plan?**

**Tell us why**

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

**Tell us why**

### **Question 3: Changes to other rates, fees and charges**

#### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

#### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

### **Question 4:**

#### **Local board priorities**

##### **4A. Which local board(s) would you like to provide feedback on?**

Kaipātiki

## Kaipātiki Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Community development, including events, community safety, and a greater activation of our community houses, community centres, and libraries**

Fairly important

**Increased funding in the Kaipātiki Community Grants Programme, so we can support and help a wider reach of our community through their activities**

Fairly important

**Māori outcomes, through investment in engagement, events, and fostering authentic relationships with Māori.**

Fairly important

**Youth outcomes, through conversations with young people to identify local activities and services that interest them**

Very important

**Increased sport and recreation opportunities, through grants to organisations to maintain or improve their assets, or to secure community use of non-council owned facilities**

Very important

**Environmental protection and restoration, including working with our local environmental groups to increase their impact**

Fairly important

**Maintenance, including environmentally friendly open space management, building maintenance, refuse collection, bush track maintenance, and removal of aging pine trees**

Fairly important

**Compliance, in the areas of building, illegal dumping, noise, animal control, and overnight stays on reserves**

Fairly important

**Pools and leisure service enhancements and affordability**

Fairly important

**Sport and recreation facility planning to understand the sport and recreation facility needs of Kaipātiki, to guide future investment**

Very important

**Business support and engagement across Kaipātiki.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

With player numbers increasing in soccer, there is a real lack of suitable fields and training facilities for those clubs who did not receive funding via the Fifa womens world cup. Our club, Northern Rovers needs improvements such as lighting and turf pitches to cater for all weather/times of day allowing players to train with reliability and consistency at all times of year. Currently my daughters womens team is practising away from McFetridge and often finishing in the dark due to a lack of access to suitable fields. .

**Question 5: Other feedback****Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

### Tell us why

Live within the rate of inflation not above same - we pensioners only got an increase of 3% if you cannot do this resign forthwith!

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

User pays NOT Rate payer pays This is NOT and should NOT be a core council activity!!!

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Widowed and living alone, I generate about a fist full of rubbish a week after recycling and insinkarator so why should I pay for a service I don't use or would take 6+ months to fill either bin and the stink in the meantime - one size does not fit all wake up and help your senior citizens and stop the age discrimination!!

## Question 4:

## Local board priorities

### 4A. Which local board(s) would you like to provide feedback on?

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Do not support most

#### Tell us why

again user pays not rate payer

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support all

### Tell us why

Annual plan aligns with improvements that I would like to see happen within Auckland. I am in agreement with future goals and believe they will improve sustainability and overall happiness in Auckland.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

I believe the differential of 0.5 percent would be agreeable based on the belief that if said accommodation was used occasionally by the average person, the cost would be worth it, or even negligible.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

N/A

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Devonport-Takapuna, Hibiscus and Bays

**Devonport-Takapuna Local Board Priorities**

The local board has additional funding in 2025/2026, however there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support all  
**Tell us why** Our priorities for 2025/2026 are listed below.  
**How important are these priorities to you?**  
 Progress the planning and development of the Takapuna Community Hub  
 Very important

**Support local environmental groups to work with volunteers to clean up, manage and plant our local reserves and open spaces contributing to better outcomes and more weather resilient spaces**

Very important

**Continue to maintain and enhance community facilities, including parks and sports fields, libraries and community venues to meet community needs**

Very important

**Progress the Devonport-Takapuna Local Parks Management Plan and refresh of the local boards Greenways Plan**

Very important

**Support our flood impacted communities as their neighbourhoods change by offering ways and places to connect and share experiences and information**

Very important

**Develop a Wairau Catchment Water Quality Action Plan that will ensure future decisions take advantage of existing reports and advice**

Very important

**Support initiatives identified in the Devonport-Takapuna Ethnic Communities Plan in collaboration with the relative representatives of our ethnic communities.**

Very important

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we are seeking feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Local arts and culture activities, Arts and community centres – programme and activation, Grants

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support all

#### **Tell us why**

Our priorities for 2025/2026 are listed below.

#### **How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

I particularly agree with: 1) Continue work funded by the Water Quality Targeted Rate programme 2) Advance the Making Space for Water programme that aims to reduce, avoid and raise awareness of flood risks 3) INCREASE the funding available to meet council's obligations set out in the Regional Pest Management Plan 2020-2030 and increased funding and extension of the

Environment Targeted Rate in delivering pest plan, animal and pathogen control and restoration activities. 4) Coordinate and implement the kauri dieback management programme to protect our kauri forests. 5) Implement fairer funding for local boards. This I believe should in term of environmental protection, be comparable to the number of extent of valuable ecosystems, habitat, reserves and canopy cover that needs protecting. 6) I believe both the Kaipatiki local board and Hibiscus and bays local boards should receive higher financial support for environmental protection/biodiversity and community projects, due to the sheer volume of ecosystems present that need protecting. The need is greater than the support available currently.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

### Tell us why

It sounds good to me. Not everyone can afford the luxury to attend these kinds of events, and in my opinion are not considered essential for basic health and wellbeing. There are ways people can get involved in the topics brought by these events for free. I feel a user-contributes system such as the bed night visitor levy seems appropriate to continue these events. I feel investment should be made into pursuits or access to recreation that is free to everyone, of all cultures, backgrounds or ability are more important - i.e support for our parks and green spaces. Environmental protection benefits everyone, not a select few able to afford the luxury.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Other

### 3B. Would you like to comment on this or the other rates, fees and charges proposals?

*(Please be clear which proposal you are talking about)*

I am in support of the increase to the Climate Action Transport Targeted Rate, Natural Environment Targeted Rate and Water Quality Targeted Rate. If competent experts can say that the benefits of applying the refuse targeted rate WILL BE better financially for everyone - I am willing to support it. I am however disappointed that we do not have a system that incentivises people who do the right thing. This means reducing consumption at the consumer end, composting own material, recycling and overall reducing the amount of refuse for landfill as an act of GOOD BEHAVIOUR. Myself and my family, and many others I know go out of our way to try and reduce the strain on our rubbish systems for the environment but also our own wallets. We constantly work to reduce our costs in the face of inflation.... and the introduction of waste systems are quite a kick in the teeth. Do the people who generate the worst waste actually act differently due to the current waste levies and rates? Will they with the Refuse Targeted rate increase? I am willing to listen to experts, but in so many ways I am more and more disillusioned that our country is not future thinking, working to improve the culture of behaviour change and responsibility.

## Question 4:

### Local board priorities

#### 4A. Which local board(s) would you like to provide feedback on?

Hibiscus and Bays, Kaipātiki

### Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

#### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

#### Tell us why

I support: 1) advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting 2) support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities 3) support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy, HOWEVER suggest initiatives that support local conservation networks groups like Forest & Bird and Restore Hibiscus and Bays are supported. The funding added to these organisations is many times over duplicated in volunteer hours/effort given back.

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Less important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Less important

**Tell us why (please be clear which priority you are talking about)**

### **North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

No

**Tell us why**

With limited funding and the cost of rates rises, and inflation - I think prioritisation of projects that benefit everyone of all backgrounds, income and ethnicity should be prioritised first. Often this means recreational reserve park space whereas the North Harbour Stadium and Domain Precinct has fewer opportunities I feel.

## Kaipātiki Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

#### Tell us why

Kaipātiki contains a very large proportion of native ecosystems, green spaces, canopy and parks. It is a jewel when it comes to our ability to protect and conserve Auckland's biodiversity. As such I believe it should proportionately receive more support for environmental and community funding to be able to address biodiversity needs. It also provides many places for recreation. I therefore support: 1) community development, including events, community safety, and a greater activation of our community houses, community centres, and libraries 2) increased funding in the Kaipātiki Community Grants Programme, so we can support and help a wider reach of our community through their activities 3) Māori outcomes, through investment in engagement, events, and fostering authentic relationships with Māori. 4) youth outcomes, through conversations with young people to identify local activities and services that interest them 5) environmental protection and restoration, including working with our local environmental groups to increase their impact 6) maintenance, including environmentally friendly open space management, building maintenance, refuse collection, bush track maintenance, and removal of aging pine trees 7) compliance, in the areas of building, illegal dumping, noise, animal control, and overnight stays on reserves

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Community development, including events, community safety, and a greater activation of our community houses, community centres, and libraries**

Fairly important

**Increased funding in the Kaipātiki Community Grants Programme, so we can support and help a wider reach of our community through their activities**

Very important

**Māori outcomes, through investment in engagement, events, and fostering authentic relationships with Māori.**

Fairly important

**Youth outcomes, through conversations with young people to identify local activities and services that interest them**

Fairly important

**Increased sport and recreation opportunities, through grants to organisations to maintain or improve their assets, or to secure community use of non-council owned facilities**

Less important

**Environmental protection and restoration, including working with our local environmental groups to increase their impact**

Very important

**Maintenance, including environmentally friendly open space management, building maintenance, refuse collection, bush track maintenance, and removal of aging pine trees**

Very important

**Compliance, in the areas of building, illegal dumping, noise, animal control, and overnight stays on reserves**

Fairly important

**Pools and leisure service enhancements and affordability**

Less important

**Sport and recreation facility planning to understand the sport and recreation facility needs of Kaipātiki, to guide future investment**

Less important

**Business support and engagement across Kaipātiki.**

Less important

**Tell us why (please be clear which priority you are talking about)**

Kaipatiki are custodians of a huge diversity and abundance of natural ecosystems and biodiversity for the whole of Auckland. It plays a massive role in climate change mitigation, health, wellbeing and our commitment to protecting te taiao which is critical for te tiriti o waitangi honours. The current level of care for maintenance for park land is insufficient to tackle pest plants and animals. For this reason, more investment should be directed towards the Kaipatiki local board, and consideration made to prioritise environmental priorities such as #2,6 and 7 above. The environment is something ALL people of ages, ethnicity, background or wealth can access if it is present, healthy and able to sustain the level of use by the public. I therefore personally prioritise projects that support local environment. .

