

Creative Communities Scheme Auckland Funded Projects 2019-2020 Round 1

In 2019-20 Round 1 (August 2019), Auckland Creative Communities Scheme assessment committees granted \$513,799.00 to support 148 local projects. This leverages community arts activity across Auckland with a total project value of \$1,958,143.21.

The Creative Communities Scheme Round 1 for the first 6 months of the financial year has created opportunities for 16,671 people of all ages to actively participate in local arts activities, with a projected audience of 394,624 people. The scheme enables communities to bring art into the everyday lives of Aucklanders across the region on beaches, in parks, on marae, in community halls, theatres, streets and galleries with music, dance, film-making, weaving, whakairo, sculpting, singing, poetry, theatre – a wide range creative cultural expression in many art forms within our community.
