This form is to be completed by submitters who wish to have their submissions allocated to additional hearing topics. Please use the [Guide to creating topic and subtopic parties lists](#) to determine your current hearing topics.

You must send your Additional Topic Allocation Form (Form) to the Hearing Advisor npsudhearings@aucklandcouncil.govt.nz, as soon as possible or no later than 10 working days before the council's evidence is due.

On receipt of your Form, the Independent Hearing Panel (IHP) chair will determine whether to allow the request.

The IHP will make all Forms and its decision available on the Independent Hearing Panel webpage.

Note: Submitters will retain allocation of original hearing topics whether or not the chair grants the request.

Additional Topic Allocation Criteria

The allocation request will only be permitted where:

- The primary submission is directly 'on' the requested topic, or if indirectly 'on' the requested topic reasons are to be provided why the additional allocation should be granted.
- The requested topic has not already been heard.
- The request is received no later than 10 working days prior to the council evidence exchange for the hearing topic (generally 25 working days before the hearing)
- The decision is consistent with the principles set out in [IHP Hearing Procedures](#) document dated December 2022 and any other Panel document.

Panel Decision – if granted in part, please specify below.

Granted	Declined 	Date: 29 May 2023	Signature: 
---------	--	----------------------	--

Reason:

The requested topic has not been heard. The request was received more than 10 working days prior to the council's exchange of evidence.

Request 1 is Declined as it is not 'on' the topic.

Topic 019B addresses proposed changes to the spatial application of Policy 3(d) intensification (proposed by the Council as application of THAB zone) around specific centres. Middle Hill Ltd.'s submission seeks to rezone a specific site from General Business to Residential – Mixed Housing Urban or Business – Mixed Use. The submission does not seek change relating to the application of intensification around Warkworth Town Centre, though it does refer to the site's proximity to (approximately 1.5 km from the edge of) the town centre as a rationale for the zoning proposal.

The substantive matter of the submission relates to a zoning proposal which is not 'on' Topic 019B. The submitter's participation in Topic 008 Urban Environment, which addresses zoning proposals, will provide the opportunity for a fulsome consideration of the relief sought.