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

1. I do not agree with strategic plan wording in part / LTP pg5 - Q1. a diverse and dynamic city, which honors the place of Maori and..... \* Auckland is a diverse and culturally rich city, making reference to one ethnicity (any) is divisive and will never sound inclusive. Perhaps the wording would be more acceptable to the majority of Aucklanders if it was 'actually' inclusive.

Example - a diverse, culturally rich society and dynamic city, and includes an array of cultural and sporting events, museums, galleries and built heritage. We really do need to move on and away from any race-based commentary if AKL City Council wishes to be taken seriously in a modern, mature & progressive society.

## **Question 2: Destination management and major events**

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

I believe in user pays. I also travel extensively and the vast majority of the world is already doing this. International travelers within reason, expect it.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

- I do not support 'in part' waste management proposal. I believe the food scraps service should be cancelled. The collection of decomposing food to held on residential property is a Health & Safety

violation, particularly in the summer/warmer periods where it can be fly blown within a couple of days. There is no Health & Safety Plan or procedures for rate payers to mitigate the risks to person, property & pets. -I do not support (CATTR). We do not have the infrastructure to support this plan 'yet'. It is simply ludicrous to fund an idea that can not be supported properly or effectively. I believe (CATTR) should be deferred to an appropriate time in the future where infrastructure and technologies can adequately support the proposal and provide meaningful & proven outcomes for capital cost expenditure.

## **Question 4:**

### **Local board priorities**

#### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

### **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

#### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support all

#### **Tell us why**

Hibiscus and Bays Local Board and for that matter the entire wider North Shore has been the poor cousin to other regions, ever since the formation of the 'Super City'. I have witnessed from what used to be pristine parks, amenities and local activities to a steady and continued shameful degradation of all of the regions key areas highlighted in Hibiscus Coast and Bays Local Board Plan for 2025/2026.

Our priorities for 2025/2026 are listed below.

#### **How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

Items 1-6 are all very important. Hibiscus and Bays Local Board and for that matter the entire wider North Shore has been the poor cousin to other regions, ever since the formation of the 'Super City'. I have witnessed from what used to be pristine parks, amenities and local activities to a steady and continued shameful degradation of all of the regions key areas highlighted in Hibiscus Coast and Bays Local Board Plan for 2025/2026.

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

Because the region needs these asset's, they are very much the essence of our community and provide the vehicle to bring communities together in positive and meaningful ways. I am old enough to remember North Harbor Stadium, when it was operated by a Trust and how effective it was for the wider communities, aside from the tangible benefits there was far intangible benefits that community shared. It is a disgrace Auckland Council has allowed this great facility, with excellent public transport accessibility to degrade into an under-utilized, sad and sorry state it has now become. Time to turn it around and bring it back to the shining example of what it used to be and what it represented for this amazing region.

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Remove all race-based and gender references to your Annual Plan and future Plan's. Auckland is a thriving melting pot of too many ethnicities and genders to mention. Most of the Auckland population are turned off and appalled by the divisive race-based & gender agendas and communication that spills out of Auckland Council. We are all one people, we want to be heard and treated equally. Much like your people neutral rating system which diligently collects revenue from all of us, perhaps it's time Auckland Council matured into ethnicity & gender-neutral policies and behaviors. If nothing else, you will earn respect from the vast majority of those you proposit to represent. Much like this submission closing pages of question, why do you believe a person, race, gender, age is relevant to any of this submission? Just get on with the job and keep it simple team, the world is complicated enough.

# Annual Plan 2025-2026

Note: this simplified version of the feedback form has been created for the purpose of publishing submissions. As such, contact and demographic information has been removed, and handwritten submissions have been transcribed.

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Strongly oppose Wairau Flood plans, turning AJ Thomas park into a wet field environment. The impact of the 400,000 golfers has not been considered thoughtfully. The whole plan appears to be a hysterical overreaction to a once in 100 year event.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

it will provide fiscal support to keeping North Harbour stadium

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

I don't know

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Less important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

6. Future of North Harbour stadium is critical. I have wonderful memories of numerous events at the stadium.....Rugby All Blacks beating Sth Africa in record score, League Kiwis beating Australia, One day cricket final on outer field, Music ( the Who, Steve Nicks), & many more. The stadium recent failures are clearly the lack of a strong marketing plan!

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

See Above

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

Support if it doesn't cost a lot to manage. Promotion of city is desirable.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

I could get by with a smaller bin and collection every 2 weeks

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

#### Tell us why (please be clear which priority you are talking about)

Watching sport in the City or South is not always an option. NH Stadium will be so useful when Eden Park changes occur.

#### North Harbour Stadium and Domain Precinct

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

Watching sport in the City or South is not always an option. NH Stadium will be so useful when Eden Park changes occur.

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

**What is your opinion on our proposed annual plan?**

**Tell us why**

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

#### **4A. Which local board(s) would you like to provide feedback on?**

Kaipātiki

## Kaipātiki Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Community development, including events, community safety, and a greater activation of our community houses, community centres, and libraries**

**Increased funding in the Kaipātiki Community Grants Programme, so we can support and help a wider reach of our community through their activities**

**Māori outcomes, through investment in engagement, events, and fostering authentic relationships with Māori.**

**Youth outcomes, through conversations with young people to identify local activities and services that interest them**

**Increased sport and recreation opportunities, through grants to organisations to maintain or improve their assets, or to secure community use of non-council owned facilities**

Very important

**Environmental protection and restoration, including working with our local environmental groups to increase their impact**

**Maintenance, including environmentally friendly open space management, building maintenance, refuse collection, bush track maintenance, and removal of aging pine trees**

**Compliance, in the areas of building, illegal dumping, noise, animal control, and overnight stays on reserves**

**Pools and leisure service enhancements and affordability****Sport and recreation facility planning to understand the sport and recreation facility needs of Kaipātiki, to guide future investment**

Very important

**Business support and engagement across Kaipātiki.**

**Tell us why (please be clear which priority you are talking about)**

.

**Question 5: Other feedback****Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

The NRF Facility Plan (2025) shows there is a shortfall in the floodlit sports field network equivalent to 28 artificial turfs to meet CURRENT (not future) football demand across Auckland. The NRF Facility Plan (2025) shows there is a shortfall in the floodlit sports field network equivalent to 2 floodlit artificial turfs to meet CURRENT (not future) football demand in the Kaipatiki Local Board. Northern Rovers FC's playing membership has grown from 900 (2008) to 1,450 (2024), with a 40% increase in our Junior & Youth playing membership over the last 5 years. Northern Rovers FC is classed in the top 20 largest football clubs in New Zealand. Northern Rovers FC has a waiting list of players in many junior and First Kicks grades as it does not have sufficient sports field capacity to meet community demand. Meaning our Tamariki are missing out on opportunities to play and connect. Many teams are unable to train and play pre-season games in March due to Council renovation windows (meaning fields are closed), which increases the likelihood of early season injury. The volume of demand on McFetridge Park and Becroft Park is increasingly leading to mid-season sports field closures, with no alternative venues available to transfer programs. Grass is a living asset and will die if not appropriately maintained. Council staff have accepted its current facility maintenance contracts do not deliver optimum outcomes, but these cannot be changed until 2027. There is potential to fund an artificial turf through a combination of funding from the Sport & Recreation Facility Investment Fund (regional council funding), local board opex (perhaps in the form of a grant), Schools/MOE, the Birkenhead Licensing Trust and other community funders and community fundraising. We would like to see: The lighting of field 1 McFetridge Park as a quick win. Development of two artificial turfs at McFetridge Park, ideally in partnership with a school to maximise use of this valuable community asset and to share development, maintenance and future replacement costs. This approach will ensure the natural beauty of McFetridge Park is maintained for all the community to enjoy, and with the turf being based at a neutral venue, means it can be easily shared with other clubs and codes.

## Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Do not support most

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Fairly important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

#### Tell us why (please be clear which priority you are talking about)

We need this stadium if is very important to the local population please font take it away. There is very little else in the area

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

Because we need it and want it

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Bring back public rubbish bins you have taken away too many Keep dogs off the beaches and police it more with wardens

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Must invest and protect use of North Harbour stadium and precinct Must provide funding for McLennan Park, Papakura improvements, signage, and development of walkways with native tree planting

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

I don't know

**Tell us why**

Depends on where visitors are from and the types of event promotion envisaged

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Other

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Only if they are provided with a suitable and beneficial collection service

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays, Papakura

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

#### **Tell us why**

See previous comments.

Our priorities for 2025/2026 are listed below.

#### **How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Fairly important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Fairly important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

Must lead to actual outcomes, not just be a never ending process

## **Papakura Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

See earlier comments relating to McLennan Memorial Park

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Progressing some of the new Sports and Recreation Plan, economic development, and youth projects identified from the work being completed in 2024/2029**

Fairly important

**Requesting strategic assessments to understand needs relating to: Opaheke sports and passive parks; Awakeri Wetlands; Kuhanui Reserve, Karaka; Park Estate Reserve, Park Green; new play facilities at Pulman Park, and the Greenways/Local Paths Plan**

Fairly important

**Advocating for access to the legacy parking fund for carparking projects**

Fairly important

**Assisting the Takanini Business Association's proposed establishment of a Business Improvement District (BID) programme and BID targeted rate for Takanini**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

Funding must also be allocated to McLennan Memorial Park developments and signage - not just Pullman Park

To help the local board understand priorities and areas of importance for the community, we want feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Community development and support activities, Local parks strategy and planning

**Takanini Business Improvement District (BID)**

We continue to support the Papakura and Takanini Business Associations to grow and develop businesses, and to make the town centres more lively. Takanini Business Association is seeking to establish a Business Improvement District (BID) programme. If it is successful, business ratepayers and owners located within the BID establishment area will become members of the Takanini BID programme and pay the associated BID target rate.

**Do you think we should establish a Takanini Business Improvement District (BID) programme and associated BID targeted rate?**

Yes

**Tell us why**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

#### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays, Upper Harbour

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

#### Tell us why (please be clear which priority you are talking about)

Very important that we continue to maintain & promote the use of North Harbour Stadium. Our Stadium is a very valuable asset for all residents of the North Shore & requires a carefully considered plan for future use.

#### North Harbour Stadium and Domain Precinct

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

Very important that we continue to maintain & promote the use of North Harbour Stadium. Our Stadium is a very valuable asset for all residents of the North Shore & Greater Auckland. It will require a carefully considered plan for future use.

## **Upper Harbour Local Board Priorities**

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Appropriate planning and investment for infrastructure and quality open space in areas impacted by growth and intensification e.g. Whenuapai**

**Continue to prioritise support to our local community organisations and volunteers to deliver outcomes that provide a sense of belonging, wellbeing and resilience for residents**

**Continue to prioritise investment in outcomes that ensure our communities have access to high-quality amenities that provide for a range of opportunities including play, pathways and connections, active sports and recreation and connecting with nature**

**Funding to assist in the development, improvement, and renovation of non-council owned community facilities that serve the Upper Harbour area through a facilities grants process**

**Improve wayfinding in the Upper Harbour area to help our communities to easily discover and enjoy the assets we have**

**Contribute funding for the development of a vision and plan for the future North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

Very important that we continue to maintain & promote the use of North Harbour Stadium. Our Stadium is a very valuable asset for all residents of the North Shore as well as Greater Auckland. Our Stadium requires a carefully considered plan for future use.

To help the local board understand priorities and areas of importance for the community, we want feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)****North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. ### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

### Tell us why

Why are you buying category 1, White stickered properties in Browns Bay. This property had 250 mm of water inside at the peak of the Auckland flood. No danger to life. No threat of land slip. White stickered at the time of the flood event. So why are you wasting ratepayers funding on houses like this when there are far worse affected properties still waiting for review. The property in

question is 1 of 6 on the same cross lease. All floor levels are the same. All units are connected. Because the council has purchased 1 of 6 the category the unit was given is 3. Therefore as all are at the same level all should be categorized as 3. Due the the ineptitude of the decision makers the council has wasted around \$770,000.00 on the purchase of one property that was wrongly categorized which has impacted on any possible sale of the other 5 on this site. What's your response to this.

## **Question 2: Destination management and major events**

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

User pays

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

**Question 4:**

**Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

None

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

## Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support all

### Tell us why

Too many current issues with all of the above that urgently need addressing.

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Kaipātiki, Upper Harbour

## Kaipātiki Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

I don't know

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Community development, including events, community safety, and a greater activation of our community houses, community centres, and libraries**

I don't know

**Increased funding in the Kaipātiki Community Grants Programme, so we can support and help a wider reach of our community through their activities**

Very important

**Māori outcomes, through investment in engagement, events, and fostering authentic relationships with Māori.**

Less important

**Youth outcomes, through conversations with young people to identify local activities and services that interest them**

Very important

**Increased sport and recreation opportunities, through grants to organisations to maintain or improve their assets, or to secure community use of non-council owned facilities**

Very important

**Environmental protection and restoration, including working with our local environmental groups to increase their impact**

Fairly important

**Maintenance, including environmentally friendly open space management, building maintenance, refuse collection, bush track maintenance, and removal of aging pine trees**

I don't know

**Compliance, in the areas of building, illegal dumping, noise, animal control, and overnight stays on reserves**

Fairly important

**Pools and leisure service enhancements and affordability**

Very important

**Sport and recreation facility planning to understand the sport and recreation facility needs of Kaipātiki, to guide future investment**

Very important

**Business support and engagement across Kaipātiki.**

Less important

**Tell us why (please be clear which priority you are talking about)**

.

## **Upper Harbour Local Board Priorities**

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

I don't know

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Appropriate planning and investment for infrastructure and quality open space in areas impacted by growth and intensification e.g. Whenuapai**

Very important

**Continue to prioritise support to our local community organisations and volunteers to deliver outcomes that provide a sense of belonging, wellbeing and resilience for residents**

Very important

**Continue to prioritise investment in outcomes that ensure our communities have access to high-quality amenities that provide for a range of opportunities including play, pathways and connections, active sports and recreation and connecting with nature**

Very important

**Funding to assist in the development, improvement, and renovation of non-council owned community facilities that serve the Upper Harbour area through a facilities grants process**

Fairly important

**Improve wayfinding in the Upper Harbour area to help our communities to easily discover and enjoy the assets we have**

I don't know

**Contribute funding for the development of a vision and plan for the future North Harbour Stadium and Domain Precinct.**

I don't know

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we want feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Pools and Leisure facilities - opening hours and services ,Local parks strategy and planning,Sports and park activation activities

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

I don't know

**Tell us why**

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

The growing population has seen considerable pressure on local club grounds and the inability to provide adequate availability of shared spaces / sports grounds .. flood lighting and / or all weather pitches could help to reduce some of this pressure.

*(Please be clear which proposal you are talking about)*

### **Question 4:**

#### **Local board priorities**

##### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

Having the stadium used as home base for Moana Pasifika has already generated a lot of positivity and excitement in the local community- so much more is possible with decent funding!

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Committing to strengthening our financial position is very important to the future of Auckland.

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

Many overseas countries have this levy in place. Visitors are investing in the country they are visiting.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

All rubbish should be collected in bins by council. Makes sense to replace unsightly bags that can be vandalised by animals. Sadly the disposal of the food items in the small green bin provided is an abject failure and should be stopped, This would surely be costing the ratepayers as this is all manually handled by the Rubbish Collector and many have now stopped using this system.

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

**Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Fairly important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Less important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

At this stage it is still debatable whether Climate Change is an issue so the less money spent in this area the better. We need to develop priorities for tangible assets.

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

It is important to the North Shore to have a Stadium to host various events, sporting and otherwise. It will be a great asset for our future.

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

The Mairangi Bay Surf Club is a complete embarrassment. The building is delapidated, in need of refurbishment and a complete eye sore for the area. The Mairangi Bay Surf Club hosts many events with other clubs and this facility is very important for the region, yet no funding has been made available to build a new facility for our large community. This is shameful and needs to be rectified as soon as possible. The surf club is a great asset to Mairangi Bay and at present it sits in disrepair. Many would be in favour of an upgrade and this needs to be rectified as soon as possible.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

For those wanting these things, it makes sense a small percentage increase to bring in more money

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

#### Tell us why

All things in think are important and need attention

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

#### Tell us why (please be clear which priority you are talking about)

4. Supporting business and creating local hubs that are attractive will only benefit those same hubs. Prioritizing this will enrich everyone.

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

I don't know

**Tell us why**

Don't use this space currently. Have no opinion

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support all

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

I don't know

**Tell us why**

### **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

### **Question 4:**

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Don't support rate rise unless it's a meaningful investment or expenditure.

