Date published: Friday, 08 September 2023

HYSE Event Summary

EVENT	DATE	LOCAL BOARD	Event Participants#
Claris Drop-In	26/07/2023	Aotea Great Barrier	10
Responses			Count
Q4 Are we on the right track with the 'Our People' priorities?			
Q4 Tell us why			1
Preserving historical names of places is important, Blind Bay reserve should be renamed Iona reserve. The road to the dog pound should be renamed "Jean's way"			1
Q5 Are we on the right track with the 'Our Environment' priorities?			
Q5 Tell us why			4
Grateful for support in the environmental sector			1
Support for the community garden is strong			1
Concern over dune erosion made worse by Cyclone Gabrielle			1
To what extent do we interfere with nature, eg. the seawall at Mulberry Grove			1
Q6 Are we on the right track with the 'Our Places' priorities?			
Q6 Tell us why			3
Support for a bespoke public transport service but who could fund it?			1
Support for electric public transport			1
Support for securing a cemetery site and this should be moved to the Our People section			1
Q7 OTHER COMMENTS			3
Frustration over lack of common sense applied. Lack of communications between Auckland city and the Island. Wanting a return to the old ways of getting things done ourselves.			1
Too much tourism on the island.			1
The community present said they liked the photos especially because they were local ones.			1
