

# Additional Topic<sup>1</sup> Allocation Form

<b>Submitter name</b>	Viaduct Harbour Holdings Ltd
<b>Submission number</b>	1088
<b>Further submission number</b>	FS285
<b>Date</b>	23/05/23

This form is to be completed by submitters who wish to have their submissions allocated to additional hearing topics. Please use the [Guide to creating topic and subtopic parties lists](#) to determine your current hearing topics.

You must send your Additional Topic Allocation Form (Form) to the Hearing Advisor [npsudhearings@aucklandcouncil.govt.nz](mailto:npsudhearings@aucklandcouncil.govt.nz), as soon as possible or no later than 10 working days before the council's evidence is due.

On receipt of your Form, the Independent Hearing Panel (IHP) chair will determine whether to allow the request.

The IHP will make all Forms and its decision available on the Independent Hearing Panel webpage.

Note: Submitters will retain allocation of original hearing topics whether or not the chair grants the request.

## Additional Topic Allocation Criteria

The allocation request will only be permitted where:

- The primary submission is directly 'on' the requested topic, or if indirectly 'on' the requested topic reasons are to be provided why the additional allocation should be granted.
- The requested topic has not already been heard.
- The request is received no later than 10 working days prior to the council evidence exchange for the hearing topic (generally 25 working days before the hearing)
- The decision is consistent with the principles set out in [IHP Hearing Procedures](#) document dated December 2022 and any other Panel document.

*Please complete the table(s) below:*

---

<sup>1</sup> Topic in this context means topic or subtopic depending on specificity of the request.

## Request 1

Submission point number (if any)	1088.19; 1088.20
Requested topic allocation	Topic 009: Qualifying Matters A - I
Requested subtopic allocation	Subtopic 009J: Significant Natural Hazards
Reasons	Submission points 1088.19 and 20 have been allocated by Council to Topic 010 (Qualifying Matters - Other) and Topic 001 (Plan Making and Procedural). The submission points relate to the Coastal Inundation information layer, which the submitters understands is also relevant to the discussion in Subtopic 009J regarding, inter alia, natural hazards and flooding and coastal inundation. The submission points should therefore be included in both topics.
Text of submission 'on' the topic	The submission seeks removal of the proposed new Coastal Inundation information layer from the Plan and Maps.

## Request 2

Submission point	1088.21
Requested topic allocation	Topic 013: Qualifying Matters - Additional
Requested subtopic allocation	NA
Reasons	Submission point 1088.21 has been allocated by Council to Topic 012 (Qualifying Matters - Infrastructure). The submission point seeks recognition of infrastructure constraints as a qualifying matter. Infrastructure as an additional qualifying matter is addressed in Topic 013 (in addition to being addressed in Topic 012), and the submission point should therefore be included in both topics.
Text of submission 'on' the topic	The submission seeks that PC78 recognise infrastructure capacity constraints as a qualifying matter that constrains the extent to which intensification may occur outside existing City Centre, Metropolitan Centre, Town Centre and Local Centre Zones. [Refer to page 19 of the full submission for recommendations of how this could be accomplished.]

You are welcome to attach additional pages if more space is required.

Panel Decision – if granted in part, please specify below.			
Granted 	Declined	Date: 2 June 2023	Signature:  Karyn Kurzeja, acting chair

Reason:

The requested topics have not been heard. The request was received more than 10 working days prior to the council's exchange of evidence.

**Request 1 is granted** – Submission points 1088.19 and 1088.20 are additionally allocated to Topic 009J – Qualifying Matters A-I Significant Natural Hazards

The submission points relate to the Coastal information inundation layer. This matter is also relevant to Subtopic 009J which is discussing natural hazards, flooding and coastal inundation and therefore the submission points should be additionally added to Topic 009J – Qualifying Matters A-I Significant Natural Hazards.

**Request 1 is granted** – Submission point 1088.21 is additionally allocated to Topic 013 Qualifying Matters Additional

This submission point seeks recognition of infrastructure capacity constraints as a qualifying matter. Infrastructure as a qualifying matter is also being addressed in Topic 013, in addition to being addressed in Topic 012A and the submission point should be additionally added to Topic 013 Qualifying Matters Additional.