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

### **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

### **Question 4:**

#### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

I don't know

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Fairly important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Fairly important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

I don't know

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

I don't know

**Tell us why**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

- More focus on increasing quality of healthcare (extend facility hours of operation). - Protecting the coastline and sealife. Currently has too much pressure from taking excess sealife. This needs to stop if the Coast residents want our environment to thrive.

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support all

### Tell us why

All three topics are equally important to the community.

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

Festival and events are such an important part of Auckland, not only for visitors but also for people living here. Of course it has to be funded somehow.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

I don't know

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Living in Rodney for over 20 years, I liked the concept of rubbish bags, as I was able to use more or less from week to week, as I needed them. When I am away, I don't have to pay.

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Devonport-Takapuna, Hibiscus and Bays, Rodney

## **Devonport-Takapuna Local Board Priorities**

The local board has additional funding in 2025/2026, however there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

**Tell us why** Our priorities for 2025/2026 are listed below. **How important are these priorities to you?** **Progress the planning and development of the Takapuna Community Hub** Very important

**Support local environmental groups to work with volunteers to clean up, manage and plant our local reserves and open spaces contributing to better outcomes and more weather resilient spaces**

Very important

**Continue to maintain and enhance community facilities, including parks and sports fields, libraries and community venues to meet community needs**

Very important

**Progress the Devonport-Takapuna Local Parks Management Plan and refresh of the local boards Greenways Plan**

**Support our flood impacted communities as their neighbourhoods change by offering ways and places to connect and share experiences and information**

**Develop a Wairau Catchment Water Quality Action Plan that will ensure future decisions take advantage of existing reports and advice**

**Support initiatives identified in the Devonport-Takapuna Ethnic Communities Plan in collaboration with the relative representatives of our ethnic communities.**

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we are seeking feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Local arts and culture activities, Arts and community centres – programme and activation, Grants

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

### **North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of

local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

. Support most

## **Rodney Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Improving services for all communities by enhancing libraries art and youth programmes**

Very important

**Promote physical activity and recreation by increasing play opportunities in more locations**

**Support community groups, volunteers, and mana whenua to enhance environmental protection and restoration efforts, particularly for waterways and wetlands, while promoting waste reduction**

Very important

**Increase maintenance service levels, such as more frequent mowing of high-profile reserves, pest control, and repair of tracks and car parks.**

**Support Rodney Greenways Plans to facilitate walking, cycling and horse riding**

**Prepare and review plans for reserves to identify gaps to meet community needs**

**Improve the safety of our community and environment through increased education, monitoring and compliance.**

Very important

**Tell us why (please be clear which priority you are talking about)**

### **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support all

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

#### **Tell us why**

This should be recovered through commercial rates and a ticket surcharge for events. Not everyone staying is going to an event, a lot of people are just visiting family and should not be charged extra for that.

### **Question 3: Changes to other rates, fees and charges**

#### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

#### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

I do not support general waste charges. This should be user pays. We recycle, compost and are very careful with our purchases in relation to waste so should not be charged generally even though we are!

### **Question 4:**

#### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

**Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

We should also prioritize the upgrade and opening of Vaughans Road in Long Bay, and a community centre in Long Bay.

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Provide visibility and forward strategies for the use of new suburb development contributions.

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

#### Tell us why (please be clear which priority you are talking about)

Very important to provide and fund the development of Harbour Stadium for everyone to enjoy and use

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

The stadium can provide good events for everyone in North Auckland to enjoy. It's easy to get to and provides a good community centre for many sports, concerts etc

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

## Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Constructing huge expensive speed humps everywhere is not improving transport. Playing whale music to trees is not a wise spend on improving the environment. The annual plan has merits but can fall short on poor implementation.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

I don't know

**Tell us why**

The NZ tax system is already too complicated. Generally, the higher the price the less visitors you will get so may not bring in the revenue envisaged.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

I don't know

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Fairly important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Fairly important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

It took a long time to get it constructed, then a few years of good usage. It has a future for the North Shore, all of Auckland and New Zealand, if it is managed and utilized as originally envisaged. Auckland is voting on building a new stadium while North Shore stadium stand empty - what a waste.

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Any news on the intersection upgrade on East Coast Road/Glenvar road?

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Devonport-Takapuna, Hibiscus and Bays, Kaipātiki, Upper Harbour

## Devonport-Takapuna Local Board Priorities

The local board has additional funding in 2025/2026, however there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most **Tell us why** Our priorities for 2025/2026 are listed below. **How important are these priorities to you?** **Progress the planning and development of the Takapuna Community Hub**  
Less important

**Support local environmental groups to work with volunteers to clean up, manage and plant our local reserves and open spaces contributing to better outcomes and more weather resilient spaces**

Very important

**Continue to maintain and enhance community facilities, including parks and sports fields, libraries and community venues to meet community needs**

Very important

**Progress the Devonport-Takapuna Local Parks Management Plan and refresh of the local boards Greenways Plan**

Very important

**Support our flood impacted communities as their neighbourhoods change by offering ways and places to connect and share experiences and information**

Less important

**Develop a Wairau Catchment Water Quality Action Plan that will ensure future decisions take advantage of existing reports and advice**

Very important

**Support initiatives identified in the Devonport-Takapuna Ethnic Communities Plan in collaboration with the relative representatives of our ethnic communities.**

I don't know

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we are seeking feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Environmental restoration, volunteers and pest control activities, Local parks strategy and planning, Sports and park activation activities

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Less important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Fairly important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

I don't know

**Tell us why (please be clear which priority you are talking about)**

### North Harbour Stadium and Domain Precinct

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of

local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

No

**Tell us why**

## **Kaipātiki Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Community development, including events, community safety, and a greater activation of our community houses, community centres, and libraries**

Less important

**Increased funding in the Kaipātiki Community Grants Programme, so we can support and help a wider reach of our community through their activities**

Less important

**Māori outcomes, through investment in engagement, events, and fostering authentic relationships with Māori.**

I don't know

**Youth outcomes, through conversations with young people to identify local activities and services that interest them**

I don't know

**Increased sport and recreation opportunities, through grants to organisations to maintain or improve their assets, or to secure community use of non-council owned facilities**

Very important

**Environmental protection and restoration, including working with our local environmental groups to increase their impact**

Very important

**Maintenance, including environmentally friendly open space management, building maintenance, refuse collection, bush track maintenance, and removal of aging pine trees**

Very important

**Compliance, in the areas of building, illegal dumping, noise, animal control, and overnight stays on reserves**

Fairly important

**Pools and leisure service enhancements and affordability**

Fairly important

**Sport and recreation facility planning to understand the sport and recreation facility needs of Kaipātiki, to guide future investment**

Very important

**Business support and engagement across Kaipātiki.**

I don't know

**Tell us why (please be clear which priority you are talking about)**

.

## Upper Harbour Local Board Priorities

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Appropriate planning and investment for infrastructure and quality open space in areas impacted by growth and intensification e.g. Whenuapai**

Very important

**Continue to prioritise support to our local community organisations and volunteers to deliver outcomes that provide a sense of belonging, wellbeing and resilience for residents**

Less important

**Continue to prioritise investment in outcomes that ensure our communities have access to high-quality amenities that provide for a range of opportunities including play, pathways and connections, active sports and recreation and connecting with nature**

Very important

**Funding to assist in the development, improvement, and renovation of non-council owned community facilities that serve the Upper Harbour area through a facilities grants process**

Less important

**Improve wayfinding in the Upper Harbour area to help our communities to easily discover and enjoy the assets we have**

Fairly important

**Contribute funding for the development of a vision and plan for the future North Harbour Stadium and Domain Precinct.**

I don't know

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we want feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Pools and Leisure facilities - opening hours and services ,Local parks strategy and planning,Sports and park activation activities

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

No

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support all

### Tell us why

transport, water and fairer funding for local communities are important priorities for Auckland including waste water infrastructure growth

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Fairly important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Fairly important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

#### Tell us why (please be clear which priority you are talking about)

North Harbour stadium is an important venue for the North Shore. It's an important base for rugby on the North Shore and a fantastic venue for other sporting events and entertainment events. With Auckland urban area expanding further North, with North Shore population expanding, North Harbour stadium provides a fantastic opportunity to provide a large indoor and outdoor venue. It

also can help mitigate North Shore traffic heading south, with North Shore people going to events at Sparks area, Mt Eden and Mt Smart

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

It's an important sporting, recreational and entertainment venue for the North Shore. It's close to motorway, bus station and with parking. It's the best situated venue in Auckland for accessibility for North Shore and further afield residents

**Question 5: Other feedback****Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

**What is your opinion on our proposed annual plan?**

**Tell us why**

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

We need more outside attractions/ events that will promote our city

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Waste Collection- organic and inorganic should be on a user pays system. We only need to put our rubbish bin out once every 3-weeks,, but are now charged as if we were putting our rubbish bin out each week. Similarly, we compost our organic waste, yet we are still charged the weekly price for picking up the organic waste bin - this is not right.

