

Age-friendly Kaipātiki

Tāmaki tauawhi kaumātua

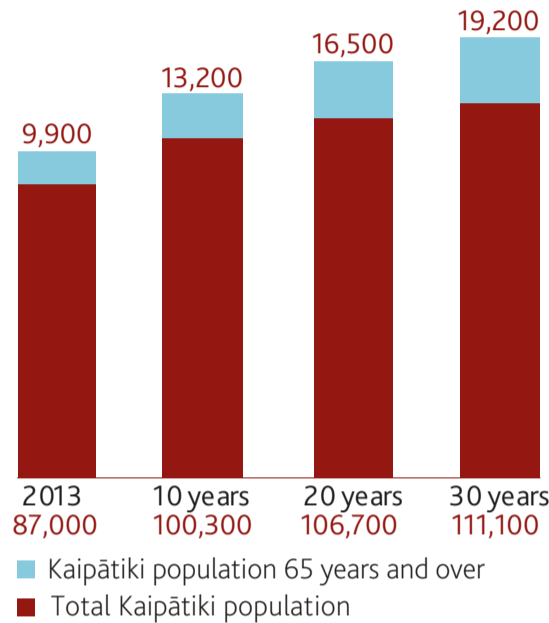

Auckland has the largest population of people aged 65 and older in New Zealand, living in different local board areas.

Auckland's older population is not a homogenous group. Differences include :

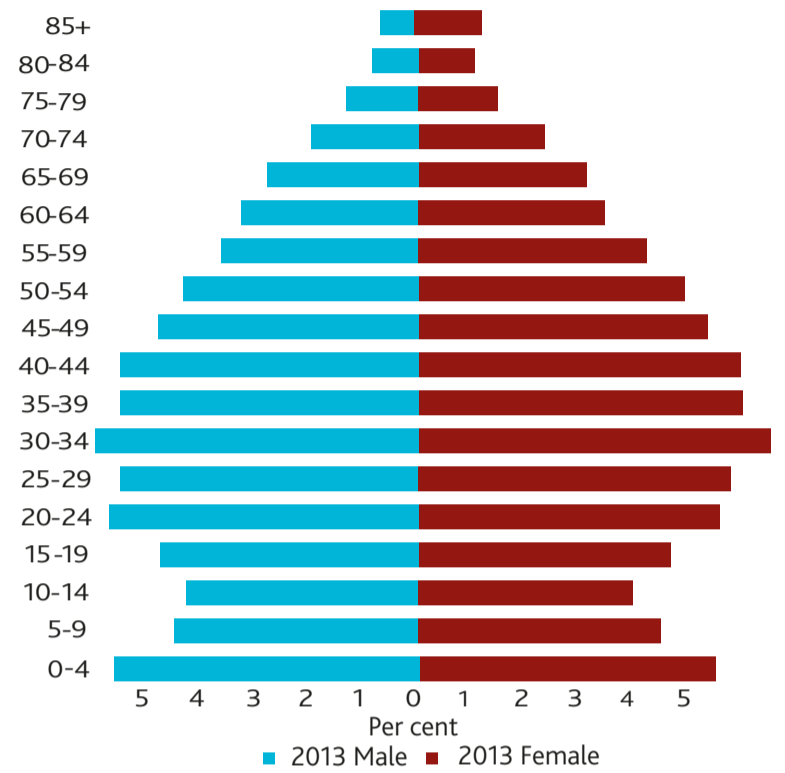

- life stages
- needs and abilities
- ethnicity and language
- rural or urban location
- financial independence.

These differences affect how older people contribute and participate in their local area and wider community.

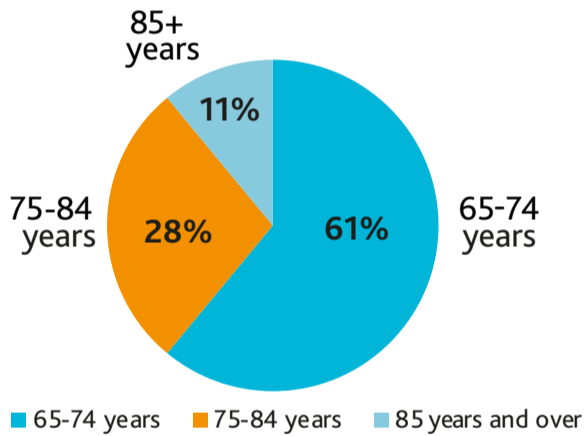

11% of the population of Kaipātiki was over 65 years of age in 2013 growing to **17%** in the next 30 years

A high proportion of Kaipātiki residents are aged 30-60
