

## Have your say on the draft Resilient Karekare Reference Guide

Feedback opens 29 July and closes 26 August 2019

The Karekare community and Auckland Council developed a draft reference guide called A Resilient Karekare outlining the steps residents and visitors can take to better understand hazards, prepare for their impacts, and what to do should a disaster occur in the area.

As either residents with valuable local knowledge, or visitors who come to enjoy the Karekare surroundings and/or facilities, we welcome your feedback on this draft reference guide. Your input will help us refine the document and, make it useful in helping both residents and visitors be resilient to disasters.