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

North Harbour Stadium- this needs community support

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

Our North Harbour Stadium is a key community focal point in Albany but is presently under utilised, mainly in view of competing interests in Auckland City.

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

### Tell us why

Our most important requirement is transport and roading Infrastructure Without building better roads we cannot build anymore house to then support the water requirements. The fact that people on the shore have to pay for rail in rates is a fundamental flaw by council. We are a country of cars and it is far too late to change this. Our changeable weather system takes the confidence

out of people to use public transport. The cost and having to pay such high fares for public transport requires reviewing. A second harbour crossing was required a long time or more wharves are required for ferries to depart from to head to central city. Every bay on the shore should have a ferry terminal and the ability for us to catch ferries into the CBD

## **Question 2: Destination management and major events**

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

### **Tell us why**

We need to attract visitors not deter them. A levy in the most major city in NZ is not a good insight on increasing any form of tourism but more so the amount of small businesses that travel around this country would be penalised.

## **Question 3: Changes to other rates, fees and charges**

### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

It was better to purchase rubbish bags, by making it part of the rates people will just add more into landfill with out care What happened to recycling. Rubbish should cost more to get rid of it so people think about recycling better

## **Question 4:**

### **Local board priorities**

#### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

### **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

#### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Do not support most

#### **Tell us why**

We need to spend more on. Immunity projects and getting each areas local community back Having a Super City has taken away people Visions of who they are People cared more for their areas and communities before the Super city was invented . Before the Super Coty we Use to have lots of events at North Harbour Stadium Because of the greed of Auckland Concil as over charging people to be able to use these facilities it has become a White Elephant . North Harbour Stadium was one of the few places where there is good parking and. Now a good bus system writhing walking distance to the stadium. The locals were proud of this stadium And we called it ours. What changed Super City People Who have lived on the shore will never Auckland as their city as it will always be North Shore City , or North Harbour And same for our cousins out West the Will Always be Westies and they are Proud to be Westies. Get rid of the Super City and let each areas do Their own funding and governance and you will See each area thrive for the better.

Our priorities for 2025/2026 are listed below.

#### **How important are these priorities to you?**

#### **Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

#### **Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

#### **Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Less important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Less important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

**Tell us why (please be clear which priority you are talking about)**

These are all important but youth and the stadium as pointed out below is where we need to start. The contamination of water and soil is due to the unsustainable sewerage system which is now old And not keep up with the overflow of housing going in. Stop building up maintain and fill What we have reduce the amount of houses on sections Will help fix this infrastructure as It will help transport . We are filled to capacity in Auckland .

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

The stadium and domain precinct should be the hub of our community. By having events here to cater for all ages will get the youths involved and give them a purpose. We use to have rugby and football Games, concerts, all Writhing these facilities in the past The greed of the council to tear it apart for Baseball was a disgrace and ruined our stadium. No thought was put into this and where has it got them today? Stadium can be used in the weekends by youths to train them on looking after the area and showing them Importance in what will Be theirs to entertain in the future. The surrounding areas have great walks and easily accessible to shops and malls Promote what we have Good on Moana Pacifica for using this stadium As their home base.

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

I have said enough and hope this does Not go on deaf ears ? I have lived in the shore for the last 50 years and call This my home. I live here with pride and have over the last 15 years have been dis appointed on how we lack respect for what we have.

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Most seem reasonable

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

It seems a reasonable way to raise money without undue stress on our communities

### **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Seems reasonable

### **Question 4:**

#### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Devonport-Takapuna

## Devonport-Takapuna Local Board Priorities

The local board has additional funding in 2025/2026, however there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most **Tell us why** Most seem reasonable Our priorities for 2025/2026 are listed below. **How important are these priorities to you?** **Progress the planning and development of the Takapuna Community Hub** Very important

**Support local environmental groups to work with volunteers to clean up, manage and plant our local reserves and open spaces contributing to better outcomes and more weather resilient spaces**

Very important

**Continue to maintain and enhance community facilities, including parks and sports fields, libraries and community venues to meet community needs**

Very important

**Progress the Devonport-Takapuna Local Parks Management Plan and refresh of the local boards Greenways Plan**

Fairly important

**Support our flood impacted communities as their neighbourhoods change by offering ways and places to connect and share experiences and information**

Very important

**Develop a Wairau Catchment Water Quality Action Plan that will ensure future decisions take advantage of existing reports and advice**

Very important

**Support initiatives identified in the Devonport-Takapuna Ethnic Communities Plan in collaboration with the relative representatives of our ethnic communities.**

Very important

**Tell us why (please be clear which priority you are talking about)**

Maintain and enhance community facilities such as libraries and the Depot Art Space. Vital to develop and grow community.

To help the local board understand priorities and areas of importance for the community, we are seeking feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Local arts and culture activities, Arts and community centres – programme and activation, Community climate action and sustainability activities

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

### **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Using bags makes you conscious of how much waste you produce, having a bin a can just continuously fill up allows me to dispose of a lot more without thought. This ultimately costs the council more because of greater waste that needs to be disposed of.

### **Question 4:**

#### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

None

## Question 5: Other feedback

### Do you have any other comments on the Annual Plan 2025/2026?

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

#### Tell us here

People who harvest rainwater from their roofs and store it for domestic use should be eligible for water rate discounts because they reduce the burden on municipal water systems, contribute to environmental conservation, and promote sustainable water management.

- 1. Reduced Demand on Municipal Water Supplies** By collecting and using rainwater for activities like irrigation, flushing toilets, and even drinking (with proper treatment), homeowners significantly decrease their reliance on city-supplied water. This helps preserve municipal water reserves, especially during droughts or peak demand periods.
- 2. Lower Infrastructure Costs for Water Authorities** Municipal water systems require substantial investments in infrastructure, including reservoirs, treatment plants, and pipelines. When more people harvest rainwater, cities can defer costly expansions and maintenance of these systems, saving money that could be passed on to consumers in the form of discounts.
- 3. Flood Mitigation and Stormwater Management** Rainwater harvesting helps reduce surface runoff, which can overwhelm drainage systems and lead to flooding. By storing rainwater on-site, homeowners help cities manage stormwater more effectively, minimizing the risk of damage to public infrastructure and private property.
- 4. Environmental Benefits** Using harvested rainwater reduces the need for energy-intensive water treatment and distribution. This decreases carbon emissions associated with pumping and purifying water, contributing to a more sustainable and eco-friendly urban environment.
- 5. Incentivizing Sustainable Practices** Offering discounts on water rates would encourage more homeowners to invest in rainwater collection systems. This, in turn, promotes water conservation and helps communities become more resilient in the face of climate change and water shortages.

**Conclusion** Since rainwater harvesters help conserve municipal water, lower infrastructure costs, and support environmental sustainability, it is fair and logical that they receive a discount on their water rates. This would reward responsible water usage and motivate more people to adopt similar eco-friendly practices .

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support any

### Tell us why

I live on the North Shore but I have no problems with traffic. Increasing property taxes is not only bad for landlords who pay property taxes, but it can also lead to higher rents, which is bad for everyone. The council's spending should be reduced from infrastructure spending to personnel expenses, which are mostly being replaced with AI. If Auckland wants to create a better city and a

better society, it needs to invest in businesses and create a better environment for self-employed people so that people can dream and achieve entrepreneurship. The current stagnant system due to lack of diversity cannot improve. This is a meaningless increase.

## **Question 2: Destination management and major events**

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

### **Tell us why**

I agree with the idea of attracting more tourists by providing benefits to those who want to visit. However, I think that using our taxes is not a good idea, as it is only short-term. It is not good for taxes, which all New Zealanders earn by working hard, to be used for tourism purposes for people from other countries. We need to think about why tourists should come to New Zealand first. For example, we need to promote New Zealand culture as a world-class culture, or we need to develop our own film industry or cultural businesses in New Zealand.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

#### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays, Waitematā

### **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

#### **4B. What do you think of our proposals for your local board area in 2025/2026?**

I don't know

#### **Tell us why**

I respect the idea that local residents are trying to improve their quality of life. However, I would like to support ways to overcome the current social problems that everyone is having a hard time with. I don't think there is a way to issue coupons to local businesses so that residents can come out more often and help the economy.

Our priorities for 2025/2026 are listed below.

#### **How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

#### **North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

**4B. What do you think of our proposals for your local board area in 2025/2026?**

## **Waitematā Local Board Priorities**

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

**Tell us why**

I don't know

**Tell us why**

I respect the idea that local residents are trying to improve their quality of life. However, I would like to support ways to overcome the current social problems that everyone is having a hard time with. I don't think there is a way to issue coupons to local businesses so that residents can come out more often and help the economy.

