

# Have your say on the Great Barrier Village Parks Plan

Feedback opens 31 October and closes 7 December 2018

Great Barrier Island has a range of community spaces and reserves in each of its settlements that are unique within Auckland. Many of the village parks are small and lack facilities, and many of them are found on beachfront areas, small playgrounds, unformed roads and walkways. There are only a few grass areas on the island that are large enough for sports, and some settlements have open space in school grounds, club grounds, DOC reserves or campsites.

Auckland Council and the Great Barrier Local Board are seeking ideas from the communities about how you currently use these spaces, and what we can do to encourage you to use them more often.

Your feedback will be used to create a draft plan about the future of these community spaces.

To view the maps and images of all settlements please visit [www.aucklandcouncil.govt.nz/haveyoursay](http://www.aucklandcouncil.govt.nz/haveyoursay)

## To provide feedback on the plan you can:
