

Age-friendly Waiheke

Tāmaki tauawhi kaumātua

Auckland has the largest population of people aged 65 and older in New Zealand, living in different local board areas.

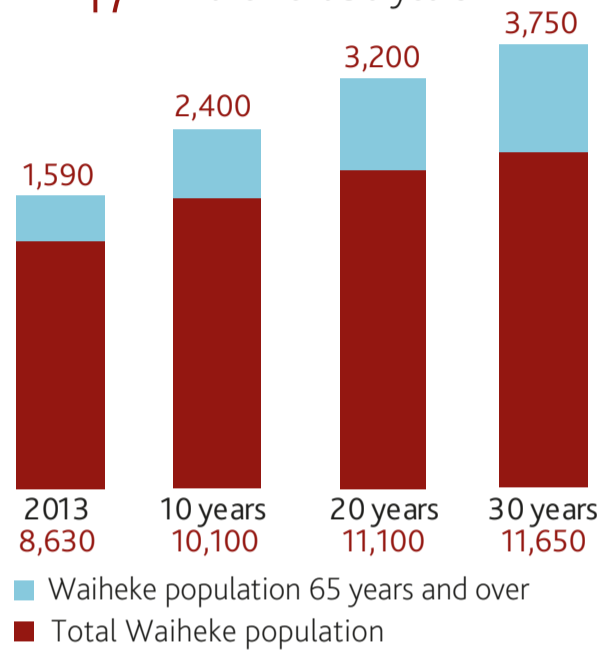

Auckland's older population is not a homogenous group. Differences include:

- life stages
- needs and abilities
- ethnicity and language
- rural or urban location
- financial independence.

These differences affect how older people contribute and participate in their local area and wider community.