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Prioritising and investigating flood resilience actions for our parks such as Western Park and Grey Lynn Park**

**Delivering footpath improvements for Auckland Domain**

**Starting construction for Leys Institute**

**Delivery of Heard Park Civic Space**

**Prioritising sport and recreation opportunities for groups that have less**

**Investigating transition of Grey Lynn Paddling Pool into a seasonal splashpad**

**Community services programming to enhance perceptions of safety**

**Support for ending homelessness in Auckland.**

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we are seeking feedback on areas that are most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

# Annual Plan 2025-2026

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

more tax will reduce the economic vitality, so try to get some government event to get money rather than increase tax all the time

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

i am a single man live by my own, i only use 2 rubbish tag per month, (10-15\$)per month , I don't need every weeks rubbish pickup but I still have to pay it, that is trade using coercion

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Do not support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

Traffic plan too slow and regarding city centre rather than renovation what in urgent needs is to improve traffic control in the area. And where is northern part development plan???

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

Only will loss visitors!!!!

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Only see rates increase but no actual action. We need to apply more advanced rubbish processing tec rather than landfill. Same with traffic, we seriously need second harbour bridge and underway, could use international builders just let them bid and that will totally upgrade our city

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

**Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

I don't know

**Tell us why**

Other than spending more money I didn't see any constructive plans. Too general

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Papakura

.

## **Papakura Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Progressing some of the new Sports and Recreation Plan, economic development, and youth projects identified from the work being completed in 2024/2029**

**Requesting strategic assessments to understand needs relating to: Opaheke sports and passive parks; Awakeri Wetlands; Kuhanui Reserve, Karaka; Park Estate Reserve, Park Green; new play facilities at Pulman Park, and the Greenways/Local Paths Plan**

**Advocating for access to the legacy parking fund for carparking projects**

**Assisting the Takanini Business Association's proposed establishment of a Business Improvement District (BID) programme and BID targeted rate for Takanini**

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we want feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

### **Takanini Business Improvement District (BID)**

We continue to support the Papakura and Takanini Business Associations to grow and develop businesses, and to make the town centres more lively. Takanini Business Association is seeking to establish a Business Improvement District (BID) programme. If it is successful, business ratepayers and owners located within the BID establishment area will become members of the Takanini BID programme and pay the associated BID target rate.

**Do you think we should establish a Takanini Business Improvement District (BID) programme and associated BID targeted rate?**

**Tell us why**

### **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support any

### Tell us why

The council has made so many changes to rubbish collection in northshore over the years and have caused a lot of disruption. I like the rubbish collection company that I've using so far but now I can't use them any more as the council will force us to use their service by charging it to the rates. Is there any fairness in all these changes???

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

Accommodations are already expensive and if you charge these funny tax to tourists, they will have to save them by reducing their meal costs or shopping. I can't see the benefits of the tax unless the money goes straight into the project and cannot be used for other purposes.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

As I discussed to my first point, please stop doing these things without people's support. There is no democracy in the decision being made at all.

## Question 4:

## Local board priorities

### 4A. Which local board(s) would you like to provide feedback on?

Rodney, Upper Harbour, Waitematā

. I don't know

## Rodney Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

I don't know

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Improving services for all communities by enhancing libraries art and youth programmes**

**Promote physical activity and recreation by increasing play opportunities in more locations**

**Support community groups, volunteers, and mana whenua to enhance environmental protection and restoration efforts, particularly for waterways and wetlands, while promoting waste reduction**

**Increase maintenance service levels, such as more frequent mowing of high-profile reserves, pest control, and repair of tracks and car parks.**

**Support Rodney Greenways Plans to facilitate walking, cycling and horse riding**

**Prepare and review plans for reserves to identify gaps to meet community needs**

**Improve the safety of our community and environment through increased education, monitoring and compliance.**

**Tell us why (please be clear which priority you are talking about)**

## Upper Harbour Local Board Priorities

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

I don't know

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Appropriate planning and investment for infrastructure and quality open space in areas impacted by growth and intensification e.g. Whenuapai**

**Continue to prioritise support to our local community organisations and volunteers to deliver outcomes that provide a sense of belonging, wellbeing and resilience for residents**

**Continue to prioritise investment in outcomes that ensure our communities have access to high-quality amenities that provide for a range of opportunities including play, pathways and connections, active sports and recreation and connecting with nature**

**Funding to assist in the development, improvement, and renovation of non-council owned community facilities that serve the Upper Harbour area through a facilities grants process**

**Improve wayfinding in the Upper Harbour area to help our communities to easily discover and enjoy the assets we have**

**Contribute funding for the development of a vision and plan for the future North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we want feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

**4B. What do you think of our proposals for your local board area in 2025/2026?**

**Waitematā Local Board Priorities**

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

**Tell us why**

I don't know

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Prioritising and investigating flood resilience actions for our parks such as Western Park and Grey Lynn Park**

**Delivering footpath improvements for Auckland Domain**

**Starting construction for Leys Institute**

**Delivery of Heard Park Civic Space**

**Prioritising sport and recreation opportunities for groups that have less**

**Investigating transition of Grey Lynn Paddling Pool into a seasonal splashpad**

**Community services programming to enhance perceptions of safety**

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

### **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Can't afford

### **Question 4:**

#### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Rodney

. Support most

## **Rodney Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Improving services for all communities by enhancing libraries art and youth programmes**

**Promote physical activity and recreation by increasing play opportunities in more locations**

**Support community groups, volunteers, and mana whenua to enhance environmental protection and restoration efforts, particularly for waterways and wetlands, while promoting waste reduction**

**Increase maintenance service levels, such as more frequent mowing of high-profile reserves, pest control, and repair of tracks and car parks.**

**Support Rodney Greenways Plans to facilitate walking, cycling and horse riding**

**Prepare and review plans for reserves to identify gaps to meet community needs**

**Improve the safety of our community and environment through increased education, monitoring and compliance.**

**Tell us why (please be clear which priority you are talking about)**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

## **Question 5: Other feedback**

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

I have never used the food scrap bin collection service because I installed a food waste disposer in my kitchen. However, I have been charged the service fee annually, which I find unreasonable. I request that the food scrap bin collection fee be waived, and I am more than willing to return the unused food scrap bin to Auckland Council.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

I fully support this proposal. Our tax dollars, contributed by hardworking local residents, should not be used to fund overseas tourists.

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

Upper Harbour

.

**Upper Harbour Local Board Priorities**

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

**4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Appropriate planning and investment for infrastructure and quality open space in areas impacted by growth and intensification e.g. Whenuapai**

**Continue to prioritise support to our local community organisations and volunteers to deliver outcomes that provide a sense of belonging, wellbeing and resilience for residents**

**Continue to prioritise investment in outcomes that ensure our communities have access to high-quality amenities that provide for a range of opportunities including play, pathways and connections, active sports and recreation and connecting with nature**

**Funding to assist in the development, improvement, and renovation of non-council owned community facilities that serve the Upper Harbour area through a facilities grants process**

**Improve wayfinding in the Upper Harbour area to help our communities to easily discover and enjoy the assets we have**

**Contribute funding for the development of a vision and plan for the future North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

To help the local board understand priorities and areas of importance for the community, we want feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

### **North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

### **Tell us why**

Without sustainable funding, Auckland risks losing these significant events, which would impact the city's reputation as a dynamic and exciting destination. The estimated \$27 million raised annually from this levy could help fill the budget gap, support destination management, and strengthen Auckland's position as a top tourist destination. Implementing this levy aligns Auckland with other major international cities that use similar methods to fund tourism initiatives. It also ensures that the cost of maintaining and enhancing our city's appeal is shared by those who directly benefit from visiting.

## **Question 3: Changes to other rates, fees and charges**

### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

I do not support this policy. Previously, we disposed of our garbage every two weeks and only purchased rubbish tags as needed. However, the mandatory weekly waste collection fee has significantly increased our waste disposal expenses. Moreover, this policy may lead to an unnecessary increase in waste disposal, as residents who previously minimized waste may now discard more due to the fixed weekly schedule. Additionally, the weekly collection of food scraps

has caused problems. In hot weather, pests and maggots breed rapidly, creating unsanitary and unpleasant conditions. There have also been instances when food scrap bins were not collected on schedule, worsening the issue. I suggest making the use of food scrap bins optional — available to those who need them, while those who do not can choose not to participate.

## **Question 4:**

### **Local board priorities**

#### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

### **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

#### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

#### **Tell us why**

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

Auckland will be more expensive

### **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

I want more choice rather than a council monopoly on services.

### **Question 4:**

#### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

I don't know

#### Tell us why

I don't understand at all

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

## Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

### Tell us why

The council are not listening to the people! While some of these plans are important, the increase in rates for homeowners like myself will mean even less to spend on every day living expenses, we are struggling now to make ends meet. What about increased and cheaper healthcare, more housing for less privileged and more teachersâ€¦the list goes on.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

## Question 3: Changes to other rates, fees and charges

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Do not support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## Question 4:

### Local board priorities

**4A. Which local board(s) would you like to provide feedback on?**

### What is your opinion on our proposed annual plan?

Support most

### Tell us why

As the population grows and social structures become more complex, there is a need to expend basic infrastructure, and this requires securing funding so most agree.

## Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. ## **Albert-Eden Local Board Priorities**

The local board has additional funding in 2025/2026 however there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support all

#### **Tell us why**

Our priorities for 2025/2026 are listed below.

