Hearing Topic			
Cross examiner Submitter Name		Cross examiner Sub. No.:	

You must send your cross-examination request form to the Hearing Advisor, and the party(ies) you intend to cross examine, no later than midday 10 working days prior to the hearing. On receipt of your notice of cross examination, the Independent Hearing Panel (IHP) chair will determine whether to allow cross examination, which witnesses may be questioned, what topics may be covered and how much time you are allowed.

The IHP will make all notices of cross-examination and its determination in respect of such notices available on the hearing page.

Cross-examination or questioning of a witness will only be permitted where:

- The witness is an expert;
- It assists the IHP to better understand an issue that is relevant to the preparation of its recommendations.
- Conflicting evidence needs to be put to the witness to confirm their view; or
- There are disputed issues of fact.
- It is consistent with the principles set out in IHP procedures document (for a copy click [here](#));
