

City Centre Masterplan refresh

The City Centre Masterplan refresh presents a vision of a city centre that is:

- more family friendly
- more pedestrian friendly
- more environmentally friendly.

We aim to make the city centre a place we are all proud of, feel excited about visiting and where we can do business and be entertained.

We want your feedback on the future planning of Auckland's city centre. The City Centre Masterplan is a high-level, non-statutory document that supports the Auckland Plan 2050 and Auckland Unitary Plan. Together these three plans will provide the overall vision that sets the direction for Auckland's city centre.

Before providing your feedback, please read the City Centre Masterplan Outcomes, Transformational Moves and supporting material