#### **How important are these priorities to you?**

**Increasing our community programmes that are delivered from our libraries and community centres in Pt Chevalier Mt Albert Sandringham and Epsom.**

**Supporting our community leasing groups to be able to share their space and be sustainable over time so they can continue to provide their great range of community services and activities.**

**Supporting our business associations and vibrant town centres so people can live work shop and play in our local villages.**

**Talking with young people and children to better understand what is important to them in their area.**

**Increasing neighbourhood safety and resilience community wellbeing and emergency preparedness.**

**Reducing waste and increasing the profile and impact of Waiōrea Community Recycling Centre.**

**Delivering on concept and restoration plans we have made for local parks and trialling a portable pump track to move around parks in our area.**

**Increasing the number of local events arts and activations especially in local parks and town centres.**

**Tell us why (please be clear which priority you are talking about)**

- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

**What is your opinion on our proposed annual plan?**

**Tell us why**

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Fairly important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Less important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

#### Tell us why (please be clear which priority you are talking about)

North Harbor stadium needs to be preserved to become major sport/entertainment venue for north shore. Traffic congestion as made attending everything across the bridge too difficult

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

# Annual Plan 2025-2026

Note: this simplified version of the feedback form has been created for the purpose of publishing submissions. As such, contact and demographic information has been removed, and handwritten submissions have been transcribed.

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

**What is your opinion on our proposed annual plan?**

**Tell us why**

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. Fairly important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

#### Tell us why (please be clear which priority you are talking about)

Protection of sea, soil, freshwater needed to help area thrive. Increased parks - once sold to developers, can never be used for parks or recreation. North Harbour Stadium - we own it, therefore we should be using it or generate income. Use it or lose it!

#### North Harbour Stadium and Domain Precinct

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

If we don't use it, we lose it. Make it viable by selling naming rights

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

#### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Fairly important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

#### Tell us why (please be clear which priority you are talking about)

We need to be encouraging our younger generation in particular (but everyone should be aware) that we need to be more mindful of our assets and how we can protect them. Also encouraging people to use the facilities we have.

#### North Harbour Stadium and Domain Precinct

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

North Harbour Stadium is a valuable North Shore asset and it would be great to see it being utilised more (as I believe has been happening since there was talk of closing it down) It is a wonderful venue for many activities

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

**Tell us why**

### **Question 3: Changes to other rates, fees and charges**

#### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

#### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

### **Question 4:**

#### **Local board priorities**

##### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

#### Tell us why (please be clear which priority you are talking about)

Being a mother, parks are an important way for my daughter to explore, build confidence and socialise in a controlled, safe space. For myself it allows me to also socialise, creating a strong sense of community.

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

# Annual Plan 2025-2026

Note: this simplified version of the feedback form has been created for the purpose of publishing submissions. As such, contact and demographic information has been removed, and handwritten submissions have been transcribed.

## Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

**What is your opinion on our proposed annual plan?**

**Tell us why**

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

#### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Fairly important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Very important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Fairly important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

#### Tell us why (please be clear which priority you are talking about)

Important that the identity remains as a community asset and enable all organisations being available to them. We cannot afford to lose these facilities as there would be no further land available to replace them.

#### North Harbour Stadium and Domain Precinct

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

It is very important to keep the stadium and domain precinct as a community asset.

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Less important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Fairly important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Fairly important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Less important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Very important

#### Tell us why (please be clear which priority you are talking about)

Priority 6 - very important to support funding for the North Harbour Stadium to receive finance to maintain, grow and utilise this wonderful facility that was paid for by citizens and ratepayers of the North Shore. Since it's been saved, it has become more popular particularly now moana pacifica are an anchor tenant. It must be maintained and cleaned also it needs a water blast and painting.

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

This must be retained for the citizens and ratepayers of the North Shore. Stop wasting money on 'climate change' initiatives and put funding into infrastructure, roading, water. Climate change is an utter scam.

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

No young people under voting age should have any say in local board decision making

## **Question 3: Changes to other rates, fees and charges**

### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

#### **4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## Hibiscus and Bays Local Board Priorities

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### 4B. What do you think of our proposals for your local board area in 2025/2026?

#### Tell us why

Our priorities for 2025/2026 are listed below.

#### How important are these priorities to you?

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

Very important

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

Very important

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

Very important

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

Fairly important

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

Very important

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

Fairly important

#### Tell us why (please be clear which priority you are talking about)

Priority 1 - youth in particular homeless youth need much more physical / mental support. Priority 2 - with continuing rapid development Long Bay / Okura / beaches, sedimentation has not been addressed sufficiently - clayation on sand most evident at Long Bay.

#### North Harbour Stadium and Domain Precinct

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

Albany and environs becoming an even higher density living area and families need green space so any must be protected and further enhanced to improve quality of life for these people.

## **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

### What is your opinion on our proposed annual plan?

Support all

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Albert-Eden Local Board Priorities**

The local board has additional funding in 2025/2026 however there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support all

#### **Tell us why**

Our priorities for 2025/2026 are listed below.

#### **How important are these priorities to you?**

**Increasing our community programmes that are delivered from our libraries and community centres in Pt Chevalier Mt Albert Sandringham and Epsom.**

**Supporting our community leasing groups to be able to share their space and be sustainable over time so they can continue to provide their great range of community services and activities.**

**Supporting our business associations and vibrant town centres so people can live work shop and play in our local villages.**

**Talking with young people and children to better understand what is important to them in their area.**

**Increasing neighbourhood safety and resilience community wellbeing and emergency preparedness.**

**Reducing waste and increasing the profile and impact of Waiōrea Community Recycling Centre.**

**Delivering on concept and restoration plans we have made for local parks and trialling a portable pump track to move around parks in our area.**

**Increasing the number of local events arts and activations especially in local parks and town centres.**

**Tell us why (please be clear which priority you are talking about)**

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support all

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

#### **North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

### **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support all

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

### Tell us why

Too high

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

I do not support the overnight tourist tax, because we also want to travel. Others will also collect taxes from us. This will cause prices to rise, and tourists will not travel, which is not conducive to revitalizing the economy.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

I don't know

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

I don't know

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Albert-Eden Local Board Priorities**

The local board has additional funding in 2025/2026 however there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Do not support any

#### **Tell us why**

Our priorities for 2025/2026 are listed below.

#### **How important are these priorities to you?**

**Increasing our community programmes that are delivered from our libraries and community centres in Pt Chevalier Mt Albert Sandringham and Epsom.**

**Supporting our community leasing groups to be able to share their space and be sustainable over time so they can continue to provide their great range of community services and activities.**

**Supporting our business associations and vibrant town centres so people can live work shop and play in our local villages.**

**Talking with young people and children to better understand what is important to them in their area.**

**Increasing neighbourhood safety and resilience community wellbeing and emergency preparedness.**

**Reducing waste and increasing the profile and impact of Waiōrea Community Recycling Centre.**

**Delivering on concept and restoration plans we have made for local parks and trialling a portable pump track to move around parks in our area.**

**Increasing the number of local events arts and activations especially in local parks and town centres.**

**Tell us why (please be clear which priority you are talking about)**

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Do not support any

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

#### **North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

### **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Support most

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

To pay for municipal waste collection services

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Albert-Eden Local Board Priorities**

The local board has additional funding in 2025/2026 however there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support all

#### **Tell us why**

Our priorities for 2025/2026 are listed below.

#### **How important are these priorities to you?**

**Increasing our community programmes that are delivered from our libraries and community centres in Pt Chevalier Mt Albert Sandringham and Epsom.**

**Supporting our community leasing groups to be able to share their space and be sustainable over time so they can continue to provide their great range of community services and activities.**

**Supporting our business associations and vibrant town centres so people can live work shop and play in our local villages.**

**Talking with young people and children to better understand what is important to them in their area.**

**Increasing neighbourhood safety and resilience community wellbeing and emergency preparedness.**

**Reducing waste and increasing the profile and impact of Waiōrea Community Recycling Centre.**

**Delivering on concept and restoration plans we have made for local parks and trialling a portable pump track to move around parks in our area.**

**Increasing the number of local events arts and activations especially in local parks and town centres.**

**Tell us why (please be clear which priority you are talking about)**

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support all

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

#### **North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

### **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

Note: this simplified version of the feedback form has been created for the purpose of publishing submissions. As such, contact and demographic information has been removed, and handwritten submissions have been transcribed.

## Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

### Tell us why

Because it's risen too high.

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

**Tell us why**

I do not support overnight tourist tax, because we also need to travel to other cities, and other cities will also collect our tourist tax. This will increase the price of goods and the cost of traveling, which is not conducive to revitalizing the economy.

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

Garbage fee plus land tax is OK

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Albert-Eden Local Board Priorities**

The local board has additional funding in 2025/2026 however there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Do not support most

#### **Tell us why**

Because the increase is too high, no job and no income

Our priorities for 2025/2026 are listed below.

