

Kaipātiki Local Parks Management Plan

Kaipātiki Local Board is developing a local parks management plan for parks and reserves managed by the local board. This plan will include information that is relevant to all parks, and other sections that are specific to individual parks.

We are following a process set out in the Reserves Act 1977 to prepare the local parks management plan. Part of this process requires us to consult with the public twice: when we are ready to begin drafting the plan; and when we have a draft plan to be reviewed.

We would like to receive your feedback and suggestions about what we should consider as we draft the local parks management plan. Our aim is to make sure that the plan we write is in line with what the community values in its local parks, and how people would like to use and enjoy parks in the future.

Feedback must be received by 7 August 2019

All of the questions below are optional. We encourage you to give feedback online at aucklandcouncil.govt.nz/loveyourparks, or you can complete this form and return it to us using one of the options below.
