

# Dinghy Launching Facilities for the Ōrākei/Okahu Bay Mooring Zone

Feedback must be received by **Monday, 11 November**

From 1 June 2019, mooring in Okahu Bay became a prohibited activity under the Auckland Unitary Plan. Many of the moorings have been relocated to the Ōrākei/Okahu mooring zone. Map 1 identifies these locations.

A concept plan for The Landing, at 8-12 Tamaki Drive, written in 2013, included a new dinghy ramp at the western end of the site, south of the public pier at Ōrākei Marina. On behalf of the Ōrākei Local Board, staff are currently investigating the feasibility of installing a dinghy ramp in this location.

Your input will be useful in identifying:

- how mooring holders currently access their vessels
- what problems they encounter
- whether there is a need for a new dinghy ramp
- if so, what size of dinghies it would need to accommodate.

Map 1: Location of mooring zones, marinas and the dinghy ramp proposed in The Landing Concept Plan.