#### **How important are these priorities to you?**

**Increasing our community programmes that are delivered from our libraries and community centres in Pt Chevalier Mt Albert Sandringham and Epsom.**

**Supporting our community leasing groups to be able to share their space and be sustainable over time so they can continue to provide their great range of community services and activities.**

**Supporting our business associations and vibrant town centres so people can live work shop and play in our local villages.**

**Talking with young people and children to better understand what is important to them in their area.**

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Support

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

**3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

Support

**3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

**4A. Which local board(s) would you like to provide feedback on?**

Hibiscus and Bays

## **Albert-Eden Local Board Priorities**

The local board has additional funding in 2025/2026 however there are unavoidable increases in the cost of existing services which may need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Increasing our community programmes that are delivered from our libraries and community centres in Pt Chevalier Mt Albert Sandringham and Epsom.**

**Supporting our community leasing groups to be able to share their space and be sustainable over time so they can continue to provide their great range of community services and activities.**

**Supporting our business associations and vibrant town centres so people can live work shop and play in our local villages.**

**Talking with young people and children to better understand what is important to them in their area.**

**Increasing neighbourhood safety and resilience community wellbeing and emergency preparedness.**

**Reducing waste and increasing the profile and impact of Waiōrea Community Recycling Centre.**

**Delivering on concept and restoration plans we have made for local parks and trialling a portable pump track to move around parks in our area.**

**Increasing the number of local events arts and activations especially in local parks and town centres.**

**Tell us why (please be clear which priority you are talking about)**

## **Hibiscus and Bays Local Board Priorities**

The local board has additional funding in 2025/2026, but there are unavoidable increases in the cost of existing services which will need to be considered alongside the additional funding.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

Support most

**Tell us why**

Our priorities for 2025/2026 are listed below.

**How important are these priorities to you?**

**Support the youth networks in our area to help our young people thrive, and to have a voice in local board decision-making**

**Support and advocate for further protection of our sea, soil and fresh water from contamination and sedimentation through methods such as re-naturalisation, or daylighting**

**Support the development and increased use of our local parks, reserves, and sports fields by being available for people of all abilities, ages, and socio-economic backgrounds to enjoy in a range of leisure and recreation activities**

**Encourage local business associations to continue to support business development, to contribute to safer, more vibrant, and attractive town centres, that continue to meet the changing needs of our residents**

**Support and fund efforts to mitigate and adapt reserves, parks and public assets from the effects of climate change through initiatives such as the Urban Ngahere (Forest) Strategy**

**Contribute funding for the development of a vision and plan for the future of the North Harbour Stadium and Domain Precinct.**

**Tell us why (please be clear which priority you are talking about)**

#### **North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

**Tell us why**

### **Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

### What is your opinion on our proposed annual plan?

Do not support most

Tell us why

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

Do not support

## **Question 4:**

### **Local board priorities**

#### **4A. Which local board(s) would you like to provide feedback on?**

Upper Harbour

.

## Upper Harbour Local Board Priorities

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

#### **Tell us why**

Our priorities for 2025/2026 are listed below.

#### **How important are these priorities to you?**

**Appropriate planning and investment for infrastructure and quality open space in areas impacted by growth and intensification e.g. Whenuapai**

Very important

**Continue to prioritise support to our local community organisations and volunteers to deliver outcomes that provide a sense of belonging, wellbeing and resilience for residents**

Very important

**Continue to prioritise investment in outcomes that ensure our communities have access to high-quality amenities that provide for a range of opportunities including play, pathways and connections, active sports and recreation and connecting with nature**

Very important

**Funding to assist in the development, improvement, and renovation of non-council owned community facilities that serve the Upper Harbour area through a facilities grants process**

Very important

**Improve wayfinding in the Upper Harbour area to help our communities to easily discover and enjoy the assets we have**

Very important

**Contribute funding for the development of a vision and plan for the future North Harbour Stadium and Domain Precinct.**

Very important

#### **Tell us why (please be clear which priority you are talking about)**

6. continued. North Harbour stadium is a community asset. Close to people etc. People are more important than stadium

To help the local board understand priorities and areas of importance for the community, we want feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

**Which three of our services are most important to you? (select up to three)**

Community development and support activities, Libraries facilities - opening hours and services  
, Local parks strategy and planning

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

North Harbour stadium is an asset to our community. I like going there

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

Libraries facilities - opening hours and services ,Community Events,Youth activities

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

Its important to the north shore to be able to host all the events at this home stadium

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?

**Tell us here**

# Annual Plan 2025-2026

Note: this simplified version of the feedback form has been created for the purpose of publishing submissions. As such, contact and demographic information has been removed, and handwritten submissions have been transcribed.

## Submitter details:

Organisation (if applicable):

Local Board: Hibiscus and Bays

## Your feedback

### Question 1: Our overall plan

Our proposed Annual Plan 2025/2026 builds on our Long-term Plan 2024-2034 (LTP).

The annual plan focuses on getting on with strengthening the financial and physical resilience of Auckland, while investing where it is needed most to manage growth. In 2025/2026, that includes prioritising investment in:

- transport
- water
- and fairer funding for local communities

It sets out the proposed way to pay for services and investments, including the 5.8 per cent rates increase for the average value residential property which is in line with the LTP, and additional debt to fund \$4 billion of capital expenditure.

**What is your opinion on our proposed annual plan?**

**Tell us why**

### Question 2: Destination management and major events

Attracting visitors and securing, promoting and delivering major events are vital to Auckland being a dynamic and exciting city. In our Long-term Plan 2024-2034, we said we would continue to fund cultural festivals and other significant community events. However, without a bed night visitor levy, there will be a \$7 million budget shortfall for funding of major events that are expected to attract visitor expenditure, such as the ASB Classic, Auckland Marathon and Auckland Writers Festival, from the 2025/2026 financial year. We continue to advocate to central government to introduce this levy. A bed night visitor levy of 2.5 per cent to 3 per cent paid by those in short-stay accommodation, would raise around \$27 million each year to fund even more destination management, marketing and major events activities in Auckland.

A bed night visitor levy requires central government legislative change and they have yet to agree to introduce this legislation. We continue to work with central government on this and your views will help inform this work.

**Do you support a bed night visitor levy paid by those in short-stay commercial accommodation, to fund destination management, marketing and major events activities?**

**Tell us why**

## **Question 3: Changes to other rates, fees and charges**

### **3A. What do you think of the waste management proposal?**

*Apply the Refuse Targeted Rate to residential and lifestyle properties in Franklin and Rodney to pay for council's rubbish collection service, replacing the current system of purchasing rubbish bags.*

### **3B. Would you like to comment on this or the other rates, fees and charges proposals?**

*(Please be clear which proposal you are talking about)*

## **Question 4:**

### **Local board priorities**

#### **4A. Which local board(s) would you like to provide feedback on?**

Upper Harbour

.

## Upper Harbour Local Board Priorities

The following are the key projects and activities we plan to deliver next year, and any key changes to services.

### **4B. What do you think of our proposals for your local board area in 2025/2026?**

#### **Tell us why**

Our priorities for 2025/2026 are listed below.

#### **How important are these priorities to you?**

**Appropriate planning and investment for infrastructure and quality open space in areas impacted by growth and intensification e.g. Whenuapai**

**Continue to prioritise support to our local community organisations and volunteers to deliver outcomes that provide a sense of belonging, wellbeing and resilience for residents**

**Continue to prioritise investment in outcomes that ensure our communities have access to high-quality amenities that provide for a range of opportunities including play, pathways and connections, active sports and recreation and connecting with nature**

**Funding to assist in the development, improvement, and renovation of non-council owned community facilities that serve the Upper Harbour area through a facilities grants process**

**Improve wayfinding in the Upper Harbour area to help our communities to easily discover and enjoy the assets we have**

**Contribute funding for the development of a vision and plan for the future North Harbour Stadium and Domain Precinct.**

Very important

#### **Tell us why (please be clear which priority you are talking about)**

The north shore population has increased so much that it makes no sense to not have a stadium - good links and access to transport - no interference with neighbors

To help the local board understand priorities and areas of importance for the community, we want feedback on areas that are the most important to you so we can prioritise investment in higher priority areas or address rising costs by potentially decreasing investment in lower priority areas.

#### **Which three of our services are most important to you? (select up to three)**

**North Harbour Stadium and Domain Precinct**

Our community gave clear feedback in the long-term plan consultation that they would like to see the North Harbour Stadium and Domain Precinct used more effectively for the local community. The Upper Harbour and Hibiscus and Bays Local Boards are jointly leading a working group of local representatives to develop a vision and plan for the future. The work will need both regional and local funding and our local board will need to contribute.

**Do you think we should contribute funding to the development of a vision and plan for the future of North Harbour Stadium and the Domain Precinct?**

Yes

**Tell us why**

**Question 5: Other feedback**

**Do you have any other comments on the Annual Plan 2025/2026?**

Do you have any other feedback, including the Tūpuna Maunga Authority Operational Plan 2025/2026 (page 33 of the Consultation document)?
